Introduction

Presented for the Mayor and Council's consideration is the Fiscal Year 2018/2019 (FY 18/19) Budget for the City of Madera. The FY 18/19 financial plan is based on policies that govern the stewardship of public funds and reflect the City's commitment to financial planning. The budget before you represents an accounting of every position and known expense and estimates as to revenue on the collective best knowledge of staff and support agencies to give Council the clearest picture for the City of Madera in Fiscal Year 2018/2019. To that end we present a budget that is \$744,721 smaller than last year's budget and represents a starting point of a \$1.3 million deficit. That figure alone seems incredibly significant. Yet, we have faced similar deficits in the last 5 years of budget presentation. We started FY 17/18 with a projected \$1.3 million deficit, and we may end the year with a General Fund surplus! We projected a \$1.4 million deficit in FY 16/17, a \$0.3 million deficit in FY 15/16, a \$1.0 million deficit in FY 14/15 and a \$1.1 million deficit in FY 13/14. Table 1 represents our ability to significantly erase deficit budgets, returning on average \$1.2 million regardless of the deficit we faced initially. We see FY 18/19 as no different.

Table 1

General Fund Reserve Balance			
Fiscal Year	Beginning Balance	Ending Balance	Surplus Per Year
2017/2018	13,968,482	To Be Determined	
2016/2017	12,879,473	13,968,482	1,089,009
2015/2016	12,326,175	12,879,473	553,298
2014/2015	11,280,658	12,326,175	1,045,517
2013/2014	8,651,615	11,280,658	2,629,043
2012/2013	7,833,114	8,651,615	818,501
Average Annual Surplus			1,227,074

Executive Summary

In the budget workshop we stressed that a more proactive strategy regarding the annexation and development of key properties is central to the City's long term economic growth, as is the establishment of mechanisms to

support the expansion of critical infrastructure. We know that mechanisms beyond our control, such as the California Public Employees' Retirement System (CalPERS) contribution increases, will continue to increase our expenditures. However, we do have the ability to help define our future by attracting and promoting positive development and revenue generation within the City of Madera. That will be our defining objective throughout Fiscal Year 2018/2019 and moving forward.

Unlike past years there are many factors that have the potential to positively impact the City's financial well-being. The following will describe the potential positive impacts as well as the ongoing financial threats.

Positive Legislation/Opportunities

Arguably the most exciting and potentially impactful is the U.S. Supreme Court's (SCOTUS) decision in South Dakota v. Wayfair, Inc. SCOTUS, on June 21, 2018, upheld the ability of states to require out-of-state vendors to collect sales taxes and disburse it to the city and state in which the purchases are made. This could considerably increase sales tax collections for the City of Madera.

SB 1466 and SCA 20 (Glazer) are two proposals that apply to the allocation of Bradley Burns Sales Taxes. The bill's intent is to "capture revenues from 'online' sales and to have those revenues allocated to the point of delivery." This bill creates winners and losers. Cities with large distribution centers that currently collect sales tax from those sales could potentially suffer greatly from lost sales tax revenue, while cities without such distribution centers and with citizens who make a considerable amount of purchases online would benefit from a shift of those revenues to the point of delivery. Passage of SCA 20 would see a 2020 implementation date.

The only hope for relief from unsustainable CalPERS rate increases would be legislation that would give CalPERS member cities the option to alter their benefit formulas, which would be contrary to the California Rule. California cities wait for SCOTUS to decide the fate of this rule California Rule. If we see a favorable outcome in this ruling, implementation of changes will be a process of meet and confer and will not provide relief overnight. Another case that is currently going through the courts and could possibly provide some PERS relief is Cal Fire Local 2881 v. CalPERS. This case challenges the PEPR provision that eliminated members ability to purchase "airtime". California firefighters and their union sought to compel CalPERS to continue to enforce Government Code 20909, and allow eligible public employees to purchase at cost, up to five years of nonqualifying service credit (airtime) to increase pension benefits paid in retirement, by increasing their service credit. The option was eliminated as of January 1, 2013 under the Public Employees' Pension Reform Act (PEPRA), a reform measure designed to strengthen the state's public pension system and ensure its ongoing solvency (Government Code 7522.46, 20909(g)). Plaintiffs argued that elimination of the option violated the California Constitution contracts clause, so that CalPERS lacked authority to refuse to consider applications for the credit. The trial court and court of appeal rejected the argument. Modification of the statute governing airtime service credit was wholly reasonable and carried "some material relation to the theory of a pension system and its successful operation." Plaintiffs are entitled only to a "reasonable" pension, not one providing fixed or definite benefits immune from modification or elimination by the governing body, and did not establish that elimination of their right to purchase airtime credit cost them their right to a reasonable pension. If the Supreme Court upholds these rulings, it could open the door to amend plans.

Negative Legislation/Impacts

Senate Bill 1 (SB1), the Road Repair and Accountability Act, was implemented during Fiscal Year 2017/2018. This bill provided much-needed additional funding for local road repairs and maintenance. At the statewide level, the California Voter Approval for Gas and Vehicle Taxes Initiative (#17-0033) has gained traction and may appear on the November ballot. If approved by voters, that initiative would effectively repeal the SB1 taxing provisions. The specific short-term impact to the City of that repeal would be the elimination of thousands of projects throughout the County, including the projects that Madera has proposed to be funded with SB1 revenues. The long-term impact would be to leave the City of Madera with very limited funding for critical road repair and maintenance.

The "Tax Fairness, Transparency and Accountability Act" is another measure that could have a very negative impact on local government by making it more difficult for local governments to increase funding for services. Among other things, it would eliminate the current authority of cities and counties to enact a tax for general purposes with approval from a majority of voters, making it harder for communities to maintain adequate levels of services. It would now require a 2/3 vote of City Councils or Board of Supervisors to enact many fees, making it harder for communities to hold businesses and individuals responsible for creating fire hazards, destruction of public property, and use of emergency services. It would significantly narrow the legal threshold from "reasonable" to "actual" costs for local governments to apply fees to services, permits, licenses, etc. This will make it more difficult for local governments to ensure that the businesses pay to use services like building inspections by the fire marshal and providing emergency services for industrial sites. It would void local tax measures passed in 2018 unless they are approved by 2/3 of voters, even though voters will likely not be aware of that fact. This could make it harder for communities to plan for the future and prevent cuts to public safety and other vital services. If passed, it would now require any local tax placed on the ballot to specifically identify how the revenues will be spent with binding and enforceable actions. This could lead to an array of lawsuits preventing cities from collecting the necessary revenue to fund important services. It would require all local tax measures to appear only on a regularly scheduled general election ballot unless an emergency is declared with a unanimous vote of the authorizing governing body. This will limit a community's flexibility to fund solutions to urgent problems.

We have included the brief PERS discussion in the impacts section primarily because even when PERS takes positive steps it doesn't necessarily provide positive relief for the City. FY 18/19 is the first year of a three-year discount rate reduction plan that will take the discount rate from 7.5% in FY 17/18 to 7.0% as follows: •FY 18/19: 7.375% •FY 19/20: 7.25% •FY 20/21: 7.00%. These discount rates are used by CalPERS actuaries to project investment earnings over the life expectancies of CalPERS retirees, and a half percent change in the discount rate does have an impact on the City's required CalPERS contributions. These discount rate changes are considered a change in actuarial assumptions or methods that create a change in the unfunded accrued liability (UAL). Such changes in the UAL are amortized over a 20-year period with a 5-year ramp up at the beginning and 5-year ramp down at the end of the 20 years, to minimize employer cost volatility. Even with the 5-year ramp up and 20-year amortization, Madera's projected contribution increases from \$4,203,554 in FY 17/18 to \$7,454,277 by FY 24/25. These figures are based upon the most recent Valuation Report (2016) and formulas provided by CalPERS. Actuarial valuations are performed every three years. So, an updated valuation will be available in 2019. Very few people seem to think that the updated actuarial valuation will provide a better outlook than what has been presented in the past!

Economic Outlook

While our focus has been to present a forward-looking view of our opportunities and negative impacts there is trending now throughout the nation and most certainly in our City some very positive aspects of a healthy economy. Some of these will carry forward into the next fiscal year. The first few months of 2018 saw unprecedented highs followed by great dips in the stock market, tariffs were imposed on a wide range of countries, friendly and foe alike, and changes to the tax code incentivized business to put more money in employees' paychecks. According to the Federal Reserve, the gross domestic product (GDP) is expected to be 2.7% for 2018, up slightly from 2.6% at the close of 2017. Unemployment figures are expected to continue to drop, which may seem impossible as the country is at full employment. In California, new home starts are expected to rise modestly over the next two years, as well as the value of existing homes. Despite the rollercoaster start to 2018, the 2018/2019 outlook is one that will likely stay consistent from the previous year.

The national GDP grew only 2.3% over the first quarter of 2018. Despite this slow start, economists predict performance closer to 3% for the remainder of the year, with an estimated 2.7% increase by the end of the year. At the state level, California GDP has surpassed that of the entire United Kingdom, becoming the world's fifth largest economy, according to a May 2018 report by the LA Times. However, much of the economic growth in the state is focused in coastal areas such as Los Angeles, San Diego, San Francisco, and San Jose, which have a vast array of industry including technology, entertainment, and thus enjoy the benefits of international ports, airports, and international headquarter locations. Because the Central Valley relies heavily on an agriculture-based economy, profits are not as lucrative and challenges such as weather (drought), labor availability, and government subsidies all play into the bottom line.

Corporations have been able to expand, hire new employees, and provide raises for existing ones, which bolsters stability in the market, thanks in part to recent tax reform. Both nationally and statewide, job growth continues, with unemployment reaching levels not seen since the 1960s, according to a report in the California Economic Forecast's May 2018 newsletter. In the report, economist Mark Schniepp predicts the probability of a recession in the year to come is "so low" and that "recessions occur when imbalances develop in the economy, and no glaring potential macroeconomic imbalances are forming." He points to continued low unemployment, rising housing values, buoyant financial markets, improved access to credit, low household debt, and consumer and business investment as stability markers for the year to come.

In the last year, county-wide, Madera has added approximately 1,500 jobs. In May 2018, the unemployment rate in Madera County was 6.5%, down from 7.3% in April 2018, and below the year-ago estimate of 7.7%, according to the State of California's Employment Development Department. At the state level, unemployment is at 4.2%, and nationally is down to 3.8%. While the country is at near maximum employment, there is still room for growth in Madera County.

The City of Madera has seen continued growth in consumer spending. This trend is reflected in a 6.7% projected increase in local sales tax, excluding Measure K, from FY 16/17 to FY 17/18. Sales tax figures are outperforming projected budget amounts, perhaps in part to recent tax reform.

Economic development activity continues to increase and is seen through the addition of commercial, industrial and residential buildings. In FY 09/10, the industrial vacancy rate reached a high of 14%, but since 2014 it

continues to remain under 1%. In response, the City began a joint venture with a local company to develop Freedom Industrial Park, a 100-acre industrial site. The first tenant of the complex has moved in and employs about 100 individuals. The City is actively reaching out to the business community to fill a future, second building that has already been approved for the site. The grounds will be “plug and play” ready, with full infrastructure and rail access. The intersection at Avenue 17 and State Route (SR) 99 remains a primary focus of the City’s economic development efforts. At completion the location will include Love’s Madera Travel Center and more than \$10 million in infrastructure improvements. It is expected that the improvements will spur additional development around the interchange. Another development just to the north of Madera is Matilda Torres High School. The school requires sewer and water infrastructure expansion, which has generated interest in development of properties in the immediate vicinity.

The number of residential homes permitted over the previous fiscal year remains relatively consistent from FY 16/17. In that year, 137 homes were permitted, compared to approximately 180 homes expected to be permitted by the end of FY 17/18. With nearly no existing lots available for builders, the City is looking to the northwest quadrant for future growth. The slated project is under review, but when complete, will cover approximately 3 square miles, over 5,000 new homes, retail and commercial use, elementary schools and expanses of open space and park amenities. There has also been investor and builder interest in multifamily units which may see activity in FY 18/19.

Water is and will remain a key element in the regional economy. The City is taking an active role in regional groundwater management efforts and is planning the next stages of improvements to address long-term water service for current residents and future development. Engineering costs for capital improvements are anticipated to be funded on a pay-as-you-go basis. Potential projects include the replacement of manual water meters, installation of new water meters, recoating of the water tower and the design of water main upgrades throughout the City. These projects have planned funding from revenue in the Water Utility Fund. A new water storage tank, pump station and associated transmission mains are included in the Capital Improvement Program with the initial engineering efforts taking place in 2018/19. The tank represents a critical component of infrastructure necessary to counter continual drought conditions in the valley. Construction funding for the tank project will require special financing either through grants, municipal bonds or low interest loans.

Although there have been some swings in the stock market in early 2018, economists are optimistic for the year ahead. Many Californians have seen their wages increase, unemployment is at very low levels; locally, housing is steady and poised to expand slightly, and governmental activity, thanks to Measure K, is providing increased emergency services to citizens. However, such low unemployment could mean there will be a shortage in labor in years ahead, which could slow economic growth. Additionally, the economy is still expanding, and there is consensus that 2019-2020 will experience a cyclical economic slowdown. Economists will be watching to see if inflation makes any unexpected movements, which would pose a threat to interest rates this year, but other than that, as a nation, the FY 2018-2019 outlook is favorable. Given these local and national projections, the City may wish to continue with a prudent, conservative financial planning model as it makes budget decisions for the future. These factors and others were considered while preparing the budget for the fiscal year.

Conclusion

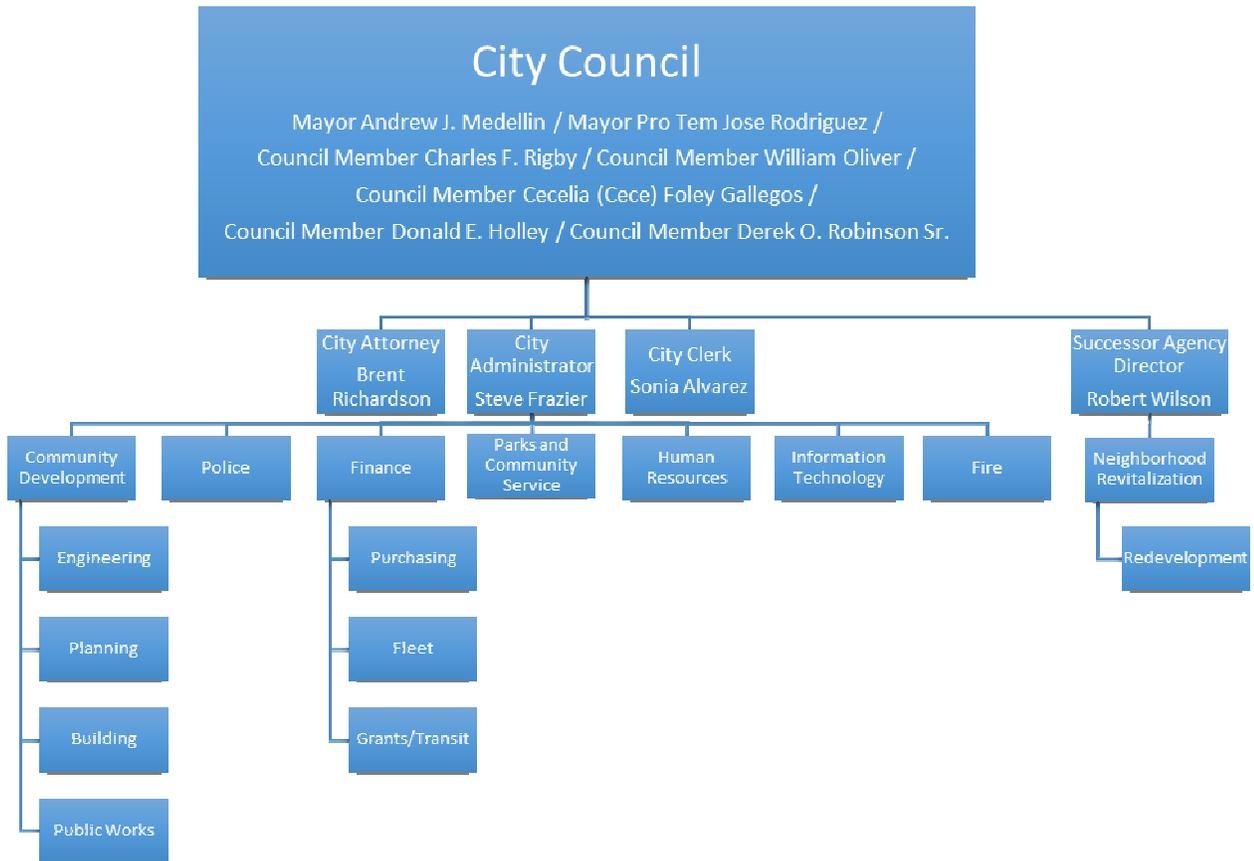

As we begin Fiscal Year 2018/2019 we should do so with more optimism than we have in the past! Completing yet another Cinderella story, if you will, in 2017/2018 where we have erased year six of pre-deficit post surplus. I think this speaks well of staff and Council to achieve such a milestone. Too often we enter the fiscal year reeling from the budget process and it takes months to shake that financial malaise. Optimism notwithstanding, we do know that our ability to end a budget with a surplus is potentially at an end, and if Council chooses to accept the deficit, we all have significant work ahead of us! We will have to find ways to enhance our revenue streams, ensure that our fees are appropriate and up to date and the service being provided is moving the City forward in positive and productive fashion that is sustainable and fiscally responsible.

We fully anticipate that we will bridge the \$1.5 million budget gap in Fiscal Year 2018/2019, as the City of Madera has done for many years. Closely monitoring budget performance throughout the new fiscal year will allow us to be fluid and adjust, should it be necessary, at mid-year! At the same time, sufficient reserves are currently in place for us to weather one year of actual deficit before taking further steps to increase revenue and decrease costs in subsequent budget years.

Respectfully submitted,

Steve Frazier
City Administrator

Madera Unified School District

Location

In the geographic center of California, approximately 15 miles north of the City of Fresno

Area

Approximately 9,600 acres, or 15 square miles

2018 Estimated Population

66,225

The population in Madera grew rapidly between 1990 and 2010, while the recent rate of growth has slowed significantly. The average annual change from 2010 to 2018 was approximately 1.0%. From 2017 to 2018, the estimated population increase was 1.6%.

POPULATION - 1990-2018			
Year	Population	Change	Average Annual Change
1990	29,281	7,549	3.0%
2000	43,207	13,926	4.8%
2010	61,416	18,209	4.2%
2018 (est.)	66,225	4,809	1.0%

Between 2000 and 2013, the proportion of the city's population in the workforce age group (25-55 years) grew most rapidly, increasing its share from 37.7% to 56.1% of the total. The group with the largest percentage change was the older adult age group (55-64 years). The population of this group grew by 2,113, or 88.3%.

The total number of households in Madera increased by 36.1% between 2000 and 2013. Madera is a family-oriented city. Family households made up 79% of all households in 2015 (compared to the state average of 68%),

and families with children comprised 47% of households (compared to the statewide average of 32%). The average household size in Madera was 3.81, almost 30% greater than the statewide average of 2.96.

Median Income

According to Census estimates, the median household income for the City of Madera in 2016 was \$40,034, which is a decrease compared to 2015's figures of \$40,457. The City's 2016 median household income trails the state and nation's median income by approximately \$32,918 and \$15,288, respectively.

Employment

According to data from the May 2018 Employment Development Department's monthly report for the Madera Metropolitan Statistical Area (MSA, which includes the City of Madera, Chowchilla and county areas), the unemployment rate in April was 7.3%, down from 8.9% about one year ago. The Madera MSA added 1,100 jobs when compared to April 2017, with an estimated 49,100 total jobs. The unemployment rate statewide for April 2018 was 3.8%, nearly matching the nationwide unemployment rate of 3.7% for the same period.

Housing Units

In 2016, the most recent year for which data is available, 48% of the estimated 18,797 households in Madera lived in owner-occupied housing, while 52% lived in renter-occupied units. These figures represent a flip from housing tenure data in 2010, when 51% of units were owner-occupied and 49% were renter-occupied. Between 2010 and 2015, the number of total households in Madera increased by approximately 2,900.

Home Sale Prices

Home sale prices for the City of Madera were compiled using data provided by CoreLogic, an agency that monitors real estate activity nationwide and provides information to consumers, educational institutions, public agencies, lending institutions, title companies, and industry analysts. According to CoreLogic, the median sale price for a home in the City of Madera in April 2015 was \$179,000. One year later in April 2016, the median sale price had increased by 28.5% to \$230,000. In April 2017, the median home sale price dropped to \$220,000, a 4.3% decrease. Between March 1 and May 30, 2018, the median home sale price increased to \$226,000.

Building Activity

In FY 16/17, the City's Building Department issued 2,390 building permits within the City limits. As of June 11, 2018 2,226 permits have been issued and it is expected that FY 18/19 will finish with about the same number as FY 16/17. Of those permits, well over 1,000 were for solar energy improvements. It is expected that approximately 180 residential units will be completed by the end of FY 17/18, compared to 137 in FY 16/17. Builders and investors have shown interest in multi-family developments in FY 17/18 and it is expected further interest in these developments will continue into the next fiscal year. All subdivisions where finished lots had been developed prior to or during the recession are actively being built out by home builders, thus the Community Development Department is working with a variety of developers to create new subdivisions. The City is looking to the northwest quadrant for future residential and mixed use growth. Once complete, the neighborhood will encompass approximately three square miles of land with over 5,000 new homes, retail and commercial use, schools and expanses of open space and park amenities. Current construction of Matilda Torres High School is underway just to the north of the City, requiring an expansion of sewer and water infrastructure which has generated interest in developing properties in the immediate vicinity. Additional growth in north Madera includes the Love's Madera Travel Center, which will begin construction in FY 18/19, at the intersection of Avenue 17 and SR 99. Currently

outside the City limits, the project will require approximately \$10,000,000 in infrastructure upgrades, and may serve as a catalyst for development of surrounding properties. South of the City, at the Avenue 12 / SR 99 interchange, a truck stop/travel center is planned in the County area, which may spur additional commercial development.

Major Employers in Madera County – 2018

Budget Process

The City of Madera prepares a one year budget annually for its fiscal year beginning July 1st and ending June 30th. The budget process is initiated under the guidance of the Financial Services Director, however, the City Administrator along with the senior management team and the majority of the Finance department personnel have key roles in the process. Several weeks before the management team starts their budget process, the Finance Department begins the planning and preparation process. Once again, the decision was made to prepare the budget in stages by fund type. The process includes plans to complete draft budgets for each fund and present them to Council separately so they can be discussed individually.

January/February

With the implementation of the new Tyler Munis financial software, the 18/19 budget process was initiated electronically. A preliminary budget was entered into the system and the department heads were asked to review and make adjustments to revenue and expenditure line items within their department. The budget entry screen displays current year budget and actual figures for comparison purposes. Department personnel were asked to update current year projections as well as proposed 18/19 amounts. The Salary Projection Worksheet is prepared at this time also. This worksheet lists all City employees organized by department and calculates their total salary and wages for the next fiscal year. It is anticipated that the Salary Projection Worksheet will be generated electronically for the FY 19/20 budget process through the Tyler Munis HR/Payroll module, which just went “live” in January 2018.

March

A mid-year budget review is performed by each department to determine if budgeted revenue and expenses are on target or need to be adjusted. Budget adjustments are summarized and presented to Council by the Financial Services Director. The Council will then determine which adjustments will be adopted per resolution. The Engineering Department prepares a five-year Capital Improvement Plan and presents the draft to the Council at this time also.

April

The preliminary Enterprise fund budgets are presented to Council for review. These include budgets for Water, Sewer, Solid Waste and Storm Drainage.

May

A public hearing is held at a Council meeting regarding the Community Development Block Grant (CDBG). The public is encouraged to have a say regarding where the monies will be allocated. The preliminary Internal Services (Fleet, Facilities Maintenance and Technology) and Special Revenue Fund budgets are presented to Council for review.

June

A budget workshop is held for the City Council where the budgets for all the funds of the City are available to be reviewed and discussed. The City Administrator and Financial Services Director lead the presentation to Council, and department directors are available to discuss any specific budget items within their purview.

July

The final budget is presented to the City Council and it is adopted per resolution.

City Mission, Operating Principles and Community Vision

The City of Madera has adopted a mission statement and a set of operating principles and values that define how it will interact with the community.

Mission Statement

The City of Madera is committed to delivering quality public services with integrity, courage, compassion, and competence to our diverse community.

Operating Principles and Values

We believe our first responsibility is to the public, recognizing they represent diverse Cultures. We will strive to:

- Provide a safe, secure, and overall exceptional quality of life.
- Encourage open and constructive participation by our citizens.
- Provide a level of customer service consistent with the principles stated above.

We are responsible to the community in which we live and work. We will strive to:

- Promote activities that foster and encourage community pride.
- Assist in efforts to revitalize and maintain visually attractive living and working environments.
- Assure safety to all individuals within the community.
- Promote community based problem solving.

We are responsible to our employees. We will strive to:

- Provide employees with a safe and healthful working environment.
- Embrace our obligation to provide equal employment opportunities
- Provide professional growth and development opportunities.
- Fairly recognize, empower and reward our employees for their contributions.

We are responsible to our business community. We will strive to:

- Engage existing and potential business in ongoing discussions to foster opportunities for reasonable growth.
- Understand the diverse needs of the changing business environment.

We are responsible to be fiscally accountable. We will strive to:

- Accomplish city missions within available resources
- Create a climate that encourages and supports economic expansion.

Community Vision –Vision Madera 2025

Through a multi-year community-based visioning process, residents of Madera identified their vision of Madera in the future as an attractive community with strong family values, excellent educational and recreational opportunities, abundant entertainment and business opportunities, and a safe, healthy environment. Four Vision Statements, summarized below, reflect the desires of the community and function as the City’s broad based goals.

- 1 A Well-Planned City** - focusing on the physical aspects of Madera’s growth. Affordable housing, balancing residential, commercial and agricultural needs and providing efficient services are significant concerns for a rapidly growing community. Open communications between the community and City/County government and within those governments are vital to a healthy city.
- 2 Good Jobs and Economic Opportunities** - recognizes the need for good jobs, a well-trained, well-paid workforce and a broad spectrum of business opportunities. The vision underscores the need to attract commercial and retail businesses and to encourage residents to buy locally.
- 3 A Strong Community and Great Schools** - highlights development of leadership, expansion of educational opportunities, support for the arts and recognition of Madera’s unique culture. Support for Madera’s youth in education, after-school programs and sports activities reflect the community’s desire to create a caring environment in which to raise a family.
- 4 A Safe, Healthy Environment** - emphasizes the community’s desire to protect Madera’s natural resources, enjoy a secure community and provide healthy educational and recreational activities. The Vision recognizes the need for Madera’s parks and open spaces to be convenient and well-maintained. This statement also emphasizes the importance of having excellent health care and related services available for all community members.

The Action Items outlined below for each Vision-Goal statement serve as City-wide performance measures that have been identified as priorities for the near term, including FY 18/19. In addition to these City-wide measures, each Department has identified more refined goals and performance measures that reflect direction from Vision Madera 2025. These department-oriented goals are included in Section D of this budget. Together, the City-wide and department-oriented goals, strategies, and performance measures seek to implement community’s vision of Madera.

1 - A WELL PLANNED CITY

Action	Description of Priority Action and Performance Measure
102.2	<p>Develop a communications plan to reach diverse audiences including but not limited to: publications, mailings, broadcast and electronic delivery.</p> <ul style="list-style-type: none">• Schedule and promote City, County and Chamber(s) meetings to encourage community involvement.• Promote on-going communications among key agencies.• Develop and implement a plan for community engagement of non-English speaking participants.• Develop a bank of volunteer translators.• Coordinate requests for translation for public events and publications

- 102.5 As a component of the Vision Madera 2025 process, establish a Town Hall for annual review and feedback of community processes.
- 305.6 Inform public of all service clubs and contact information through City Newsletters and related websites.
- 211.1 Develop a coordination committee to design communication venue, schedule regular meetings (annually or semi-annually) and promote involvement.
- 112.1 Review Development Impact Fees (DIF) every 2 years or less. All other fees are evaluated as often as needed, but not less than every three years.
- 126.1 Conduct an analysis of current street light standards for safety issues.
- 126.7 Integrate Tree Master Plan as an element of streetscape maintenance.
- 126.8 Update arterial and collector streets to incorporate larger park strips or enhancing features such formally adopting meandering sidewalks into the standard.
- 132.1 Conduct neighborhood design charrettes to explore alternatives for good neighborhood design.
- 132.2 Update arterials and collector streets to accommodate bicycles, pedestrians and transit vehicles.

2 - GOOD JOBS AND ECONOMIC OPPORTUNITY

- 201.1 Review City zoning codes to encourage new and redeveloped retail properties, mixed retail/residential and residential provisions.
- 207.3 Review use of incentives used to attract new industrial and retail development at least every three years. Evaluate whether the tools used are generating new development; evaluate whether the value received in new job generation meets or exceeds the value of incentives provided.

3 - A STRONG COMMUNITY AND GREAT SCHOOLS

- 303.2 Revive Parks and Community Services' Youth Commission and develop opportunities for youth involvement in local government.
- 315.5 Continue to raise and expand awareness of art exhibits and performances.
- 316.1 Further develop existing volunteer recruitment programs.
- 324.3 Establish with MUSD and City of Madera joint facility agreement that includes opportunities to build park location adjacent or near school sites which includes: athletic fields, multipurpose rooms and parking.

4 - A SAFE AND HEALTHY ENVIRONMENT

- 401.2 Develop Master Tree Plan to include city-approved tree list.
- 421.2 Develop and implement a fire protection service delivery plan, including a needs analysis and determination of feasible service levels. The service delivery plan should consider alternate prevention and suppression strategies to reduce and/or respond to fire protection needs.
- 427.4 Develop community-neighborhood - events that encourage interaction between the Police Department and the citizens.
- 434.2 Encourage water conservation that develops and utilizes landscape and irrigation standards including programs such as: Xeriscape landscaping, Mulching, "Smart Clocks", Check Valves, Micro Spray Systems.
- 434.4 Examine and implement technologies that recirculate and reuse existing water resources, such as planned reuse of 100% of the wastewater treatment plant output.

Basis of Accounting/Basis of Budgeting

The budgets of governmental funds (General Fund, Special Revenue Funds, Debt Service Fund) are prepared on a modified accrual basis where revenues are recognized when they become measurable and available, and expenditures are recorded when the related liability is incurred; except that principal and interest payments on general long-term debt are recognized when due. Revenue availability criteria are defined as collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period (i.e., sixty days after fiscal year-end).

Budgets for proprietary funds (Internal Service Funds and Enterprise Funds) are prepared on a full accrual basis where revenues are recognized when earned, and expenses are recognized when they are incurred.

Cost Allocation

The City of Madera uses cost allocation methods for much of its accounting for expenditures. Certain employees' personnel costs are allocated to different funds and/or departments based on the estimated hours that they spend working in the perspective funds or departments. Costs related to the Internal Service funds are also allocated. For the Vehicle/Equipment Internal Service Fund, costs are allocated to the departments in which the vehicles are utilized. Various methods of predicting maintenance and replacement costs including expected life of the vehicle, miles driven, and type of work performed. The costs related to the Technology Maintenance and Replacement Internal Service Fund are allocated to departments based on the cost to purchase, maintain and replace the technology equipment that is assigned to employees. The Landscape Maintenance District charges for maintenance, engineering and legal are based on the Engineer's Report.

The City of Madera also allocates Administrative and Overhead costs for the General Fund departments that provide accounting, personnel, administrative and legal services to other departments. These Administrative and Overhead costs are allocated based on different factors for the various servicing departments. For example, the City Council and City Clerk costs are allocated to departments based on the number of agenda items each department had in the previous fiscal year. Facility Maintenance costs is based on the square footage of each department. Fidelity bond premium and audit fees are charged to the department based on the percentage of budget. The City uses an allocation system called CostTree, which utilizes a double-step-down method of allocation, which provides for a greater capture of allocated costs than the method that the City of Madera used in the past. In FY 18/19, the City of Madera will recapture approximately \$1.6 million in Interfund Charges - Administration Overhead.

Level of Budgetary Control

In the spring of every year, City personnel prepare a proposed budget and present it to the City Council for review. The proposed budget along with all the supporting schedules, are available for public inspection in the office of the Financial Services Director. For the FY 18/19 budget, the Council held a budget review session on June 5, 2018 to receive public comment and ascertain the facts regarding the proposed budget. The City Council adopted the proposed budget on July 5, 2018 with the following stipulations:

1. Transfer of appropriated budget authority from one line account to another within a department may be done upon approval of the City Administrator.
2. Transfer of budget authority between departments of the general fund or between funds will be done by minute order of the City Council if less than \$25,000 and by resolution if greater than \$25,000.
3. Authority is given to the Financial Services Director to adjust the budget for all monies received by the City not included in the budget up to \$5,000 per incident without a budget resolution. A report will be given to the Council on a quarterly basis regarding any such activity.
4. All outstanding encumbrances as of June 30, 2018 approved by the City Administrator shall be continued and re-appropriated for expenditure into FY 18/19.
5. Except as monetary appropriations may be affected by intra-fund transfers within the general fund or other funds, no appropriations set forth in said budget shall be cancelled in whole or in part except by resolution adopted by a majority vote of all members of the City Council.
6. Expenditures made, liabilities incurred, or warrants issued in excess of budget appropriations as originally approved or as thereafter increased or decreased, shall not constitute an obligation or liability of the City of Madera. The City Administrator and the City Council shall approve no claims and the Financial Services Director shall issue no warrants or checks for any expenditure in excess of existing appropriations except upon an order of the court of competent jurisdiction, or in cases of emergency as specified and in accordance with the procedures established in the Government Code of California.

Financial Budget Policies

BUDGETING

- An annual base budget will be developed by verifying or conservatively projecting revenues and expenditures for the current and forthcoming fiscal year.
- The operating budgets shall be balanced and ongoing costs shall not exceed current revenues plus available fund balance that exceeds reserve fund requirements.
- Projected revenues will be sufficient to support projected expenditures.
- The City will avoid budgetary procedures which balance the current budget at the expense of future budgets.
- The Financial Services Director will prepare and submit to the City Council a mid-year budget review and analysis.

ACCOUNTING AND FINANCIAL REPORTING

- An independent audit will be conducted annually by a certified public accountant.
- Financial reports will be produced in accordance with Generally Accepted Accounting Principles (GAAP) as outlined by the Governmental Accounting Standards Board (GASB).
- The City will maintain a strong system of internal controls.
- The City will maintain a written investment and portfolio policy that establishes parameters for determining investment placement and the overall management of the City's investment portfolio.

RESERVES

- The City will maintain the General Fund Contingency reserves at a level of at least 30% of the general fund operating expenditures in order to protect essential service programs and funding requirements during periods of economic downturn or other unforeseen major costs not covered by the Contingency Reserve.
- The City will establish an account to accumulate funds to be used for payment of accrued employee benefits for terminated employees. The level of this reserve will be established based upon an annual projection of employee retirements.
- Self-insurance reserves will be maintained at a level which will adequately protect the City.

CAPITAL PLANNING

- The City will develop and annually update a long-term Capital Improvement Plan (CIP) for the purpose of planning, scheduling, and financing capital projects as determined and approved by the City Council.
- The CIP will be a five-year plan and will include major on-going maintenance and rehabilitation costs to existing capital assets (land, land improvements, infrastructure, and equipment), as well as the costs of new facilities and improvements.
- The City will maintain its capital assets at a level adequate to protect the City's capital investment and to minimize future maintenance and orderly replacement of capital assets from current revenues where possible.
- The CIP budget will realistically assess potential future revenues and avoid commitments for projects that lack economic feasibility.

REVENUE

- The City will estimate its annual revenues by an objective, analytical process utilizing trend, judgmental, and statistical analysis as appropriate.
- The City will attempt to maintain a diversified and stable revenue base to minimize the effects of economic fluctuations on revenue generation.
- The user fees and charges for each Enterprise Fund will be set to fully support the total direct and indirect costs of the activity. Indirect costs include the cost of annual depreciation of capital assets and overhead charges.
- Internal Service Funds are to be funded at appropriate levels to ensure their ability to provide services adequately.
- Development Impact Fees will be established to provide for the cost of infrastructure improvements from new growth instead of being a burden to existing tax payers.

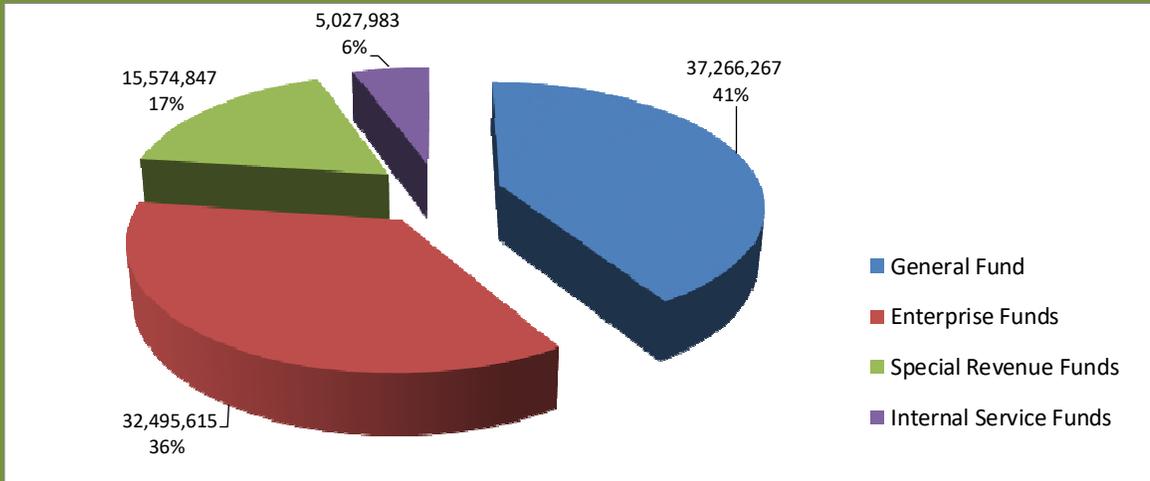

DEBT MANAGEMENT

- The City will not use long-term debt financing for any recurring purpose such as current operating and maintenance expenditures.
- The City will consider the issuance of long-term debt to purchase or construct capital assets that will serve as long-term community assets.
- Prior to entering into a long-term financing arrangement, an internal analysis will be conducted to determine the impact on current and future budgets for debt service and operations. This analysis will address the reliability of revenues to support the debt service.

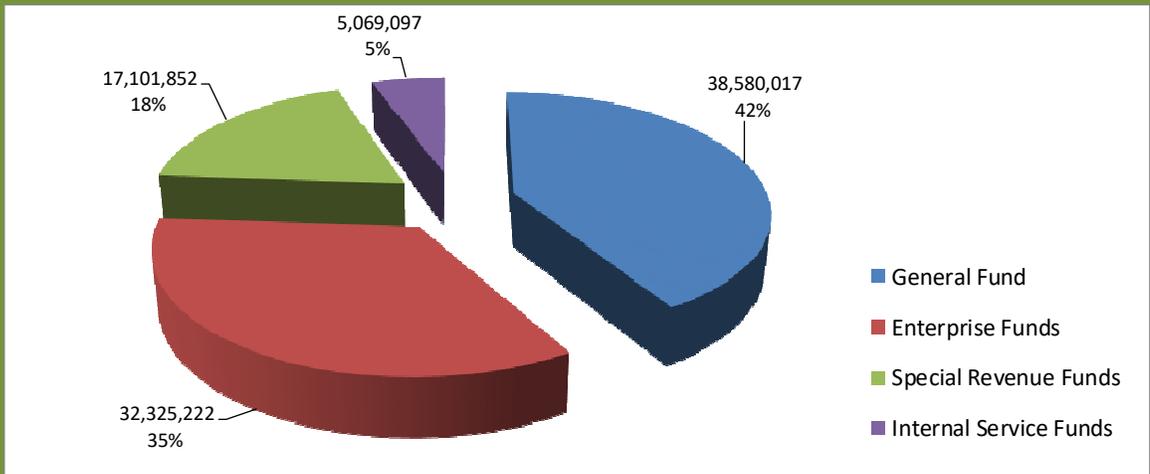

Citywide Budget Overview

Total City of Madera revenues for FY 18/19 are projected to be \$90,364,712 with projected expenditures of \$93,076,188 citywide. The chart below graphically depicts the portions of revenues and expenditures pertaining to the different types of funds, as listed.

REVENUES/SOURCES

EXPENDITURES/USES

The General Fund makes up \$37,266,267 or 41% of citywide revenues (including transfers in) and \$38,580,170 or 41% of citywide expenditures (including transfers out). The Enterprise Fund revenues represent \$32,495,615 or

36% of all city revenues. Expenditures for Enterprise funds amount to \$32,325,222 or 35% of total City expenditures. Special Revenue Funds make up \$15,574,847 or 17% of citywide revenues, with expenditures of \$17,101,852 or 18% of citywide expenditures. Internal Service funds represent \$5,027,983 or 6% of citywide revenues and \$5,069,097 or 5% of citywide expenditures. Altogether, projected citywide revenues amount to \$90,364,712 with projected expenditures of \$93,076,188, including nearly \$24.4 million of capital project expenditures.

As can be seen in the summaries above, total citywide expenditures have decreased by approximately \$3.3 million from the FY 17/18 Budget of \$96.4 million to \$93.1 million in FY 18/19. The most notable shifts are a \$4.6 million decrease in Public Works, a \$2.9 million decrease in Grants and a \$3.1 million increase in the Capital Improvement Projects which increased from \$10.3 million in FY 17/18 to \$13.4 million in FY 18/19. The primary reason for the decrease in Public Works is the \$4.6 million of capital project increases that were budgeted in FY 17/18 in the Sewer Utility – Capital Outlay budget and not in budgeted in FY 18/19.

General Fund Budget Overview

As can be seen in the General Fund Summary of Revenues and Expenditures on the following pages, the overall projected FY 18/19 General Fund revenues of \$37.3 million are about \$345,000 or 0.9% lower than the revenues in the FY 17/18 Adopted Budget. This decrease in revenue is due in large part to a \$1 million decrease in the Public Works Street Maintenance budget. The proposed expenditures reflect a decrease of about \$744,000 or 1.8% from \$39.3 million in FY 17/18 to \$38.6 million in FY 18/19. That leaves the FY 18/19 projected deficit at \$1.3 million and within 0.2% of the deficit that was projected in the FY 17/18 Adopted Budget.

Fund 1020 makes up the largest portion of the General Fund, with \$32.0 million or 85% of the \$37.6 million total General Fund expenditures budget. Also included in the General Fund are the Community Development Block Grant (CDBG) Fund (1021) and the Insurance Reserve Fund (10900). The Code Enforcement Fund (formerly Fund 10800) was incorporated into Fund 1020 with the City's conversion to its new accounting software program, Tyler Munis. Expenditures and revenues for all of those funds, along with the total General Fund figures, are discussed and shown below and on the following six (6) pages.

Summary of General Fund Revenues

Description	13/14 Actual	14/15 Actual	15/16 Actual	16/17 Budgeted	16/17 Estimated	17/18 Projected

Major Revenue Sources

Sales Tax

Sales Tax is one of the City of Madera's largest sources of revenue for the General Fund, projected to bring in \$8.2 million or 22.1% (excluding Measure K) of the total General Fund revenue in FY 18/19, which is 5.6% more than the original FY 17/18 Sales Tax revenue budget projection. The City of Madera utilizes Muni Services to monitor and project its sales tax revenue. Our projections for FY 18/19 are based on the "most likely" projections that Muni Services has made for 18/19 and include a 3% contribution to Madera County, per the recent tax-sharing agreement between the City and County of Madera. An additional \$50,000 of Sales Tax will be given to the County to support the Madera County Library. The sales tax rate in Madera County is 8.25%, of which 1.5% is the City's share, including 0.5% for Measure K and before the County takes their 3% plus \$50,000. During FY 16/17, the residents of the City of Madera approved Measure K, which is a 0.5% Sales Tax and is to be used for public safety enhancements and is recorded in a separate fund within the General Fund. The projected Measure K Sales Tax revenues for FY 18/19 amount to \$4.2 million, which is budgeted for use between the Police and Fire Departments. Combined, the City's projected Sales Tax and Measure K Sales Tax amount to \$12.4 million or 33.5% of the City's General Fund revenues during FY 18/19.

Property Tax

Projected at approximately \$9.2 million or 24.9% of total General Fund revenue for FY 18/19. That represents a less than 1% increase over the 17/18 Property Tax revenue budget and thought to be a slightly conservative projection. Included in projected Property Tax is \$5.5 million of Property Tax in Lieu of Vehicle License Fees (VLF in Lieu). VLF in Lieu represents about 60% of total Property Tax and 15% of total General Fund Revenue. Current Secured Property Tax, which is the second largest portion of total Property Tax, is projected to decrease by 2.8% over the 17/18 Budget and increase 2.9% over the estimated Current Secured Property Tax receipts for FY 17/18. This estimated increase is based on information provided by Madera County and a trending of current and past receipts from the County.

Administrative Overhead Charges

The City of Madera allocates Administrative Overhead Charges for General Fund departments that serve the other City funds. For the FY 16/17 Budget, the City purchased and utilized the services of Cost Tree, a web-based cost allocation plan software program with consultant services included. This program uses a double step-down method that has captured more recoverable costs for the City of Madera. The total Administrative Overhead Charges for FY 18/19 amount to \$1.6 million, which is down slightly from \$1.7 million in FY 17/18. The eight General Fund departments that receive Administrative Overhead Charges are: City Council, City Clerk, City Administrator, City Attorney, Finance, Human Resources, Central Administration, and Purchasing. This \$1.6 million of charges represents 4.2% of the City's total General Fund revenue for FY 18/19, which is down from 5.2% in FY 17/18.

Transient Occupancy Tax (TOT)

The City of Madera currently collects Transient Occupancy Tax (TOT) from eight hotel/motels plus four inns with a total of 327 rooms. The City imposes a Transient Occupancy Tax of 9% on room rates for stays of 30 days or less. The tax was last raised in 1986, from 7% to 9%. The projected TOT revenue for FY 18/19 is \$800,000, which represents 2.1% of total General Fund revenue.

Transfer-In from Gas Tax

The Public Works Department of the City of Madera transfers in funds from Gas Tax to cover costs related to street maintenance. The projected transfer in for FY 18/19 is \$675,722, which represents 1.8% of total General Fund revenues and is down from the 17/18 budget of \$1.0 million.

Transfer-In from Measure T

Public Works also transfers in funds from Measure T to cover certain costs related to street maintenance. The projected Transfer-In from Measure T for FY 18/19 is \$863,933, which represents 2.3% of total General Fund revenues and is considerably less than the 17/18 budget of \$1.5 million.

Interfund Charges - Project Management

The Engineering Department of the City of Madera charges other departments for personnel costs related to the management of certain capital projects. The projected Interfund Charges – Project Management for FY 18/19 is \$920,000, which represents 2.4% of total General Fund revenue.

CDBG Entitlement

The City of Madera is a participant in the Community Development Block Grant (CDBG) program and receives an annual CDBG Entitlement for approved expenditures within that program. The projected CDBG Entitlement for FY 18/19 is about \$890,000, which represents 2.3% of the City's General Fund revenue.

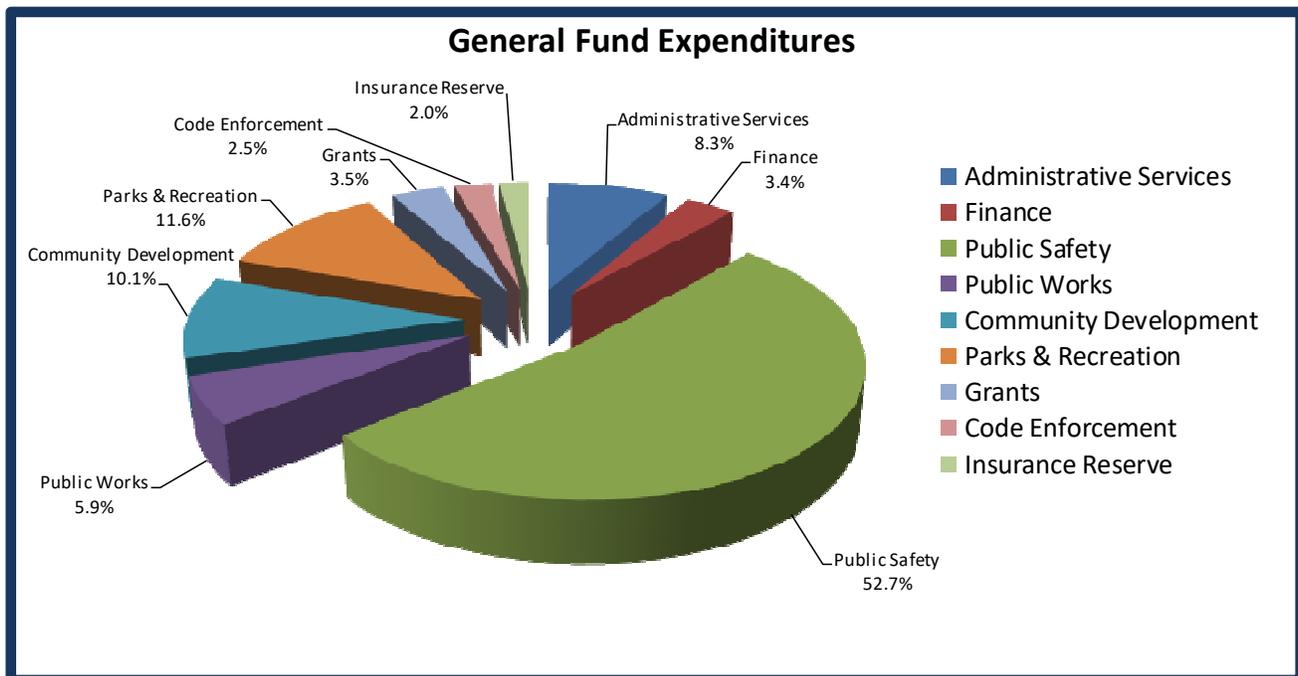

Transfer-In – Insurance Reserve Fund

The City of Madera is a member of the Central San Joaquin Valley Risk Management Authority, which is a self-insurance pool made up of 54 cities throughout Central California. In order to cover higher than anticipated losses related to Liability and Workers Compensation claims from past years, \$540,000 is being transferred into the Insurance Reserve Fund in FY 18/19. The Insurance Reserve Fund is a component of the City's General Fund, and much of the transfer-in will come from other components of the General Fund. However, this transfer-in is considered General Fund revenue and makes up 1.45% of total General Fund revenue in FY 18/19.

In total, the major sources of revenue mentioned above, including Measure K Sales Tax, make up about 74.8% or \$27.9 million of the City's General Fund revenue for FY 17/18.

			17.4%				(Surplus)/Deficit	\$ 1,712,605	\$(1,777,646)	\$ 1,313,750	
							Less Measure K (Surplus)/Deficit	\$ (402,007)	\$ 1,758,197	\$ (0)	
							General Fund (Surplus)/Deficit, Excluding Measure K	\$ 1,310,598	\$ (19,449)	\$ 1,313,750	

The summary above estimates a \$19,449 surplus for FY 17/18 after backing out nearly \$1.8 million of Measure K surplus revenues. Measure K revenues are being set aside for the construction of a New Fire Station. Once that station is completed, Measure K revenues will service the debt on the New Fire Station and fund the staffing of that station with the half of Measure K that goes to Fire. The other half is utilized for expanded Police services. Because the Madera City Council has passed a resolution committing an amount equal to the Measure K Sales Tax revenue to be used for these expanded Public Safety services, these funds are tracked separately and are not considered to balance the other General Fund activities. Measure K revenues were collected in FY 16/17 and not expended. The City Council approved for \$402,007 of the FY 16/17 revenues to be used in FY 17/18. However, because Measure K revenues for FY 17/18 are exceeding projections by nearly \$800,000 and because money is being set aside for the New Fire Station, Measure K Fund 1025 did not have to draw down those funds and actually has an estimated surplus of \$1,758,197 for FY 17/18.

The City of Madera is projecting a \$1,313,750 deficit for FY 18/19, which is only \$3,152 or 0.24% more than the deficit that was projected for FY 17/18 and is currently estimated to result in a \$19,449 surplus after backing out the Measure K estimated surplus. As explained in the City Administrator’s Introductory Letter, the City of Madera has tended to budget a deficit and turn the deficit into a surplus by the end of each fiscal year. We expect to continue that trend in FY 18/19 and erase the projected \$1,313,750 deficit by maintaining costs and increasing revenues beyond what is included in the City of Madera 2018/2019 General Fund Budget.

General Fund Five-Year Forecast

General Fund Five-Year Forecast

Description	FY 2019 Proposed	FY 2020 Forecast	FY 2021 Forecast	FY 2022 Forecast	FY 2023 Forecast	FY 2024 Forecast

The Five-Year Forecast, above, is based on our best estimates for FY 18/19 through FY 23/24. The forecast figures utilize Sales Tax estimates for FY 18/19 that were provided by an outside financial consulting firm and a 2% projected rate of increase for the subsequent 5 years. Property Tax is projected to increase by 5.6% in FY 18/19 compared to the FY 17/18 budget, based on information provided by the County of Madera. A 3% rate of increase is projected for Property Tax in FY 19/20 through FY 23/24, which we consider to be a reasonable estimate based on the last four years' growth in assessed property values. We assume a 2% annual increase in overall General Fund expenditures for FY 19/20 through FY 23/24 plus estimated increases in CalPERS contribution costs as projected below, based on information that was provided by CalPERS:

Projected CalPERS Contributions - General Fund

	FY 18/19	FY 19/20	FY 20/21	FY 21/22	FY 22/23	FY 23/24
Projected Contribution	4,163,451	4,505,174	5,147,474	5,733,855	6,552,047	6,892,753

Cumulative \$ Change	274,796	616,519	1,258,819	1,845,200	2,663,392	3,004,098
Year-to-Year % Change	7.1%	8.2%	14.3%	11.4%	14.3%	5.2%
Cumulative % Change	7.1%	15.9%	32.4%	47.5%	68.5%	77.3%

Enterprise Funds Budget Overview

The Enterprise Budgets are primarily funded by User Fees. Enterprise Funds are expected to be run as separate businesses that are funded by the rates that are charged for their services. Unlike the General Fund which has little control over the tax revenues that fund it, Enterprise Funds can increase their User Fees to meet our operational needs. This can be done without a vote of the public, but is subject to the Proposition 218 process, which gives the public the opportunity to contest such fee increases.

Major Enterprise Funds - The City's Major Enterprise Funds are: Water, Sewer, Solid Waste and Storm Drainage. As can be seen in the Enterprise Funds Summaries on the following pages, these four Enterprise Funds combined are projecting total expenses of \$28.7 million or approximately 89% of total Enterprise Fund expenditures in FY 18/19. With projected revenues of \$28.8 million, the Major Enterprise Funds are projecting an approximate \$150,000 surplus in FY 18/19.

The Water and Sewer Budget requests for Fiscal Year 2018/2019 reflect an effort to better manage and maintain existing assets, to insure a sustainable water and sewer infrastructure as called for by the Vision Madera 2025 Plan. Public Works has looked at all staff allocations and corrected them to more properly align with where current staff are spending their time. Public Works has also pulled out Engineering direct staff allocations. Engineering costs will now be charged to the Sewer and Water Funds based on time spent on specific capital projects.

The Sewer Fund is operated from User Fee revenue and pays for the maintenance and operation of the sewage collection system and Waste Water Treatment Plant. There are no new positions being requested this year in the Sewer Fund. Increased salary and benefit costs are due to the Wastewater Treatment Plant being near full staffing level. The City will be completing an infrastructure asset inventory that was begun mid FY 15/16. The results will assist us in identifying and prioritizing future capital projects that will replace worn elements and improve efficiencies. There are \$1.4 million of new capital projects scheduled for FY 18/19. Total Sewer operational costs are projected to increase by 12%. With Capital Outlay included, there is a projected decrease of 22%. With these projections, the Sewer Fund will easily cover the required 1.20 debt service ratio.

The Water Fund is operated from User Fee revenue and pays for the operations and maintenance of the municipal water system including 18 wells, a one million gallon above ground storage tank, miles of distribution mains and approximately 13,000 water meters and services. During the current year, staff is continuing its efforts on the previously mentioned Infrastructure inventory and asset analysis to further refine our capital program. No new positions are being requested in the Water Fund for FY 2018/2019. The Water Fund has a projected surplus of \$1.5 million (roughly 14% of budgeted expenses) for Fiscal Year 18/19, with \$2.8 million dollars requested for capital projects.

The Solid Waste Fund is operated from User Fee revenue and pays for solid waste collection and street sweeping. When the solid waste rates were set four years ago, there was a high fund balance that was more than the goal of 20-30% of the annual operating expenses. Along with user rates being reduced by 15% and projected to stay flat for five years, annual deficits were programmed for the subsequent 5 years. The deficit

for FY 17/18 is projected to be \$629,000. As we approach the end of the 5-year rate freeze, staff will reassess the fund balance and the potential need for rate increases. An enhancement of an existing Seasonal Part-time Maintenance Worker I position to full time is being requested to address an increasing demand for refuse cart repairs, due to the original carts being 30 years old.

The Drainage Fund is projecting a 5% deficit for FY 18/19. In Fiscal Year 2016/2017, staff repurposed certain drainage basins to be used for groundwater restoration. Shifting the related expenses to the Water Fund helped the Drainage Fund to project a 15.1% surplus for Fiscal Year 2017/2018.

The Non-Major Enterprise Funds project a combined surplus of about \$21,000, which is the result of fewer expenditures in the Airport Fund. The Golf Course Fund projection is balanced, after a transfer in from the General Fund of about \$299,000 to help with the debt service on the bonds. The Dial-A-Ride (DAR) and Madera Area Express (MAX) funds are balanced.

In total, the Enterprise Funds project approximately \$170,400 or 0.5% surplus for Fiscal Year 2018/2019.

Internal Service Funds Budget Overview

As can be seen in the Internal Service (IS) Funds Summary pages below, the IS Funds estimate a deficit of \$188,000 in FY 17/18 and project a deficit of approximately \$46,000 in FY 18/19, due primarily to higher expenditures in the Fleet and Technology Departments than is being collected from other departments in the City. In some years, the Fleet and Technology Funds will collect more than they expend on vehicle or equipment replacements. In other years, they will collect less than they expend. Staff has developed and refined schedules for adequate maintenance and replacement of equipment in the Fleet and Technology Fund, and those schedules have been used to create the 18/19 budget proposals. A similar methodology should be considered for implementation by the Facilities Maintenance Fund in the future, to ensure that funds are available to replace essential equipment and fixtures within facilities, before their useful lives are over.

Special Revenue Funds Budget Overview

As can be seen on the Summary of Special Revenue Fund Expenditures pages below, the overall estimated deficit for FY 17/18 is \$59,000 and the total projected 18/19 deficit is approximately 3 million. As Special Revenue Funds are primarily capital project budgets, rather than operational budgets, balances in these funds are allowed to build up until such time that major projects can be funded for completion. Therefore, revenues can exceed expenditures in certain years.

Some of the Special Revenue funds such as Measure “T,” Gas Tax, and the Local Transportation Funds have a significant impact on the City’s operating budget. These funds provide for the maintenance of streets, sidewalks, gutters, and bike lanes within city limits. A portion of the Measure “T” funding also supports transit operations. During FY: 18/19, approximately \$1.56 million from the Gas Tax and approximately \$864,000 from Measure “T” will be transferred into the Public Works Department for various streets repairs and maintenance as well as for minor street projects within the city limits.

The City also receives funding from the Department of Housing and Community Development to provide housing assistance for the citizens of the City of Madera provided that they qualify in accordance with income guidelines provided by the HUD/HOME program. The funding available for FY: 17/18 is approximately \$1.3 million. This funding is targeted to provide assistance for manufactured housing purchases, rehabilitation of owner-occupied residences, and first time home buyer down payment assistance.

In addition to the programs and projects described herein above, the Special Revenue Funds provide for other non-major programs including, Park Development, Supplemental Public Safety, Developer Impact Fees, and Landscape and Maintenance District. Landscape and Maintenance District Funds are included within the Special Revenue Fund and are operational in nature. Development Impact Fee (DIF) Funds are largely nonoperational in nature, as they provide funding for capital projects to offset the impact that development has on the City’s infrastructure capacity demands. Some DIFs are designed to offset the operational demands that development puts on City operations, and their contributions can be seen in certain operational funds as transfers in from DIFs.

Debt Service

Long-term Debt

The City of Madera's adopted Investment Policy states that purchased transactions may not exceed five year maturities and no more than 20% of the total portfolio may be invested beyond three years stated maturity at any time. In accordance with California Government Code section 56300.5, the City's primary objective is to safeguard the principal of the funds, the secondary objective is to meet the liquidity needs of the depositor, and the third objective is to achieve a return on the funds.

The following is a detailed description of the City of Madera's Long-term Debt.

Capital Leases

Police Facility

In December 2005, the City entered into a capital lease agreement in the amount of \$1,500,000 with LaSalle Bank to finance a portion of the construction cost of the police facility (the "Prior Capital Lease"). The Prior Capital Lease matured on December 1, 2025 and had an interest rate of 5.120% per annum. On January 5, 2018, the City entered into a new tax-exempt lease agreement (the "New Lease") with Zions Bank, N.A. in the amount of \$895,900. The proceeds of the New Lease were used to refinance the Prior Capital Lease and pay costs of issuance. The New Lease matures on November 1, 2025 and has an interest rate of 2.76% per annum. In addition, the leased asset for the Prior Capital Lease was the police facility. The New Lease was part of a larger refinancing that also refinanced the 1993 Variable Rate Demand Bonds (see below). The leased asset for the larger refinancing is now the City's Corporation Yard thereby releasing the police facility. As of June 30, 2018, the outstanding balance of the New Lease was \$841,400. For FY 18/19, \$102,500 has been budgeted for a principal payment and \$22,520 has been budgeted for an interest payment.

The annual debt service requirements at June 30, 2018 are as follows:

<u>Fiscal Year</u>	<u>Principal</u>	<u>Interest</u>	<u>Total</u>
18/19	102,500	22,520	125,020
19/20	105,300	19,672	124,972
20/21	108,200	16,746	124,946
21/22	111,200	13,739	124,939
2023 - 2026	<u>414,200</u>	<u>23,174</u>	<u>437,374</u>
	841,400	95,852	937,252

Golf Course

In May 1993, the Financing Authority issued \$5,280,000 Variable Rate Demand Bonds (the "Prior Bonds"). The Prior Bonds were to fund \$262,450 of additional Golf Course construction and redeem \$4,835,000 of its December 1989 lease Revenue Bonds, Series A. Payments of principal and interest on the Prior Bonds were supported by an irrevocable direct draw letter of credit and matured on May 1, 2023. On January 5, 2018, the City entered into a new taxable lease agreement (the "New Lease") with Zions Bank, N.A. in the amount of \$1,657,100. The proceeds of the New Lease were used to refinance the Prior Bonds and pay costs of issuance. The New Lease matures on November 1, 2023 and has an interest rate of 3.19% per annum. In addition, the

leased asset for the Prior Bonds was city hall. The New Lease was part of a larger refinancing that also refinanced the police facility (see above). The leased asset for the larger refinancing is now the City's Corporation Yard thereby releasing city hall. As of June 30, 2018, the outstanding balance of the New Lease was \$1,646,500. For FY 18/19, \$278,400 has been budgeted for a principal payment and \$50,321 has been budgeted for an interest payment.

The annual debt service requirements at June 30, 2018 are as follows:

<u>Fiscal Year</u>	<u>Principal</u>	<u>Interest</u>	<u>Total</u>
18/19	278,400	50,321	328,721
19/20	287,400	41,368	328,768
20/21	296,600	32,128	328,728
21/22	306,200	22,590	328,790
2023 - 2024	<u>477,900</u>	<u>15,325</u>	<u>493,225</u>
Total	1,646,500	161,731	1,808,231

Madera Youth Center

In May 2010, the City entered into a capital lease agreement with Municipal Finance Corporation to lease a portion of the construction of the Youth Center in the amount of \$1,500,000. The lease is payable over ten years with semi-annual payments of \$194,257 along with annual interest at the rate of 5% per annum. As of June 30, 2018, the outstanding balance of the Youth Center capital lease is \$184,890. For FY 18/19, \$184,890 has been budgeted for a principal payment and \$9,250 has been budgeted for an interest payment.

The annual debt service requirements at June 30, 2018 are as follows:

<u>Fiscal Year</u>	<u>Principal</u>	<u>Interest</u>	<u>Total</u>
18/19	<u>184,890</u>	<u>9,250</u>	<u>194,140</u>
Total	184,890	9,250	194,140

ERP System and Fire Engine:

On August 17, 2015, the City entered into a lease agreement with Holman Capital to provide financing for an Enterprise Resource Planning (ERP) System, new operating software (Tyler Munis) to replace the existing software (MAIS) in the amount of \$835,065. Additionally the City also acquired one Hi-Tech/Spartan 1500 GPM Pumper Fire Truck, in the amount of \$700,000. There is a \$5,000 document Fee. The net financing amount is \$1,540,065; Interest rate is 2.71% per annum. The lease is payable over a period of 5 years, with semi-annual payments of \$165,715 every August 17, and February 17, effective 02/17/2016. For FY 18/19, \$311,960 has been budgeted for principal payments and \$19,470 has been budgeted for interest payments.

ERP System and Fire Engine (Continued)

The annual debt service requirements at June 30, 2018 are as follows:

<u>Fiscal Year</u>	<u>Principal</u>	<u>Interest</u>	<u>Total</u>
18/19	311,960	19,470	331,431
19/20	320,472	10,959	331,431
20/21	<u>163,500</u>	<u>2,215</u>	<u>165,715</u>
	795,932	32,644	828,577

Loans Payable

PG&E Energy Efficiency Retrofit Loan

In June 2012, the City entered into a loan agreement with PG&E in the amount of \$249,731. The purpose of the loan was to convert old high pressure sodium lights to new energy efficient LED streetlights. The loan is payable over a period of 6.7 years with monthly payments of \$3,161 along with zero percent interest. As of June 30, 2017, the outstanding balance of the PG&E loan payable is \$22,163. For FY 17/18, \$22,163 has been budgeted for a principal payment and \$0 has been budgeted for an interest payment.

The annual debt service requirements at June 30, 2018 are as follows:

<u>Fiscal Year</u>	<u>Principal</u>	<u>Interest</u>	<u>Total</u>
18/19	<u>22,163</u>	-	<u>22,163</u>
	22,163	-	22,163

California Infrastructure and Economic Development Bank (CIEDB) Loan

In March 2006, the City entered into a loan agreement with the California Infrastructure and Economic Development Bank for the regional wastewater treatment plant upgrade and expansion project. The loan, in the amount of \$10,000,000, is payable in semi-annual installments of \$383,081 to \$525,788 along with interest at 3.01% per annum. As of June 30, 2018, the outstanding balance of the California Infrastructure and Economic Development Bank loan was \$7,332,455. For FY 18/19 \$312,877 has been budgeted for a principal payment and \$215,998 has been budgeted for interest payments.

The annual debt service requirements at June 30, 2018 are as follows:

<u>Fiscal Year</u>	<u>Principal</u>	<u>Interest</u>	<u>Total</u>
18/19	312,877	215,998	528,875
19/20	322,295	206,439	528,734
20/21	331,996	196,592	528,588

2033 - 2036	<u>1,982,910</u>	<u>121,583</u>	<u>2,104,493</u>
Total	7,332,455	2,161,705	9,494,160

Airport Hangar Loan

In August 2007, the City entered into a loan agreement with the Department of Transportation, Division of Aeronautics for the purpose of constructing a 14-unit aircraft storage hangar building at the Madera Municipal Airport. The loan, in the amount of \$300,000, is for a period of fifteen years to be paid in annual installments of \$14,131 to \$27,180 along with interest in the amount of 4.7829% per annum. As of June 30, 2018, the outstanding balance of the Department of Transportation, Division of Aeronautics loan was \$124,046. For FY 18/19 \$22,547 has been budgeted for a principal payment and \$5,933 has been budgeted for an interest payment.

The annual debt service requirements at June 30, 2018 are as follows:

<u>Fiscal Year</u>	<u>Principal</u>	<u>Interest</u>	<u>Total</u>
18/19	22,547	5,933	28,480
19/20	23,625	4,855	28,480
20/21	24,755	3,725	28,480
21/22	25,939	2,541	28,480
22/23	<u>27,181</u>	<u>1,000</u>	<u>28,181</u>
	124,046	18,054	142,101

Bonds Payable

CFD 2006-1 Series Special Tax Bond

In December 2006, the City of Madera issued \$2,885,000 Community Facilities District 2006-1 Special Tax Bonds (the "Prior Bonds") paid by a levy of special taxes on property within the District. The proceeds of the Prior Bonds were used to finance a portion of costs associated with acquiring certain public improvements related to the Madera East Olive Avenue Specific Plan. The improvements consisted of roadway, water improvements and other infrastructure necessary for the development of the property within the District. Additionally, the Prior Bonds were to provide for the establishment of a reserve fund, provided capitalized interest through September 1, 2008 and paid cost of issuance. The Prior Bonds paid annual payments of principal through September 1, 2036 along with semi-annual interest payments each March 1 and September 1 ranging from 3.7% to 4.7% per annum. On January 25, 2018, the City entered into a new tax-exempt bond (the "New Bond") with Western Alliance Bank in the amount of \$2,452,228. The proceeds of the New Bond were used to refinance the Prior Bonds and pay costs of issuance. The New Bond matures on September 1, 2036 and has an interest rate of 3.83% per annum. As of June 30, 2018, the outstanding balance of the New Bond was \$2,452,228. For FY 18/19, \$62,612 has been budgeted for a principal payment and \$102,113 has been budgeted for an interest payment.

CFD 2006-1 Series Special Tax Bond (Continued)

The annual debt service requirements at June 30, 2018 are as follows:

<u>Fiscal Year</u>	<u>Principal</u>	<u>Interest</u>	<u>Total</u>
18/19	62,612	102,113	164,725
19/20	69,278	90,196	159,474
20/21	79,232	87,352	166,584
21/22	84,046	84,226	168,272
23-37	<u>2,157,060</u>	<u>679,820</u>	<u>2,836,880</u>
Total	2,452,228	1,043,705	3,495,933

Water and Wastewater Revenue Bonds, Series 2006

Water and Wastewater Revenue Bonds, Series 2006 were issued by the Financing Authority in March 2006 for \$35,995,000. Proceeds from the bonds were used to refund \$2,225,000 of its 1996 Sewer Revenue Refunding Bonds, Series A, and for Water and Sewer System Capital Facilities. The bonds are due in annual installments of \$50,000 to \$2,055,000 through March 1, 2036, with interest payable semiannually on September 1 and March 1 of each year at 3.5% to 4.75%. The City has issued the Water and Wastewater Refunding Revenue Bonds, Series 2015 in December 2015 to refund the Water and Wastewater Revenue Bonds, Series 2006.

Water and Wastewater Refunding Revenue Bonds, Series 2015

Water and Wastewater Refunding Revenue Bonds, Series 2015 were issued by the Financing Authority in December 2015 for \$30,140,000. Proceeds from the bonds were used to refund \$30,440,000 of its Water and Wastewater Refunding Revenue Bonds, Series 2015. The bonds are due in annual installments of \$70,000 to \$2,080,000 through March 1, 2036, with interest payable semiannually on September 1 and March 1 of each year at 3.700%. At June 30, 2018, the outstanding balance of the Water and Wastewater Revenue Bonds was \$27,955,000.

The Financing Authority has pledged a portion of future water and wastewater revenue to repay the 2015 Water and Wastewater Revenue Bonds. Total principal and interest remaining on the agreement is \$38,790,080 payable through 2036.

Water Revenue Bonds, Series 2010

In November 2010, the Finance Authority issued \$11,215,000 Water Revenue Bonds, Series 2010, which are due March 2038. The bonds were used to finance capital improvements to the water system to bring the City into compliance with State Law to have the entire City on water meters by 2025. The bonds are due in annual installments of \$65,000 to \$745,000 along with interest payable semi-annually on September 1 and March 1 of each year at the rate of 4.5% per annum. As of June 30, 2018, the outstanding balance of the Water Revenue Bonds, Series 2010 was \$9,850,000. For FY 18/19, \$320,000 has been budgeted for a principal payment and \$458,063 has been budgeted for an interest payment.

The Water Revenue Bonds, Series 2010 were issued at a discount which is being amortized over the life of the bonds resulting in an annual amortization of \$5,422. The Financing Authority has pledged a portion of future

Water Revenue Bonds, Series 2010 (Continued)

wastewater revenue to repay the 2010 Water Revenue Bonds. Total principal and interest remaining on the agreement is \$15,584,931 payable through 2038.

The annual debt service requirements at June 30, 2018 are as follows:

<u>Fiscal Year</u>	<u>Principal</u>	<u>Interest</u>	<u>Total</u>

BUDGETS BY DEPARTMENT

CITY MANAGER'S OFFICE DEPARTMENT SUMMARY

The City Manager is an appointed office, established through the Madera Municipal Code.

City Manager's Office - Org 10201100

The City Manager's Office provides strategic leadership and guidance to the City operations and services to the City of Madera through the following areas:

- * Administration: The City Manager provides organizational leadership necessary to implement Council programs and policies; ensures organizational transparency and fiduciary responsibility; and maintains the City's internal service delivery team.
- * Neighborhoods: The City Manager's Office seeks to foster engaged neighborhoods by proactively providing public information, creating community partnerships, and facilitating citizen involvement. This includes a Citizen's Academy, an eight week introductory course in the mechanics of City government.

Central Administration - Org 10201110

Central Administration is one of the components of the City Manager's budget. This activity captures city wide expenses that are not otherwise allocated among City departments.

Community Promotion - Org 10201120

The Community promotion budget is administered by the City Manager's Office. Allocations approved by Council for use by community groups are captured in this activity.

Key Accomplishments

- ❖ Managed one eight week Citizen's Academy
- ❖ Facilitated the creation/partnership of a Student Citizen Academy with MUSD
- ❖ Engaged three "Starting a New Business" seminars
- ❖ Provided senior level oversight of water and sewer rate analysis

Goals and Performance Measures

Departmental Goals

- ❖ Successful transition to a new City Manager
- ❖ Conduct a minimum of one Citizen's Academy and one Starting a New Business session in the FY 2018/2019 cycle
- ❖ Ensure the City's internal team maintains customer centric/service delivery focus
- ❖ Continue to focus on aligning revenue with expenditures

Performance Measures

- Onboarding of City Manager
- Schedule and completion of one Academy and Workshop with a minimum of 7 participants in each section.
- Feedback from recipients of service, satisfaction surveys.
- Mid year and final 2018/2019 budget balanced

CITY CLERK'S OFFICE DEPARTMENT SUMMARY

The City Clerk Department provides ongoing administrative support to City Council and staff. As custodian of records, the City Clerk's office is responsible for the management of the City's official records including agendas, minutes, resolutions, ordinances, agreements, and various other documents. The City Clerk also processes public record requests; election coordination; serves as the filing official for the Fair Political Practices Commission for Statement of Economic Interest filings; and serves as a liaison between the community and City Council regarding the City's business and community events.

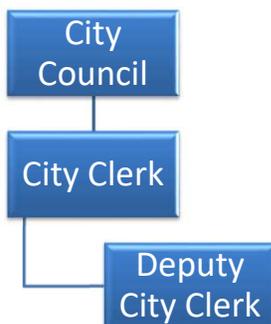

City Council - Org 10201000

The City Council, a council of seven, is elected by the public to serve as the governing body and policy makers of the City of Madera. The City Clerk department oversees the City Council budget as it relates to expenses associated with the conduct of City Council meetings, and other miscellaneous expenses for participation in various community events and functions, and travel and training for professional development as elected officials.

City Clerk's Office - Org 10201010

The City Clerk department budget as a whole provides for two full time personnel to carry out the primary functions of the department including preparing and processing of agendas, updating the municipal code, processing statement of economic interests Form 700, processing and archiving of the City's official records, providing administrative support to the City Council and other miscellaneous functions all in accordance with various state laws including but not limited to the Brown Act, the Political Reform Act, and the Public Records Act.

Key Accomplishments

- ❖ Tyler Content Manager - Implementation complete.
- ❖ Adhered to statutory requirements related to open meeting law and agenda preparation.
- ❖ Processed public record requests in accordance with Public Records Act.
- ❖ Coordinated FPCC filings for 87200 filers and designated positions.

Goals and Performance Measures

Departmental Goals

- ❖ Records management - develop schedule for filing backlog
- ❖ Develop city wide records retention schedule
- ❖ Continue to provide quality customer service to internal and external customers
- ❖ Stay informed on changes to state laws which affect operations
- ❖ Ensure City Council and City Clerk website pages are updated.
- ❖ Follow up on Implementation of Tyler Content Manager Module
- ❖ Change from detailed council meeting minutes to action minutes.

Performance Measures

- Filing is up to date.
- Approved schedule distributed Citywide.
- Acknowledge and/or respond to requests within two business days; track public record requests and respond in accordance with the Public Records Act.
- React to any new legislation/laws that affect operations.
- Develop schedule to review pages for content to ensure information is current.
- Ensure records are stored electronically using TCM.

CITY ATTORNEY'S OFFICE DEPARTMENT SUMMARY

The City Attorney provides legal training and advice to the City Council, City Manager, Commissioners and Department Heads. The City Attorney investigates and defends claims against the City and resolves them as directed by the City Council. At the direction of the City Council, the City Attorney may initiate litigation to enforce the City's rights or to protect the public health, safety or welfare. The City Attorney also drafts and approves the form of contracts and other legal documents including ordinances, resolutions and legal notices.

City Attorney - Org 10201400

About 90% of the City Attorney's budget is made up of personnel costs related to the City Attorney and the Legal Assistant. There are not significant changes to the Fiscal Year 2018/2019 Budget, as compared to the 2017/2018 Adopted Budget.

Key Accomplishments

- ❖ Maintained quality level of legal counsel service with single attorney office
- ❖ Managed litigation for the City
- ❖ Worked to improve efficiency of day to day activities of the City Attorney's Office

Goals and Performance Measures

Departmental Goals

- ❖ Maintain high level of legal counsel service to City Council and Departments
- ❖ Evaluate and improve litigation monitoring and management procedures
- ❖ Help develop email and document retention policy in cooperation with key departments such as IT

Performance Measures

- No specific performance measure.
- Prepare and conduct quarterly briefings with the City Council on existing and pending litigation.
- Adoption of email and document retention policy

FINANCE DEPARTMENT SUMMARY

The Financial Services Department (Finance) provides various accounting and business services for the City of Madera. Included in these services are: financial reporting, general ledger maintenance, payroll, accounts payable, accounts receivable, purchasing, utility billing and collections, business licensing, debt management, investment portfolio management and the preparation and maintenance of the City's annual budget. Financial Services also oversees the Fleet Internal Services Fund and Grants.

Finance - Or 10201200

The Finance Org 10201200 budget includes the revenues and expenditures related to financial reporting, general ledger maintenance, payroll, accounts payable, accounts receivable, investment portfolio management and the City's budget. Finance is able to recapture some of its expenses for the services it provides to other departments through the City's indirect cost allocation for Administration and Overhead. Because Finance is within the General Fund, it does not charge other General Fund departments for Administration and Overhead. It only charges the non-General Fund departments that it serves.

Finance Utility Billing -Org 20301220, 20401230, 47601235

The Utility Billing division of the Financial Services Department provides the billing and collection services for the City's Utility Funds, which include Water, Sewer, Solid Waste and Storm Drainage. The costs for these services are charged directly to and reimbursed by the Utility Funds, with 50% coming from Water, 25% coming from Sewer and 25% coming from Solid Waste.

Purchasing - Org 10201210

Purchasing provides support for all City departments to ensure compliance with various purchasing rules and regulations and to ensure that the City is achieving economy of scale. We assist vendors in doing business with the City and encourage local vendors to do business with the City. We manage the Central Supply Warehouse, oversee the City's credit card programs and dispose of surplus property. Funding for this department is cost allocated throughout various City departments.

CFD 2005-1 - Org 48000000

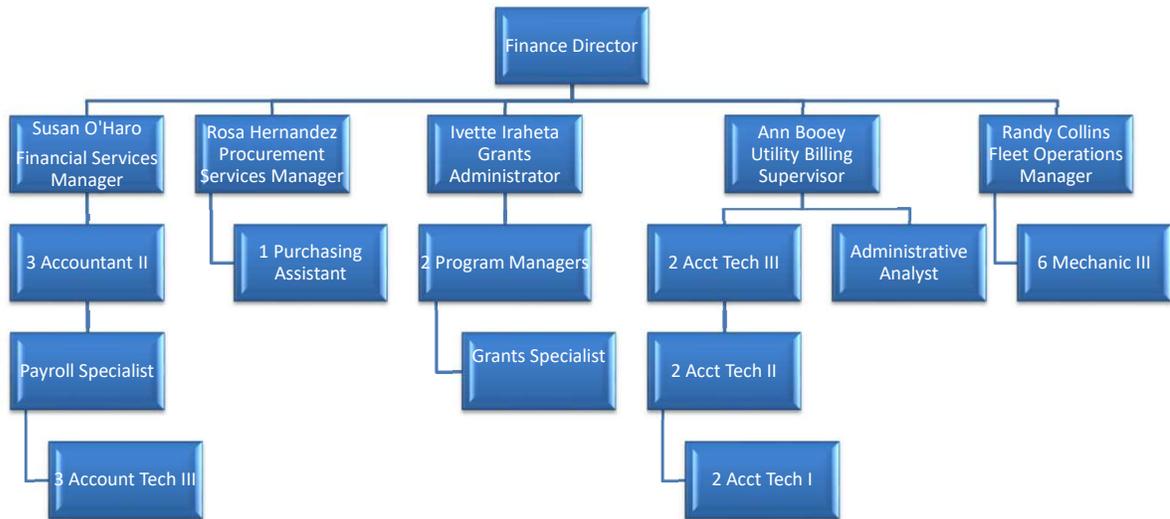

The City of Madera established the Community Facilities District 2005-1 (CFD 2005-1) per the Mello-Roos Community Facilities Act of 1982 on November 16, 2005. The purpose of the "District" was to authorize a levy of special taxes within the District to finance police services, fire protection and suppression services, park maintenance, and storm drainage system operation and maintenance.

CFD 2006-1 - Org 48010000

In December 2006 the City of Madera issued \$2,885,000 30 year Special Tax Bonds which were to be paid by the Community Facility District 2006 (CFD 2006-1) via a levy of special taxes. The proceeds of the Bonds were used to finance a portion of costs associated with acquiring certain public improvements related to the Madera East Olive Avenue Specific Plan. The improvements consisted of roadway, water improvements and other infrastructure necessary for the development of the property within the District.

Parks Facilities Lease Administration - Org 80200000

Parks Facilities Lease Administration is a debt service budget that is also handled by Finance.

Key Accomplishments

- ❖ Successfully completed the Fiscal Year 2016/2017 Audit which reflected General Fund expenditures and revenues within less than 1% of budget
- ❖ Obtained the CSMFO (California Society of Municipal Finance Officers) Excellence in Budgeting Award for the City of Madera 2017/201 Budget
- ❖ Successfully implemented the Business License Module in Tyler Munis and engaged the help of an outside contractor to improve licensing compliance
- ❖ Successfully implemented the Payroll and Executime modules in Tyler Munis
- ❖ Successfully completed the implementation of Tyler Munis core financials, which went live on August 1, 2016
- ❖ Improved regional training opportunities by taking a leadership position in the Southern San Joaquin Valley Chapter of the CSMFO

Goals and Performance Measures

Departmental Goals

- ❖ Submit the City of Madera 2018/2019 Operational Budget for the CSMFO Excellence in Budgeting Award again
- ❖ Continue to provide opportunities for staff to receive educational training related to their work
- ❖ Successfully implement the Business Licensing portion of the new Tyler Munis software program during Fiscal Year 2017/2018
- ❖ Improve Business Licensing compliance and collections through audits to be completed by an outside contractor
- ❖ Present the City Council with proposed revisions to the City of Madera Municipal Code for improvements related to business licensing
- ❖ Provide utility customers with useful and timely information to help them monitor their water useage through the use of the Sensus automated meter reading (AMR) system

Performance Measures

- Submission of adopted budget to CSMFO and Receipt of Excellence in Budgeting Award
- Provide at least 1 in-house training opportunity and Track training opportunity attendance for all employees
- A clean implementation of the Business Licensing module
- Increase Business Licensing revenue by \$100,000, including Rental Business Licensing
- Completion of updated ordinance and submission to Council for consideration
- Roll out on-line portal for water usage data for use by all utility customers

HUMAN RESOURCES/RISK MANAGEMENT DEPARTMENT SUMMARY

Human Resources/Risk Management manages personnel, employee relations and risk management programs. These activities include recruitment, employee benefits, personnel records, labor negotiations and contract administration, classification and compensation, training, insurance/self-insurance, claims management, safety/loss control, and emergency preparedness.

Human Resources/Risk Management - Org 10201500

The Human Resources Department proposed maintenance and operations budget for 2018-19 represents a decrease over the same line items in the 2017-18 budget based on projected activities in the coming fiscal year. Consistent with prior years, the budget includes a request for \$1,000 for the ADA Advisory Council under the contracted services line item. These monies will be used for activities such as participating in the Madera Fair and purchasing educational and promotional materials to be handed out to the public at these types of events.

Insurance/Risk Management - Org 10901510

The Insurance/Risk Management budget represents the major activities of the Insurance Reserve Fund. For most of the City's insurance needs, the City participates in the Central San Joaquin Valley Risk Management Authority. Each year, the Authority actuarially adjusts prior program years based on actual and anticipated losses and claim development. If the City's monies on deposit exceed the estimated adjusted losses, the City receives a refund of contributions. If the City's monies on deposit fall short of estimated losses, the City is required to deposit additional monies. Over the next few years, the City will owe significant amounts for prior years. The large amounts owed in the worker's compensation program are partly due to adverse claim development and partly due to funding decisions in prior years that left the City exposed to the potential of future deposits being required. The Authority Board has taken action to correct these issues to the extent possible by increasing the confidence level used for funding and lowering the discount rate. Specifically for the 2018/19 program year, the discount rate has been set at 1.75% with both the liability and the worker's compensation programs funded at the 85% confidence level.

Key Accomplishments

- ❖ Completed and Implemented a Worker's Compensation Alternative Dispute Resolution Agreement (Carve-Out) with the Law Enforcement Mid Management Group
- ❖ Promulgated 27 Civil Service employment lists; onboarded 42 new employees
- ❖ Processed and provided ongoing management for 77 reports of employee injuries
- ❖ Processed and provided ongoing management of 30 government tort claims filed against the City
- ❖ Continued to participate in ongoing analysis and implementation processes for the Tyler Munis system specific to HR/Payroll.

Goals and Performance Measures

Departmental Goals

- ❖ Implement Human Resources modules in new Enterprise Resource Planning software, including:
- ❖ Evaluation of current processes in Human Resources and between Human Resources and Payroll to identify areas for process improvement and improved efficiencies
- ❖ Implementation of online recruiting/application processes
- ❖ Expand employee access to information in the HRIS and payroll modules of the Munis system
- ❖ Evaluation of feasibility of workers' compensation, liability and/or property damage recovery claims management in the new software system and implementation of any identified changes
- ❖ Continue to improve how the Human Resources Department interacts with the public through technology such as social media and the City's website

Performance Measures

- Implement modules.
- Implement module and transition to an online recruiting/application process.
- Implement Employee Evaluations within Munis System and Employee Self Service; Implement additional self service features for employees to manage personal information.
- Implement module to the extent feasible.
- Utilize social media for the full recruitment cycle of every recruitment.
- When the HR modules in Munis Go Live, move to a completely online application and recruitment process.

POLICE SERVICES DEPARTMENT SUMMARY

The City of Madera appoints its Chief of Police. The Chief of Police, one Commander and three Lieutenants manage 70 sworn officers, 23 non-sworn, 14 volunteers and seven chaplains. The Department supports a Detective Division (six officers and a sergeant), Special Investigations unit (four MPD officers, Chowchilla Officer, two Probation Officers, Sheriff's Deputy and MPD sergeant), one officer on the countywide Narcotics Enforcement Team, two School Resource officers assigned to the Madera Unified School District and one Housing Authority Officer. The remaining personnel are assigned to patrol functions. The Measure K sales tax funds the following personnel: One Police Lieutenant, Two Police Sergeants, Eight Officers, One Public Safety Dispatcher, One Records Clerk, and One Network Administrator (these numbers are reflected above).

The Madera Police Department strives to make Madera a safer community through an effective policing model identified by three tenets:

- Solving problems, orienting toward crime, not just criminals
- Asking citizens to reassert their role in crime reduction and community livability
- Being accountable, taking responsibility for the level of crime

Effective policing is an evolving strategy that alters the fundamental way in which the police fight crime and respond to other problems in the community. It means having officers in neighborhoods working cooperatively with people to address the problems of crime, drugs, disorder, fear, and other elements that have a disruptive influence on the quality of life in our city. Effective policing is not soft on crime. In many ways it is tougher on crime than traditional policing because it has, as a basic tenant, a problem solving orientation. Effective policing is based on the realization that most crimes are solved with information that comes from people. The better our relationship with people, the more information we will have at our disposal to combat crime.

Effective policing is a partnership involving all affected participants from government, neighborhoods, social, civic, educational, and religious groups to identify, address, and solve problems. Effective policing is empowerment, creating a sense of joint ownership for reciprocal behavior, skills, and attitudes which allow members of "communities" and officers to express their concerns. Through that expression of concerns, crime, livability, and economic conditions can be impacted. Effective policing is accountability, placing shared responsibility for solving problems on citizens, police, government, civic, and social agencies. Effective policing is problem solving, the identification of criminal, and disruptive behavior patterns to develop methods and solutions for permanent resolution.

AB 109 - Org 10202010

AB-109 funds a Police Officer position, ancillary equipment and training at 58%; the remaining 42% is captured in Administration. This officer is assigned to the G.R.E.A.T. program with emphasis on Gang Resistance Education and Training. G.R.E.A.T is an evidence-based, effective gang and violence prevention program built around school-based, law enforcement officer-instructed classroom curricula. The Program is intended as an immunization against delinquency, youth violence and gang membership for children in the years immediately before the prime ages for introduction into gangs and delinquent behavior.

Community Corrections Partnership - Org 10202020

Community Corrections Partnership (CCP) funds one position and ancillary equipment and training 100%. The Sergeant of the Special Investigations Unit is funded by this account. The SIU Sergeant is responsible for the supervision of a multi-agency investigations unit that consists of four MPD officers, one Chowchilla Officer, two Probation Officers, one Sheriff's Deputy and one CHP Officer.

School Policing - Org 10202030

Madera Unified School District funds two positions 100% - The school officers' responsibilities consist of security, intelligence gathering, mentoring and responding to calls for service generated by the function of the schools.

Housing Authority - Org 10202040

The Housing Authority and the Madera Police Department have entered into an agreement to reinstate the Housing Authority Officer position. The Housing Authority will fund a Police Officer position at 100%. The Housing Authority Officer's primary duty is to provide frontline law enforcement supervision to all Housing Authority interests.

Administration - Org 10202000

Police Administration represents the general PD budget and is \$10,737,815. This represents the maintenance & operating cost including salaries & benefits for all personnel not funded by grant, outside contract, or Measure K sales tax revenue.

COPS Hiring Program - Org 10202050

The COPS Hiring Program is a multi-year grant designed to maintain or increase personnel. This grant will cover the cost of 2.5 police officers for the next two years.

Animal Control - Org 10202060

The Animal Control budget is \$287,406. This represents a \$150,000 contract with the County of Madera Animal Shelter to receive and care for all animals brought to them by our staff. The remainder covers our operating cost, including salaries & benefits for our two Animal Control Officers.

SLESF -Org 47700000

The State Law Enforcement Services Fund (SLESF) provides a General Fund offset for maintenance/replacement of front line equipment and training material such as ammunition.

JAG Grant - Org 47800000

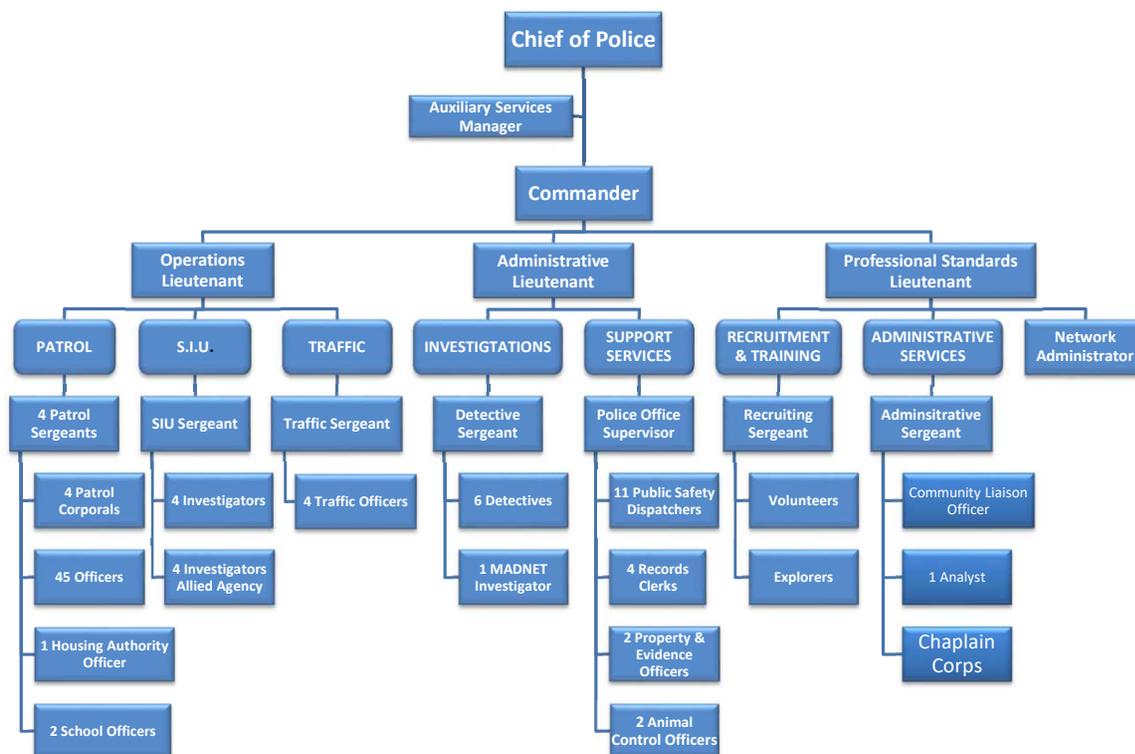

The Justice Assistance Grant (Jag) funds have traditionally been used to upgrade equipment or provide for an opportunity to purchase equipment that would otherwise be unavailable. We intend to use the awarded \$34,000 to cover the annual cost of our in car camera system.

DUI Enforcement and Awareness- Org 47900000

The Madera Police Department will not participate in the DUI grant for this fiscal year.

Measure K - Org 10252000

Measure K revenue is projected to be \$2,100,000. \$1,543,265 of the revenue will be spent on the salaries and benefits for the 14 new personnel positions. The remainder will be spent on the upkeep, fuel, and future replacement of the Measure K fleet consisting of seven vehicles. The remainder will also be used to pursue new technology and equipment, as well as, plan for future expansion of our police facilities.

Key Accomplishments

- ❖ With the Measure K sales tax revenue, we added eight additional police officers, two additional sergeants, one dispatcher, one records clerk, and one network administrator.
- ❖ The residents of Madera are taking an active role in crime reduction as our Neighborhood Watch Groups have expanded from 76 last year to 90 this year.
- ❖ We increased our Citizen's Academy program by offering three classes this year. One of those classes was our first Spanish only Citizen's Academy Class.
- ❖ We launched the Parent Project which is a training program giving parents the tools needed to raise difficult or out-of-control children with the goal of eliminating the need for law enforcement intervention.

Goals and Performance Measures

Departmental Goals

- ❖ Continue to pursue and expand community outreach opportunities, which is one of the most important components of policing the City of Madera
- ❖ Build strong Business Watch Groups modeled after our Neighborhood Watch Program. Taking the "neighbors looking out for neighbors" concept to the commercial level, creating partnerships between business, law enforcement, and other organizations that represent business interests.
- ❖ Social Media: Continue to increase awareness with our social media presence on Facebook. Continue to investigate other creative uses of our social media platform to keep the public informed and engaged.

Performance Measures

Continue to assist in the growth of new Neighborhood Watch groups; successfully host the 3rd MPD Kids Camp; continue to engage students through the Learning with the Law and MPAKT programs.

Growth in attendance and engagement by our local business.

Increased following, increased engagement, and an increase in the information received from citizens through private message inbox.

FIRE SERVICES DEPARTMENT SUMMARY

The Madera City Fire Department is administered by the California Department of Forestry and Fire Protection (CAL FIRE) pursuant to a cooperative fire protection agreement. Policy direction remains with the Madera City Council and all permanent Fire Department staff are CAL FIRE employees. The Department provides a multitude of emergency and non-emergency services to the community. Services include: Fire suppression and prevention, emergency medical assistance, rescue, public service assistance, fire menace standbys.

The two City Fire Stations, located at 317 North Lake and 200 South Schnoor, are staffed 24 hours a day. The Fire Department staffs two fire engines with 3 personnel each. One reserve fire engine and one mini pumper patrol is maintained and staffed as needed.

Administration - Org 10202500

The Fire Administration budget is primarily made up of the CAL FIRE contract. This year the staff benefit rates and salaries increased through collective bargaining causing an minor increase to the contract. The budget also supports equipment and vehicle repairs, equipment replacement, IT, building and office supplies and facility maintenance.

Measure K - Org 10252500

Measure K will allow the Department to make the following additions: design and construction of a new fire station in future years to better serve Madera residents as the City expands. Measure K can be used to purchase other necessary public safety equipment or pay for staffing to support Fire related needs.

Key Accomplishments

- ❖ Migration of new E6 into fleet completely outfitted with new equipment
- ❖ Carpet replacement completed at both Fire Stations

Goals and Performance Measures

Departmental Goals

- ❖ Repair/resurface Station 6 and 7 parking lots
- ❖ Utilize Measure K funds to build and staff new Fire Station 58
- ❖ Repair Station 6 bathroom
- ❖ Purchase of new Raptor Ladder Truck with Dept Impact Fee's

Performance Measures

- Completion of parking lot repairs
- Completion of and staffing of new Fire Station
- Completion of bathroom repair
- Delivery of completed ladder truck

COMMUNITY DEVELOPMENT DEPARTMENT SUMMARY

The Community Development Department was established in 2006 to facilitate a coordinated approach to planning and development within the City, and is currently the home of the Planning, Building, Engineering, and Public Works Departments. The Department manages long term city planning, land development and construction, public improvement projects, and the maintenance and operations of public facilities. By combining these functions under a single management structure, the City helps to ensure that Madera is planned, designed, built and maintained in a cohesive manner. The Community Development Director works with the department managers to coordinate their work programs, particularly those elements where there is overlap between departments.

Planning - Org 10204100

The Planning Department is responsible for long range planning within the city, the maintenance and application of the City's Zoning Ordinance and the processing and approval of site-specific development proposals to include rezoning, tentative maps, use permits and site plan reviews. Planning staff members also serve as staff to the Madera Planning Commission.

Building Inspection - Org 10204200

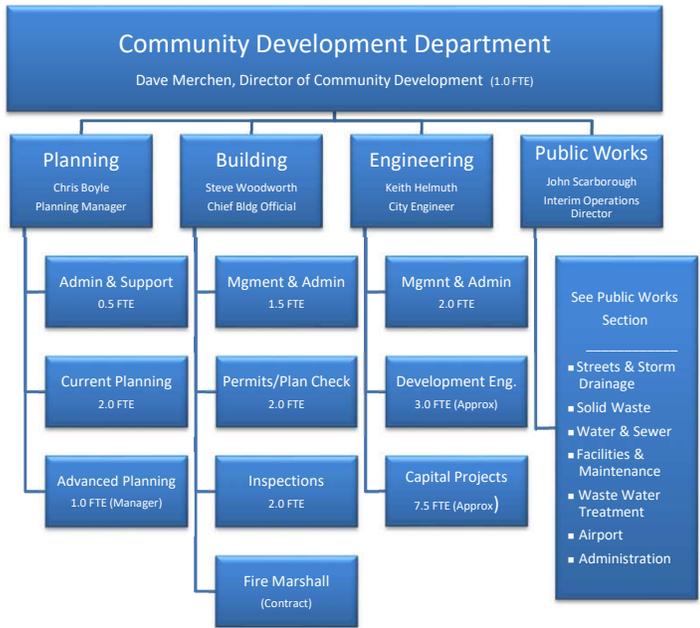

The City of Madera Building Department is responsible for overseeing all activities associated with on-site construction. The department administers the building permit process from the intake of building plans through the issuance of a certificate of occupancy. The department provides full service delivery of information to insure code compliance during the construction process through plan check and inspection processes. The addition of a new permit technician will enhance the Department's customer service delivery and allow other staff members covering these functions to return to their regular assigned job duties. The City's fire prevention function is also maintained through the Building Department, which manages an interim Fire Marshall services contract with Fire Safety Solutions.

Engineering - Org 10204300

The Engineering Department is responsible for the design and management of public facility construction projects throughout the City, as well as for reviewing and approving private development projects that either connect to, or construct parts of, the City's public utility systems. Primary functions include preparing and/or approving design drawings, conducting the bidding process for public improvements, and providing construction oversight and inspection services where applicable. The department also conducts and reviews special engineering studies and is responsible for conducting speed surveys which are used to establish speed limits within the city.

Public Works

The Public Works Department is responsible for maintaining and managing operations for the City's public utility systems. Services provided by the department include ensuring sufficient clean fresh water; reliable sewer services; street maintenance; storm drainage systems; street cleaning; maintenance of street pavement, street lights, traffic signals; public building maintenance, and maintenance of the City's Airport. The Department is composed of the following divisions: Facilities/Electrical Maintenance, Streets & Storm Drainage, Water & Sewer, Waste Water Treatment Plant, Solid Waste & Recycling, and Administration & Airport. These divisions are further summarized in an expanded Public Works Department Summary.

Key Accomplishments

- ❖ Facilitated approvals for remodels of Silva Ford and the redevelopment of the former P.G.&E. yard on Gateway Drive and Bass and Sons on West Kennedy Street.
- ❖ Prepared and presented discussion on economic development programs and tools to City Council.
- ❖ Conducted session of City of Madera Vision Leadership Academy focusing on community development.
- ❖ Coordinated and conducted series of small business workshops for community members.
- ❖ Participated in Regional Groundwater Management Group and GSA Coordination Committee behalf of City.
- ❖ Prepared and presented discussions on Annexation Strategies and Cannabis Policy to the City Council.
- ❖
- ❖ Completed Water Main Installations at Various Locations construction project that included seven individual pipeline locations identified in the Water System Master Plan
- ❖ Completed Well 27 Pipeline Outfall Extension
- ❖ Completed property acquisition, selected design consultant, and completed design documents for new northwest fire station (Station 58).
- ❖ Utilized Pavement Management System (PMS) to manage and improve City streets – First project (R-65) utilizing PMS recommendations will be advertised prior to end of this fiscal year
- ❖ Implemented Tyler Munis Permit Module for Building, Planning and Engineering Permits
- ❖ Completed Well 27 Pipeline Outfall Extension
- ❖ Completed Water Meter Project W-17-01 utilizing remainder of original bond funds to install approximately 45 meters
- ❖ Planning Ministerial Permits – Processed 24 Zoning Administrators Permits, 61 Sign Review, and 29 Temporary Use Permits in FY 2017/18 Planning Discretionary Permits – Processed 8 Rezones, 7 new or amended Tentative Subdivision Maps, 35 Conditional Use Permits, and 52 Site Plan Reviews. Completed 21 Preliminary Project Planning Reviews for prospective applicants
- ❖ Completed final inspection and issued certificate of occupancy for the California Custom Processing project, now in its second phase of construction, and for the West Yosemite Avenue office project.
- ❖ Processed seven precise plans for the development of approximately 170 single family homes and one 22-unit multifamily complex.
- ❖ Adopted ordinances concerning park land acquisition and accessory dwelling units. Currently in the adoption process for the update of the Zoning Ordinance.

Goals and Performance Measures

<u>Departmental Goals</u>	<u>Performance Measures</u>
❖ Complete Development Impact Fee Study and Present to City Council	Completion of fee study for City Council consideration
❖ Complete Development Incentive Program(s) and Present to City Council	Completion of incentive programs and presentation to Council for consideration.
❖ Complete final phase of Commercial Water Meter Installation project	Completion and acceptance of capital project - subject to confirmation of funds outside original bond
❖ Complete Sherwood and Wessmith Sewer Main Replacements	Complete design (90% currently) and construct subject to available funds
❖ Complete construction of Yosemite/Elm Traffic signal	Complete and acceptance of capital project
❖ Continue to utilize pavement management system to manage and improve City streets	Ongoing program
❖ Complete construction of Howard/Westberry and Howard/Granada traffic signals	Construction and acceptance of capital project
❖ Complete Sewer and Water Condition Assessments – Generate list of CIP projects	Generate list of CIP projects - Complete sewer assessment (80 to 90% complete), begin water assessments
❖ Fresno River Trail – Gateway & UPRR	Secure all approvals; Award and Construct
❖ Complete Construction of New Fire Station 58	Award of Construction Contract, Completion and Acceptance of Project
❖ Provide in-house environmental compliance review and documentation for capital improvement projects.	Ongoing project-by-project effort. Performance on individual projects measured by completion of environmental documents.
❖ Complete the update of the Zoning Ordinance	Review by Planning Commission and adoption by City Council
❖ Continue to encourage/facilitate small business growth and the Small Business	Make presentations as part of quarterly small business development workshops
❖ Continue to implement the principles, goals and policies of the 2009 General Plan.	No specific performance measure
❖ Ensure compliance with all codes for the construction, use, and occupancy of buildings and all of their various components	
❖ Process plan checks for all single-family residential and commercial construction projects within target timelines	4 week turnaround for single family residential construction 6 week turnaround for commercial construction
❖ Respond to all building permit field inspection on a next-business day basis.	Perform inspections within 1 business day of request. Track timelines for inspection turnaround
❖ Respond to all informational requests and housing complaints from the public on	72 hour response to information and complaint
❖ To keep pace with the increases in documentation requirements and the retrieval of documents, the Division will expand the use of new technology	No specific performance measure
❖ Conduct building inspections and issue certificate of occupancy for all new construction	Track issuance of permits, inspections, and certificates of occupancy
❖ Continue to provide exemplary customer service	No specific performance measure

PUBLIC WORKS DEPARTMENT DEPARTMENT SUMMARY

The Public Works Department is responsible for maintaining and managing operations for the City's public utility systems. Services provided by the department include ensuring sufficient clean fresh water; reliable sewer services; street maintenance; storm drainage systems; street cleaning; maintenance of street pavement, street lights, traffic signals; public building maintenance, and maintenance of the City's Airport. The Department is composed of the following divisions: Facilities/Electrical Maintenance, Streets & Storm Drainage, Water & Sewer, Waste Water Treatment Plant, Solid Waste & Recycling, and Administration & Airport.

Drainage - Org 45003080, 45003090, 45003040

The Storm Drainage – Flood Control budget provides for maintenance of the existing storm drainage system, including activities such as cleaning of storm drainage lines and inlets, maintaining basins, drainage pumps, and emergency flooding responses.

Streets - Org 10203010, 47603630

The Street Maintenance Division's budget provides the function of routine maintenance of the existing street system including alleys. This includes activities such as minor repairs, alley grading, street sign maintenance. The Street Cleaning Division's budget provides street sweeping services for all the paved streets.

Sewer Fund - Org 20400000, 20403400, 20403410, 20403420, 20403430

The Sewer Utility – Finance Department budget is used to fund the Utility Billing and Accounting for activities within the Sewer funds. The Sewer Utility - Maintenance / Operations Budget funds the personnel, equipment, materials, and services needed to maintain the Sewer collection system, including such activities as routine maintenance of sewer lift stations and collection lines, and routine repairs of the existing collection system. The Sewer Utility – Waste Water Treatment Plant budget funds the personnel, equipment, materials, and services needed to maintain the City's 10.1 M.G.D. capacity Waste Water Treatment Plant. The Sewer Utility – Capital Outlay budget funds the personnel, equipment, materials, and services for major repairs and improvements within the sewer system. The Sewer Utility – Bond Administration budget funds the debt service on existing bonds and loans within the Sewer Fund.

Airport Fund - Org 20503270, 20503510

The Municipal Airport Operation budget funds the personnel, equipment, materials, and services needed to operate and maintain the Madera municipal Airport. The Airport – Capital Projects budget funds all capital projects for the maintenance or enhancement of the Airport.

Solid Waste and Recycling Funds - Org 47603640, 47603650, 47603620, 47603730, 47603610, 47603600

The Beverage Container Recycling budget is used to implement a grant program from the State for promoting recycling efforts. The Used Oil Recycling budget is used to implement a grant program from the State for promoting recycling of used oil. The Solid Waste Recycling Budget funds the programs that promote diversion of material from the waste stream, and performs the regulatory reporting to the State. The Tire Clean-up budget is used to implement a grant program from the State for the collection and disposal of derelict tires. The Hazardous Waste Disposal budget is used to implement a grant program from the State for disposal of household hazardous waste materials. The Municipal Disposal Activities budget funds the personnel, equipment, materials, and contracted services that provide the disposal of the refuse material city wide. As part of the FY 2018/2019 Budget, the Solid Waste Division will be eliminating the following vacant position: Solid Waste Program Manager.

Graffiti Abatement - Org 10203020

The Graffiti Abatement budget provides the services for removal and cover up of graffiti. The public programs for education and enforcement are performed by the Code Enforcement Department.

Water - Departments Org 20300000, 20303800, 20303830, 20303810

The Water Utility – Billing/Collections budget is used to fund the Utility Billing and Accounting for activities within the Water funds. The Water Utility – Maintenance/Operations budget is used to fund the production of water and maintenance of the wells and distributions system. The Water Utility – Capital Outlay budget funds the personnel, equipment, materials, and services for major repairs and improvements within the water system. The Water Utility – Quality Control funds the personnel, equipment, materials, and services for major insuring that water quality standards and regulations are met or surpassed within the water system. The Water Conservation budget funds the personnel, materials, and rebates for all water conservation outreach and customer rebate programs. Water Conservation is a new budget within the Water Fund in the FY 2018/2019 Budget in order to more accurately capture revenue and expenses for Tier 2 and 3 water rates.

Facilities Maintenance - Org 30710000

The Facilities Maintenance Division's budget has two functions; the division provides routine maintenance for the City's buildings and facilities and it also maintains the street signals and street lights owned by the City. Although this budget is managed by Public Works, it is included in the Internal Services section of the budget rather than here under Public Works.

Key Accomplishments

- ❖ Awarded contract for WWTP Rehabilitation Project
- ❖ Completed second year's enhanced sewer line cleaning to enable video condition survey.
- ❖ Completed Airport Crack Seal Project
- ❖ Installation of 10 Solar Street Lights for infill in older neighborhoods
- ❖ Completed the LED Street Light Conversion Program
- ❖ Completed repairs on Well 20 and 26
- ❖ Installed generator at Fire Station 6

Goals and Performance Measures

Departmental Goals

Performance Measures

- | | |
|--|---|
| ❖ Insure that the functions performed by the department are the correct services required and desired by the Public, rather than just a continuance of historical practices | No specific performance measure |
| ❖ Monitor and evaluate the effectiveness and efficiency of the delivery of the services provided | No specific performance measure |
| ❖ Implement asset management programs to insure that the City's infrastructure is being adequately maintained on a long term basis and that there is not an accumulation of deferred maintenance passed on to future generations | Acquire and implement asset management program |
| ❖ Complete study and conditions assessment of the sewer and water system to facilitate a more refined long term capital program for maintenance/replacement of the existing infrastructure | Complete conditions assessment of sewer and water system |
| ❖ Select and Implament Asset Management and Preventative Maintenance Management Software for the Waste water Treatment Plant | Complete implementation of software and population of data base with 100% data fidelity |
| ❖ Formulate an asset management program to identify long term maintenance cost for major elements of City buildings | Develop building-based asset management program |
| ❖ Complete valve exercising and cross connection surveys for half of the City | Complete valve exercising and cross connection surveys |
| ❖ Work with groundwater consultant to identify and complete repairs on Well 27 | Complete Well 27 repairs |
| ❖ Execute CDBG Grant for replacement of roof at Millview Community Center and oversee the bidding and construction management for the project | Complete Millview Community Center roof replacement |

PARKS AND COMMUNITY SERVICES DEPARTMENT SUMMARY

The Parks and Community Services (PCS) Department provides a wide range of direct services to the public and is divided into three major operational Divisions: Administration; Recreation & Community Services; and Parks Maintenance. Departmental responsibilities include management, oversight and maintenance of a variety of different sized parks (including a sports complex), a trail that bisects Madera, greenbelts/paseos, a 179 acre municipal golf course, and other public green spaces which include median islands and approximately 80 Landscape Maintenance Zones (LMZs) throughout the City. Oversight and management of recreation facilities like community and youth centers, senior centers, an aquatics complex and a skate park are also key functions for PCS staff. Additional major responsibilities include management, design and implementation of recreation and community service programming for Maderans of all ages. Programs and services include, but are not limited to: educational and leisure classes; youth and adult sports (including leagues and tournaments); swimming lessons and other aquatics programming; day camps; after school programs; fitness/wellness programs for all ages; leadership and career preparedness; drop-in recreation programs for youth including sports, crafts, technology and audio-engineering; and nutrition and recreation programs for senior citizens including those with special needs. The PCS Department also hosts several community special events and seeks outside funding to provide programs such as Movies in the Park, participation in the Pomegranate Festival, and community volunteer days and others. Current staffing levels consist of 21 full-time staff and more than 70 part-time employees (making up 28.95 FTE). The FY 2017/18 Budget for the Department was \$5,248,066 including the golf course.

Parks Development Fund - Department 4109000

The Parks Development Fund captures the expected revenues for the Department's capital projects. Types of projects represented in this fund include new construction and improvements to existing infrastructure. Examples of projects consist of renovation and or replacement of park pavilions, new construction of structures such as restrooms, and significant maintenance improvements such as re-roofing or parking lot renovations. Park Planning activities are reflected in the Parks Development Fund. Resources anticipated in the FY 2018/19 Budget Year include Housing Related Parks Program grant dollars that will be allocated toward land-banking for future park development.

Landscape Maintenance Districts - Department 10206110

The Landscape Maintenance District (LMD) Cost center was created in FY 15/16 to capture the revenues and expenditures related to fully burdened personnel, maintenance and operations of the City's LMD program. In the spring of 2015, the Madera City Council directed staff to dismiss the contracted vendor and take on the maintenance of 80 LMDs in Madera. Revenues are made up solely of assessments paid by individual parcel owners with their biannual property tax payment. Since the transition to move this work in-house, the quality of the landscaping has substantially improved and customer complaints have sharply decreased.

Parks - Department 10206100

Department 10206100 captures revenues, fully burdened personnel, maintenance and operational activities for all of the City's park space, trail space and public green space. Day-to-day operations include maintenance of turf, trees, landscape, trails, public restrooms, picnic areas and pavilions. The Parks team is also engaged in maintaining green space irrigation, the urban forest and field preparation for sports activities, tournaments and special events. Expenses to keep parks maintenance rolling stock safely working and in service are accounted for in this Department as are utility costs.

Recreation - Department 10206200

The 10216200 cost center reflects revenues and expenses (fully burdened staffing, materials, and M&O) associated with the provision of recreation programs and activities. The PCS Department offers a variety of free, low-cost and fee-based recreation and enrichment programs such as after-school recreation, Kids Camp, themed program weeks, Youth Commission, audio engineering, technology programs, robotics classes, nature-themed programs, leadership, cooking/wellness classes, cheer/dance, drop-in recreation activities and other general recreation programs.

Administration - Department 10206000

The Administration Division is devoted to the management and oversight of the entire PCS Department. Specific functions include management of the department's fiscal, contractual, purchasing, safety, policy and procedure, grant-making, grant management, marketing, IT functions, as well as other duties. Administrative Division employees prepare communications with other City Departments, including City Council, and are responsible for considerable amount of the Department's partnerships, collaborations, marketing, resource allocation and revenue generating/fund-raising efforts. Administrative Staff also prepare bid documents, project specifications and create contracts/agreements with outside agencies.

Special Events - Department 10206270

The Special Events Budget demonstrates revenues and expenditures for community events including but not limited to: Golf Tournaments, Movies in the Park, the Pomegranate Festival and others. Revenues in this cost center are made up of community donations, sponsorships, grants and fundraising, while expenditures, among other things, include fully-burdened staff costs, and movie-licensing.

Sports Programs - Department 10206220

Department 10206220 reflects both revenues and expenditures related to youth and adult sports programming. PCS provides organized, fee-based sport leagues and tournaments for Maderans of all ages. Basketball, softball, T-Ball, flag-football, and soccer are among the department's many sports offerings. Essentially, these varied sports programs (for children as young as 2 years of age to adults and seniors) are captured in this cost center.

Aquatics - Department 10206230

The aquatics program budget provides for maintenance, operations and staffing for the City's swimming pool complex. This budget is comprised of a variety of programs including swimming lessons, special events, drop-in swimming and pool rentals. Revenues in this department are derived from daily admissions, group and private swim lessons, concession sales and rental of the facility. While the bulk of programming occurs in the summer months, expenses are incurred year-round and include labor, utilities and chemicals needed to maintain water chemistry levels to healthy standards and to keep the facility clean.

Centers - Department 10206240

Department 10206240 provides for fully-burdened personnel, maintenance and operations for the PCS Department's community centers. Centers included in this cost center are: the John W. Wells Youth Center, Pan-American Community Center, Bergon Senior Center, Youth Hut, Mexican-American Center, Millview Center and the Skate Park. Revenues collected from rentals/leases of the various centers are recorded in this cost center. Expenses include utilities, and contracted services such as janitorial and pest control.

Median Landscaping - Department 10206120

This cost center provides for irrigation and upkeep of various median islands throughout the City. Gas tax is the sole source of revenue for the activities reflected within this cost center for the 18/19 Fiscal Year and this work is contracted out to an outside vendor.

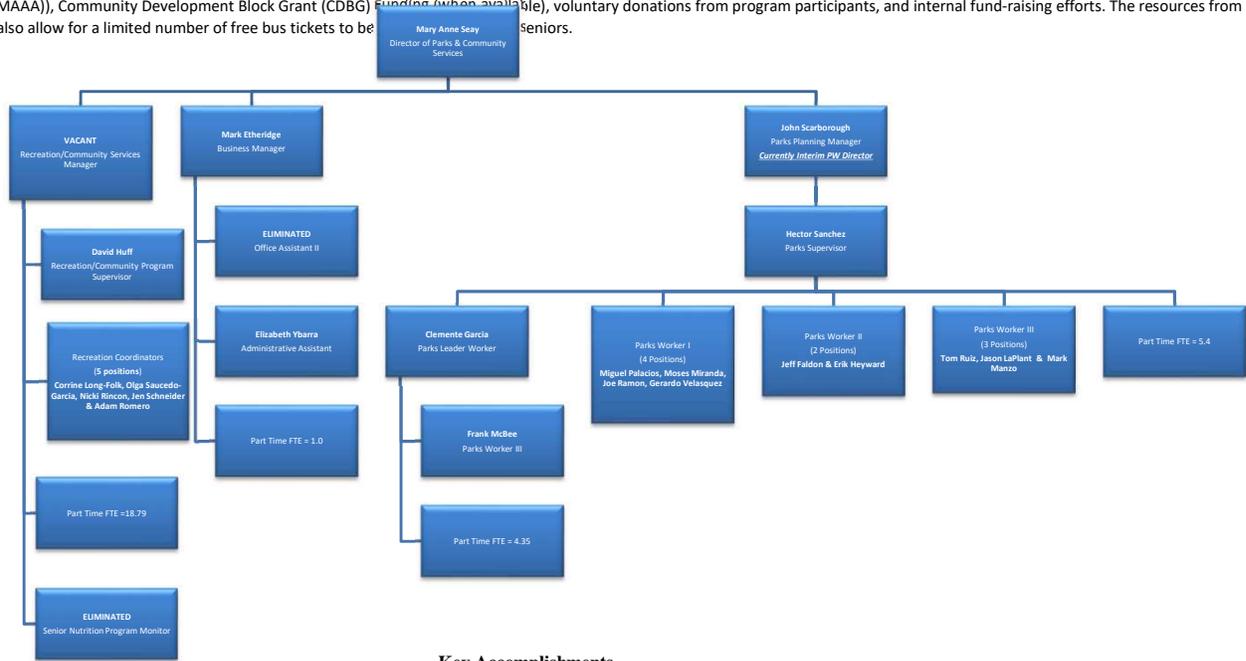

PARKS AND COMMUNITY SERVICES DEPARTMENT SUMMARY (continued)

Golf - Department 20606290

The PCS oversees a contract with a private vendor who manages the operations and maintenance at the City's Municipal Golf Course. The Golf Operations Budget reflects the various revenue streams paid to the City by the firm administrating the course. These budget numbers also include activity related to an outstanding debt service on the clubhouse and maintenance facilities.

Senior Citizen - Department 10206218

Department 10206218 includes revenues and expenses associated with the operations of two senior centers and associated programming for senior citizens (defined as being 60 and older). Included in this budget are senior recreation programs, enrichment classes, day trips as well as all other costs of providing congregate and homebound meal programs to eligible seniors. This cost center has several revenue line-items. Revenues for this program are made up of: resources from the State and Federal Grants (made available through the Fresno Madera Area Agency on Aging (FMAAA)), Community Development Block Grant (CDBG) funding (when available), voluntary donations from program participants, and internal fund-raising efforts. The resources from FMAAA also allow for a limited number of free bus tickets to be provided to seniors.

Key Accomplishments

- ❖ The Parks and Community Services (PCS) Department has continued its efforts at water conservation. In FY 17/18, PCS staff worked in concert with the Public Works Department to begin a pilot grant program with Madera Unified School District for Smart Controllers.
- ❖ PCS worked with the Planning Department to get a Quimby Act Ordinance in place.
- ❖ Attempts to secure CDBG Funding for ADA improvements were successful. It is recommended that PCS be awarded \$95,000 in FY 18/19 for this work. The design is being funded by a \$65,253 CDBG grant from a previous year.
- ❖ The damaged & exposed wood at John W. Wells Youth Center and the Swimming Pool Building was treated and painted using CDBG resources. The interior damage from wear and tear was repaired and repainted and a chair rail has been installed to protect against further damage to the infrastructure. O'Dell Engineering was hired to design the remaining capital projects at Centennial and ADA projects at Pan Am and Bergon Senior Center. The diving board was replaced and the remainder of the project will be completed in FY 18/19.
- ❖ Special Needs Programs for youth and adults grew by more than 10% in FY 17/18. In addition to continuing youth programs (soccer, basketball, aquatics, Super-Hero Dance, etc.) the adult programs added dance fitness and aquatics programming to special needs adults. PCS also hosted our third Wheelchair Basketball Tournament in January of 2018 in partnership with Children's Hospital.
- ❖ PCS negotiated a new Service Agreement with Madera Unified School District (MUSD) to provide after school and summer recreation and enrichment programming to homeless and foster youth. The \$80,000 value of the agreement covered costs for comprehensive programming for the 17/18 academic school year and included summer science camp at the John W. Wells Community Center.
- ❖ PCS strengthened its partnership with First 5 of Madera County to order colorful prompting signage for City parks and playgrounds. The "Talk, Read, Sing" campaign is designed to encourage parents to talk, read and sing to their children. Additionally, new programs for children under 5 at the new playground in Centennial park are underway as a result of the partnership.
- ❖ While we have always had policies around incident and accident reporting, we created a new flow chart and a single point of contact for every single one of the accidents (staff or participant) and incidents (large or small) that occur under the PCS umbrella. Each event is captured on the appropriate form and communicated to internal staff as well as Risk Management and all parties stay in the loop until the root cause of the event has been addressed to satisfaction. Peers in other jurisdictions have followed our new model - this program was given an award for excellence from the Central San Joaquin Valley's Risk Management Authority in the fall of 2017.
- ❖ Partnerships with a myriad of local stake-holders have resulted in successful events such as the Pomegranate Festival, Love Madera, Relay for Life, an International Women's Conference, a Cesar Chavez event, an Earth Day celebration, health fairs, support from the Mexican consulate and food giveaways.
- ❖ PCS staff partnered with the Madera District Fair to host the first ever Fair Camp in June of 2018 with the goal to engage younger Maderans in the rich and deep traditions of local fairs, particularly the Madera Fair.

- ❖ Staff has identified and secured a variety of funding sources during this Fiscal Year:
 - CDBG – \$103,503 to support the senior programs in 17/18 with \$87,000 recommended for FY 18/19.
 - CDBG – \$95,000 recommended for ADA upgrades in parks & automatic doors at City Hall.
 - Housing Related Parks Program (HRPP) - \$134,000 for land-banking in northeast Madera.
 - Kaiser Permanente - HEAL Zone 3 Grant for \$50,000 that spans FY 17/18 and FY 18/19.
 - Fresno Madera Area Agency on Aging - 3 grants totaling \$66,000.
 - PG&E - 3 mini grants totaling \$18,000 (Movies in the Park - \$5,000, the City's Cooling Center programming - \$8,000 and a 2018 Service Day for \$5,000).
 - Mid-Valley Disposal - \$10,000 sponsorship.
 - Madera Unified School District (MUSD) - 2 Consultant Services Agreements in FY 17/18 totaling \$210,000.

Goals and Performance Measures

Departmental Goals

- ❖ Continue to leverage existing resources and identify revenue generating opportunities.
- ❖ Water conservation efforts will continue in the coming year.
- ❖ Update Development Impact Fees (DIF) related to parks.
- ❖ There are several key capital improvement projects PCS will oversee to completion or substantial progress during the FY 18/19. They include:
 - Sunrise Rotary Extension Project which includes the
 - Centennial Park Lighting and Enhancement Project
 - ADA upgrades at various City facilities.
 - Substantial and continued progress on trail expansion and embellishments, such as the trail undercrossing at UPRR/Gateway Drive, continue to be a focus of the department.
- ❖ Identify Resources and Partners to Acquire Land for Future Development.

Performance Measures

- Continue work to study regional fee structures and industry best-practices. Analyze cost for service and consider Master Fee Schedule changes as they
- Develop a best practice list for long range water conservation solutions. Work with Planning and Community Development to complete work with consultant & implement new fees.
- Complete capital projects to expend resources within grant timelines

- Identify land and resources in north-west Madera for land banking and future park development.
- Identify land and resources in north-east Madera for land banking and future park development.

GRANTS DEPARTMENT SUMMARY

Grants administers the city's portfolio of grants and pursues additional sources of funding from outside agencies. Additionally, the department administers a number of city programs including the Madera Area Express (MAX) transit system and our various housing programs. The MAX system provides both fixed route and Dial-A-Ride (DAR) services to our community. The fixed route system operates exclusively within the city limits, while the DAR system extends into specific portions of the county including the campus of the Madera Community College Center. Our Downpayment Assistance Program (DAP) assists low-income residents purchase their first homes and the Owner Occupied Rehabilitation (OOR) program helps existing low-income homeowners to make health and safety repairs to their homes. All of the programs mentioned receive support from grant resources and their operation does not negatively impact the General Fund.

Grant Entitlement/Oversight -Org 10211300

This budget will provide for the general administration of the city's current grant awards and programs. It will also fund the city's efforts to pursue additional resources and develop new programs. This budget will result in a minimal impact to the General Fund because various grants reimburse the city for the majority of the budget's expenses.

Transportation Dial-a-Ride - Org 21285290, 21285490

The Dial-a-Ride (DAR) system transports its passengers between any locations within the city and even operates in limited areas of the county. The DAR budget does not impact the General Fund because the system receives its entire operating revenue from grants, fares, and local transportation funds.

Transportation Fixed Route -Org 21285300

The fixed route system provides regular transportation within the city from bus stops along predefined routes. The fixed route budget does not impact the General Fund because the system receives its entire operating revenue from grants, fares, and local transportation funds.

MAX - Capital Outlay - Org 21295500

The MAX Capital Outlay budget provides for the acquisition of long-term assets for our transit system such as buses, bus stops, and the proposed joint-use Public Works/Transit Facility. This budget does not impact the General Fund because all revenues come from grants, fares, and local transportation funds.

Proposition 1B PTMISEA - Org 21295590

This budget provides funding for the development of a new transit facility and derives its revenues from a state grant. This source of funds will allow for continued progress on the development of the facility. These projects rely solely on grant funds and they do not impact the General Fund.

CDBG Public Improvement -Org 10218020

The Public Improvement budget provides for the programs and projects that Council and the CDBG Advisory Committee (AC) have made allocations for from our CDBG grant. These activities rely solely on grant funds and this budget does not impact the General Fund.

CDBG Public Service - Org 10218010

The Public Service budget provides for the programs that Council and the CDBG Advisory Committee (AC) have made allocations for from our CDBG grant. These programs rely solely on grant funds and this budget does not impact the General Fund.

CDBG Administrative Costs - Org10218000

This budget provides for the administration of the CDBG grant as well as efforts to promote affordable housing, homelessness and to address impediments to fair housing in our community. These activities rely solely on grant funds and this budget does not impact the General Fund.

Intermodal Building Activities - Org 41108060

The Intermodal Building Activities budget provides for the operation and maintenance of this facility for use by the city and its tenants. The Intermodal Facility currently houses the MAX system, the Greyhound Bus terminal, and Madera Cab Co. This facility relies solely on grants and collects rent to fund its operations so this budget does not impact the General Fund.

CALOES -Org 41105492

This budget provides security enhancements for our transit system and derives its revenues from a state grant. The transit system has funded the installation of new bus stop enhancement; such as shelters and benches through this resource. These projects rely solely on grant funds and this budget does not impact the General Fund.

GRANTS

DEPARTMENT SUMMARY (continued)

Parking District Operations -Org 41400000

The Parking District Operations budget supports the activities of the city's Parking Enforcement Officer. This non-sworn officer patrols a designated area in Madera's downtown and issues citations to motorists who violate our vehicle ordinances. This activity does not impact the General Fund because the budget primarily relies on ticket penalties and assessments to generate sufficient revenue.

Madera Downtown B.I.D. - Org 41600000

This budget supports the efforts of the Business Improvement District (BID) to promote commerce in downtown Madera. These efforts do not impact the General Fund because the budget primarily relies on assessments to generate sufficient revenue.

HOME Reuse Activity - Org 44004460

This program can either assist low-income first time homebuyers purchase homes or help existing low-income homeowners make needed health and safety repairs in their existing homes. The program relies entirely on the repayment of assistance provided from the HOME DAP and Rehabilitation programs, so this budget does not impact the General Fund.

CALHOME RE-USE -Org 44004630

This program assists low-income homebuyers purchase their first homes and low-income home owners conduct needed health and safety repairs. The program relies entirely on Program Income from our state CalHome grants, so this activity does not impact the General Fund.

CALHOME MANUFACTURED HOUSING REHABILITATION PROGRAM - Org 44004432

This program assists low-income manufactured home owners conduct health and safety repairs in their existing homes. The program relies entirely on CalHome grants, so this activity does not impact the General Fund.

Key Accomplishments

- ❖ HUD approved the CDBG Third Year Action Plan with an allocation of \$795,959. In addition to \$88,556 in unprogrammed funds CDBG funds totalled \$884,515 this FY to assist four service agencies in the City and three Capital projects.
- ❖ Generated \$1,275,190 of new transit funding to support Madera Area Express (MAX) transit services including: California Office of Emergency Services (\$38,998), Low Carbon Transit Operations Program (\$28,876), Transportation Development Act (\$759,916), Measure T (\$78,400), and Federal Transportation Administration (\$329,000).
- ❖ Expanded MAX service by launching a new Fixed Route to Madera Community College Center and completed the installation of 21 new bus shelters for City's MAX system.
- ❖ Completed one DAP loan, two manufactured home repair/replacement projects and eight single-family Owner-Occupied Residential Rehabilitation projects totaling \$464,879 invested in housing improvements for City residents.
- ❖ Awarded \$443,102 in grants supporting Madera Police Department including \$375,000 from U.S. Department of Justice 2017 Community Oriented Policing Services Program to hire three (3) new officers (City's application ranked in the top 30 nationwide); and \$68,102 from California Department of Justice for officers to address tobacco law enforcement.
- ❖ Awarded a \$272,672 Caltrans Sustainable Transportation Planning Competitive Grant to develop a downtown masterplan for City of Madera Downtown/State Route 145, address climate change impacts and promote economic vitality.

Goals and Performance Measures

Departmental Goals

- ❖ Pursue funding opportunities for City Engineering/Fire/PD and other departments as program needs are identified
- ❖ Continue to monitor congressional appropriations for City's federal allocations
- ❖ Provide Small Business loans to develop the City of Madera's economy and create new jobs
- ❖ Begin analysis for developing effective Succession Planning for Grants Department
- ❖ Implement the City CDBG program and obtain Fourth Year Action Plan approval from HUD
- ❖ Begin construction of new Madera Transit Center at Freedom Industrial Park
- ❖ Implement a new fare structure for Madera Area Express services

Performance Measures

- Submit grant applications to help fund programs addressing City goals.
- Ensure that City pursue and obtain federal allocations for which it is eligible.
- Execute new business loans for qualifying applicants.
- Create Resource Guides for Transit, Housing, and General Grants projects.
- Obtain Action Plan approval from HUD
- Award Construction Contract and release Notice to Proceed to begin Construction
- Consolidate fares for City's MAX system and created a premium fare structure for Dial-a-Ride.

CODE ENFORCEMENT DEPARTMENT SUMMARY

The Code Enforcement/Neighborhood Revitalization programs were combined into a single department in 2003 as a direct response to declining property maintenance standards, neighborhoods in distress, expanding graffiti problems, and infrastructure deficiencies throughout the former redevelopment project area and CDBG eligible Census Tracts. Neighborhoods that are exposed to blight are at an increased risk of various social, physical and health disparities, higher rates of crime, and illicit drug activities. Preventing or eliminating slums and blight, and addressing community development needs to have an urgency. The department's main purpose circles around the elimination of blight conditions throughout the city's neighborhoods and interception in the community prior to the emergence of problem properties. During the last few years, this has been more challenging than during other times due to the foreclosure crisis creating abandoned and vacant buildings, and substandard housing conditions. It caused significant impacts to our community and depreciated remaining neighborhood assets. Due to that, resources have been applied toward the enforcement of those cases. To better maximize the department's efforts, a newly adopted Rental Housing Inspections Program ordinance was adopted; to address substandard rental properties, to promote greater compliance with health and safety standards and to preserve the quality of Madera's neighborhoods and available housing. A Neighborhood Outreach program was created and incorporated into the department for civic engagement and to strengthen the community by building social capital.

Code Enforcement - Org 10204400

AVSA provides funding for the enforcement of laws regulating abandoned vehicles

Tire Amnesty Grant - Org 10814460

This grant is shared with Madera County. CalRecycle provides funding for staff to organize and host events where residents are allowed to bring up to twenty (20) waste tires for proper disposal, free of charge. The department hosts up to six (6) events per term.

Key Accomplishments - Neighborhood Revitalization

- ❖ **Enforcement Actions:** A total of 955 cases were opened to address violations involving public nuisance, substandard housing, zoning, California Building Codes and vacant building violations
- ❖ **Foreclosure Cases** - Continued enforcement actions on 85 cases
- ❖ **Abatements** - Conducted 2 dangerous housing abatements
- ❖ **Weed Abatement Program.** Identified 434 violations; 429 complied, 5 abatements
- ❖ **Mobile Vendor Enforcement** - Collaborated with other agencies to conduct Citywide Mobile Vendor education/enforcement
- ❖ **Illegal Zoning Activity** - Collaborated with other agencies to conduct Citywide Illegal Zoning Activities enforcement
- ❖ **Abandoned Vehicles** - Identified 655 vehicles as having violations; 598 complied and 65 were towed
- ❖ **Waste Tire Amnesty** - Held three Amnesty Events which resulted in 10,000 (PTE) waste tires being collected. Partnership with Fresno LCC.
- ❖ **Leadership Academy** - Vision 2025 - Presentation
- ❖ **Rental Housing Inspection Program** - Newly adopted ordinance in September. Program Start up - Mailed 3861 Registration Letters to property owners.

**Goals and Performance Measures -
Neighborhood Revitalization**

Departmental Goals

- ❖ Educating residents on value of maintaining properties
- ❖ Maintain the Foreclosure Response System
- ❖ Implementation of a Rental Housing Inspections Program
- ❖ Encourage maintenance of abandoned buildings

Performance Measures

No Specific performance measure
Currently monitoring 63 registered foreclosures
Monthly inspections of pre - 1970 rental units
Currently monitoring 20 abandoned buildings

Key Accomplishments - Neighborhood Outreach

- ❖ **Various Neighborhood Events** - Coordinated 140 network, gatherings, block parties, and community events.
- ❖ **Neighborhood Watch** - Conducted 52 meetings throughout the City.
- ❖ **Neighborhood Watch** - Established 10 new Neighborhood Watches and completed 8 from the previous FY.
- ❖ **National Night Out** - Increased the number of participating neighborhoods from 45 to 54.
- ❖ **National Night Out** - Engaged more governmental, non-profit agencies, and Neighborhood Watch Leaders in its planning and execution.
- ❖ **S.A.L.T. Program** - Merged the Community Partnership Group with Madera County Community Action Partnership's SALT group to expand our network and interagency collaboration
- ❖ **Curb Strip Program** - Implemented Program, and have painted over 1550 homes.
- ❖ **Adopt A School Program** - Acquired the commitment of 14 churches to participate in the Program.
- ❖ **Anti-Graffiti Program** - Expanded the Anti-Graffiti Program to include all elementary schools in the City of Madera.

**Goals and Performance Measures -
Neighborhood Outreach**

Departmental Goals

- ❖ Increase resident participation in civic activities.
- ❖ Avertise programs to all areas of the City.
- ❖ NNO-Invite the MUSD to join the NNO Planning Community.
- ❖ NNO-Enhance contest activities.
- ❖ Expand Anti-graffiti Program to include elementary schools in the County of

Performance Measures

Add ten (10) new neighborhoods
Program formed from diverse groups of residents
Increased participation in the NNO
Increased youth participation
Increased program presentations

**COMMUNITY DEVELOPMENT - CODE ENFORCEMENT
10204400**

INTERNAL SERVICES FUNDS

Internal Services Funds provide funding to support the following areas: 1) Ongoing maintenance and repairs of vehicles, equipment and computers, 2) Replacement of vehicles, equipment and computers, and 3) Ongoing routine maintenance of the City's buildings, facilities, streetlights and street signals. Each of the City's operating departments is charged for its equipment usage, based on the cost of maintenance and upon a predetermined rate that considers the expected life of the specific vehicles or pieces of equipment. Departments are also charged for the maintenance of their buildings and facilities based on the square footage they utilize within their respective buildings and facilities.

Equipment (Fleet) Maintenance - Org 30701240

Fleet Maintenance is responsible for servicing and maintaining all the rolling stock in the city. This department currently maintains approximately 250 pieces of equipment. We support all the city departments by minimizing parts and repair costs and maximizing equipment uptime using our available resources. See further information in the Fleet Services Department Summary, below.

Equipment (Fleet) Acquisition - Org 30701250

This department acquires and disposes of the City's rolling stock. The department analyzes replacement equipment needs and works to maximize utilization. An equipment usable life has been established and a replacement schedule put in place to ensure timely turnover. A replacement fund is maintained to assure funds are available when needed.

Computer Maintenance and Replacement - Org 30720000

The City of Madera Information Systems Department is responsible for installing, maintaining and supporting all facets of technology for the City departments and staff members. The IS Department delivers hands-on and remote services to all City departments while also managing and maintaining the City's network systems and main data servers.

Facilities Maintenance - Org 30710000

The Facilities Maintenance Division's budget has two functions; the division provides routine maintenance for the City's buildings and facilities and it also maintains the street signals and street lights owned by the City. See Public Works Department Summary for further information regarding Facilities Maintenance.

FLEET SERVICES DEPARTMENT SUMMARY

Fleet Services consists of the Equipment Maintenance and Equipment Acquisition departments. These departments serve all the City as well as Housing Authority, Transit, and Police NICB vehicles.

The City has approximately 250 pieces of equipment ranging from light duty cars and trucks, to heavy duty off-road equipment and paratransit buses.

As shown in the organization chart below, under the Fleet Manager, we have one (1) Mechanic III for 'Light Vehicles', two (2) for 'Heavy Duty/Fabrication', one (1) dedicated to 'Police', and two (2) assigned to 'Transit'. The 'Shop Supervisor' position has been eliminated.

We are responsible for ensuring all equipment meets state, federal, and air quality standards and regulations.

Equipment Maintenance - Org 30701240

Fleet maintenance is responsible for servicing and maintaining all the rolling stock in the city. It is our task to keep all equipment operating in a safe and reliable condition. We support the city departments by minimizing parts and repair costs and maximizing equipment uptime using our available resources.

Equipment Acquisition - Org 30701250

This department acquires and disposes of the City's rolling stock. The department analyzes equipment needs and works to maximize utilization. An equipment usable life has been established and a replacement schedule put in place to ensure timely turnover. A replacement fund is maintained to ensure funds are available when needed. Pro-rated annual contributions are made by the departments to this fund based on capital cost and expected life of the equipment.

Key Accomplishments

- ◆ Implemented motor pool program
- ◆ Completed overhead oil delivery system
- ◆ Received 'Satisfactory' rating and positive comments on T

Goals and Performance Measures

Departmental Goals

- ◆ Start implementation of MUNIS work orders
- ◆ Work with Purchasing on the implementation of Parts Supply in MUNIS

Performance Measures

Have framework and initial training in progress
 Have framework and initial training in progress

INFORMATION SERVICES DEPARTMENT SUMMARY

The City of Madera Information Systems (IS) Department is responsible for installing, maintaining and supporting all facets of technology for the City departments and staff members. The IS Department delivers hands-on and remote services to all City departments while also managing and maintaining the City's network systems and main data servers. Some of the technology that the IS department supports includes over 275 desktop, laptop, and tablet computers, the City wide phone system, mobile phones, mobile data and devices, the City financial system, Police Department dispatch and records systems, and the city wireless network which connects city buildings and provides free wireless in all of these buildings.

While installing and maintaining systems is a big part of the IS department's workday, the City IS staff is also busy creating and updating current policy for technology and systems, creating and maintaining the central technology budget for the City, and researching and recommending new technology that will help support the City's service delivery and communication with the public. With the constantly changing nature of technology it is imperative that this department focuses not only on new technology, but on maximizing the actual return of value for expenditures as we implement that technology.

Personnel:

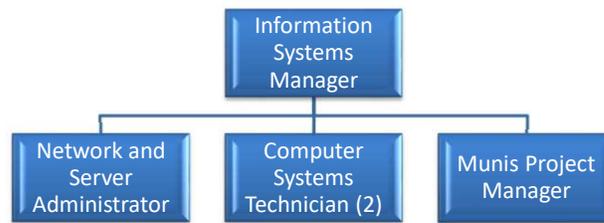

As shown in the organization chart below the IS Manager leads the tactical and strategic planning and operations for the department. All central servers and network equipment is maintained by two (2) network and systems administrators while all end user devices including computers, phones, printers, mobile devices, application software, etc. are supported by two (2) computer systems technicians. The Munis Project Manager has moved under the umbrella of the Information Services Dept. This facilitates the position to lead the citywide conversion to the Munis enterprise system including setup, training, upgrades and operations for all city departments.

Equipment Maintenance

Information Systems maintenance is responsible for servicing and maintaining all the technology equipment owned by the city. We support all city departments by minimizing costs and maximizing uptime. This has been a continuous improvement project which relies on the regular refreshing of equipment and software, and the use of support tools and resources.

Equipment Replacement

The Information Systems Equipment Replacement is a fully funded internal service fund. All current IS equipment has been inventoried, assigned a replacement value, and assigned a replacement life-cycle. This will ensure that costs are allocated to departments correctly and that all IS assets will be funded and regularly replaced. A replacement fund is maintained to ensure funds are available when needed. Pro-rated annual contributions are made by the departments to this fund based on capital cost and expected life of the equipment. The IS team has been able to re-use retired servers for less robust tasks, reallocate equipment, and strategic buying to save the department money. Therefore, new citywide projects of Munis GIS implementation and a Citizen Incident Management website can be achieved without additional budgeted funds.

Key Accomplishments

- ◆ Switch infrastructure upgraded to 1 Gb/s.
- ◆ Wireless Access Points Upgraded.
- ◆ Backup System Upgraded.
- ◆ Shoretel Phone system upgraded with conferencing.
- ◆ Proactive Network Monitoring is in place.
- ◆ Fiber Connections between most City Sites.
- ◆ Completed Phase 1, Core Financials, of the ERP system.
- ◆ Completed Phase 2, HR/Payroll, of the ERP system.

Goals and Performance Measures

Departmental Goals

- Computer Upgrade for most of the city
- Dual Monitors for most computer users
- Upgrade Entire Network to Windows 10 and Office 2016
- Upgrade wireless backup system on Water Tower.
- Complete Phase 3, Utility Billing, of the ERP system.
- Create a Citizen Self Service Website.
- Create a Citizen Incident Management Website.
- Upgrade Munis ERP system to the Newest Version.
- Develop and implement a formal email retention policy.
- Fiber connection to the Waste Water Treatment Plant

Performance Measures

- Complete by March 2019
- Complete by December 2018
- Complete by March 2019
- Complete by June 2019
- Deployment in March 2019
- Deployment in October 2018
- Deployment in December 2018
- Complete by August 2018
- Complete by March 2019
- Complete by August 2018

SPECIAL REVENUE FUNDS SUMMARY

The City's Special Revenue Funds consist of Gas Tax, Federal and State Grants & Allocations, Measure T Sales Tax and Local Transportation Funds. Except for Federal and State Grants, the Special Revenue Funds received by the City are determined by State and Federal formulas as our percentage of various gas taxes, excise taxes and sales taxes. The Federal and State Grants received by the City are for specific eligible projects that have been approved and included in the Federal or State Funding Programs. The special revenue funds are programmed for capital projects and street maintenance for the Community Development, Parks and Community Services, and Public Works Departments. The capital projects are included in the Capital Improvement Program and administered by the Engineering Division. The capital projects consist of street reconstruction, rehabilitation or resurfacing, traffic signals, bridge improvements, bike paths and trails and pedestrian safety improvements. The street maintenance funds are administered by the Public Works Department and must be used for the operation and maintenance of the existing street system facilities.

DEVELOPMENT IMPACT FEES SUMMARY

A development impact fee (DIF) is a fee that is imposed by the City of Madera on a new or proposed residential or commercial development project for the purpose of helping pay for the impact that the development(s) will have upon the City's infrastructure and servicing requirements. The City uses these fees to help pay for capital projects that the City undertakes to support the City's infrastructure, such as park, water, sewer, street, and storm drain facilities or improvements. Development impact fees are restricted for use on the specific types of projects for which they collected from developers.

LANDSCAPE MAINTENANCE DISTRICTS SUMMARY

A Landscape Maintenance District (LMD) is a special assessment district above and beyond the property tax bill for a property. It is established to fund and maintain landscaping in one or more separately formed zones of benefit. Madera's LMD Program was originally established in 1991 in accordance with the Landscape and Lighting act of 1972. Assessments are paid through annual property tax bills with the resources administered by the City which then maintains a separate fund for each of the 80 zones currently in the LMD program. The assessments are used to fund activities specific to each zone.

Staffing Level Changes

Code Enforcement

In 2018-19, it is recommended that 0.50 FTE of the existing Executive Director of the Successor Agency to the former Madera Redevelopment Agency (i.e. Successor Agency) position be reallocated from the Code Enforcement Division to the Successor Agency due to the change of personnel in the Successor Agency.

In 2018-2019, staff is recommending the elimination of the unfilled full-time and part-time Neighborhood Outreach Coordinator positions due to budget constraints.

In 2018-2019, staff is recommending that the two existing full-time Neighborhood Preservation Specialist II positions be promoted to Neighborhood Preservation Specialist III due to the increasing workload on these two positions.

In 2018-2019, staff is recommending the elimination of the unfilled full-time Office Assistant II position due to budget constraints.

Community Development

In 2017-2018, an Administrative Analyst Position was hired to replace the unfilled Associate Civil Engineer positions in the Engineering Division due to the difficulty of finding a qualified Associate Civil Engineering candidate.

In 2017-2018, a vacant full-time Assistant Engineer position was filled to handle the increased workload and maintain the service levels in the Engineering Division.

In 2017-2018, one full-time Associate Planner positions was reclassified to Assistant Planner position due to the change of the position's work in the Planning Division.

In 2018-2019, it is recommended that 0.20 FTE of an existing Assistant Planner position be reallocated from Municipal Disposal Activities and Water Maintenance/Operation Divisions to the Planning Division to better reflect current work assignments.

In 2018-2019, 0.08 FTE Combination Building Inspector positions will be increased due to the change of the personnel in the Building Inspection Division.

In 2018-2019, it is recommended that an existing full-time Construction Inspector II position be reallocated from the Water Maintenance/Operation and Sewer Maintenance/Operation Divisions to the Engineering Division to better reflect current work assignments.

In 2018-2019, a 0.46 FTE Engineering Project Manager position is requested in the Engineering Division to provide construction management service on the proposed transit facility and the fire station. The costs of this position will ultimately be reimbursed by the two facilities' construction budgets.

In 2018-2019, Staff is recommending that the vacant full time Associate Civil Engineer position be replaced with a Senior Civil Engineer position in the Engineering Division due to the change in work duties associated with the position.

In 2018-2019, it is recommended that an additional 0.83 FTE full time Senior Planner position be added to the Planning Division to assist with the growing workload and add the technical expertise necessary to complete a downtown plan as an in-house planning project.

Finance

In 2018-19, it is recommended that 0.20 FTE of the existing Financial Service Manager position be reallocated from Grant/Entitlement Oversight Division to Finance Division due to the change of the personnel in Grant/Entitlement Oversight Division.

Grants

In 2018-2019, it is recommended that a 0.30 FTE unfilled Equipment Shop Supervisor position be eliminated in the Transportation – Dial-A-Ride and Transportation – Fixed Route Divisions due to budget constraints.

In 2018-2019, it is recommended that one full-time Grants Specialist position be added to the Grant/Entitlement Oversight Division due to an increasing workload.

Internal Services

In 2018-2019, it is recommended that a 0.70 FTE unfilled Equipment Shop Supervisor position be eliminated in the Fleet Maintenance Division due to budget constraints.

Parks and Community Services

In 2017-2018, one existing full-time Administrative Assistant position was transferred from the Parks Administration Division to the Public Works Department to better reflect current work assignments.

In 2018-2019, 0.83 FTE part-time Park Aide positions will be reclassified to Parks Seasonal positions due to the change of personnel in the Parks Division.

In 2018-2019, staff is recommending 0.50 FTE Parks Planning Manger position be reduced due to the change of the personnel in the Parks Division.

In 2018-2019, it is recommended that the FTE of the part-time workers be reduced by 2.13 in total in the Parks and Community Services Department due to budget constraints and change in personnel.

In 2018-2019, staff is recommending the elimination of the unfilled Senior Nutrition Program Monitor position in the Sr Citizen Community Service, Recreation, and Special Events Divisions due to budget limitations.

Public Safety

In 2018-2019, 4 FTE Police Officer Trainee positions will be decreased, 3.92 FTE Police Officer II and 0.25 FTE Police Officer I positions will be increased due to the change of personnel and the promotion of existing police officers.

Public Works

In 2018-2019, the Public Works department will eliminate one unfilled full-time Administrative Analyst position, one unfilled full-time Public Works Maintenance Lead Worker position, one unfilled full-time Public Works Maintenance Worker II position, 0.90 FTE unfilled full-time Office Assistant II position, and one unfilled full-time Program Manager – Grants position due to budget limitations.

In 2017-2018, a full-time Airport Maintenance Worker I position was replaced with a full-time Airport Maintenance Worker II position in the Airport Operation Division due to the promotion of the existing maintenance worker.

In 2018-2019, it is recommended that the vacant full-time Associate Civil Engineer position be reallocated from the Water Maintenance/Operation and Sewer Maintenance/Operation Divisions to the Engineering Division to better reflect current work assignments.

In 2018-2019, staff is recommending the elimination of the unfilled part-time Engineering Technician I position in Sewer Maintenance/Operations Division due to budget limitations.

In 2017-2018, a full-time Solid Waste Recycling Assistant position was replaced with a full-time Solid Waste Recycling Coordinator position in the Solid Waste Disposal Division due to the promotion of the existing recycling worker.

In 2017-2018, a full-time Water Quality Specialist I position was replaced with a full-time Water Quality Specialist in Training position due to the change in personnel in the Water Quality Control Division.

In 2017-2018, a full-time WWTP Lab Analyst/Env Comp Inspector II position was replaced with a full-time WWTP Lab Analyst/Env Comp Inspector I position due to the change in personnel in the Wastewater Treatment Plant Division.

In 2017-2018, one full-time WWTP Lead Operator position was added in the Wastewater Treatment Plant Division to provide a sufficient increase in manpower to enable more preventative maintenance and replacement activities.

In 2017-2018, a full-time WWTP Operator III position was replaced with a full-time WWTP Operator II position due to the change of the personnel in the Wastewater Treatment Plant Division.

In 2018-2019, 0.50 FTE WWTP Operator in Training position and 0.50 FTE WWTP Operator III position will be increased in the Wastewater Treatment Plant Division because the additional positions were expected to begin in October 2017.

In 2018-2019, it is recommended that the 0.15 FTE unfilled part-time Assistant Planner position be eliminated in the Public Works – Streets and Water Maintenance/Operations Divisions due to budget constraints.

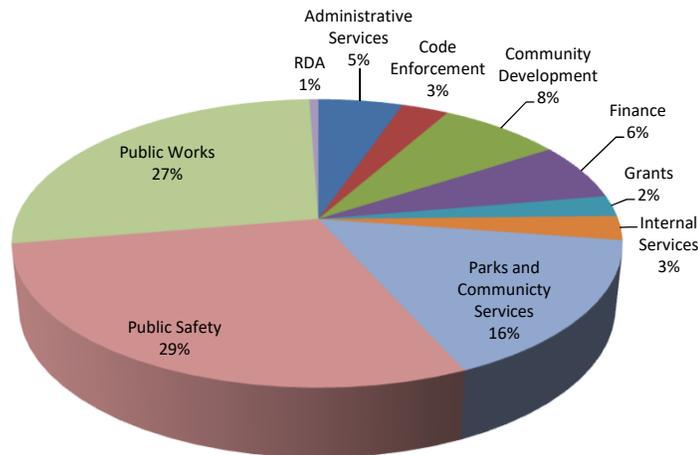

Successor Agency

In 2018-2019, staff is recommending the elimination of the unfilled full-time Redevelopment Manager position due to budget constraints.

Recommended 2018 - 2019

Current Year 2017 - 2018

**CITY OF MADERA
GENERAL FUND BALANCE RESERVE POLICY**

Established November 16, 2016

1. The City shall maintain minimum fund or working capital balances in the General Fund according to the following requirements:
 - a. **Budget Stabilization Reserves.** These “Contingency” reserves shall be established with the goal of maintaining a total amount equal to 30% of the General Fund’s annual operating budget for the purpose of stabilizing the delivery of City services during periods of operational budget deficits. At a minimum, the reserves shall include the following:
 - i. **Cash Flow Reserve of 15%.** A Cash Flow Reserve will be maintained to mitigate the effects of major economic uncertainties and other severe financial hardships resulting from unforeseen changes in revenues and/or expenditures. The City Council may not appropriate these reserves to fund operational or capital costs or facility maintenance. This reserve is established as the absolute minimum amount to be kept in reserve and is to be utilized for fixed-income investment purposes, to provide sufficient cash flow and funding for the laddering-out of investments over the terms allowed within the City’s Investment Policy.
 - ii. **Revenue Stabilization Reserve of 5%.** A Revenue Stabilization Reserve will be maintained to mitigate the effects of major economic uncertainties and other severe financial hardships resulting from unforeseen changes in revenues. The City Council may appropriate these reserves to fund operational costs and other non-emergency capital costs in order to facilitate the stable and efficient delivery of City services or facility maintenance when revenues are anticipated to come in lower than budgeted and result in expenditures exceeding revenues during a particular fiscal year.
 - iii. **Emergency Reserves of 10%.** An Emergency Reserve will be maintained to mitigate all unforeseen events not covered in the Cash Flow and Revenue Stabilization Reserves. Within this 10% Emergency Reserve, an amount at least equal to one year’s annual deposit premium paid to the Central San Joaquin Valley Risk Management Authority shall be set aside in the Insurance Reserve Fund (Fund 1090) to cover potential costs not covered by the City’s insurance programs, such as claim costs within the City’s deductibles, self-insured retentions and/or major costs associated with disasters and other events which will not be reimbursable from insurance or from the Federal or State government. The balance of the 10% Emergency Reserve shall be reserved for in the City’s General Fund (Fund 1020) and may be appropriated by the City Council to provide for Natural Disaster expenditures of epic proportion, such as an 8.0 Earthquake or 200-Year Flood Event.
 - iv. Any appropriation of these Budget Stabilization Reserves below the 30% minimum shall be accompanied by findings articulating the need for the use of the reserves and a plan for the replenishment of the reserves within a reasonable time period.

- b. **Future Capital Project Reserves.** The Council may designate specific fund balance levels for future development of capital projects that it has determined to be in the best long-term interests of the City.
 - c. **Accounting Designations and Legal Reserves.** In addition to the designations noted above, fund balance levels shall be sufficient to meet funding requirements for projects approved in prior years, which are carried forward into the new year; debt service reserve requirements; reserves for encumbrances; and other reserves or designations required by contractual obligations, state law, or generally accepted accounting principles.
 - d. **Undesignated and Unrestricted Reserves.** These reserves shall be established and maintained as repository accounts for all funds not otherwise mandated above.
 - i. The City Council shall appropriate these reserves to fund emergency expenditures, capital improvement projects or non-recurring expenditures.
 - ii. The minimum for these reserves shall be established by the City Council during the adoption of the fiscal budget.
 - iii. During times of economic downturn, these reserves shall be used to offset lost revenue prior to the use of the Revenue Stabilization Reserve, if sufficient Undesignated and Unrestricted Reserve funds are available.
 - e. **Funding of Reserves.** The funding shall come generally from one-time revenues, excess fund balance and projected revenues in excess of projected expenditures. When available, each fund shall be replenished in the following priority order unless otherwise designated by the Council:
 - i. Accounting Designations and Legal Reserves
 - ii. Budget Stabilization Reserve
 - iii. Future Capital Project Reserves
 - iv. Undesignated and Unrestricted Reserves
2. **Council Action Required.** Appropriation or use of funds from any of these reserves or any variance from the stipulations established within this policy shall require an action of the City Council. The Council action shall be accompanied by the following:
- i. A statement of findings supporting the appropriation of reserves or modification to the policy.
 - ii. A plan for replenishing the reserve within a reasonable time period when the appropriation causes a reserve to fall below minimum funding levels.

RESOLUTION NO. 16-185

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MADERA, CALIFORNIA, APPROVING
AND ADOPTING THE CITY OF MADERA GENERAL FUND BALANCE RESERVE POLICY**

WHEREAS, staff has identified the need to develop a responsible and reasonable fiscal reserve policy for the City of Madera to reduce the risk to the City when faced with financial hardships resulting from unforeseen changes in revenue and/or expenditures, emergencies such as expenditures related to natural disasters of epic proportion where those expenditures are not reimbursable from insurance or Federal or State government; and

WHEREAS, staff established four main types of reserves including: Budget Stabilization Reserves, Future Capital Project Reserves, Accounting Designations and Legal Reserves, and Undesignated and Unrestricted Reserves; and

WHEREAS, staff recommends within the Budget Stabilization Reserves, three sub-categories with reserve amounts as follows: Cash Flow Reserve of 15% of the General Fund's annual operating budget, Revenue Stabilization Reserve of 5% of the General Fund's annual operating budget, and Emergency Reserves of 10% of the General Fund's annual operating budget; and

WHEREAS, funding of the reserves shall generally come from one-time revenues, excess fund balance, and projected revenues in excess of projected expenditures; and the priority order of funding the various reserves is outlined in the policy; and

WHEREAS, appropriations or use of funds from any of the reserves or any variance from stipulations within the policy shall require an action of the Council.

NOW THEREFORE, THE COUNCIL OF THE CITY OF MADERA DOES HEREBY resolve, find and order as follows:

1. The above recitals are true and correct.
2. The proposed City of Madera General Fund Balance Reserve Policy is approved and adopted.
3. The City Clerk is authorized and directed to forward a certified copy of the resolution to the Director of Financial Services, who is authorized to take such action as necessary to implement the terms of this resolution.
4. The resolution is effective immediately upon adoption.

PASSED AND ADOPTED by the City Council of the City of Madera this 16th day of November, 2016 by the following vote:

Glossary

Accounts Payable: Accounts that are owed to suppliers (trade creditors), as distinguished from accrued interest, rent, salaries, taxes, and other such accounts.

Acquisition: Taking possession of an asset by purchase.

Allocation: An authorization to incur expense or obligation up to a specified amount, for a specific purpose, and within a specific period.

Ancillary: Less important or central than something else.

Appropriation: Distribution of net income to two or more accounts. Authorization, or funding restricting expenditure to designated purpose(s); within a specified timeframe. Money set aside by formal action for a specific use.

Benefits: Payment to which participants may be entitled under a pension plan including pension benefits, death benefits, and benefits due on termination of employment.

Bonds: A written and signed promise to pay a certain sum of money on a certain date, or on fulfillment of a specified condition. All documented contracts and loan agreements are bonds.

Budget: A statement of the financial position of an administration for a definite period of time, based on estimates of expenditures during the period, and proposals for financing them. A plan for the coordination of resources and expenditures. The amount of money that is available for, required for, or assigned to, a particular purpose.

Capital Outlay: Money spent to acquire, maintain, repair, or upgrade capital assets. Capital assets, also known as fixed assets, may include machinery, land, facilities, or other business necessities that are not expended during normal use. Capital outlays, also referred to as capital expenditures, are recorded by accountants as liabilities on company balance sheets.

Capital Projects: Long-term investment project requiring relatively large sums to acquire, develop, improve, and/or maintain a capital asset (such as land, buildings, dykes, roads, etc).

Catalyst: A person or thing that precipitates an event.

Cost: An amount that has to be paid or given up in order to get something. In business, cost is usually a monetary valuation of effort, material, resources, time and utilities consumed, risks incurred, and opportunity forgone in production and delivery of a good or service.

Debt: A duty or obligation to pay money, deliver goods, or render service under an express or implied agreement. One who owes, is a debtor or debitor, one to whom is owed, is a debtee, creditor, or lender.

Debt Service: Payment of principal and interest due on an existing debt.

Deficit: Excess of expenses over income, or liabilities over assets.

Glossary

Department: Specialized functional area within an organization or a division, such as utility billing, sewer, police. Generally every department has its own manager and chain of command.

Depreciation: The gradual conversion of the cost of a tangible capital asset or fixed asset into an operational expense (called depreciation expense) over the asset's estimated useful life. The decline in the market value of an asset.

Enterprise: A business or company.

Enterprise Resource: An economic or productive factor required to accomplish an activity, or as a means to undertake an enterprise and achieve desired outcome. Three most basic enterprise resources are land, labor, and capital; other enterprise resources include energy, entrepreneurship, information, expertise, management and time.

Expenditures: Payment of cash or cash-equivalent for goods or services, or a charge against available funds in settlement of an obligation as evidenced by invoice, receipt, voucher, or other such document.

Fiduciary: Person or legal entity (firm, bank, credit union) holding assets (cash, property, securities) or information as an agent-in-trust for a principal (stockholder, customer, member). A fiduciary owes (among other obligations) the duty of loyalty, full disclosure, obedience, diligence, and of accounting for all monies handed over, to the principal.

Fiscal Year: Alternative term for financial year. An accounting period of 12 months.

Fund: Sum of money set aside and earmarked for a specified purpose. Accounting entity (similar to a bank account) for recording expenditures and revenues associated with a specific activity. To finance or underwrite a business, program, or project.

General Ledger: Central repository of the accounting information of an organization in which the summaries of all financial transactions (culled from subsidiary ledgers) during an accounting period are recorded. Also called the book of final entry, it provides the entire data for preparing financial statements for the organization.

Internal Service Funds: The Internal Service Fund is used to finance and account for activities involved in rendering services to departments within the City. Costs of materials and services used are accumulated in these funds and charged to the user departments as such goods are delivered or services rendered.

Labor Markets: The nominal market in which workers find paying work, employers find willing workers, and wage rates are determined.

Levy: Impose or collect an amount (such as tax) by compulsion or legal authority. Appropriation or seizure of a debtor's specific assets or property through a lawful process, or in satisfaction of a judgment, for the payment of a debt or claim.

Glossary

Liquidity: A measure of the extent to which a person or organization has cash to meet immediate and short-term obligations, or assets that can be quickly converted to this. The ability of current assets to meet current liabilities.

NIMBY: A person who objects to the siting of something perceived as unpleasant or potentially dangerous in their own neighborhood, such as a landfill or hazardous waste facility, especially while raising no such objections to similar developments elsewhere.

Ordinance: Decree or law promulgated by a state or national government without the consent of the legislature, such as for raising revenue through new taxes or mobilization of resources during an emergency or threat.

Overhead: Resource consumed or lost in completing a process that does not contribute directly to the end-product. Also called burden cost. A cost or expense (such as for administration, insurance, rent, and utility charges) that relates to the company as a whole, does not become an integral part of a good or service (unlike raw material or direct labor), and cannot be applied or traced to any specific unit of output. Overheads are indirect costs.

Payroll: Total amount required to pay workers and employees during a week, month or other period. Pay sheet which records wage rates, deductions, and net pay.

Project: Planned set of interrelated tasks to be executed over a fixed period and within certain cost and other limitations.

Quorum: Fixed minimum number of eligible members or stockholders (shareholders) who must be present (physically or by proxy) at a meeting before any official business may be transacted or a decision taken therein becomes legally binding. Usually the articles of association or bylaws of a firm specify this number; otherwise the number prescribed in corporate legislation (such as company law) is followed.

Revenue: The income generated from sale of goods or services, or any other use of capital or assets, associated with the main operations of an organization before any costs or expenses are deducted. Revenue is shown usually as the top item in an income (profit and loss) statement from which all charges, costs, and expenses are subtracted to arrive at net income.

Status Quo: Current or existing state of affairs. Latin for, state in which.

Statutory: Prescribed, enforceable, and punishable under an act of parliament.

Surplus: Extent to which generation of goods, services, and resources (such as capital) exceeds their consumption. Surplus of resources is the bedrock on which capitalism is built.

Tenet: A principle, belief, or doctrine generally held to be true; especially one held in common by members of an organization, movement, or profession.

RESOLUTION NO. 18-126

RESOLUTION OF THE COUNCIL OF THE CITY OF MADERA
ADOPTING THE BUDGET OF THE CITY OF MADERA FOR
THE FISCAL YEAR JULY 1, 2018 THROUGH JUNE 30, 2019 IN THE
AMOUNT OF \$93,076,188, THE FIVE YEAR CAPITAL IMPROVEMENT
PROGRAM, THE MASTER PENALTY SCHEDULE AND UPDATING
THE MASTER FEE SCHEDULE

WHEREAS, City staff has prepared the proposed budget in proper form for all funds for which a budget is required; and

WHEREAS, the Proposed Budget along with all supporting schedules and data have been available for public inspection in the office of the Financial Services Director; and

WHEREAS, the 5 Year Capital Improvement Program (CIP) covering the period through Fiscal Year 2022/2023 is attached to the Proposed Budget and has been made available for public inspection in the office of the Financial Services Director; and

WHEREAS, on June 5, 2018 the City Council held a duly noticed budget review session to receive public comment and ascertain the facts regarding the proposed budget with modification; and

WHEREAS, all statutory and legal requirements for the final adoption of said budget have been completed; and

WHEREAS, it is the intention of the Council to adopt the said budget as modified and amended by the Council of the City of Madera as the Annual Budget for the Fiscal Year 2018-19.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF MADERA AS FOLLOWS:

1. The above recitals are true and correct.

2. The City of Madera budget in the amount of \$93,076,188 as set forth in the attached Exhibit "A" including budgets for capital improvements, is hereby adopted for the Fiscal Year beginning July 1, 2018 and ending June 30, 2019.
3. Transfer of appropriated budget authority from one line account to another within a department may be done upon approval of the City Administrator.
4. Transfer of budget authority between departments of the general fund or between funds will be done by minute order of the City Council if less than \$25,000 and by resolution if greater than \$25,000.
5. Authority is given to the Financial Services Director to adjust the budget for all monies received by the City not included in this budget up to \$5,000 per incident without a budget resolution. A report will be given to the Council on a quarterly basis regarding any such activity.
6. All outstanding encumbrances as of June 30, 2018 approved by the City Administrator shall be continued and re-appropriated for expenditure into the 2018-19 Fiscal Year.
7. The unencumbered balance for all Capital Improvement Project accounts, which are duly approved as of or before June 30, 2018 shall be continued and re-appropriated for expenditure in the 2018-19 Fiscal Year.
8. Except as monetary appropriations may be affected by intra-fund transfers within the general fund or other funds as herein above provided, no appropriations set forth in said budget shall be cancelled in whole or in part except by resolution adopted by a majority vote of all members of the City Council.
9. Expenditures made, liabilities incurred, or warrants issued in excess of budget appropriations as originally approved or as thereafter increased or decreased, shall not constitute an obligation or liability of the City of Madera. The City Administrator and the City Council shall approve no claims and the Financial Services Director shall issue no warrants or checks for any expenditure in excess of existing appropriations except upon an order of the court of competent jurisdiction, or in cases of emergency as specified and in accordance with the procedures established in the Government Code of California.

10. The Master Fee Schedule as amended for the Fiscal Year ending June 30, 2019, which is attached as Exhibit "B" and incorporated by reference, is adopted.
11. The Master Penalty Schedule as amended for the Fiscal Year ending June 30, 2019, which is attached as Exhibit "C" and incorporated by reference, is adopted.
12. The Capital Improvement Program covering the period through Fiscal Year 2022-23 is consistent with the Madera General Plan.
13. The Capital Improvement Program covering the period through Fiscal Year 2022-23, a copy of which is on file with the Madera City Engineer, 205 W. 4th Street, Madera, is hereby adopted.
14. This resolution shall be effective immediately upon adoption.

PASSED AND ADOPTED by the City Council of the City of Madera this 5th day of July, 2018 by the following vote:

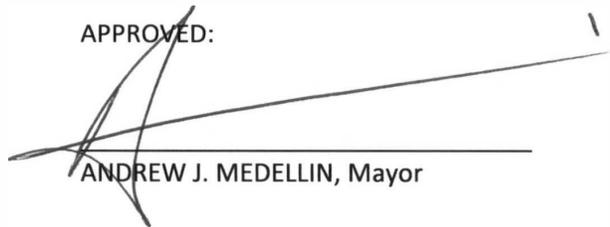

AYES: Mayor Medellin, Council Members Rodriguez, Foley Gallegos, Oliver, Robinson, Rigby, Holley.

NOES: None.

ABSTENTIONS: None.

ABSENT: None.

City of Madera Capital Improvement Plan (CIP)

Fiscal Years 2018-19 to 2022-23

Capital Improvement Plan Fiscal Years 2018-19 to 2022-23

As part of the City of Madera's budget funding for the Capital Improvement Plan (CIP), the five-year plan is prepared and organized by staff from the Engineering Department, and presented to the Planning Commission for conformity.

The following criteria were followed in creating the CIP:

1. Projects represent Improvements, Studies or Tasks that may advance a physical development
2. Projects cycle through five (5) year timeframe
3. Projects budget a minimum of \$5,000

The Plan is composed of departmental needs that focus on city objectives and fiscal capacity, a coordination of efforts to increase efficiencies, and as an information source for the public.

Projects included in the CIP involve the Airport, Community Development, Engineering, Parks and Community Services, Water, Sewer and Drainage (Public Works), Transit, Fire Safety and Successor Agency Departments within the city.

The CIP is a progressive and continuous plan that is updated annually and presented to Council for input, direction and approval. The CIP is a useful planning tool to match projects with programmed funds and ultimately, be included in the annual budget proposals.

The Engineering Division enters the information needed to generate the attached report utilizing software program, Plan-It.

AIP-0028 T-Hangar Development Phase 1	Project Number:	AIP-0028
--	------------------------	-----------------

Project Cost: \$730,000	Project Manager: John Scarborough	
Category: Airport	Phase: DESIGN	

Description: Construct pavement and infrastructure appurtances to support new Tee hangars.
Collector Taxiway (35' x 355')
Tee Hangar Taxiway (25' x 1,015')

Justification: Construction of additional taxiway and apron to facilitate the development of additional Tee hangars to accommodate additional aircraft at the airport.

Expenditures	'18/'19	'19/'20	'20/'21	'21/'22	'22/'23	Total

Airport

AIP-0037 AGIS Survey & Obstruction Mitigation	Project Number:	AIP-0037
--	------------------------	-----------------

Project Cost: \$405,000	Project Manager: John Scarborough
Category: Airport	Phase:

Description: Conduct an AGIS Survey and Obstruction Mitigation Plan.

Justification: FAA has identified potential obstructions located near the airport and has requested an AGIS Survey and obstruction mitigation plan be completed in order to determine the validity of the obstructions and potential mitigation.

Expenditures	'18/'19	'19/'20	'20/'21	'21/'22	'22/'23	Total

Community Development

CD-00001 City Hall Relocation & Expansion	Project Number:	CD-00001
--	------------------------	-----------------

Project Cost: \$19,883,000	Project Manager: David Merchen
Category: Buildings	Phase:

Description: Relocation and expansion of City Hall to accommodate medium-to long term projected growth.

5.4 Acres of Land for Buildings and Parking
 53,000 Square Feet of Building Area
 Fixtures, Furniture & Equipment

The relocation and expansion of City Hall will occur in conjunction with community growth as demands for service exceed the capacity of existing facilities.

Justification: Additional City Hall space is required to accommodate medium to long-term projected growth.

S-000012 Schnoor Ave Trunk Sewer Rehab	Project Number:	S-000012
---	------------------------	-----------------

Project Cost: \$1,713,000	Project Manager: Ellen Bitter	
Category: Sewer	Phase: DESIGN	

Description: Rehabilitate the Schnoor Ave. Trunk Sewer System beginning at sewage pump station on Cleveland Avenue and going south, crossing the Fresno River, and ending at 4th Street. Technical memo prepared October 2013 by Akel Engineering in conjunction with Master Plan Update presented as Appendix D contains detailed information and recommendations. NOTE: Segment across river has not been evaluated. 4th Street to Industrial completed in 2016.

Justification: Extend useful life of sewer trunk main.

S-000995 Road 28 Sewer Loan Repayment **Project Number: S-000995**

Project Cost: \$572,676 **Project Manager:** Keith Helmuth
Category: Reimbursements **Phase:** N/A

Description: Reimburse the sewer fund for construction of Road 28 Interceptor. Expenditures include \$57,380 (Resolution 99-203) for engineering and \$507,296 (Resolution 00-243) for construction for a total cost of \$564,676. Collection of Road 28 Sewer Interceptor DIF will continue until balance of loan is repaid.

Justification: Sewer funds used to construct the Road 28 Interceptor were taken as a loan. They must be repaid.

S-000996 Southeast Quad Sewer Improvement **Project Number: S-000996**

Project Cost: \$464,400 **Project Manager:** Keith Helmuth
Category: Reimbursements **Phase:** N/A

Description: Construct sewer improvements within the Southeast quadrant in response to need and as identified in the Sewer Master Plan for that Area and/or reimburse developers for those same improvements if constructed as part of a development project.

Partial list includes: Road 28 1/2 (13 3/4 to 15 -15") - \$211,200; Tozer Street (Storey to Ave 15 -12") - \$71,250, Ave 15 (Rd 28 1/2 to Rd 28 -15") - \$76,000, Road 28 (Ave 15 to Ave 14 1/2 - 18") - \$99,750

Justification: Planned growth in this quadrant of the City requires construction of various sewer improvements as are identified in the Sewer Master Plan.

S-VI-002 Sewer Main Video Inspection	Project Number:	S-VI-002
---	------------------------	-----------------

Project Cost: \$1,268,446	Project Manager: Ellen Bitter
Category: Administrative	Phase:

Description: Retain a consultant(s) to conduct sewer main video inspection and condition assessment for existing sewer system facilities to include inventory of age, size, type, condition, etc; non-destructive testing; GIS integration; computer analysis; rehab and replacement strategies; prioritization; cost estimates and support. Funded through the rate increase.

Justification: A condition assessment including development of an asset management program is needed to properly prioritize, schedule and justify funding expenditures for rehabilitation and replacement to extend the life of the system and prevent breaks that could disrupt service and/or cause significant damage.

W-000003 Water Main Upgrades - Locations 1-12 **Project Number: W-000003**

Project Cost: \$850,000 **Project Manager:** Ellen Bitter
Category: Water **Phase:** DESIGN

Description: Replace undersize 4" pipes with larger PVC to include valves & appurtenances at the following locations:
 Oak Street - Pine to Cypress
 Olive Ave. - P to Q Street
 P Street - 4th to 5th
 O/P Alley - 6th to Olive
 10th - D to UPRR
 12th - E to D Alley
 14th - D to Olive
 5th - Gateway to G
 2nd - C to E
 B St.- Central to River
 6th - Lake St. to Vineyard

Justification: Undersize pipes need to be upgraded to provide sufficient supply of potable water. These need to be re-evaluated as have carried over for many years.

W-000026 Water Tower Demolition **Project Number: W-000026**

Project Cost: \$300,000 **Project Manager:** Jimmy Monreal
Category: Water **Phase:**

Description: Remove existing water tower located at the Frank Bergon Senior Center (238 S. "D" Street) and perform environmental remediation of the dismantled pieces for proper disposal.

Justification: The expense of restoring the water tower structurally and environmentally has been estimated by the Public Works Department to be in a ballpark area of \$1,000,000 - well over the estimated removal costs. These funds do not presently exist which would leave the current safety concerns in place until such fund could be secured, if ever.

W-PNE-04 Lake St Water Main-Ellis to Ave 17 **Project Number: W-PNE-04**

Project Cost: \$700,000 **Project Manager:** Ellen Bitter
Category: Water **Phase:** DESIGN

Description: Construct 24-inch water line in Lake Street conjunction with a 6.75 million gallon tank at or near Avenue 17 and Road 27

Justification: Near Term - . Tank and pump offset impacts of drought conditions when municipal wells exhibit reduced capacity during peak hours. Pipe is necessary to convey flow to and from tank
 Long Term - Provide storage on east side of city given majority of pumping is proposed to occur on the west side of the City per the Water System Master Plan.

W-000033 Residential AMR Water Meter Replacements	Project Number:	W-000033
--	------------------------	-----------------

Project Cost: \$2,560,000	Project Manager: Ellen Bitter
Category: Water	Phase:

Description: Replacement of approximately 4,000 residential meters that were retrofit to read to the automatic read system during initial installation project.

Justification: The meters that were existing are at least 20 years old and were retro fit in order to enable them to read to the automatic read system during the initial AMR project in 2008/2009. These meters are beginning to fail and are currently being replaced as needed.
