

REPORT TO CITY COUNCIL

Approved by:

Department Director

City Manager

Council Meeting of: July 03, 2019

Agenda Number: C-3

SUBJECT:

Public Hearing and Consideration of a Resolution Adopting the City of Madera Budget and Capital Improvement Program for Fiscal Year 2019/2020

RECOMMENDATION:

Staff recommends that the City Council (Council) conduct a public hearing and adopt the Resolution approving the budget for Fiscal Year (FY) 2019/2020, including the Five-Year Capital Improvement Program (CIP).

DISCUSSION:

Attached for Council consideration is the Preliminary FY 2019/2020 Budget and CIP. Council may recall that as part of the City's budget process, staff conducted several workshops pertaining to the City's Budget. More specifically, Council held workshops on:

- April 4, 2019 to discuss the Draft CIP for FY 2019/2020 to FY 2023/2024
- May 29, 2019 to discuss the General and Enterprise Funds
- June 12, 2019 to discuss the Special Revenue and Internal Service Funds
- June 26, 2019 to present the Preliminary City of Madera Budget

The workshops were intended to provide Council and the community with a preliminary overview of the different types of funds, revenue sources, and expenditures that collectively comprise the City's Budget.

In addition, prior to the three workshops, the City retained Bill Statler to help identify areas for improving the budget process. As part of Mr. Statler's review, he recommended that the City separate capital projects from the General Fund and that staff should revisit its methodology for budgeting vacant positions. Mr. Statler presented his findings to the Council on April 17, 2019.

In preparation of the proposed budget, staff incorporated comments received from the workshops and Mr. Statler.

SUMMARY OF PROPOSED BUDGET:

Staff is proposing a balanced operating budget for FY 2019/2020, where projected operational revenues will pay for projected operational expenses. Operational costs are the day-to-day expenses incurred as a normal cost of doing business (e.g. salaries, benefits, utilities, supplies, equipment, contractual services, and similar costs). The following is a summary of the budget.

GENERAL FUND & MEASURE K

General Fund:

The General Fund is comprised of various funding sources. In short, more than 170 revenue line items contribute to the General Fund. The following 11 major revenue sources account for nearly 77 percent of the General Fund:

- Sales & Use Taxes
- Engineering Fees
- Building Permits
- Cable Utility Franchise Tax
- Property Tax
- Interfund Charges
- Transient Occupancy Tax
- Grants
- Secured Property Tax
- Police Fees
- Business License Tax

Measure K:

Measure K is a Sales Tax adopted by the residents of Madera to support Public Safety. The revenue generated by this ½ cent sales tax is split equally between the Police and Fire Departments. Measure K revenue is used for both operations and capital improvements.

The following table identifies the proposed General Fund operating budget and Measure K.

<i>Description</i>	<i>Projected Revenue</i>	<i>Proposed Expenditures</i>
<i>General Fund</i>	\$31,602,253	\$31,415,757
<i>Measure K</i>	\$4,935,621	\$3,341,267

ENTERPRISE FUNDS

Enterprise funds are municipal services that are funded through fees charged partly or wholly to cover the costs of the services provided. Enterprise activities are roughly analogous to a private sector business, however are not run for profit. The fees collected must be used on operating and/or capital expenditures directly related to the enterprise for which they were collected, such as water, sewer, or street sweeping. Table 2 provides a summary of the funds.

Table 2: Enterprise Funds for FY 19/20 (Operating & Capital)

Description	Projected Revenue	Proposed Expenditures
Water Fund	\$12,537,026	\$14,590,553
Sewer Fund	\$10,913,951	\$9,671,082
Airport Fund	\$776,130	\$769,544
Golf Course ⁽¹⁾	\$394,151	\$394,151
Transit (DAR) ⁽²⁾	\$1,228,668	\$1,205,402
Transit (fixed) ⁽³⁾	\$1,901,589	\$1,284,163
Drainage	\$841,150	\$876,718
Solid Waste	\$5,853,113	\$6,811,461
Total:	\$34,445,778	35,603,074
⁽¹⁾ Includes a General Fund transfer in of \$296,851		
⁽²⁾ DAR: Dial-A-Ride		
⁽³⁾ Fixed: A fixed bus route is a bus that travels on a designated route		

OVERALL BUDGET

Overall, the City's projected budget for FY 2019/2020 is roughly \$88 million, with projected revenues at approximately \$90 million. This includes the General Fund, Measure K, Enterprise Funds, Special Revenue Funds, and Internal Service Funds. The difference between projected revenue and proposed expenditures may be attributed to Capital Improvement projects in the Enterprise Fund that often overlap several fiscal years given their magnitude (e.g. the water storage facility). As a result, it is often necessary to save funds over numerous fiscal years, whereas they may be expended in a single year.

KEY ASSUMPTIONS

While staff is proposing a balanced budget, it is imperative to highlight key assumptions and changes to methodology:

1. Revenues:

- a. Retail Sales & Use Taxes: MuniServices, the City's consultant, is projecting a decrease of 2 percent for FY 2019/2020 over current year actual Sales & Use Tax revenues
- b. Transient Occupancy Tax (hotel tax): Projected to be \$800k
- c. Property tax in-lieu (c. 2004): Projected to generate \$6 million
- d. Property tax: Projected to increase by \$260k to \$3.7 million
- e. Golf course revenue was projected based on current trends
- f. Business license revenue: \$450k
- g. Cable franchise tax: \$325k
- h. Electric franchise tax: \$360k

2. Capital Projects:

Staff is recommending removing capital expenditures within the General Fund operating budget and will instead categorize them as one-time expenditures from fund balance.

Capital Improvements are one-time expenditures for improvements, such as parks, streets, land, buildings, etc. By their nature, Capital Improvements often overlap fiscal years. As a result, separate accounts will be created commencing in FY 2019/2020, minimizing spikes in the budget caused by projects that may span multiple fiscal years, but receive the majority of their funding in a single year.

3. Staffing:

- a. Vacant positions: There are 28 vacant full-time positions in the City, although there are numerous ongoing recruitments. Of the 28 positions, 17 are budgeted at 100 percent in the proposed budget based on the current recruitment/hiring status. The remaining vacant positions were closely examined, and budget allocations were based on the likelihood the positions are filled. For example, if a recruitment has not yet begun, the position may have been budgeted for 75 percent of the year versus budgeting the position at 100 percent given that the employee would not commence at the beginning of the budget year.
- b. Health Care: Historically, staff budgeted vacant positions at family medical coverage. As part of this budget, vacant positions are being budgeted at the expectation of an employee plus spouse health care coverage. This led to a decrease in assumed expenses.

4. Measure K:

Since the inception of the account, funds for Police and Fire were accounted for in a single account. Under direction from the City Manager, these funds have been separated into individual funds. Any unassigned revenue will remain in the fund balance per Department until appropriated by Council. In addition, staff is proposing to:

- a. Hire and purchase equipment for up to seven new fire fighters to be housed at Fire Station 58.
- b. Allocate funds for Operations and Maintenance for Fire Station 58.
- c. Establish a fire engine/truck replacement fund. Staff is proposing to allocate \$200,000 per year towards future replacement needs.
- d. Establish a fund reserve account similar to the City's General Fund Reserve of 30 percent. Staff is recommending \$130,000 per each department for FY 2019/20.
- e. Repave the parking lot at Fire Station 57.

BUDGET SUMMARY:

By clearly identifying the City's operating expenses without capital and refining the budgeting of vacant positions, staff is pleased to present a balanced General Fund budget. More detailed information regarding the budget may be found in the proposed budget document in the *City Manager's Budget Message*.

FINANCIAL IMPACT:

The fiscal impact to the General Fund is highlighted in Table 1, whereas the impact to the Enterprise Funds are identified in Table 2 of this report.

CONSISTENCY WITH THE VISION MADERA 2025 PLAN: Approval of this item is consistent with Strategy 115 of the Vision Plan – Economic Resource Provision: Ensure sufficient economic resources to provide adequate City services and prepare for future growth.

ALTERNATIVES: Direct staff to amend the proposed budget for consideration by Council.

ATTACHMENTS:

1. Resolution approving the proposed Fiscal Year 2019/2020 Operating Budget and Capital Improvement Program
2. Exhibit A – Schedule of Revenues and Expenditures
3. Preliminary 2019/2020 Budget
4. Capital Improvement Program

RESOLUTION NO. 19-_____

**RESOLUTION OF THE COUNCIL OF THE CITY OF MADERA
ADOPTING THE BUDGET OF THE CITY OF MADERA FOR THE
FISCAL YEAR JULY 1, 2019 THROUGH JUNE 30, 2020 IN THE
AMOUNT OF \$87,819,817 AND THE FIVE-YEAR CAPITAL
IMPROVEMENT PROGRAM**

WHEREAS, City staff has prepared the proposed budget in proper form for all funds for which a budget is required; and

WHEREAS, the City Council (Council) held a special workshop on April 4, 2019 to review the draft five-year Capital Improvement Program (CIP) covering the period through Fiscal Year 2023/2024; and

WHEREAS, at the special workshop on April 4, 2019, the Council reviewed and discussed projects proposed in the FY 2019/2020 CIP; and

WHEREAS, the Council held a special workshop on May 29, 2019 to discuss the General Fund and Enterprise Fund; and

WHEREAS, the Council held a special workshop on June 12, 2019 to discuss the Special Revenue Fund and Internal Service Funds; and

WHEREAS, the Proposed Budget along with all supporting schedules and data have been available for public inspection in the office of the Financial Services Director; and

WHEREAS, the five-year CIP covering the period through Fiscal Year 2023/2024 is attached to the Proposed Budget and has been made available for public inspection in the office of the Financial Services Director; and

WHEREAS, on June 26, 2019 the Council held a duly noticed budget review session to receive public comment and ascertain the facts regarding the proposed budget and the CIP; and

WHEREAS, all statutory and legal requirements for the final adoption of said budget have been completed; and

WHEREAS, it is the intention of the Council to adopt the said budget Fiscal Year 2019/2020.

NOW, THEREFORE, THE COUNCIL OF THE CITY OF MADERA hereby resolves, finds, determines and orders as follows:

1. The above recitals are true and correct.

2. The City of Madera budget in the amount of \$87,819,817 as set forth in the attached Exhibit "A" including budgets for capital improvements, is hereby adopted for the Fiscal Year beginning July 1, 2019 and ending June 30, 2020.
3. Transfer of appropriated budget authority from one-line account to another within a department may be done upon approval of the City Manager.
4. Transfer of budget authority between departments of the General Fund or between funds will be done by minute order of the Council if less than \$25,000 and by resolution if greater than \$25,000. Transfer of appropriated budget authority between capital outlay accounts in one fund to capital outlay accounts in the corresponding capital outlay fund or from Special Revenue funds to capital outlay funds as presented in the CIP budget regarding project funding may be done upon approval of the City Manager.
5. Authority is given to the Financial Services Director to adjust the budget for all monies received by the City not included in this budget up to \$5,000 per incident without a budget resolution. A report will be given to the Council on a quarterly basis regarding any such activity.
6. All outstanding encumbrances as of June 30, 2019 approved by the City Manager shall be continued and re-appropriated for expenditure into the 2019-20 Fiscal Year.
7. The unencumbered balance for all Capital Improvement Project accounts, which are duly approved as of or before June 30, 2019 shall be continued and re-appropriated for expenditure in the 2019-20 Fiscal Year.
8. Except as monetary appropriations may be affected by intra-fund transfers within the General Fund or other funds as herein above provided, no appropriations set forth in said budget shall be cancelled in whole or in part except by resolution adopted by a majority vote of all members of the City Council.
9. Expenditures made, liabilities incurred, or warrants issued in excess of budget appropriations as originally approved or as thereafter increased or decreased, shall not constitute an obligation or liability of the City of Madera. The City Manager and the City Council shall approve no claims and the Financial Services Director shall issue no warrants or checks for any expenditure in excess of existing appropriations except upon an order of the court of competent jurisdiction, or in cases of emergency as specified and in accordance with the procedures established in the Government Code of California.
10. The CIP covering the period through Fiscal Year 2023-24 is consistent with the Madera General Plan.
11. The CIP covering the period through Fiscal Year 2023-24, a copy of which is on file with the Madera City Engineer, 205 W. 4th Street, Madera, is hereby adopted.
12. This resolution shall be effective immediately upon adoption.

Dear City Council:

On behalf of City staff, it is my pleasure to present the Fiscal Year (FY) 2019/2020 budget, my first as City Manager. The City's budget document is one of the single most important expressions of a municipality's core mission, City Council policy priorities and, ultimately, the community's vision. With this in mind, I challenged our team to examine our budget process, guiding policies, and spending priorities from a new perspective.

While Madera's fiscal position has improved since the recession, the City is not immune from stagnate revenue growth or increasing expenses. Deferred maintenance on City facilities and infrastructure, coupled with increasing operational and retirement costs, present challenges. While the City's General Fund budget is balanced for Fiscal Year 2019/2020, it does not address all of the City's long-term liabilities such as facility maintenance, new infrastructure, and pensions. Historically, deferred maintenance of the City's parks, playgrounds, senior centers, Fire Stations, City Hall, pools, Corporation yard, and other facilities has been underfunded. As a result, continuing to identify opportunities to reduce costs, increase revenue, updating service delivery plans, and forming new partnerships will be imperative moving forward.

These challenges, and our focus on delivering the most effective services where they have the greatest impact, are the impetus for our operating plan. Consequently, this budget is designed to:

- Ensure continuing excellent service and safety to our community
- Maintain fiscal balance in an evolving economy
- Shape the organizational culture to ensure a high-performing workforce operating in a rewarding

environment, making the City an employer of choice in the region

- Continue our commitment to keeping our neighborhoods safe
- Improve our service delivery, which includes a new Fire Station and transit facility, deploying our new ladder truck, revisiting our City Planning Process to ensure that it reflects contemporary permitting processes, and enhancing our digital City Hall to improve services to our community.

Presenting a Balanced Budget

I understand that a balanced budget is one of Council's highest priorities. In my review, each respective department, along with Finance Department staff and myself, have examined both projected revenues and proposed expenses. Each line item was reviewed, regardless of whether it was a request for \$500 or \$5,000. The result is a balanced budget where projected operational revenues equal anticipated projected operational expenses. Several items worth highlighting:

- The City is projecting a General Fund Operating Budget of \$31.4 million and a Measure K Operating Budget of \$3.3 million. Operational costs are the day-to-day expenses incurred as a normal cost of doing business (e.g. salaries, benefits, utilities, supplies, equipment, contracted services, and similar costs)
- The overall budget, inclusive of both operating and capital costs, for the City is projected at \$87.8 million in FY 2019/2020
- This budget reflects the operating and capital activities of 18 General and Enterprise Funds and 143 Special Revenue funds and approximately 260 full-time permanent and 85

Arnaldo Rodriguez
City Manager, City of Madera

part-time positions that provide the City's public safety, quality of life, infrastructure construction and maintenance, transportation and development-related services, and the internal governance services that support them

- The largest component of the budget is the General Fund
- The City's previous five budgets projected less revenue than anticipated expenses, thus they were referred to as deficit budgets.
- Measure K revenues and expenses will be tracked in separate accounts Unappropriated funds will remain in said accounts and may not be utilized unless designated by Council
- Capital Improvement Projects will be placed in separate accounts, apart from the General Fund
- 17 of the 28 vacant budgeted positions are proposed to be funded at 100 percent. The remaining 11 positions are proposed to be funded between 0 to 90 percent of the fiscal year. Funding at less than 100 percent was estimated based on the expected hire date for each respective position

Letter from the
City Manager

- Measure K is projected to generate nearly \$4.9 million for public safety
- Sales and use taxes are projected to generate \$8.4 million while property taxes are anticipated to be \$3.7 million

The Citywide budget includes a number of enterprise and special revenue funds that operate with adequate revenues to sustain necessary operating and capital needs; however, there are some that present structural deficits where ongoing revenues may not be sufficient to cover ongoing expenditures. In these situations, staff will be providing recommendations to Council in the normal course of business to address the operating deficits. Among the larger funds contributing to operations, the Water, Wastewater, and Drainage funds have sufficient revenue to cover operational and capital needs during the budget period. The Streets and Solid Waste Funds will need to be addressed.

Recalibrating Our Approach

Staff recognizes that profound technological and economic changes are reshaping our lives, affecting both the public and private sectors and rendering old ways of doing business and delivering services increasingly obsolete. While staff has made significant changes to the budget process, our long-established methods of making economic and operational projections will be challenged. Traditional revenue streams are growing at a slower rate due to changes in the economy; the City's Sales and Use Tax forecast is projected to decrease over 2 percent in comparison to year end for FY 2018/2019; pension costs are projected to increase to address unfunded public pension liabilities; and changes in customer's preferences impact our local economy.

As we continue to work in partnership with our community to deliver desired

service levels through effective business models, staff will continue to adjust its efforts as more efficient methods are identified. Though this budget funds the absolute musts, there simply is no silver bullet that can provide the level of funding necessary to accomplish everything. However, I am confident that in partnering with our community, service organizations, Council, and staff, we will capitalize on opportunities and mitigate challenges positioning the City to weather anticipated challenges on the horizon.

Finally, I would like to thank the City Council for your leadership. With your ongoing support, we can continue to provide excellent customer service as we strive to become the City of tomorrow and where community members are confident that their City is well-run, and their well-being is our top priority.

Respectfully submitted,

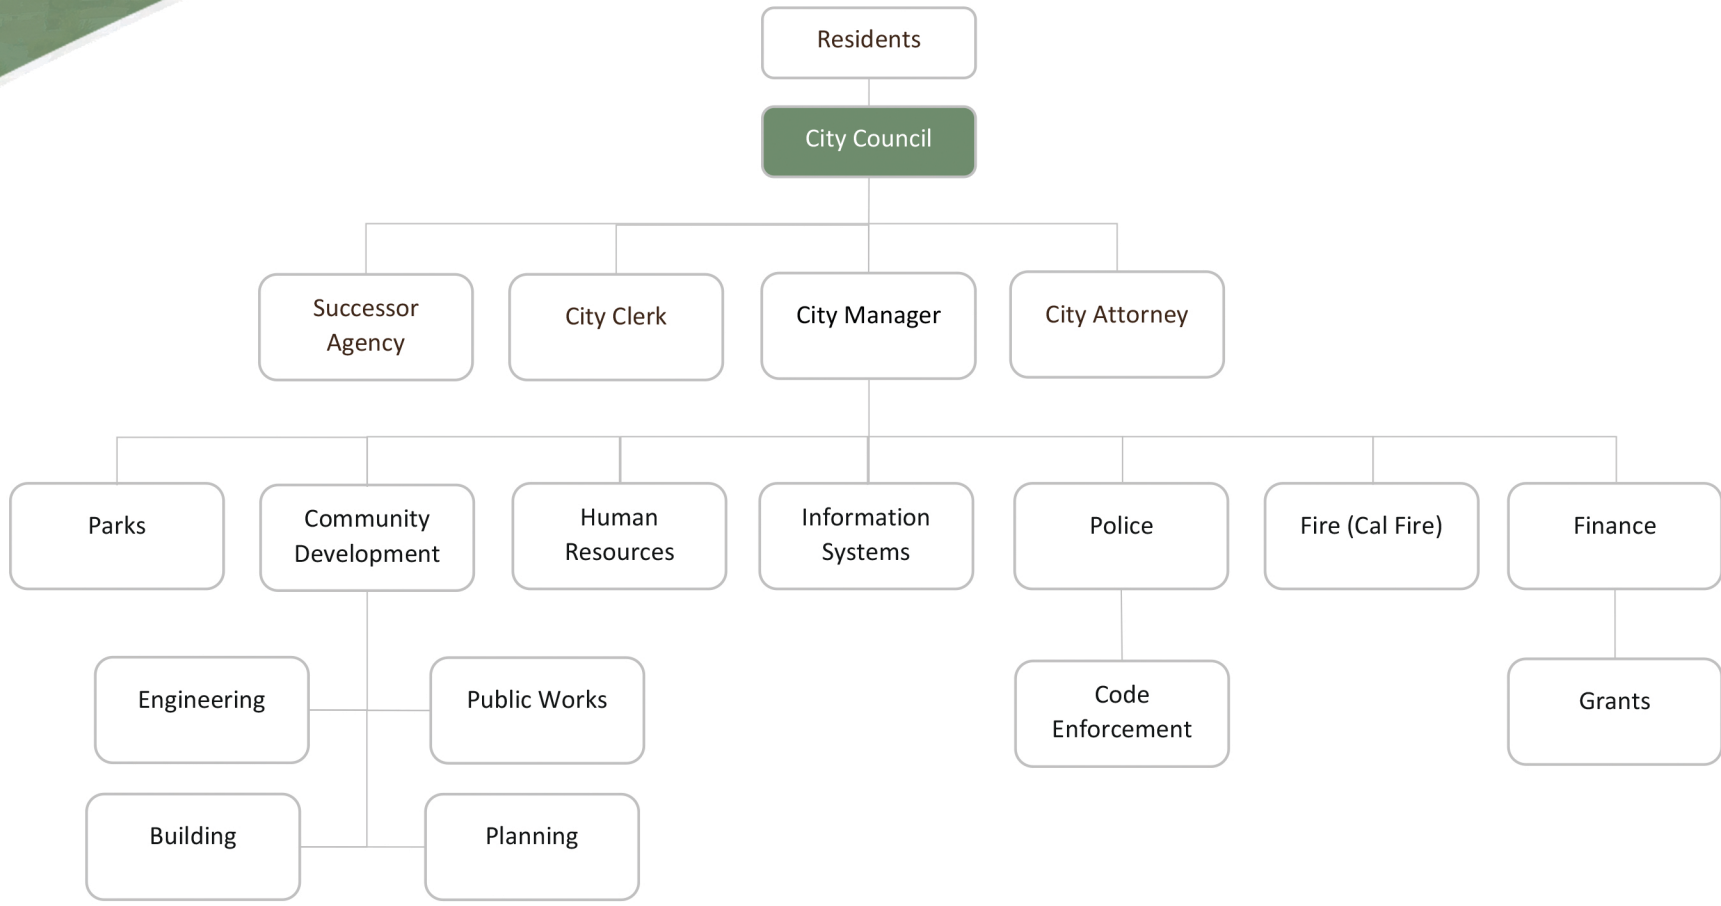

Arnoldo Rodriguez
City Manager

ABOUT MADERA

On or before December 31st of each year, each legislative body shall prepare an appointments list of all regular and ongoing boards, commissions, and committees which are appointed by the legislative body of the local agency. This list shall be known as the Local Appointments List. The list shall contain the following information: (a) A list of all appointive terms which will expire during the next calendar year, with the name of the incumbent appointee, the date of appointment, the date the term expires, and the necessary qualifications for the position, (b) A list of all boards, commissions, and committees whose members serve at the pleasure of the legislative body, and the necessary qualifications for each position.

The City of Madera encourages residents to apply for service on City Boards, Commissions and Committees that are currently vacant or that will have vacancies in 2019. To obtain an application or request additional information, please contact the City of Madera, Office of the City Clerk at (559) 661-5405; by visiting the City Clerk Department page at www.madera.gov; or by email at cityclerkinfo@madera.gov.

City Map

Located In
Madera County

School District
Madera Unified

Madera, California

The City of Madera is located in California's stunning Central Valley. Featuring a balanced climate that serves as the perfect host to some of the nation's finest agricultural operations, Madera is also within close proximity to cherished world treasures such as Yosemite National Park, the Sierra Nevada Mountain Range, and attractions that run along the Pacific coastline. Madera is the perfect combination of the best California has to offer.

Population
~65,700

Size
16.48 sq. miles

Avg. Median Income
\$48,210

Year Incorporated
1907

City Government

The City of Madera is a municipal government entity following the council-manager form of government. The City Council, the City's legislative body, defines the policy direction of the City. The City Manager oversees the day-to-day operations of the City.

Districts

The Madera City Council is the elected legislative body of the City of Madera. Members of the City Council are elected by district while the Mayor is elected at large. There are six Council districts. Members of the City Council, including the Mayor, serve four-year terms.

Budget Process

Department personnel begin projections

Department personnel are asked to update current year projections as well as proposed 19-20 amounts. Salary Projection Worksheets are also prepared at this time. This worksheet lists all City employees organized by department and calculates their total salary and wages for the next fiscal year.

Mid-year budget review

A mid-year budget review is performed by each department to determine if budgeted revenue and expenses are on target or need to be adjusted. Budget adjustments are summarized and presented to Council by the Financial Services Director. The Council then determines which adjustments will be adopted per resolution. The Engineering Department prepares a five-year Capital Improvement Plan and presents the draft to the Council at this time also.

Preliminary Enterprise fund review

The preliminary Enterprise fund budgets are presented to Council for review. These include budgets for Water, Sewer, Solid Waste and Storm Drainage.

Public input on spending priorities

A public hearing is held at a Council meeting regarding the Community Development Block Grant (CDBG). The public is encouraged to have a say regarding where monies will be allocated. Preliminary Internal Services (Fleet, Facilities Maintenance and Technology) and Special Revenue Fund budgets are presented to Council for review.

Preliminary budget to City Council

A budget workshop is held for the City Council and community. Budgets for all City funds are made available for review and discussion. The City Manager and Financial Services Director lead the presentation and department directors are available to discuss any specific budget items within their purview.

Final budget approval

The final budget is presented to the City Council and is adopted per resolution.

Key Budget Assumptions & Changes

While the FY 2019/2020 is a balanced budget, it is imperative to highlight key assumptions and changes in comparison to previous years budgets:

Revenues:

- Retail Sales & Use Taxes: MuniServices, the City's consultant, is projecting a decrease of 2 percent for FY 2019/2020 over current year actual Sales & Use Tax revenues
- Projected Retail Sales & Use Tax: \$8.4 million
- Measure K: projected revenue of \$4.9 million
- Transient Occupancy Tax (hotel tax): Projected revenue: \$800k
- Property tax in-lieu (c. 2004): Projected revenue \$6 million
- Property tax: Projected revenue is projected to increase by \$260k to \$3.7 million
- Golf course revenue is projected based on current trends
- Business license revenue: \$450k
- Cable franchise tax: \$325k
- Electric franchise tax: \$360k

Staffing:

- Vacant positions: There are 28 vacant full-time positions in the City, although there are numerous ongoing recruitments. Of the 28 positions, 17 are budgeted at 100 percent in the proposed budget based on the current recruitment/hiring status. The remaining vacant positions were closely examined, and budget allocations were based on the likelihood of the positions being filled. For example, if a recruitment has not yet begun, the position may have

been budgeted for 75 percent of the year versus budgeting the position at 100 percent given that the employee would not commence at the beginning of the budget year.

- Health Care: Historically, staff budgeted vacant positions at family medical coverage. As part of this budget, vacant positions are being budgeted at the expectation of an employee plus spouse health care coverage. This led to a decrease in assumed expenses.

Employee Compensation:

The FY 2019/2020 budget assumes employee merit increases; however, it does not assume Cost of Living Increases (COLA) or enhanced benefits.

Measure K:

Since the inception of the account, funds for Police and Fire were accounted for in a single account. Under direction from the City Manager, these funds have been separated into individual funds. Any unassigned revenue will remain in the fund balance per Department until appropriated by Council. In addition, this budget recognizes the following:

- Seven new fire fighters and new equipment to be housed at Fire Station 58.
- Funds Operations and Maintenance for Fire Station 58.
- Establishes a fire engine/truck replacement fund. Staff is proposing to allocate \$200,000 per year towards future replacement needs.
- Establishes a fund reserve account similar to the City's General Fund Reserve of 30 percent. Staff is recommending \$130,000 per each department for FY 2019/2020.

- Funds to repave the parking lot at Fire Station 57.

Fire Station 58

The City anticipates receiving revenue from bond sales proceeds in excess of \$4 million to help pay for the construction of the new Fire Station. At the time of this report, the City had yet to receive the funds thus they are not recognized throughout this document. The annual debt service for the new Fire Station will be approximately \$305,000 per year for 20 years. The annual debt is included in the budget given that the City will be required to begin repaying the loan.

Freedom Industrial Park: TranPack

The City is in the process of selling approximately five acres of property located within the Freedom Industrial Park to TranPack. The proceeds from the sale are not recognized in this report given that the property is in escrow and at the time of publishing, the City had yet to receive the funds.

Capital Projects:

- Staff is recommending removing capital expenditures within the General Fund operating budget and will instead categorize them as one-time expenditures from fund balance.
- Capital Improvements are one-time expenditures for improvements, such as parks, streets, land, buildings, etc. By their nature, Capital Improvements often overlap fiscal years. As a result, separate accounts will be created commencing in FY 2019/2020, minimizing spikes in the budget caused by projects that may span multiple fiscal years, but receive the majority of their funding in a single year.

Debt

The City owes, in principal and interest, a total of \$63,325,458. Note that the aforementioned Fire Station is not included in this figure given that the City has yet to finalize the loan.

Employee Salary & Benefits Summary

The City of Madera has four recognized bargaining units that represent all full-time employees except Management: Madera Affiliated City Employees' Association, Mid Management Employee Group, Madera Police Officers' Association, and Law Enforcement Mid Management Employee Group. Management and part time employees are unrepresented.

When proposing and negotiating modifications to either salary or benefits, the City's pay philosophy is to focus on total compensation. The below represents a summary of the normal benefits offered by the City in addition to base pay. Individual bargaining units may have additional pay incentives or benefits negotiated for their members; bargaining unit agreements can be found on the City's website.

<i>Benefit</i>	<i>Summary Description</i>
Retirement	
Retirement: Defined Benefit	<p>The City participates in the California Public Employees' Retirement System, commonly known as CalPERS. The benefit received in retirement depends on the employee's age at retirement, years of service, applicable pay, and benefit factor. The City does not participate in Social Security. The City participates in the following benefit formulas, with placement in the formula defined by hire date with the City:</p> <p><u>Miscellaneous Employees</u> Classic: 2.5% @ 55, highest single year Classic Tier I: 2% @ 60, average 3-year final compensation PEPR: 2% @ 62, average 3-year final compensation</p> <p><u>Sworn Employees</u> Classic: 3% @ 50, highest single year Classic Tier I: 3% @ 55, average 3-year final compensation PEPR: 2.7% @ 57, average 3-year final compensation</p>
Retirement: Supplemental	<p>The City offers a choice between two 457 Deferred Compensation plans for full time employees. For all full-time employees except Sworn Law Enforcement and Management, the City contributes an amount equal to 4.2% of base pay into the plan. No matching contribution from employees is required. Employees may elect to contribute their own funds up to the IRS defined annual maximum on a pre-tax basis.</p>
Retirement: Part Time	<p>Part time employees receive either the CalPERS benefits defined above or participate in a Social Security replacement plan administered by Empower Retirement depending on the number of hours worked annually. Any employee who works 1,000 or more hours in a fiscal year qualifies for CalPERS, regardless of part time or full-time status.</p>

Employee Benefits

Health & Welfare Benefits

<p>Health, Dental, & Vision Insurance</p>	<p>The City offers a fully insured employer-sponsored health plan for full time employees and their dependents. The City contributes up to \$1,971.79/month for family coverage. Employees may waive coverage with proof of other coverage and receive a monthly waiver benefit of \$300. The City's current benefit providers are:</p> <ul style="list-style-type: none"> ▪ Medical: The City's plan includes a primary and secondary payor. Primary: Blue Shield of California Secondary: Administrative Solutions, Inc. (self-funded layer) <p>In addition to the traditional medical plan, the City also offers a Teledoc service. Dental: Ameritas Vision: Superior Premiums are paid by employees pre-tax under a Section 125 Cafeteria Benefits Plan.</p>
<p>Flexible Spending Accounts</p>	<p>The City offers both child care and medical expense Flexible Spending Accounts under its Section 125 Cafeteria Benefits Plan.</p>
<p>Group Life</p>	<p>The City provides group life insurance coverage for full time employees and dependents. Employees may purchase additional term life through the program.</p>
<p>Disability</p>	<p>The City provides a long-term disability policy for situations requiring the employee to be absent from work due to disability more than 90 days. The policy provides up to 2/3 income replacement. The City does not participate in the California State Disability program; Madera Affiliated City Employees' Association participates at their own expense.</p>
<p>Employee Assistance Program</p>	<p>The City offers an Employee Assistance Program that provides free counseling services to employees and their household. The program also has free online resources to help with work-life balance and management.</p>
<p>Supplemental Insurance</p>	<p>The City offers additional accident, disability, universal life and similar policies employees may choose to participate in at their own expense.</p>
<h3>Paid Leave Benefits</h3>	
<p>Vacation</p>	<p>All full-time employees accrue paid vacation based on years of service with the City. Unused vacation is fully vested to the employee and is paid out as compensation upon separation from the City. Vacation balance caps vary by bargaining unit.</p>
<p>Sick</p>	<p>All full-time employees accrue paid sick leave at the rate of 12 days per year. A percentage of sick leave is available for cash-out upon positive separation based on years of service with the City. All part time employees accrue paid sick leave at the rate of 1 hour for every 30 hours worked.</p>

Employee Benefits

Family Sick	Both full and part time employees may use sick leave to care for a family member. The number of hours varies by bargaining unit.
Holidays	The City recognizes 11 full day and 2 half day paid holidays each year. Additionally, some employees are eligible for floating holiday time based on years of service with the City, depending on their bargaining unit. Because of the nature of their job, employees represented by the Madera Police Officers' Association accrue holiday leave similar to vacation.
Administrative Leave	Positions exempt from overtime under the Fair Labor Standards Act receive 40 hours per year of Administrative Leave. This leave must be used each fiscal year, or it is lost; unused hours are not carried forward.
Compensatory Time Off	Positions eligible for overtime have the option to accrue Compensatory Time Off in lieu of pay. For each hour of overtime worked, the employee may elect to accrue 1.5 hours of leave.
Additional Benefits	
Flexible Work Schedules	Depending on bargaining unit, employees may request to work alternative schedules to assist in work/life balance. This potentially includes both 9/80 and 4/10 options.
Bilingual Pay	Full time employees may be eligible for bilingual English-Spanish incentive pay after successfully completing a skills exam.
Education/Certificate Incentive Pay	All four of the City's recognized bargaining units provide some type of education and certificate incentive pay. These benefits are in addition to base pay.
Education Reimbursement	All four of the City's recognized bargaining units have provisions in their agreements for reimbursement of education expenses. Currently employees may request reimbursement of up to \$2,400 per fiscal year for pursuing a college degree.

Basis of Accounting/Basis of Budgeting

The budgets of governmental funds (General Fund, Special Revenue Funds, Debt Service Fund) are prepared on a modified accrual basis where revenues are recognized when they become measurable and available, and expenditures are recorded when the related liability is incurred; except that principal and interest payments on general long-term debt are recognized when due. Revenue availability criteria are defined as collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period (i.e., 60 days after fiscal year-end).

Budgets for proprietary funds (Internal Service Funds and Enterprise Funds) are prepared on a full accrual basis where revenues are recognized when earned, and expenses are recognized when they are incurred.

Level of Budgetary Control

In the spring of every year, City personnel prepare a proposed budget and present it to the City Council for review. The proposed budget along with all the supporting schedules, are available for public inspection in the office of the Financial Services Director. For the FY 19/20 budget, the Council held a budget review session on May 29, 2019 to receive public comment and ascertain the facts regarding the proposed budget. The City Council will be presented with the proposed budget on June 26, 2019 with the following stipulations:

1. Transfer of appropriated budget authority from one line account to another within a department may be done upon approval of the City Manager.

2. Transfer of budget authority between departments of the general fund or between funds will be done by minute order of the City Council if less than \$25,000 and by resolution if greater than \$25,000.
3. Authority is given to the Financial Services Director to adjust the budget for all monies received by the City not included in the budget up to \$5,000 per incident without a budget resolution. A report will be given to the Council on a quarterly basis regarding any such activity.
4. All outstanding encumbrances as of June 30, 2019 approved by the City Manager shall be continued and re-appropriated for expenditure into FY 19/20.
5. Except as monetary appropriations may be affected by intra-fund transfers within the general fund or other funds, no appropriations set forth in said budget shall be cancelled in whole or in part except by resolution adopted by a majority vote of all members of the City Council.
6. Expenditures made, liabilities incurred, or warrants issued in excess of budget appropriations as originally approved or as thereafter increased or decreased, shall not constitute an obligation or liability of the City of Madera. The City Manager and the City Council shall approve no claims and the Financial Services Director shall issue no warrants or checks for any expenditure in excess of existing appropriations except upon an order of the court of competent jurisdiction, or in cases of emergency as specified and in accordance with the procedures established in the Government Code of California.

Financial Budget Policies

Budgeting

- An annual base budget will be developed by verifying or conservatively projecting revenues and expenditures for the current and forthcoming fiscal year.
- The operating budgets shall be balanced. Ongoing costs shall not exceed current revenues plus available fund balance that exceeds reserve fund requirements.
- Projected revenues will be sufficient to support projected expenditures.
- The City will avoid budgetary procedures which balance the current budget at the expense of future budgets.
- The Financial Services Director will prepare and submit to the City Council a mid-year budget review and analysis.

Accounting & Financial Reporting

- An independent audit will be conducted annually by a certified public accountant.
- Financial reports will be produced in accordance with Generally Accepted Accounting Principles (GAAP) as outlined by the Governmental Accounting Standards Board (GASB).
- The City will maintain a strong system of internal controls.
- The City will maintain a written investment and portfolio policy that establishes parameters for determining investment placement and the overall management of the City's investment portfolio.

Reserves

- The City will maintain the General Fund Contingency reserves at a level of at least 30% of the general fund operating expenditures in order to protect essential service programs and funding requirements during periods of economic downturn or other unforeseen major costs not covered by the Contingency Reserve.
- The City will establish an account to accumulate funds to be used for payment of accrued employee benefits for terminated employees. The level of this reserve will be established based upon an annual projection of employee retirements.
- Self-insurance reserves will be maintained at a level which will adequately protect the City.

Capital Planning

- The City will develop and annually update a long-term Capital Improvement Plan (CIP) for the purpose of planning, scheduling, and financing capital projects as determined and approved by the City Council.
- The CIP will be a five-year plan and will include major on-going maintenance and rehabilitation costs to existing capital assets (land, land improvements, infrastructure, and equipment), as well as the costs of new facilities and improvements.
- The City will maintain its capital assets at a level adequate to protect the City's capital investment and to minimize future maintenance and orderly replacement of capital assets from current revenues where possible.
- The CIP budget will realistically assess potential future revenues and avoid

commitments for projects that lack economic feasibility.

Revenue

- The City will estimate its annual revenues by an objective, analytical process utilizing trend, judgmental, and statistical analysis as appropriate.
- The City will attempt to maintain a diversified and stable revenue base to minimize the effects of economic fluctuations on revenue generation.
- The user fees and charges for each Enterprise Fund will be set to fully support the total direct and indirect costs of the activity. Indirect costs include the cost of annual depreciation of capital assets and overhead charges.
- Internal Service Funds are to be funded at appropriate levels to ensure their ability to provide services adequately.
- Development Impact Fees will be established to provide for the cost of infrastructure improvements from new growth instead of being a burden to existing tax payers.

Debt Management

- The City will not use long-term debt financing for any recurring purpose such as current operating and maintenance expenditures.
- The City will consider the issuance of long-term debt to purchase or construct capital assets that will serve as long-term community assets. Prior to entering into a long-term financing arrangement, an internal analysis will be conducted to determine the impact on current and future budgets for debt service and operations.

This analysis will address the reliability of revenues to support the debt service.

Citywide Budget Overview

Total City of Madera revenues for FY 19/20 are projected to be \$89,806,469 with projected expenditures of \$87,819,817 citywide. The chart below graphically depicts the portions of revenues and expenditures pertaining to the different types of funds, as listed. This includes all revenues and expenditures from all sources.

2019/2020 Summary of Revenues by Fund (Including Non Operating)

Budget Overview

The General Fund makes up \$38,330,327 or 43% of citywide revenues (including transfers in and non operating revenues) and \$37,500,669 or 43% of citywide expenditures (including capital outlay). The Enterprise Fund revenues represent \$34,445,778 or 38% of all city revenues. Expenditures for Enterprise funds amount to \$35,603,074 or 41% of total City expenditures. Special Revenue Funds make up \$12,201,259 or 14% of citywide revenues, with expenditures of \$9,853,306 or 11% of citywide expenditures. Internal Service funds represent \$4,829,105 or 5.4% of citywide revenues and \$4,862,768 or 5% of citywide expenditures. Total revenues include \$995,445 in non-operating revenues and \$9,965,145 in capital outlay expenditures.

2019/2020 Proposed Expenditures by Fund (Including Capital Outlay)

Budget Overview

General Fund Operating Budget Overview

The FY 2019/2020 General Fund 1020 Operating Budget is balanced with proposed operating revenues of \$31,602,253 and proposed operating expenditures of \$31,415,757. The projected surplus of \$186,496 will fund the budgeted capital outlay that consists of the remaining \$115,000 left on the software contract and a \$20,000 repair to the City swimming pool.

The FY 2019/2020 Measure K Fund (Funds 1025/1026) is balanced with proposed operating revenues of \$4,935,621 and proposed operating expenditures of \$3,341,267. The Police Department budgeted surplus of \$275,401 along with previous years fund balance will be used to purchase an enhanced radio system as part of the capital outlay expenditures. The Fire Department budgeted surplus of \$1,318,953 will be used to fund a portion of the new fire station along with proceeds from the Bond sale recently completed. As soon as the proceeds are received, a budget amendment will be brought to Council to accept the funds and amend the budget for the construction of the new Fire Station.

The FY 2019/20 Grants Fund 1021 Operating Budget is balanced with proposed operating revenues of \$981,510 and proposed operating expenditures of \$981,272. The Tire Grant Fund 1081 is balanced with proposed revenues and expenditures of \$32,123.

The FY 2019/2020 Risk Management Fund 1090 Budget is balanced with proposed revenues of \$100,000, Fund Balance of

\$15,000 and proposed expenditures of \$115,000.

General Fund - Ins Res	100,000	115,000
Total	37,651,507	35,885,419

Major Revenue Sources

- 1. Sales & Use Tax:** Sales tax is one of the City of Madera’s largest sources of revenue for the General Fund. A small portion of the sales tax collected is shared with Madera County as part of a tax sharing agreement. The sales tax rate in Madera County is 8.25%. The City receives 1.5% of the Sales Tax collected. Included in the 1.5% is the .5% Measure K sales tax approved by the residents of the City of Madera. This .5% sales tax is used for public safety enhancements and is recorded in a separate fund within the General Fund.
- 2. Property Tax In-Lieu of VLF (Vehicle License Fees):** This revenue source reflects the “VLF Swap” made in 2005 under which the State significantly reduced VLF payments (and ultimately eliminated them) but backfilled (“swapped”) them in an equal amount for an increased share of property roll taxes. As such, this is another form of property tax where the “base” is determined on the amount “swapped” in 2005 plus growth in assessed valuation like the City’s “regular” property taxes.
- 3. Current Secured Property Tax:** The City’s property tax revenues are based on assessed property values. Under Proposition 13, assessed values of all real property adjust with the California Consumer Price Index (CCPI), with a 2% limit, unless there is a change in ownership or new construction. Property Tax collections are much less predictable than Property Tax In-Lieu of VLF, as the second installments vary considerably from the first installment.
- 4. Engineering Fees, Projects and Transfers In:** Interfund Charges/Project Management makes up approximately half of the Engineering Division’s revenue budget. The Engineering Department charges other departments for personnel costs related to the management of certain capital projects.
- 5. Interfund Charges (Administration and Overhead):** Certain administration and overhead costs can be allocated to departments that are served by such administrative departments as the City Clerk, City Council, City Attorney, City Manager, Human Resources, and Finance Departments. The City recaptures these costs from non-General Fund departments in amounts that are based on various factors such as number of employees, number of agenda items, budget amounts, and square footage. The City employs formulas provided by Cost Tree, an independent company, to determine universally accepted methods. Charges are recorded by way of monthly recurring journal entries.
- 6. Police Fees, Grants and Contracts:** The Police Department within fund 1020 charges various fees and penalties per the Master Fee and Master Penalty Schedule, utilizes various grants to purchase equipment and supplement staff time, and has agreements with outside entities to provide police services (such as the Madera Unified School District) and receives payment for these services.
- 7. Building Permit and Plan Check Fees:** The Building Division generates revenues for

services rendered based on the Master Fee Schedule.

- 8. Transient Occupancy Tax:** The City collects Transient Occupancy Tax (TOT) from all hotels, motels, and inns within the City limits. The City imposes a Transient Occupancy Tax of 9% on room rates for stays of 30 days or less. The tax was last raised in 1986, from 7% to 9%.
- 9. Business License Tax:** A Business License Tax is a tax imposed on businesses for the privilege of conducting business in the City. The bulk of this tax is collected and recorded in July when business licenses are renewed.
- 10. Franchise Tax:** Franchise Fees are funds paid to the City from utility companies for use of public streets or right-of-way, such as cable and electric services.

General Fund 5-year forecast

The Five-Year Forecast is based on staff's best estimates for FY 2019/2020 through FY 2023/2024. In an attempt to project future revenues and expenses, numerous assumptions must be made. A few key items worth highlighting:

- Sales Tax estimates were provided by MuniServices. They project an approximately 2 percent increase for the subsequent 4 years, however in FY 2019/2020 they are project a 2 percent decrease from year end FY 2018/2019.
- Property Tax is projected to increase by 2 percent compared to the FY 2018/19 budget, based on Proposition 13 limits.
- Assumes that the City's tax sharing agreement remains status quo.
- Assume a 2 percent annual increase in overall General Fund expenditures based on published inflation rates for FY 2020/2021 through FY 2023/2024 plus estimated increases in CalPERS contribution costs as projected below, based on information that was provided by CalPERS.
- Based on these assumptions, the budget notes a deficit. As a result, staff and the Council must be diligent to ensure that the City remains fiscally healthy and responsible.

General Fund Five-Year Forecast

	FY 2019/2020 Proposed	FY 2020/2021 Forecast	FY 2021/2022 Forecast	FY 2022/2023 Forecast	FY 2023/2024 Forecast

Enterprise Funds Operating Budget Overview

Enterprise funds are municipal services that are funded through fees charged to partly or wholly cover the costs of the services provided.

Enterprise activities are roughly analogous to a private sector business. In FY 2019/2020, the Enterprise Funds are projected to generate \$34,129,153 million in operating revenue and \$27,253,179 in operating expenditures. The surplus of \$6,875,974 plus a portion of fund balance will fund the budgeted \$8,349,895 planned capital outlay

Water Fund

The Water Fund is funded by user fee revenue which pays for the operations and maintenance of the municipal water system including 18 wells, a one million gallon above ground storage tank, miles of distribution mains and approximately 13,000 water meters and services. The fund supports the City's efforts to provide clean water to the community, conserve water resources, and to plan for future growth. The total capital request for FY 19/20 is \$6.9 million. In January 2020, the last of five water rate adjustments will occur which will result in an increase of approximately 4.4 percent in revenues. Additional changes in the Water Fund include a 50 percent decrease to the water conservation component of the water rates, which will result in savings to rate payers, however fewer resources will be available for water conservation activities.

Sewer Fund

The Sewer Fund is funded by user fee revenue which pays for the maintenance and operation of the sewage collection system and the Waste Water Treatment Plant (WWTP). There are

\$1,095,000 of new capital projects scheduled for FY 19/20. The FY 19/20 budget requests funds for updates to the WWTP landscaping, breakroom, and restroom facilities in addition to ongoing WWTP upgrades and an Infrastructure Study.

Solid Waste

The Solid Waste Fund is funded by user fee revenue which pays for solid waste collection and street sweeping. When the solid waste rates were set several years ago, revenues exceeded expenditures in excess of the goal of 20-30 percent of the annual operating expenses. Along with user rates being reduced by 15 percent and projected to stay flat for five years, annual deficits were programmed for the subsequent 5 years. The deficit for the proposed FY 19/20 Solid Waste budget is projected to be approximately \$958,348.

Drainage Fund

Drainage user fees are expected to remain level in FY 19/20 at approximately \$841,000. Capital outlay projects of \$50,000 will require a \$35,000 fund balance contribution.

Airport

The Airport Fund is projecting a surplus in FY 19/20 of \$12,856. The airport is funded by user fees and rental and lease income. Some of the major capital expenses are eligible for grant assistance from the state and or federal government. As of June 30, 2019, the airport will owe approximately \$142,000 on a loan that was borrowed for the purpose of building 14 hangars, with the final installment due in 2023. Currently, the airport leases nearby land for agricultural purposes and receives approximately \$170,000 annually. However, with continual State mandates for water reduction, this revenue source may be

eliminated if farming within the City limits is identified as a method for major water use

reduction. Additional revenues are being saved for future improvements.

Golf Course

The Golf Course is operated by a third-party vendor. As of June 30, 2018, the Golf Course Fund's unrestricted net position is (\$539,778). This negative balance is indicative that the fund does not cover its operating expenses with annual revenues. Due to a lack of revenue, the General Fund supports the Golf Course Fund with annual transfers-in.

Local Transit Fund

The Local Transit Fund consists of both the Madera Area Express (MAX) fixed route system and Dial-A-Ride (DAR). The Transit Fund is currently funding approximately \$960,000 in Capital Outlay to develop a new transit center with its interior and exterior furnishings and the purchase of 11 new buses. The Transit building is slated to open in the Fall of 2019. Revenues are generated through Federal and State grants as well as local transportation funds and fare collections. The majority of the capital outlay is funded by Special Revenue Funds.

Enterprise Fund Department Overview			
<i>Description</i>	<i>Projected Revenue</i>	<i>Projected Expenses</i>	<i>Projected Capital Outlay</i>
Water	(12,537,026)	7,708,553	6,882,000

Airport	(668,400)	655,544	114,000
Golf Course	(394,151)	394,151	-
Local Transit Fund	(2,921,362)	2,280,670	208,895

Internal Service Funds Budget Overview

Internal Service Funds are used in governmental accounting to track services provided internally to the organization. The City currently operates three internal service funds: (1) Facilities, (2) Fleet, and (3) Computer Acquisition and Maintenance. Each department in the organization is charged for the services provided by the internal service fund through interfund transfers.

The following is a summary of each:

- **Facilities:** Each department is charged a facility fee. Allocations are based on the square footage of the area occupied by the department and a time study of facility personnel.
- **Fleet Management:** The City maintains a plethora of vehicles. Each department is charged a fee based on number and type of vehicles assigned to the department. Replacement of vehicles is also included based on the number and type of vehicles and useful life estimates for replacement, whereas motor pool charges are based on the prior year’s usage.
- **Information Services:** Computer services, provided by the City’s Information Technology Department, are charged based on computer users per department taking into consideration all peripherals, servers, and licenses required to maintain and upgrade the current technology.

Budgets for Internal Service Funds are designed to balance. The exceptions are the fleet and computer replacement funds, where money is set aside for each department in both funds so when vehicles and computers have reached the

end of their useful life, funds are available for replacements. Some years will experience greater revenues than expenses and vice versa, which largely depends on the number of vehicles and computers slated to be replaced in that period. Each fund tracks the balances available by department and determines when equipment should be replaced.

Internal Service Fund Budget Overview		
	<i>Revenues</i>	<i>Expenditures</i>
Equipment Maint	1,829,931	1,863,594
Facilities Maint	1,686,264	1,686,264
Computer Acq & Maint	1,312,910	1,312,910
Total	4,829,105	4,862,768

Special Revenue Funds Budget Overview

Special Revenue Funds are established to track and report monies that must be expended for specified purposes. The following is a summary of the various accounts that collectively make up the Special Revenue Funds.

- **Special Gas Tax:** Street Maintenance: Gas tax revenues for streets and roads from multiple sources received monthly from the State Controller’s Office. Funds are transferred to the Streets Department through the annual budget process to support the streets operations and projects.
- **Regional Surface Transportation Program (RSTP) Exchange:** This fund provides flexible funding for projects to preserve and improve Federal-Aid highway, bridge, and tunnel projects on public roads, pedestrian and bicycle infrastructure, and intercity passenger projects. Funds are received as reimbursement for costs incurred.
- **State Transportation Improvement Program (STIP):** A multi-year capital improvement program of transportation projects on and off the State Highway System. Funds are programmed within the Madera County region to prioritize regional projects. There are currently no projects scheduled to receive STIP funds.
- **Proposition 1B SLPP:** State Program created by the Road Repair and Accountability Act of 2017 (Senate Bill (SB) 1) to provide funding to local and regional transportation agencies that have sought and received voter approved taxes (i.e. Measure T) and enacted fees for Road

Maintenance and Rehabilitation (RMRA) projects. Projects require a 50 percent local match. Funds are received as reimbursement for costs incurred.

- **Road Maintenance & Rehabilitation Account (RMRA):** Utilized to address road maintenance, rehabilitation, and critical safety projects, this fund was created by the Road Repair and Accountability Act of 2017, SB 1. These funds are received monthly from the State.
- **Measure A:** A ½ cent sales tax for local transportation projects collected from 1990 to 2005. The remaining fund balance has been designated for a specific project.
- **Measure T:** Current ½ cent sales tax for local transportation projects and programs. It is a 20-year program that sunsets in 2027 that funds highway and road capital projects designed to improve traffic safety; relieve congestion; and leverage other State and Federal funds. Funds are received quarterly from Madera County.
- **San Joaquin Valley Air Pollution Control District (SJVAPCD) REMOVE II Grant:** This grant provides funding for projects consistent with the goals of the SJVAPCD.

Transportation:

- **Prop 1B Public Transportation Modernization, Improvement and Service Enhancement Account (PTMISEA):** This program is aimed at transit modernization and improvement and service enhancement. This program is currently being used to fund a portion of the transit facility. Funds are received as reimbursement for costs incurred.

- **Low Carbon Transit Operations Program (LCTOP):** This program provides funding to be used by transit operators to reduce greenhouse emissions. The City has utilized these funds to improve transit stop amenities.
- **Local Transportation Fund (LTF):** This program is to fund Public Transportation including planning and program activities, pedestrian and bicycle facilities, community transit services, and bus and rail projects. Additionally, LTF may be used for construction and maintenance of local streets and roads. It is a component of the Transportation Development Act (TDA).
- **Sustainable Communities Grant:** Grant program created to maintain and integrate multi-modal transportation, also from the Road Repair and Accountability Act of 2017, SB 1.

Parks:

- **Housing Related Parks Program (HRPP) Grant:** Grant funding for the creation and renovation of parks and community recreation facilities.
- **Tire Derived Products (TDP) Grant:** This grant is administered by California Department of Resources Recycling and Recovery (CalRecycle) to promote markets for recycled-content products derived from waste tires generated in California and decrease the adverse environmental impacts created by unlawful disposal and stockpiling of waste tires.
- **Chukchansi Grant:** This grant is currently funding one project in the CIP Program.

Development Impact Fees (DIF):

Local Fee imposed on new development to fund the City's capital facilities. Revenues depend on development activity. Funds are collected during the permitting process and deposited into multiple assigned accounts, each having a specific purpose.

Special Districts:

- **Parking District Operations:** Established by the City, this fund supports the acquisition, construction, installation or maintenance of parking facilities, street lighting, refuse receptacles, benches, parks, or fountains in the downtown area. The City serves as the fiscal agent and participants are billed quarterly. Currently, funds are used to pay for a part-time parking enforcement officer, refuse collection, gardening services, and a portion of the crow abatement program.
- **Business Improvement District:** Established by the City, this program supports activities, and promotes events and tourism within the Business Improvement District. The City serves as the fiscal agent and participants are billed quarterly. The City remits the funds to the Madera Downtown Association quarterly, less expenses it incurs.
- **Community Facilities Districts (CFD):** CFD 2005-1 Special Tax for City Services and CFD 2006-1 Special Tax for debt service on infrastructure improvements.
- **Landscape Maintenance Districts (LMD):** Funding for landscaping in 80 defined zones within the City. Special assessments are prepared in accordance with the Streets and Highway Code.

Federal Aid:

- **Active Transportation Program (ATP):** State program that consolidates existing Federal and State transportation programs, including Transportation Alternatives Program (TAP), Bicycle Transportation Account (BTA), and State Safe Routes to School (SR2S) into a single program. Currently, this program is funding one CIP project (PK-00008). Funds are received as reimbursement for costs incurred.
- **Bridge Preventive Maintenance Program (BPMP):** This program is intended to maintain existing inventory of bridges and is currently funding one CIP project (B-000004). Funds are received as reimbursement for costs incurred.
- **Congestion Mitigation & Air Quality Program (CMAQ):** This program is intended to fund transportation projects that will contribute to attainment of national air quality standards. Currently funding six CIP projects (ALY-0002, R-000037, R-000057, R-000062, R-000068, and TS-00019). Funds are received as reimbursement for costs incurred.
- **Highway Safety Improvement Program (HSIP):** Federal aid program to States for achieving a significant reduction in fatalities and serious injuries on public roads. This program currently funds two CIP projects (R-000031 and R-000066). Funds are received as reimbursement for costs incurred.

Housing:

- **Home/CalHome Down Payment Assistance and Program Income:** Grant money to assist first-time home buyers with down payment assistance. Funds recaptured from

loan payments are deposited into Program Income to be used for further down payment assistance.

- **CalHome Manufactured Housing Rehabilitation and Program Income:** Grant money to assist with the rehabilitation of manufactured housing. Funds recaptured from loan payments are placed into Program Income to be used for further rehab assistance.

Law Enforcement Grants:

- **Supplemental Law Enforcement Services Fund (SLESF):** Funds allocated to provide front-line law enforcement services.
- **Justice Assistance Grant (JAG):** Funds allocated for the purpose of enforcing State and local laws improving the criminal justice system, with an emphasis on preventing violent crime. Grants may provide for personnel, equipment, training, technical assistance, and criminal justice information systems for the more widespread apprehension, prosecution, adjudication, detention, and rehabilitation of persons who violate criminal laws.
- **Tobacco Law Enforcement Grant:** Department of Justice Grant funds to be used for police activities relating to the reduction of illegal sales and marketing of tobacco products to minors.

Debt Service

Madera has outstanding debt. This outstanding debt is largely attributed to water and wastewater facilities, and also includes key infrastructure, such as improvements to the airport, golf course, a fire truck, and safety equipment for the Police Department. Regardless, combined the City has approximately \$63 million. The table summarizes the City's debt while the following pages provide a more in-depth explanation of each loan.

<i>Debt</i>	<i>Principal and Interest Owed</i>	<i>Years to Payoff</i>
Police In-Car Camera	\$8,713	1
ERP and Fire Truck	\$497,147	2
2018 Refunding of the Police Facility	\$815,079	7
PG&E Energy Efficient Retrofit Loan (Streetlights)	\$3,187	1
CIEDB Loan (Wastewater Treatment Plant Upgrade)	\$8,965,285	16
Airport Hangar Loan	\$113,921	4
Golf Course	\$1,479,511	5
Water and Wastewater Refunding Revenue Bonds, Series 2015	\$36,635,745	16
Water Revenue Bonds, Series 2010 (Water Meters)	\$14,806,870	18
Total	63,325,458	

Principal and Interest Owed

Debt Service

Long-term Debt

The City of Madera’s adopted Investment Policy states that purchased transactions may not exceed 5-year maturities and no more than 20 percent of the total portfolio may be invested beyond 3 years stated maturity at any time. In accordance with California Government Code section 56300.5, the City’s primary objective is to safeguard the principal of the funds, the secondary objective is to meet the liquidity needs of the depositor, and the third objective is to achieve a return on the funds.

The following is a detailed description of the City's Long-term Debt.

Capital Leases

Police In-Car Camera

In August 2014, the City entered into a capital lease agreement for the police department in-car camera system under which the related equipment will become the property of the City when all terms of the lease agreements are met. The purchase price of the equipment was \$157,755 and is payable over a period of five years. Quarterly payments on the contract are \$8,713. The effective interest rate on the contract is 3.87 percent. At June 30, 2019, the outstanding balance of the capital lease was \$8,630.

The annual debt service requirements at June 30, 2019 are as follows:

Annual Debt Service for Police In-Car Cameras

<i>Year</i>	<i>Principal</i>	<i>Interest</i>	<i>Total</i>
2020	\$8,630	\$83	\$8,713
Total	\$8,630	\$83	\$8,713

Enterprise Resource Planning (ERP) and Fire Truck

In August 2015, the City entered into a five-year equipment lease-purchase agreement for the purchase of Enterprise Resource Planning (ERP) system to be installed at the City Hall and a fire truck with Holman Capital Corporation. Holman Capital Corporation deposited \$1,540,065 into the Escrow Fund, which the Community Business Bank is the escrow agent, for the acquisition of the equipment and for the payment of issuance costs. The related equipment will become the property of the City when all terms of the lease agreements are met. The purchase price of the equipment was \$1,540,065 and is payable over a period of five years. Semi-monthly payments on the agreement are \$165,715. The effective interest rate on the contract is 2.71 percent. At June 30, 2019, the outstanding balance of the capital lease was \$497,147. The cash balance in the Escrow Fund held at the Community Business Bank as of May 31, 2019 was \$148,345.

Debt Service

The annual debt service requirements at June 30, 2019 are as follows:

Annual Debt Service for ERP and Fire Truck

<i>Year</i>	<i>Principal</i>	<i>Interest</i>	<i>Total</i>
2020	\$320,473	\$10,959	\$331,432
2021	\$163,500	\$2,215	\$165,715
Total	\$483,973	\$13,174	\$497,147

Loans Payable

2018 Refunding of the Police Facility (Police Facility Commercial Loan)

In December 2005, the City entered into a capital lease agreement with La Salle Bank (and subsequently sold to Capital One Public Funding, LLC) to lease a portion of the construction cost for the police facility. The entire purchase price of the police station was \$5,200,000. The leased portion of the police station was \$1,500,000 and was payable over a period of twenty years.

On January 1, 2018, the capital lease was refunded, and the Financing Authority paid the City an advance rental for the use and right to the possession of the Police and Golf Course facilities for a total of \$2,553,000. The lease was then assigned to Zions Bank/California Bank & Trust on the same day and named the Police Facility Commercial Loan. The bonds are due in annual installments of \$50,900 to \$61,600 beginning May 2018 with interest rate fixed 2.760 percent per annum payable semi-annually. Total principal and interest remaining on the agreement is payable through 2026. At June 30, 2019, the outstanding balance was \$738,900.

The annual debt service requirements at June 30, 2019 are as follows:

Annual Debt Service for Police Facility

<i>Year</i>	<i>Principal</i>	<i>Interest</i>	<i>Total</i>
2020	\$105,300	\$22,250	\$127,820
2021	\$108,200	\$16,746	\$124,946
2022	\$111,200	\$13,739	\$124,939
2023	\$114,400	\$10,648	\$125,048
24-26	\$299,800	\$12,526	\$312,326
Total	\$738,900	\$76,179	\$815,079

PG&E Energy Efficient Retrofit Loan

In June 2012, the City entered into a loan agreement with PG&E to convert old high-pressure sodium lights with new energy efficient LED streetlights. The loan amount is \$249,731 and is payable over a period of 6.7 years with zero percent interest. Monthly payments on the loan are \$3,161. At June 30, 2019, the outstanding balance of the PG&E Energy Efficiency Retrofit Loan was \$3,187.

The annual debt service requirements at June 30, 2019 are as follows:

Annual Debt Service for PG&E Retrofit

<i>Year</i>	<i>Principal</i>	<i>Interest</i>	<i>Total</i>
2020	\$3,187	-	\$3,187
Total	\$3,187	-	\$3,187

Debt Service

California Infrastructure and Economic Development Bank (CIEDB) Loan

Loan payable to California Infrastructure and Economic Development Bank for the regional wastewater treatment plant upgrade and expansion project; semi-annual installments of \$383,084 to \$525,788, including interest at 3.01 percent per annum. At June 30, 2019, the outstanding balance of the California Infrastructure and Economic Development Bank loan was \$7,019,578.

The annual debt service requirements at June 30, 2019 are as follows:

<i>Annual Debt Service for CIEDB</i>			
<i>Year</i>	<i>Principal</i>	<i>Interest</i>	<i>Total</i>
2020	\$322,295	\$206,439	\$528,734
2021	\$331,996	\$196,592	\$528,588
2022	\$341,989	\$186,448	\$528,437
2023	\$352,283	\$175,999	\$528,282
24-28	\$1,926,999	\$711,920	\$2,638,919
29-33	\$2,235,005	\$399,279	\$2,634,284
34-36	\$1,509,011	\$69,030	\$1,578,041
Total	\$7,019,578	\$1,945,707	\$8,965,285

Airport Hanger Loan

Loan payable to the Department of Transportation, Division of Aeronautics for the purchase of 14 airplane hangars; annual installments of \$14,131 to \$27,180, including interest at 4.7829 percent. At June 30, 2019, the outstanding balance of the Department of Transportation, Division of Aeronautics loan was \$101,500

The annual debt service requirements at June 30, 2019 are as follows:

<i>Annual Debt Service for the Hanger</i>			
<i>Year</i>	<i>Principal</i>	<i>Interest</i>	<i>Total</i>
2020	\$23,625	\$4,855	\$28,480
2021	\$24,755	\$3,725	\$28,480
2022	\$25,939	\$2,541	\$28,480
2023	\$27,181	\$1,300	\$28,481
Total	\$101,500	\$12,421	\$113,921

2018 Refunding of the 1993 Variable Rate Demand Bonds (Golf Course Commercial Loan)

In May 1993, the Financing Authority issued Variable Rate Demand Bonds in the aggregate principal of \$5,280,000. The proceeds were used to redeem \$4,835,000 of its December 8, 1989 Lease Revenue Bonds, Series A, and \$262,450 for additional Golf Course construction.

On January 1, 2018, the Bonds were refunded, and the Financing Authority paid the City an advance rental for the use and right to the possession of the Golf Course and Police facilities for a total of \$2,553,000. The lease was then assigned to Zions Bank/California Bank & Trust on the same day and named the Golf Course Commercial Loan. The loan is due in annual installments of \$138,100 (\$10,600 first year) to \$161,800 beginning May 2018 with interest rate fixed 3.190 percent per annum payable semi-annually. Total principal and interest remaining on the agreement is payable through 2023. At June 30, 2019, the outstanding balance was \$1,368,100.

<i>Annual Debt Service on the Golf Course</i>			
Year	Principal	Interest	Total
2020	287,400	41,368	328,768
2021	296,600	32,128	328,728
2022	306,200	22,590	328,790
2023	316,100	12,744	328,844
2024	161,800	2,581	164,381
Total	1,368,100	111,411	1,479,511

Bonds Payable

Water and Wastewater Refunding Revenue Bonds, Series 2015

Water and Wastewater Refunding Revenue Bonds, Series 2015 were issued by the Financing Authority in December 2015 for \$30,140,000. Proceeds from the bonds were used to refund \$30,440,000 of its Water and Wastewater Refunding Revenue Bonds, Series 2015. The bonds are due in annual installments of \$70,000 to \$2,080,000 through March 1, 2036, with interest payable semiannually on September 1 and March 1 of each year at 3.700 percent. At June 30, 2019, the outstanding balance of the Water and Wastewater Revenue Bonds was \$26,835,000.

The Financing Authority has pledged a portion of future water and wastewater revenue to repay the 2015 Water and Wastewater Revenue Bonds. Total principal and interest remaining on the agreement is \$36,635,745 payable through 2036.

The annual debt service requirements at June 30, 2019 are as follows:

Debt Service

<i>Bond Debt Service</i>

Water Revenue Bonds, Series 2010

Water Revenue Bonds, Series 2010 were issued by the Financing Authority in November 2010 for \$11,215,000. The City will use the proceeds from the Bonds along with the changing of water and sewer rates to bring the City into compliance with State Law to have the entire City on water meters by the year 2025. The bonds are due in annual installments of \$65,000 to \$745,000 through March 1, 2038, with interest payable semi-annually on September 1 and March 1 of each year at 4.5 percent. At June 30, 2019, the outstanding balance was \$9,530,000.

The Water Revenue Bonds, Series 2010 were issued at a discount which is being amortized over the life of the bonds resulting in an annual amortization of \$5,422. At June 30, 2018, the outstanding balance of the discount on the bonds was \$108,448.

The annual debt service requirements at June 30, 2019 are as follows:

<i>Annual Debt for Water Bond</i>			
	<i>Principal</i>	<i>Interest</i>	<i>Total</i>
2020	335,000	448,463	783,463
2021	345,000	435,063	780,063
2022	355,000	422,556	777,556
2023	375,000	408,800	783,800

Total	9,530,000	5,276,870	14,806,870

1993 Variable Rate Demand Bonds

In May 1993, the Financing Authority issued Variable Rate Demand Bonds in the aggregate principal of \$5,280,000. The proceeds were used to redeem \$4,835,000 of its December 8, 1989 Lease Revenue Bonds, Series A, and \$262,450 for additional Golf Course construction. The bonds are due in annual installments of \$140,000 to \$350,000 beginning November 2001 with interest at a variable rate not to exceed 10.0 percent per annum payable semi-annually. Payments of principal and interest on the bonds are supported by an irrevocable direct draw letter of credit. At June 30, 2017, the variable interest rate was 0.92 percent and the outstanding balance of the Variable Rate Demand Bonds was \$2,175,000. During the year ended June 30, 2018, the bond was refunded by the Golf Course Commercial Loan, as described above.

Department Summary

The City Council consists of seven members and is the governing body elected directly by the residents of Madera. The Mayor is elected at large and there are six Council Districts.

As the legislative branch of our local government, the Council makes final decisions on all major City matters and sets citywide priorities and policies. The Council directs the City Manager to implement these priorities and policies. The Council adopts ordinances and resolutions necessary for efficient governmental operations, approves the budget, and acts as a board of appeals. It appoints the City Manager, City Attorney, and City Clerk, as well as the members of the City's advisory boards, commissions, and committees.

The Council is responsible for the scope, direction, and financing of City services; establishing policy based on information provided by staff, advisory boards and commissions, and the public; and implementing policy through staff under the Council-Manager form of government.

The terms of the Mayor and Council members are four years, and the General Municipal Election is held in even-numbered years on the first Tuesday after the first Monday in November.

Responsibility

The mission of the Council is to adopt legislation and provide direction to the administration of the City and to promote the best interests of the community locally and with other governmental agencies.

The Council is elected by the public to serve as the governing body and policy makers of the City. The City Clerk oversees the City Council budget as it relates to expenses associated with the conduct of Council meetings, and other miscellaneous expenses for participation in various community events and functions, and travel and training for professional development as elected officials.

In addition to Council meetings, Council members hold special local and regional committee assignments, meet frequently with residents and business owners, as well as City staff to discuss issues and projects, and regularly attend a variety of community events. The Council hires the City Manager, the City Clerk, and the City Attorney. The City Manager oversees the hiring and management of the rest of the staff. It is the Council's responsibility to enact policy and the City Manager's job to implement the Council's policies and approaches, many of which are expressed in the annual budget.

Objectives

While the objectives of the Council are many, the following reflect some key items:

- Provide legislative policy directives for City programs and services
- Represent the interests of Madera residents at all levels of governments

- Approve programs for the City's physical, cultural, and socio-economic development
- Encourage cooperation among community leaders, civic organizations, and residents
- Work to maintain high quality City programs and services
- Actively participate in State and Federal legislative processes
- Work closely with other local governments and the League of California Cities to focus on issues that press local governments
- Continue to concentrate on communication and cooperative efforts with City residents

Department Fund Summary

The Council is fully funded by the General Fund and does not anticipate generating any revenue in FY 2019/2020. A few changes are proposed from FY 2018/2019. They include:

- Per Council policy direction, each Councilmember will be appropriated \$850 per fiscal year for expenses
 - \$8,000 will be appropriated for the New Mayors & Council Members Academy and the Mayors and Council Members Executive Forum. Should Councilmembers elect not to attend, said funds will be reallocated to the General Fund
-

Budget Summary

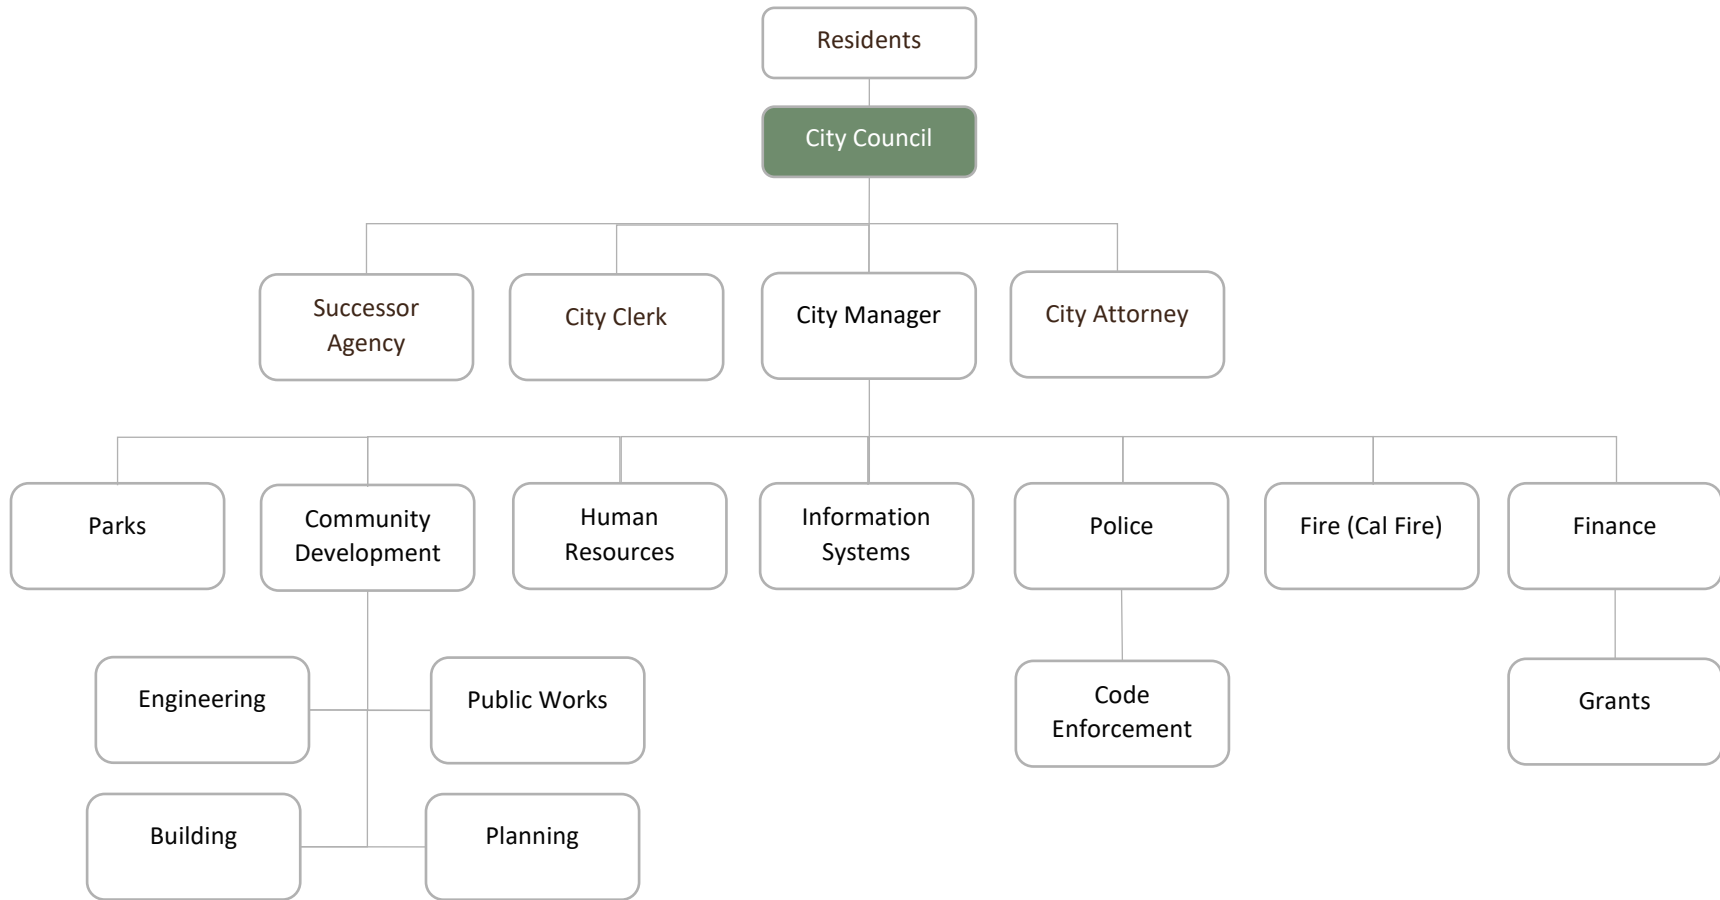

<i>City Council Budget Overview</i>		
	<i>Revised</i> 2018-19	<i>Proposed</i> 2019-20
Salaries & Benefits	150,201	115,992
Other Operating Expenditures	25,899	33,175
Total	176,100	149,167

Department Staffing & Structure

The Council is elected by district sans the Mayor which is elected at large. The Council has three direct reports, the City Manager, the City Attorney, and the City Clerk.

The Council also appoints members to the City's eight Committees/Boards.

Department Summary

The purpose of the City Clerk's Office is to provide prompt, high quality public service by connecting the public with the legislative process; ensure the City's legislative processes are open and transparent including friendly customer service; facilitate the preservation of Madera's legislative history, including approved action minutes; coordination of public records requests, claims against the city, applications for boards and commissions and update and maintain City Ordinances and the Municipal Code; provide access to legislative meeting information and coordinate Statements of Economic Interest as well as campaign and other financial disclosure related filings.

The statutes of the State of California prescribe the basic functions and duties of the City Clerk, and the Government Code provides precise and specific responsibilities and procedures to follow.

The City Clerk's office is a service department with the municipal government upon which the City Council, all City departments, and the public rely for information regarding the operations and legislative history of the City.

Responsibility

The City Clerk's Office provides a wide range of public services including:

- Archiving all official City records; preserving a complete and accurate record of all Council meetings
- Processing of public records requests
- Supporting the Council, City staff, and public by providing copies of agendas and associated reports
- Coordinating Council meetings, agenda items, packets, and minutes for regular and special meetings
- Posting and publishing legal notices, scheduling public hearings
- Transcribing meeting minutes
- Recording of Ordinances and Resolutions
- Engaging in records management, elections, and board and commission recruitments
- Providing information pertaining to the Brown Act, the Political Reform Act, and the Public Records Act

As the custodian of records, the City Clerk's office is responsible for the management of the City's official records including:

- Agendas
- Meeting minutes
- Resolutions
- Ordinances
- Agreements

The City Clerk also serves as the filing official for the Fair Political Practices Commission for Statement of Economic Interest filings (form 700); and serves as a liaison between the

community and City Council regarding the City's business and community events.

The City Clerk is also responsible for maintaining the City's Municipal Code to date and the Boards and Commissions Appointive List.

Key Accomplishments

Overview of accomplishments:

- Prepared and published 23 City Council agenda packets
- Prepared and published 14 Special City Council agenda packets
- Coordinated 270 Responses to Public Records Act requests
- Supported 143 hours of City Council meetings
- Implemented the City's Tyler Content Manager by scanning ordinances, resolutions, meeting minutes, agreements and deeds approved by City Council into the system
- Changed from detailed Council meeting minutes to action minutes
- Adhered to statutory requirements related to open meeting law and agenda preparation
- Coordinated FPPC filings for 87200 filers and designated positions

Goals & Performance Measures

- Records management - develop schedule for filing backlog
- Develop citywide records retention schedule

- Continue to provide quality customer service to internal and external customers
- Stay informed on changes to State laws that have the potential to affect operations
- Ensure Council and City Clerk website pages are updated
- Follow-up on implementation of Tyler Content Manager Module (TCM)
- Track public record requests and respond in accordance with the Public Records Act
- Acknowledge and/or respond to requests within two business days
- Ensure records are stored electronically using TCM

Department Fund Summary

The City Clerk department budget provides for two full-time personnel to carry out the primary functions of the department. The department is fully funded by the General Fund and does not anticipate generating any revenue in FY 2019/2020.

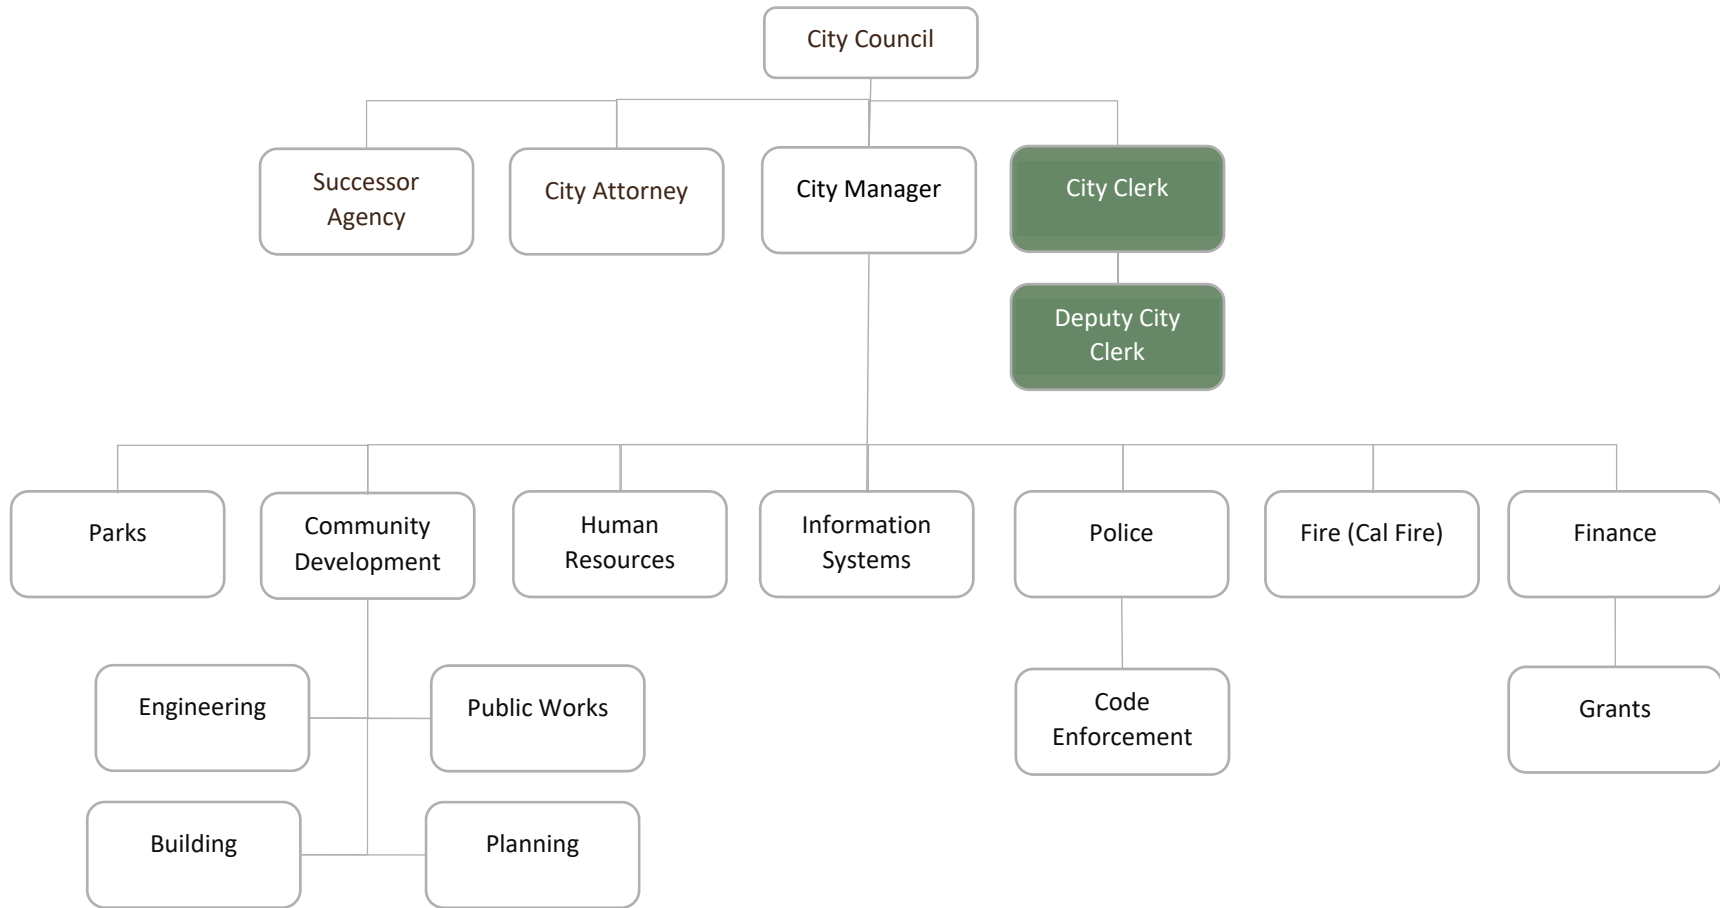

Budget Summary

<i>City Clerk Budget Overview</i>		
	<i>Revised</i> 2018-19	<i>Proposed</i> 2019-20

Department Summary

The City operates under a Council-Manager form of government. The elected seven-member City Council appoints the City Manager to provide executive leadership and oversee the day-to-day business of the City government.

The mission of the City Manager is to provide leadership and direction in the implementation of Council policy objectives and administration of City services and programs, ensuring accountability, community responsiveness, and customer service excellence. The City Manager's Office provides leadership and professional management to the City government organization and works with the Council to develop and implement its policies to maintain and enhance Madera's quality of life. The City Manager's Office adheres to guiding values that emphasize community, stewardship, and public service.

Responsibility

Provides the organizational support and leadership necessary to:

- Implement Council programs and policies to meet the City's current and future needs
- Ensure City operations demonstrate transparency and fiduciary responsibility to the public
- Build a strong service culture
- Maintain a healthy relationship with employees
- Provide ongoing, informative communications to Council and City employees regarding key objectives, challenges and accomplishments
- Provide clear and concise information to the community
- Provide the community with live and recorded access to various public meetings, community forums, local events, public service announcements, social media, etc.
- Foster a positive relationship with a variety of media outlets by releasing notable updates and information promptly and accurately through press releases and media advisors.

Key Accomplishments

During the last several months, the City Manager:

- Transitioned essential leadership and staff positions to ensure the execution of key City Council priorities

- Successfully partnered with the Downtown Business Association and Madera County to implement the Crow Abatement Program
- Updated the annual budget process to provide greater opportunity for staff and Council feedback
- Implemented new measures to provide greater clarity relative to City financing, including Measure K
- Assisted in the successful negotiations of Department Head employment contracts
- Managed the City's State and Federal legislative program to advance City Council and City department goals
- Played an Instrumental role In collaborating with the School District, the City of Chowchilla, and the County to provide a response to the High Speed Rail Authority

Goals & Performance Measures

- Continue to support the Council, the priority setting process, and regular, special, and committee meetings
- Grow the community engagement and transparency efforts to foster authentic civic engagement with residents, organizations and businesses
- Continue to provide leadership and professional management to the City government organization
- Provide timely, accurate, and results-oriented financial and operational reports
- Lead the City's management team to ensure the provision of high-quality, cost-effective, and customer-focused services

- Advance Council priority projects while promoting the high-performance organization initiatives
- Assist in the negotiations with employee associations and labor unions to maintain positive management-labor relations
- Shape the organizational culture to ensure a high performing workforce operating in a rewarding environment, making the City an employer of choice in the region
- Research and implement best practices related to government services and innovation
- Continue to support the Council and departments with Federal and State legislative priorities and goals

Department Fund Summary

The City Manager is responsible for three distinct budgets. They include:

- City Manager's Office
- Central Administration
- Community Promotion

The following is a summary of each:

City Manager's Office

The City Manager's Office budget provides for three full-time personnel to carry out the primary functions of the department. These include the City Manager, an Administrative Analyst, and the Communications Specialist.

The City Manager's Budget proposes the recruitment of a vacant Administrative Analyst position. While the City Council previously approved the position, a budget appropriation was not prepared or approved by the Council.

Central Administration

The Central Administration budget is used to track services provided internally to the organization.

Community Promotion

Community Promotion includes payment to organizations outside of the City. For example, the City contributes towards the Local Agency Formation Commission, the Economic Development Commission, League of California Cities, crowd abatement for downtown, recognition of community events/people, etc.

Budget Summary

City Manager Budget Overview

	<i>Revised 2018-19</i>	<i>Proposed 2019-20</i>
Salaries & Benefits	359,876	360,058
Other Operating Expenditures	37,361	37,051
Total	397,237	397,109

Central Administration Budget Overview

	<i>Revised 2018-19</i>	<i>Proposed 2019-20</i>
Other Operating Expenditures	866,306	880,428
Total	866,306	880,428

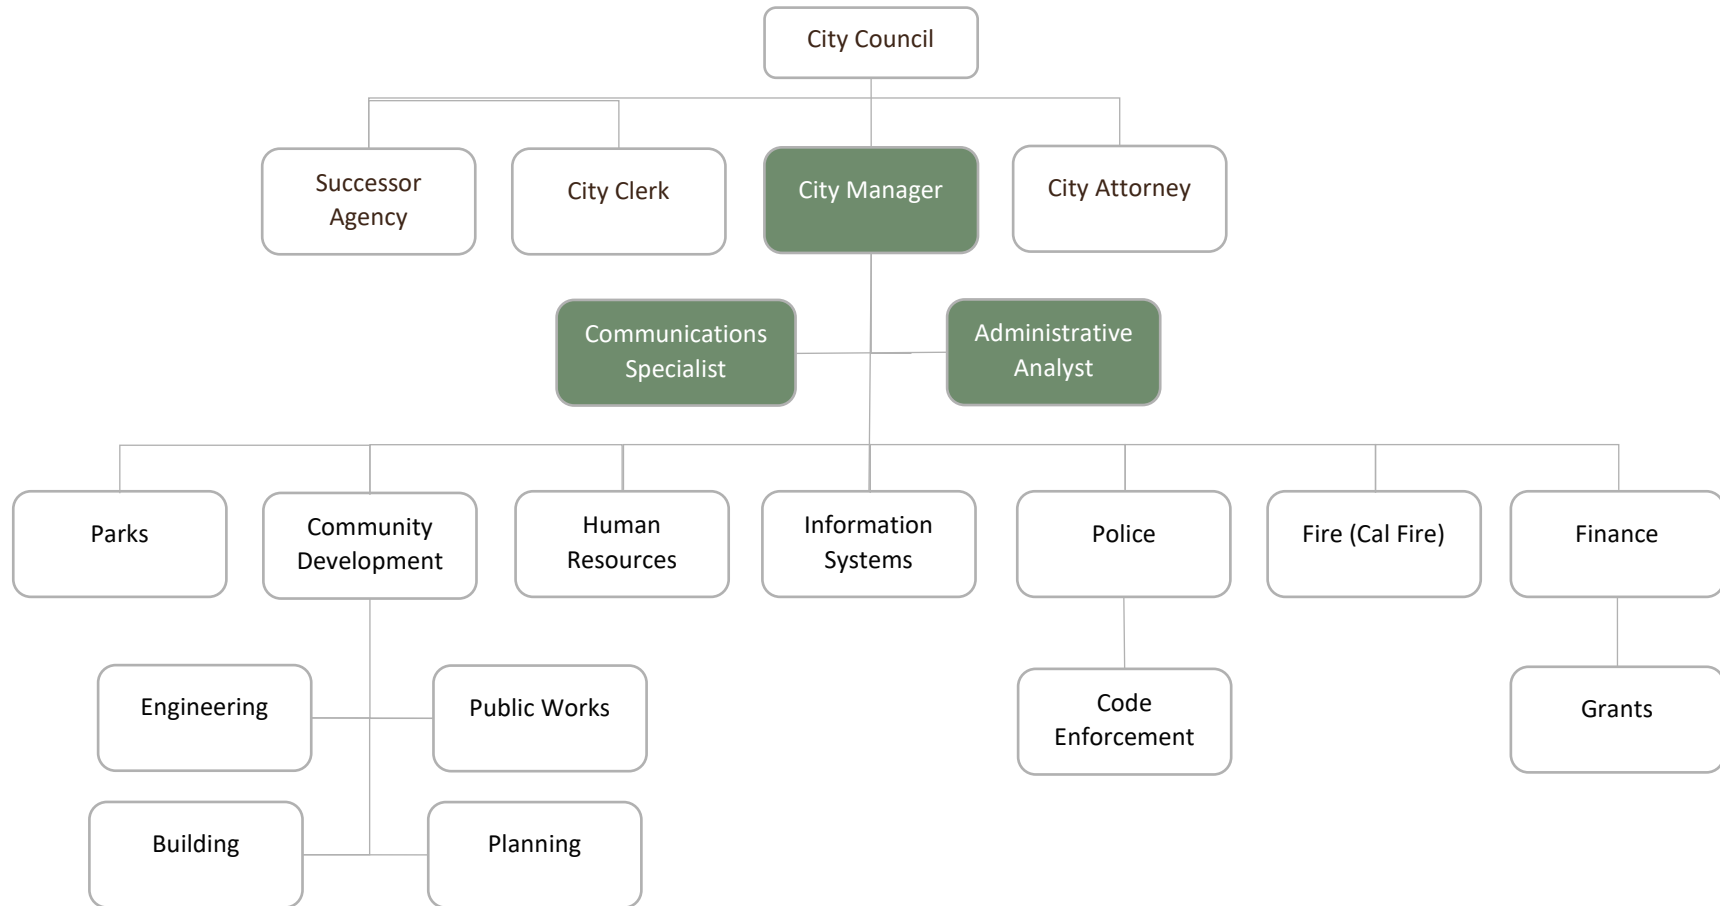

Community Promotion Budget Overview

	<i>Revised</i> 2018-19	<i>Proposed</i> 2019-20
Other Operating Expenditures	239,330	260,000
Total	239,330	260,000

Department Staffing & Structure

The City Manager is one of three appointed positions at the City. The City Manager reports directly to the City Council, as does the City Attorney and City Clerk.

Department Summary

The Finance Department's mission is to ensure that the City of Madera makes sound financial decisions by setting and implementing a strategic financial management plan. The Department takes pride in accomplishing this mission by maintaining individual and departmental credibility; working together as a team; and consistently striving to go above and beyond expectations.

As a full-service finance operation, this Department is responsible for accounting procedures and policies, accounts payable and receivable, budget preparation and administration, annual independent audit preparation and financial statement review, debt issuance and administration, revenue collection, including water, wastewater, solid waste, drainage and street sweeping bills, payroll, business license taxes, parking citations, purchasing, and fleet management.

Responsibility

Provides the organizational support and leadership necessary to:

- Prepare and maintain balanced annual operating and CIP budgets that meet the Government Finance Officers of America (GFOA) program guidelines
- Anticipate potential budget impacts from changing economic conditions, State budget impacts to Madera, impacts from State and federal legislation to the City, and recommend and implement measures to mitigate those impacts
- Administer quarterly budget monitoring meetings with City departments
- Maintain a balanced operating budget for all governmental funds
- Monitor all proprietary funds to ensure that they remain self-supporting, maintaining appropriate reserves, and complying with all bond covenants
- Deliver excellent customer service while paying vendors and employees both timely and accurately
- Deliver superior service to internal and external customers in a fiscally responsible manner
- Ensure that purchases strictly comply with City purchasing policies
- Provide reliable, cost-effective fleet management
- Maintain critical records related to fleet asset inventory and work order history through management of the fleet maintenance database

Key Accomplishments

- Completed the 2017/2018 Annual Financial Audit
- Provided various financial reports to the City Council
- Successfully secured financing for the construction of Fire Station 58
- Recalibrated the budget process
- Retained the services of a consultant to evaluate the City's budget process

Goals & Performance Measures

- Provide timely, accurate, and results-oriented financial and operational reports
- Monitor City's general fund budget every 90 days to evaluate changes in revenue levels compared to expenditure commitments
- Provide financial update reports to City Council, City staff, and the public in a timely manner
- Reassess the City's General Fund Reserve
- Continue a business license compliance audit and discovery effort to ensure a level playing field
- Review opportunities for refunding City debt to maximize debt service savings
- Identify ways to streamline purchasing/contracting by creating template agreements for citywide use, providing training, and reviewing the City's purchasing policies to ensure that the City's purchasing policies reflect contemporary practices
- Maintain and repair the City's general vehicle fleet and related equipment and

administer the vehicle replacement account

- Perform review of underutilized vehicles annually and remove vehicles from fleet that do not meet the minimum usage requirements

Department Fund Summary

The Finance Department is responsible for the following areas:

- Budget
- Accounting
- Utility Billing
- Purchasing
- Fleet

The following is a summary of each:

Budget

Budget includes the preparation, development, and publication of the Annual Adopted Budget as well as the Quarterly Financial Reports. This may also include budget amendments, including the carry-forward of approved budgets for unspent encumbrances and capital improvement projects (CIPs), throughout the year. The Finance team works with all City departments to ensure that actual spending does not exceed Council-approved budget appropriations.

Accounting

The Finance Dept. is also responsible for the development, implementation, and maintenance of effective financial accounting systems and internal controls. The Department provides for management control over the City's financial activity by ensuring

the ability to present a fairly stated financial position of the City in a timely basis. The Accounting staff is responsible for managing the revenue operations of the City and monitoring the City's debt and investment portfolio. It is also responsible for the City's billed receivables including the collection of citywide delinquent accounts.

The Department is responsible for the timely calculation and payment of payroll, payments to vendors, PERS administration and reporting, and retiree health administration and payment.

Utility Billing

The Utility Billing division is responsible for the billing and collection of utility services to the City residents for water, wastewater, drainage, street sweeping, and refuse service. Services include the processing of new service, transfers, payments, delinquency cutoffs, and meter reading.

While the City utilizes Mid-Valley Disposal (MVD) for refuse collection, the City collects payments and distributes funds to the private hauler.

Utility Billing salaries and benefits are paid by the water, wastewater, and refuse service enterprise funds per the following:

- Water Fund: 50 percent
- Wastewater Fund: 25 percent
- Refuse Collection Fund: 25 percent

Purchasing

The Purchasing division manages Central Supply which is responsible for warehousing and prepares Request for Proposals.

Fleet

The Fleet Division manages the purchasing and maintenance of City's vehicles including police cars, construction equipment and other Public Works vehicles. Maintaining these assets in safe, optimal condition not only helps ensure public and worker safety, it reduces overall repair expenses and long-term replacement costs.

The Fleet Maintenance program funds labor, parts, services, and lubricants necessary to maintain the City's fleet of vehicles. This program funds asset replacement and vehicle outfitting. Cost-effective vehicle procurement is achieved through cooperative purchasing agreements and bidding processes. Fleet assets enable client departments to achieve their operational mission in a safe, efficient manner. The Fleet Vehicle Replacement program is funded through a replacement charge for each vehicle or piece of equipment in service, based on the actual costs of vehicle procurement divided by the expected life of the vehicle. Additional revenue is collected from the sale of retired City fleet assets at auction.

The Motor Pool is a fairly new program within Fleet that serves to utilize vehicles more effectively and reduces the need to keep more vehicles on hand than necessary. Employees that only drive City vehicles occasionally can reserve Motor Pool vehicles prior to the need or can check out a car on a walk-up basis. This program allows multiple departments to share the cost of a few vehicles, rather than having individual departments paying for a vehicle that may be underutilized.

Budget Summary

<i>Finance Budget Overview</i>		
	<i>Revised</i> 2018-19	<i>Proposed</i> 2019-20
Salaries & Benefits	563,413	525,472

Department Summary

The Office of the City Attorney provides legal advice and services to the City Council, City staff, boards, commissions, and committees through the preparation of ordinances, resolutions, contracts and legal opinions relating to land use, public safety, and other municipal law matters.

As the prosecutor for the City, the City Attorney protects the health, safety and welfare of the public through the effective prosecution of violations of the Municipal Code. The City Attorney also represents the City, its officers and staff in civil litigation matters and manages the legal services provided to the City by outside legal counsel.

Responsibility

Provide the organizational support and leadership necessary to:

- Provide timely and accurate legal advice
- Operate a highly ethical, efficient and effective office by maintaining a well-trained and experienced staff
- Be an integral part of the City team to avoid or resolve legal issues at the earliest time possible
- Support City staff in carrying out Council's goals, not only by giving sound legal advice, but by assisting in formulating solutions
- Provide opinions on legal questions submitted by the Council, City Manager or other City officer
- Attend Council meetings as well as meetings of other boards and commissions as deemed necessary
- Represent the City in court proceedings and report to the Council on litigation
- Enforce City laws and regulations
- Prepare contracts, forms, and instruments for approval or execution
- Appear on behalf of the City before regulatory and legislative agencies

Key Accomplishments

The City Attorney's Office serves as the top legal advisor to the Council and City staff. Accomplishments may be measured in timeliness of responses, written legal opinions, informal legal opinions, Council communication review, ordinances and resolutions reviewed and/or prepared, public

meetings, litigation representation (Pitchess Motions, Code Enforcement, etc.) and litigation management (major cases resolved and on-going).

Goals & Performance Measures

- Continue to support the Council and prepare to engage during regular, special, and committee meetings
- Provide quality and timely legal advice to all elected and appointed City officials and all major service areas, assisting them in making sound legal decisions to carry out the goals of the Council
- Continue to consult with City departments and make recommendations for liability prevention based on claims received by the City Attorney's Office
- Support a well-informed workforce by continuously providing training programs such as Ethics, PSA Training, Brown Act, Police Internal Training, Workplace Harassment Prevention, Mandated Reporting and New Supervisor Trainings
- Work with the City Clerk's Office to set up formal Boards and Commissions training; also promote and update, as needed, the Brown Act presentation
- Identify ways to streamline purchasing/contracting by creating template agreements for citywide use
- Work cooperatively with Community Development to adopt and support measures promoting housing and private development by updating and/or drafting sound land use ordinances and policies

- Research and implement best practices related to government services and innovation
- Continue to support the Council and departments with Federal and State legislative priorities and goals
- Proactively and strategically provide transactional and advisory legal support for all City services and functions, adding value to all City programs through avoidance of liability and efficient use of resources

Department Fund Summary

The City Attorney's department budget provides for two full-time personnel to carry out the primary functions of the department. This includes the City Attorney and a paralegal. In addition to the City Attorney, the City retains outside counsel. Outside legal counsel is often sought for employment items or specialized fields.

Note that at the time of this budget, the City retained a contract City Attorney and Council was in the process of recruiting either an in-house or contract attorney.

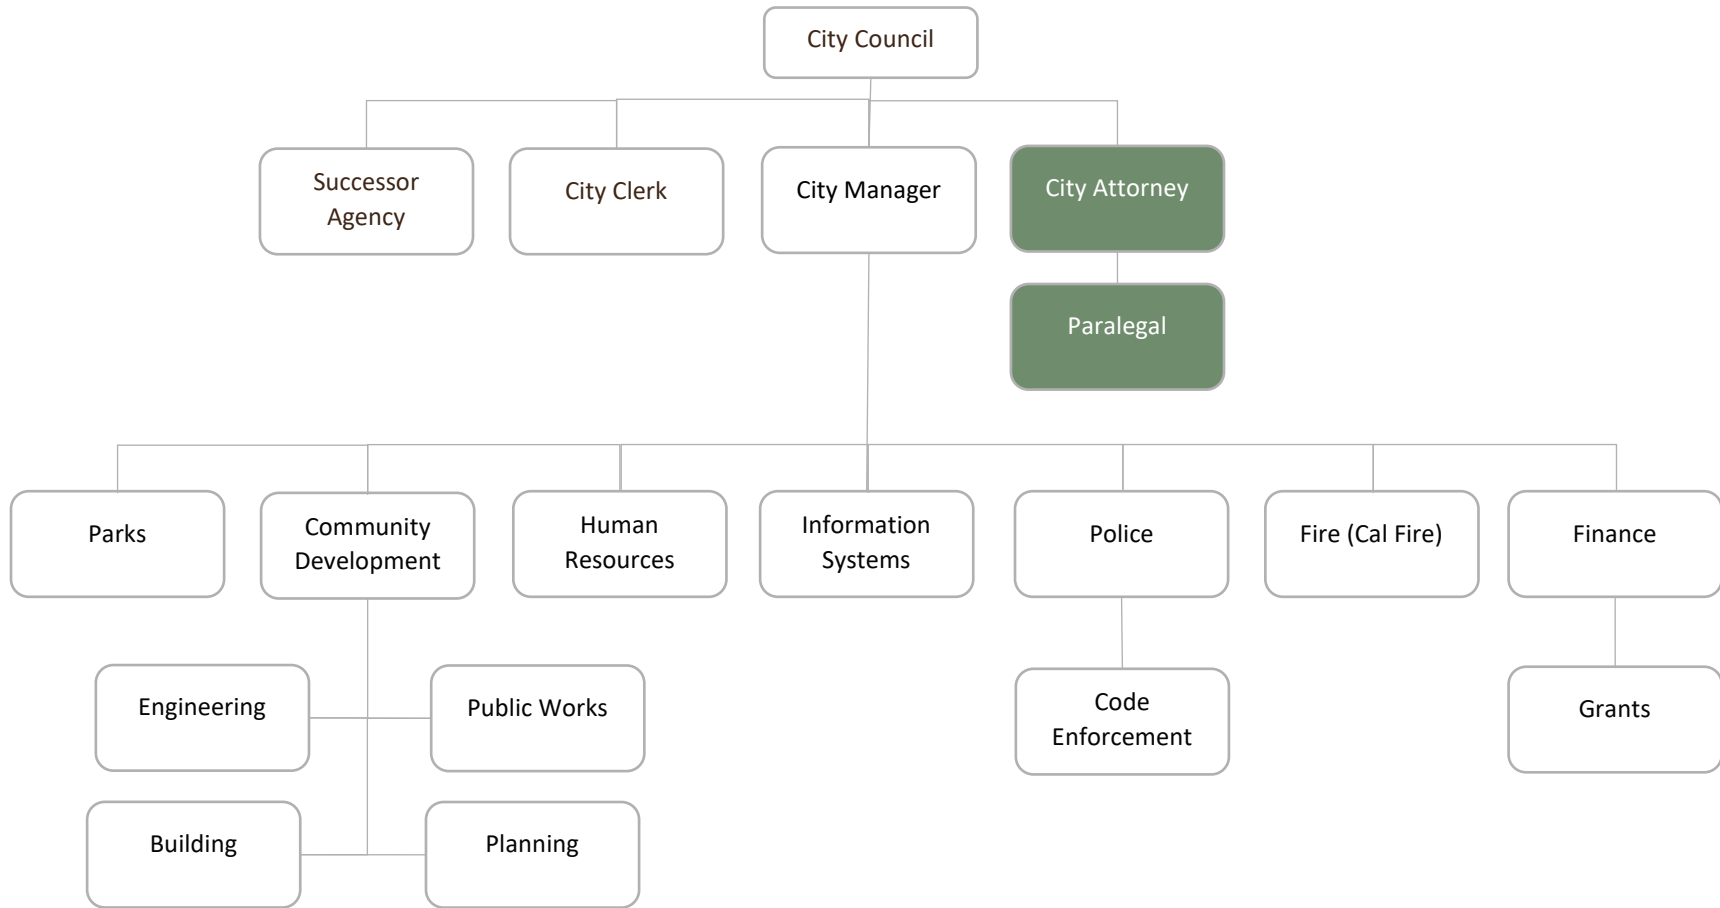

Budget Summary

Department Summary

The Human Resources Department provides services to both internal and external customers of the City. Acting as the City's first point of contact for many individuals, the department strives to put customers in contact with the appropriate person or service the first time.

The Human Resources Department manages personnel, employee relations and risk management programs. These activities include recruitment, employee benefits, personnel records, labor contract negotiations, classification and compensation, training, insurance/self-insurance, and safety/loss control.

Responsibility

The Human Resources Department focusses on:

- Providing comprehensive risk management programs to ensure a safe workplace
- Ensuring well-rounded employee benefit offerings to aid in employee satisfaction and retention
- Recruiting qualified individuals committed to the City of Madera
- Supporting other City departments and individual employees in a fair and open-minded manner while maintaining confidentiality
- Providing training opportunities to improve supervisory skills and employee interactions
- Maintaining open lines of communication with all levels of the organization
- Offering support and assistance in administering benefit programs to assist employees in dealing with work and life changes

Key Accomplishments

Some of the departmental highlights for 2018-19 include:

- Promulgated 29 Civil Service employment lists; onboarded 47 new hires
- Processed and provided ongoing administrative management for 24 tort claims
- Processed and provided ongoing case management for 65 reports of employee on-the-job injuries

- Established an Employee Policy & Benefits Review Committee to provide valuable input on the City's comprehensive benefits package
- Secured a pathway for funding to design and implement an employee wellness program
- Provided an Employee Health & Benefits Fair, putting employees and their service providers face-to-face
- Facilitated quarterly on-site visits from retirement service providers to assist employees with planning for their future

Goals & Performance Measures

- Continue to support our internal and external customers with positive interactions
- Implement online employment applications through a self-service portal, taking our application process paperless
- Develop and implement a new-employee onboarding tour that introduces new employees to all City services and programs
- With the assistance of the Employee Policy & Benefits Review Committee, rejuvenate the City's employee recognition program
- Facilitate opportunities to educate employees on their available benefits and choices

Department Fund Summary

The Human Resources Department administers two separate budgets:

- Human Resources (General Fund 1020)
- Risk Management (Insurance Reserve Fund 1090)

The following is a summary of each:

Human Resources

The Human Resources Department budget captures the operating expenses for the personnel and risk management functions. This includes salaries and benefits for the four departmental staff, as well as operational expenses such as office supplies.

The Human Resources budget is projected to decrease over last fiscal year. This is due to new staff starting at lower steps on the assigned salary range, as well as a decrease in contracted services. The prior year contracted services included one-time funds for the City Manager recruitment and the compensation survey.

Risk Management

The risk management budget in the Insurance Reserve Fund captures retrospective adjustments from the City's pooled insurance program, the Central San Joaquin Valley Risk Management Authority (CSJVRMA). Every year is different; some years we owe and some years we receive refunds, all depending on our claims experience for the program year being adjusted. The City has experienced several years now of high retrospective adjustments in the workers' compensation program. These have now tapered off as the CSJVRMA Board took action to project claims at a higher confidence level in an effort to prevent large retrospective amounts due.

There is an operating budget within the fund that is used to pay for contracted legal services not provided by the City Attorney's office, mostly related to employment claims. There is also a budget line item for City-wide harassment training.

The fund itself maintains a balance designated for claims payment should we have any claims or lawsuits not covered by our insurance. The fund balance is separate from the operating budget.

Budget Summary

Human Resources / Risk Management Budget Overview

	<i>Revised 2018-19</i>	<i>Proposed 2019-20</i>
Salaries & Benefits	478,610	470,453
Other Operating Expenditures	87,649	65,651
Total	566,259	536,104

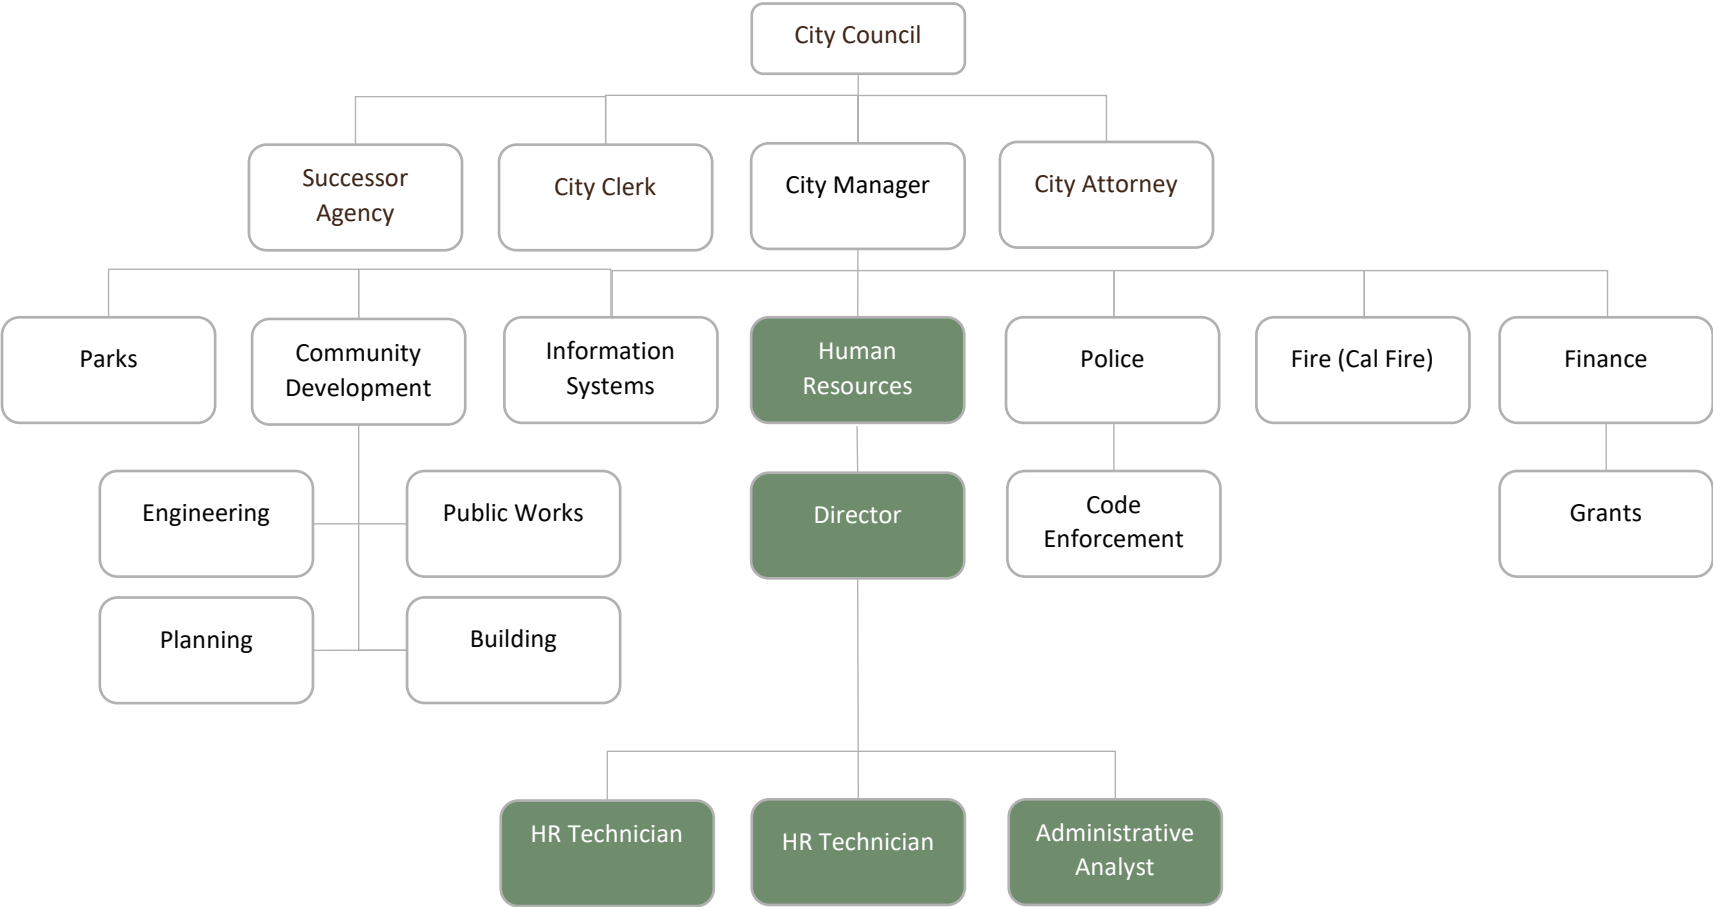

Insurance Reserve Budget Overview

	<i>Revised 2018-19</i>	<i>Proposed 2019-20</i>
Other Operating Expenditures	755,000	115,000
Total	755,000	115,000

Department Staffing & Structure

The Human Resources Department is staffed with four positions. The Director of Human Resources reports to the City Manager and has overall responsibility for the department. The department is also staffed with one Administrative Analyst and two Human Resources Technicians. The diagram below highlights the various areas of responsibility.

Department Summary

Under the direction of Police Chief Dino Lawson are 70 sworn peace officers and 35 non-sworn employees. The Department is broken into three divisions. The Operations Division is the largest division and is comprised of patrol personnel. The Investigations Division is made up of our Detective Unit, Special Investigations Unit, and Code Enforcement. Under the Administration Division is community outreach, dispatch, and non-sworn personnel.

The mission of the Police Department is to reduce crime, fear, and disorder by creating a foundation of superior service delivery, citizen/police partnerships and proactive problem-solving strategies through organizational planning and visionary processes.

Code Enforcement and Animal Control are also part of the Police Department. The Code Enforcement Division is committed to enhancing the quality of life for residents by addressing concerns about unsafe, unhealthy or unsightly conditions in homes, neighborhoods and the entire community. Animal Control enforces animal control laws, responds to animal-related emergency, and routine calls, and takes dead, stray, and abandoned animals to the animal shelter.

Responsibility

The Police Department is tasked with:

- Safeguarding lives and property
- Protecting the innocent against deception, the weak against oppression or intimidation and the peaceful against violence or disorder
- Identifying and apprehending criminal offenders
- Reducing the opportunities for the commission of crimes through preventive patrol and deterrence measures
- Improving the safety of the motoring public through the enforcement of traffic laws
- Forming partnerships with community members and stakeholders to address matters of public safety and concern
- Ensuring that the City is safe and attractive via proactive Code Enforcement
- Maintaining public safety and the wellbeing of animals through the education and enforcement of City, State and Federal animal laws

Key Accomplishments

- The promise of faster response times with the passage of Measure K are being realized. The average response time to emergency calls has dropped by almost two minutes since 2016
- Measure K also allowed the Department to acquire and outfit a neighboring building expanding the Department's footprint and relieving an overcrowding

- Every patrol officer is now equipped with a body-worn camera which garners public trust and the ability to quickly resolve citizen complaints, and helps protect the City against frivolous complaints
- The Department's social media following has grown to over 41,000 allowing it to quickly disseminate information and work collaboratively with the public to solve crimes that may have otherwise gone unsolved. For example, the Department has a weekly feature titled, "#WholsThisWednesday" where surveillance videos of crimes are posted which allows the public to help identify suspects. This program has a success rate of over 60 percent
- The popularity of the Departments community outreach programs continues to grow as applications for the Citizens' Academy, Parent Project, and MadKids Camp well exceeded the number of spots we can host. As a result, an additional three Citizens' Academy classes with one being in Spanish were added
- Participated in 26 Neighborhood Watch meetings and 8 Business Watch meetings
- Received and processed over 124,000 emergency and non-emergency calls for service
- Handled 54,231 events in 2018. An event includes service calls and officer-initiated activities
- In 2018, responded to 1,484 welfare checks, 1,269 burglar alarms, and 2,529 request for assistance
- Responded to 1,165 stray animal calls and Investigated 66 dog bites

- Successfully integrated the Code Enforcement Division within the Police Department
- Implemented a new Code Enforcement tracking system
- Code Enforcement conducted 388 rental housing inspections, handled 308 public nuisance complaints, issued 173 notice-of-violations and 179 citations
- The Investigations Unit handled 837 cases in 2018 and closed 95 percent of the cases in the calendar year
- Arrested 305 persons for driving under the influence
- Completed 38 homeless encampment/river cleanups in coordination with Public Works

Goals & Performance Measures

- Continue to grow the Department's community outreach programs which foster trust and mutual respect
- Pursue technology that allows the Department to be more efficient and effective at deterring and solving crime
- Continue to grow the Department's social media presence which allows the public to take an active role in crime fighting and gives them a voice in how they want Madera to be policed
- Code Enforcement will continue to maintain high levels of responsiveness to reported nuisances through the monitoring and improving upon the division's current performance measures
- Employ improved strategies related to the use of citations, by seeking to implement

strategies to ensure that enforcement costs are borne by the violator and not by the taxpayers

- Expand animal control public education efforts to increase responsible pet ownership and reduce the stray/feral animal population

Department Fund Summary

The Police Department operates under the following budgets and funding sources:

- PD Administration
- Measure K- Police
- Community Corrections Partnership
- School Policing
- PD Housing Authority
- COPS Hiring Program
- Supplemental Law Enforcement Services Funds (SLESF)
- Justice Assistance Grant (JAG)
- Tobacco Law Enforcement Grant
- Animal Control
- Code Enforcement

The following is a summary of each:

PD Administration

The PD Administration budget provides for 52.5 full-time sworn Police Officers and 23 non-sworn personnel to carry out the primary functions of the department. This budget also makes up the bulk of the Department's maintenance and operations costs.

Measure K- Police

The Measure K Police budget provides for 11 full-time sworn Police Officers and three non-sworn personnel. This budget also provides funding to improve Police technology and equipment and plan for the growth of the Department.

Community Corrections Partnership

The Community Corrections Partnership budget funds the cost of one Special Investigations Police Sergeant. The funding source comes from the passage of AB109 in 2011 that effectively shifted the responsibility for the supervision of specified offenders from the state to the counties.

School Policing

The School Policing budget provides for two full-time sworn police officers whose sole focus is the policing of MUSD campuses.

PD Housing Authority

The PD Housing Authority budget provides for one full-time sworn police officer whose sole focus is issues arising from properties under the jurisdiction of the Housing Authority.

COPS Hiring Program

The COPS Hiring Program is a grant from the U.S. Department of Justice which funds the hire of 2.25 full-time sworn police officers who are military veterans.

Supplemental Law Enforcement Services Funds (SLESF)

These funds are a grant from the State of California to be spent on "front line law enforcement services." SLESF funds can be used for salaries, services, supplies, equipment, and administrative overhead. The Department receives \$100,000 annually.

Justice Assistance Grant (JAG)

JAG is federal criminal justice funding to state and local jurisdictions that can be used to support a broad range of state and local government projects, including those designed to prevent and control crime. This year the Department will have \$36,625 of these funds available.

Tobacco Law Enforcement Grant

The California Healthcare, Research and Prevention Tax Act of 2016 (Proposition 56) increased taxes on cigarettes and other tobacco products by \$2.00 starting in April 2017. These funds support local agencies to enforce tobacco-related statutes and ordinances, including efforts to reduce the illegal sale of tobacco products to minors. This year the police department will have \$32,079 of these funds available.

Animal Control

The Animal Control budget provides for two full-time animal control officers who protect and serve the citizens and animals In the City, through education and enforcement of local, State and Federal animal laws.

Code Enforcement

The Code Enforcement budget provides for six full-time Code Enforcement personnel, one part-time Code Enforcement officer, two part-time clerical staff, and one full-time Neighborhood Outreach Specialist.

Budget Summary

General Fund & Measure K

PD Administration Budget Overview

	Revised 2018-19	Proposed 2019-20
Salaries & Benefits	9,607,616	9,861,453
Other Operating Expenditures	1,437,741	1,603,948
Total	11,045,357	11,465,401

Measure K - Police Budget Overview

	Revised 2018-19	Proposed 2019-20
Salaries & Benefits	1,532,050	1,825,192
Other Operating Expenditures	415,833	400,528
Total	1,947,883	2,225,720

Community Correction Partnership
Budget Overview

	Revised 2018-19	Proposed 2019-20

Department Summary

The City of Madera Fire Department remains focused on its core mission: the protection of life and property in the City.

The mission of the Fire Department is to protect life, property, and the environment, through the delivery of innovative and efficient quality emergency management services in our community.

The Fire Department is administered by the California Department of Forestry and Fire Protection (CAL FIRE) pursuant to a cooperative fire protection agreement. Policy direction remains with the City Council. Fire Department staff are CAL FIRE employees. CAL FIRE serves and safeguards the citizens and protects the property and resources of California and provides a multitude of emergency and non-emergency services to the community. Services include:

- Fire suppression and prevention
- Emergency medical assistance
- Rescue, public service assistance
- Fire menace standbys to name a few

The City of Madera has contracted with CAL FIRE since 1993 to provide fire protection services.

Responsibility

Provides the organizational support and leadership necessary to:

- *Serve*: The Department is committed to the safety and well-being of the public and our employees
- *Collaborate*: The Department will build and maintain cooperative relationships across the State and beyond to benefit the public we serve.
- *Protect*: The Department will integrate fire protection, natural resource management, and fire prevention under a single mission on behalf of the State and local communities.

Key Accomplishments

The Fire Department provides leadership and professional organization that prides itself on being proactive, efficient, and effective in its delivery of public safety services with trained and qualified personnel. In addition, the Fire Department:

- Commenced construction on new Fire Station #58, the first new station constructed since 1978
- Received Ladder Truck #58
- Provided orientation training to all City firefighters
- Secured funding to outfit Truck 58 and ordered all of the equipment
- Trained four current firefighters to the truck operation level for the new Ladder truck
- Secured funding for the purchase of firefighting Utility Terrain Vehicle (UTV) to provide better fire protection for the

citizens that live near the river; from Cleveland/Tozer to Riverview/Caitlin Drive

- Successfully mitigated:
 - 2,813 calls for service
 - 1,322 Emergency Medical calls
 - 549 Fires
 - 308 Motor vehicle accidents
 - 222 Assist to other agencies
 - 188 Fire Alarms
 - 106 Public Service Assist (non-emergency calls of service)
 - 83 Fire Menace standbys (emergency calls non-fire or medical)
 - 35 Hazardous Material Incidents
- Led the response in the Yosemite Street Hotel Fire, which included assistance from 9 cooperating agencies and 55 firefighters

Goals & Performance Measures

- Complete construction of Fire Station 58
- Deploy Truck 58
- Recruit 7 new firefighters to staff Fire Station 58
- Train an additional 10 firefighters to the truck operational level
- Repave the parking lot of Fire Station 57
- Reduce response times with the addition of new Fire Station 58
- Work on accomplishing Insurance Services Office (ISO) rating of a Class 3
- In partnership with the Building Department, identify a work plan to

increase annual fire inspections pursuant to SB 1205

- In conjunction with the Police Department, research and apply to State, Federal, and private grant programs to assist in funding Fire Department operations
- Continue effective collaboration with community groups to ensure coordination and integration with local emergency response agencies
- Continue to provide effective fire and life safety education to school-aged children in our community
- Emphasize the prevention of fire and other peril through effective code adoption and enforcement activities in the City

Budget Summary

<i>Fire Dept. Budget Overview</i>		
	<i>Revised 2018-19</i>	<i>Proposed 2019-20</i>
Other Operating Expenditures	3,871,937	4,172,116
Total	3,871,937	4,172,116

<i>Fire Dept. Measure K Budget Overview</i>		
	<i>Revised 2018-19</i>	<i>Proposed 2019-20</i>
Other Operating Expenditures	3,871,937	4,172,116
Total	3,871,937	4,172,116

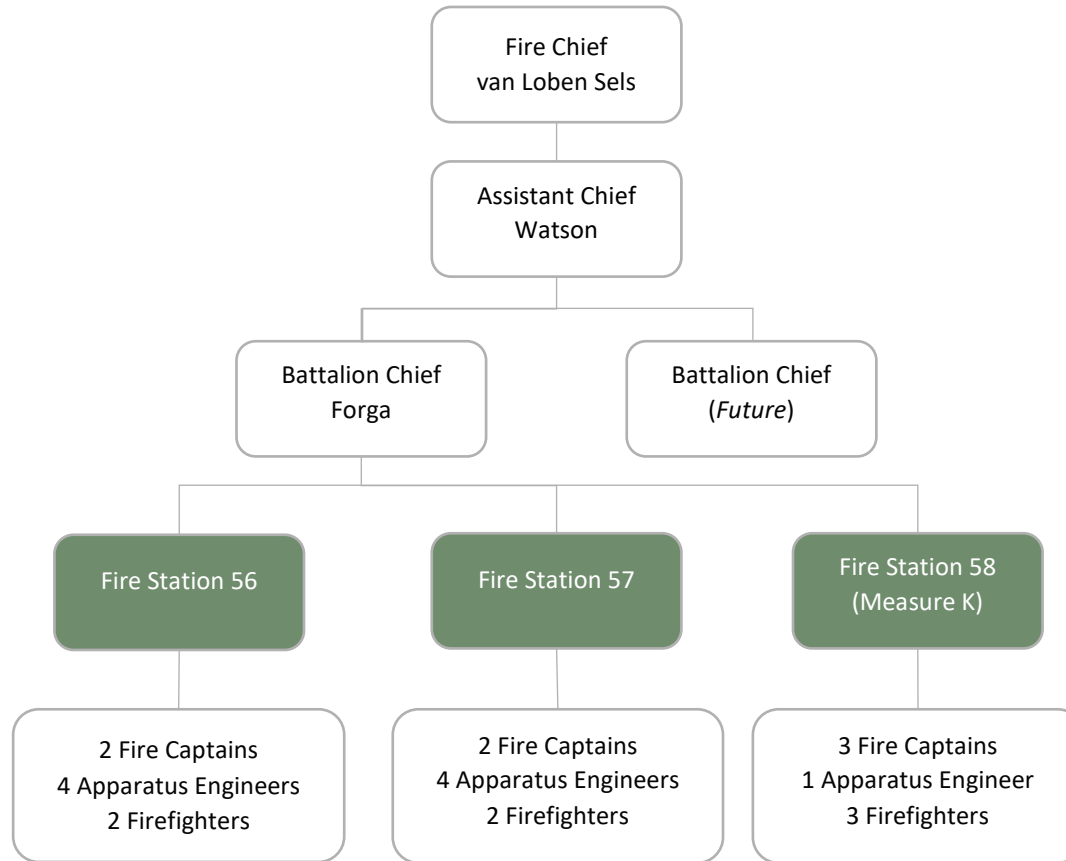

Department Staffing & Structure

Two fire stations are located within the City: Station 56 at 317 North Lake and Station 57 at 200 South Schnoor. Station 58 located at 2558 Condor is expected to open in early 2020.

Currently, each station is staffed with three firefighters at all times. Both Engines, 56 and 57, have 3 personnel. During grass fires, Engine 56 is reduced to 2 firefighters while a Type 6 engine is deployed with a single firefighter. The firefighters are supported by a Battalion Chief. Worth noting is that both stations provide reserve engines and the City benefits from CAL FIRE personnel housed proximally to the City that assist in times of need. The new Fire Station will also be staffed by three firefighters to operate the new ladder truck increasing the total to nine on-duty firefighters at all times, plus a Battalion Chief.

Note that the addition of a second Battalion Chief position is envisioned in the future. Currently, Chief Officer coverage is shared between 1 City of Madera-funded Battalion Chief and 1 Madera County-funded Battalion Chief to maintain 1 Chief Officer on duty 24 hours 7 days a week.

Department Summary

The Public Works Department is one of the four divisions that cumulatively make up the Community Development Department.

The Public Works Department is responsible for maintaining and managing operations of the City's public utility systems. Public Works is composed of the following Divisions:

- Streets and Storm Drainage
- Water and Sewer Collections
- Wastewater Treatment
- Solid Waste and Recycling
- Airport
- Facilities and Electrical
- Administration

The Public Works Department is responsible for the installation, maintenance, and repair of the City's water, sewer, and electrical conveyance systems. Primary responsibility also includes maintaining the Wastewater Treatment Plant and the Municipal Airport. Street repair and maintenance, street sweeping services, and flood control are included within the Public Works Department, as well as administrative functions related to solid waste and recycling activities.

Responsibility

Streets and Storm Drainage:

- Provide maintenance and repair of street systems, including pavement markings, pothole repair, alley grading, and street signs
- Provide street sweeping services and annual leaf cleanup program
- Maintain storm drain systems, including cleaning of drainage lines and inlets, basin maintenance, and emergency flood responses
- Removal and cover up of graffiti

Water and Sewer Collections:

- Deliver a continuous supply of clean, fresh water throughout the City
- Provide routine maintenance of the City's 18 groundwater wells and approximately 200 miles of water distribution pipelines
- Promote water conservation through outreach and customer rebate programs
- Ensure collection and delivery of wastewater to the WWTP
- Provide routine maintenance of five sewer lift stations and approximately 140 miles of sewer collection lines

Wastewater Treatment:

- Maintain the City's WWTP operations
- Implement capital improvement/repair plan to continually improve and maintain mechanical systems critical to the efficient operation of the WWTP

Facilities and Electrical:

- Provide routine maintenance to the City's buildings, equipment, and facilities

- Maintain City-owned street lights and traffic signals
- Provide support for electrical conveyance infrastructure at City wells and Wastewater Treatment Plant (WWTP)

Key Accomplishments

- Completed rehabilitation of Well #20. The well is back online and providing quality water for the first time in seven years.
- Diagnosed and repaired Well #34 during May 2019 after an unexpected mechanical failure. The Water Division worked diligently with the contractor to bring the well back online as soon as possible in anticipation of peak summer water demands
- Partnered with the City Engineering Department to complete extensive road repair and chip seal projects
- Collaborated with City Engineering and contractors to ensure the rapid development of City Well #38 at Love's Truckstop in anticipation of future growth and water demands in this area
- Completed replacement of the Millview Gym roof utilizing funds from CDBG
- Worked with City Engineering and contractors to complete a \$5.8 million two-year rehabilitation project at the WWTP
- Provided project management assistance to facilitate the installation of a new traffic signal and several enhanced pedestrian crosswalk safety measures
- Worked with the Madera Irrigation District to divert irrigation water into

existing ponding basins thereby improving our water recharge efforts

- In cooperation with Mid-Valley Disposal, collected 1,704 tons of refuse, 48 tons of metal, and 1,232 mattresses during the City's annual clean-up
- Installed approximately 142 water meters
- Completed 38 homeless encampment/river cleanups in coordination with City Police Department and Code Enforcement
- Waste Discharge Permit Renewal - Coordinated with the Central Valley Regional Water Quality Control Board to renew the City's waste discharge permit for the Wastewater Treatment Facility
- Continued to implement program recommendations to reduce water loss within the water distribution system
- Issued 953 citations for watering during a non-water period and excessive water waste, as well as 167 verbal warnings
- Worked with Engineering and property owners to implement improved striping and signage to help resolve issues with speed, parking, and traffic control
- Purchased a new Schwarze/Freightliner Street Sweeper utilizing federal funding from the Congestion Mitigation & Air Quality Program (CMAQ)
- Helped organize the parade to recognize the Madera High School championship robotics team
- Repaired 124 leaks in water service lines and water mains

Goals & Performance Measures

- Monitor and evaluate the effectiveness and efficiency of the delivery of services provided
- Implement asset management programs for proper maintenance of City infrastructure
- Complete study and conditions assessment of sewer and water system for long-term capital improvement planning
- Select and implement Asset Management and Preventative Maintenance Management Software for the WWTP
- Complete valve exercising and cross connection survey for half of the City
- Work with groundwater consultant to identify and complete rehabilitation of Well #27
- Work with consultant to perform a study of the water, sewer, and solid waste rates

Department Fund Summary

The Public Works Department is comprised of numerous budgets across seven different funds:

- Streets/Graffiti (General Fund)
- Water Fund
- Sewer Fund (Sewer and WWTP)
- Airport Fund
- Drainage Fund
- Solid Waste and Recycling Fund
- Facilities (Internal Service Fund)

The following is a summary of each:

Streets/Graffiti

The Streets and Graffiti budgets fall within the General Fund. Gas Tax and Measure T are the two main revenue sources for each of these budgets.

Water Fund

The Water Fund is funded by user rate revenue. There are several budgets within the Water Fund: Water Maintenance, Water Quality, Water Conservation, and Water Capital Outlay.

Sewer Fund

The Sewer Fund is also funded by user rate revenue. Within the Sewer Fund are several budgets: Sewer Maintenance, Wastewater Treatment Plant, and Sewer Capital Outlay.

Airport Fund

The Airport Fund is funded by several revenues: hangar and tie down rental fees, fixed based operator land leases, and agricultural land leases. The Airport Fund has both a maintenance budget, as well as a capital outlay budget. Capital projects are largely fund by the Federal Aviation Administration.

Drainage Fund

The Drainage Fund is funded by user rate revenue. It is broken into three budgets: Drainage Capital Outlay, Drainage Operations, and Drainage Flood Control.

Solid Waste and Recycling Fund

The Solid Waste Fund is funded by user rate revenue. Within this Fund are several budgets: Solid Waste Disposal, Street Cleaning, and Tire Cleanup. There are also numerous small budgets that represent

various CalRecycle grants the City receives from the state for recycling programs.

Facilities

Facilities is an Internal Service Fund. It receives Gas Tax revenue to offset the cost of maintaining street lights and traffic signals. The remainder of the costs are then split proportionately throughout each department in the City.

Budget Summary

<i>Streets Budget Overview</i>		
	<i>Revised 2018-19</i>	<i>Proposed 2019-20</i>

Department Summary

The Planning Department is one of the four divisions that cumulatively make up the Community Development Department of the City.

This Department provides professional advice to the City Council, Planning Commission, residents, developers, and businesses regarding policies that guide the physical development of the community. This division is responsible for updating and maintaining the City's General Plan, Specific Plans, Zoning Ordinance and development-related policy documents. It is also responsible for processing various zoning, land use, subdivision, design, and sign applications through required City review and public hearing processes.

Planning staff is available nine hours each day to answer general questions regarding growth and development of the city, and to explain permit review requirements.

Responsibility

The Planning Department is responsible for three distinct planning disciplines followed by a description of each:

- *Ministerial permits:* Processing of sign permits, temporary use permits, zoning administrator permits and other non-discretionary permits.
- *Current development:* applications include conditional use permits, tentative subdivision maps, rezones, variances and general plan amendments, all which require the discretionary approval of the Planning Commission and/or the City Council.
- *Long range planning:* Includes the maintenance of the City's General Plan, including its Housing Element, annexations, Specific Plans, master plans and other documents specific to the future vitality of the City.

The primary function of the Department is to serve as a liaison to the Planning Commission. The Department also:

- Provides exemplary customer service to the citizens of Madera, including at the Planning Department counter, on the phone, in the field, and via email
- Provides dedicated service to the development community, including implementation of the Community Development Department's Project Manager Program
- Implements the 2009 General Plan, the various Specific Plans of the City, and the Zoning Ordinance.

- Processes land division entitlements in conformance with the Subdivision Map Act
- Provides interdepartmental support with the preparation of environmental documentation for Capital Improvement Program projects
- Provides Geographic Information Systems (e.g. maps and data) support to multiple departments within the City
- Presents Small Business Development Workshops periodically
- Provides intellectual support to all departments via preparation of a myriad of deliverables ranging from park design and placement, cannabis industry research, preparation of a smoking ordinance, and spatial analysis regarding infrastructure placement

Key Accomplishments

During the last fiscal year, the Planning Department processed:

- 20 Zoning Administrator Permits
- 38 Site Plan Reviews
- 31 Conditional Use Permits
- 4 Variances
- 11 Precise Plans
- 5 Tentative Subdivision Maps
- 8 Rezones, and
- 4 General Plan Amendments

Those entitlements included:

- The successful AHSC Grant project for downtown housing for low income families and veterans which required general plan amendment, rezoning and

precise plans in support of project construction

- Implementation of the Parks Acquisition ordinance and the inclusion of park lands in three approved subdivisions
- Approval of 5 subdivision maps that create approximately 500 new single-family residential lots
- Approval of over 200 multi-family residential dwelling units in 3 multifamily complexes
- The annexation of 2 areas encompassing a total of 40 acres
- Various improvement projects qualifying for the Downtown Incentive Program, which provided planning fee discounts to the developer approaching \$20,000
- Two job-generating industrial projects - the 120,000-plus square foot Full Throttle Suspension project at the Airport Business Park, and the 65,000 square foot Tranpac project at Freedom Industrial Park
- A five-building Camarena Health Care medical campus in proximity to the hospital
- New retail commercial development at the Bethard Square shopping center and on East Yosemite Avenue
- Continued the planning process for the Village D Specific Plan area

The Planning Department also:

- Collaborated with the Madera County Public Health Department on the adoption of an ordinance updating the smoking regulations in the City to include prohibiting smoking in public parks

- Assisted the Engineering Department with the preparation of CEQA and/or NEPA environmental documentation on 8 CIP projects
- Completed numerous GIS projects in support of City departments, including mapping efforts on topics ranging from Census 2020 participation, to transit route dial-a-ride mapping, to community risk fire prevention analysis, to airport land use compatibility mapping
- Prepared a Community Facilities District Workshop before the Council.

In total, the department processed approximately \$240,000 of planning related entitlements.

Goals & Performance Measures

- Continue to provide exemplary customer service to all segments of the population
- Collaborate wherever possible with other departments to maximize the value of staff
- Successfully apply for SB2 grant funding and receive full funding of the planning grant. Identify other grant opportunities specific to the planning realm and apply for funding where appropriate
- Complete the Village D Specific Plan planning process, to include rezoning of the project area, approval of the specific plan, adoption of the supporting environmental impact report, and annexation of the project area into the City
- Collaborate with Madera County Animal Control In the preparation and adoption of an updated household pet ordinance

- Seize opportunities to engage the citizenry via the presentation of small business development workshops, attendance at community stakeholder meetings, and participation in youth outreach programs (such as the high school "Legacy" program)
- Maintain the highest standards for the timely processing of planning entitlements, assuring that all applications are processed within suitable timeframes and scheduled to the earliest possible Planning Commission
- Provide training opportunities for both staff and the Planning Commission, including attendance at the League of California Cities Planning Commissioners Conference
- Complete the adoption of the updated Zoning Ordinance and the associated update of the Official Zoning Map of the City of Madera
- Respond proactively to the direction of the City Council and the City Manager to positively influence the betterment of the community
- Prepare a Development Impact Fee workshop before the Council

Department Summary

The Building Department is one of the four divisions that cumulatively make up the Community Development Department.

The Building Department ensures the safe occupancy of buildings by verifying construction compliance with building and fire codes, which is achieved through the application and enforcement of State laws and City ordinances governing the construction, use, and maintenance of structures on private and public property. In this capacity, the Building Department administers Federal, State, and Municipal regulations regarding architectural compliance, structural stability, seismic safety, electrical, mechanical, plumbing, disabled access, energy conservation, green building, and tenant protection during construction.

Services provided by the department include public counter permitting operations, plan review, inspections, and maintenance of permit and construction records.

Responsibility

The department is responsible for reviewing all activities associated with on-site construction projects. It administers the building permit process, which includes the submittal of building plans, subsequent plan check for compliance with City and State Building Code requirements, and the issuance of certificates of occupancy. The typical timing of this process varies. Plan review times for expedited projects range between 2-3 weeks, whereas typical projects range between 4-6 weeks. Back checks are typically completed in less than two weeks. The City's Interim Fire Marshal acts as a consultant to the department and performs plan check reviews and field inspections to ensure compliance with the California Fire Code.

Projects that may require a building permit include new construction, remodels, modifications to existing plumbing and/or electrical systems, and heavy mechanical equipment (heating, ventilation, and air conditioning systems).

Certain types of construction and installation projects that do not require a building permit, including:

- Any structure less than 120 square feet without plumbing or electrical work
- Surface treatments (paint, tile, etc.)
- On-site concrete work, not in an accessible path
- Fences that do not require footings

The Permitting Process

- **Over-the-counter:** These permits are common for single-family home owners and are completed with relative ease saving the customer time. Common permits that do not require plan check include water heater replacements, re-roofs, electrical service upgrades, window replacement, and HVAC replacements
- **Plan Check:** More complex permits that require plans, such as new commercial/industrial buildings, new homes, tenant improvements, or extensive house remodels. As part of this process, applicants submit plans identifying proposed improvements. Staff reviews the plans for compliance with State Building codes to ensure that minimum codes are met
- **Inspections:** The Building Division has a 24-hour Inspection Request Line. Inspections requested prior to 6:00 pm are completed the next business day

Key Accomplishments

- The Building Division was active in issuing 1,975 building permits with a total valuation of over \$1.2 million
- Issued 15 red tags (e.g. work without the benefit of permits)
- Responded to two after hour calls as requested by emergency dispatch

Goals & Performance Measures

- Adopt updated 2020 California Building Codes prior to December 31, 2019
- Partner with the Engineering Division to ensure Certificate of Occupancies are

Issued for Fire Station #58 and the Transit Facility

- In partnership with the Fire Department, identify a workplan to increase annual fire inspections
- Ensure compliance with codes for the construction, use, and occupancy of buildings, and all of their affiliated components
- Conduct building inspections and issue certificate of occupancy for new construction
- Continue to provide exemplary customer service and foster great rapport with clientele
- Track issuance of permits, inspections, and certificates of occupancy
- Continue to build a strong relationship between departments and outside agencies
- Explore opportunities to further modernize and streamline operations, including the efficient digitization of building plan prints
- Respond to 100 percent of building permit field inspection on the next-business day basis
- Reduce the Plan Check review period from 4-6 weeks to 3 weeks for 75 percent of all plans
- Reduce the Back Check process from 2 weeks to 8 business days for 75 percent of Back Checks

Annual Inspections

The following table highlights the number of Inspections and Inspection stops.

<i>Work Load Indicators</i>		
Year	2017	2018
# of building inspections	15,226	16,004
# of inspection stops	5,856	6,402

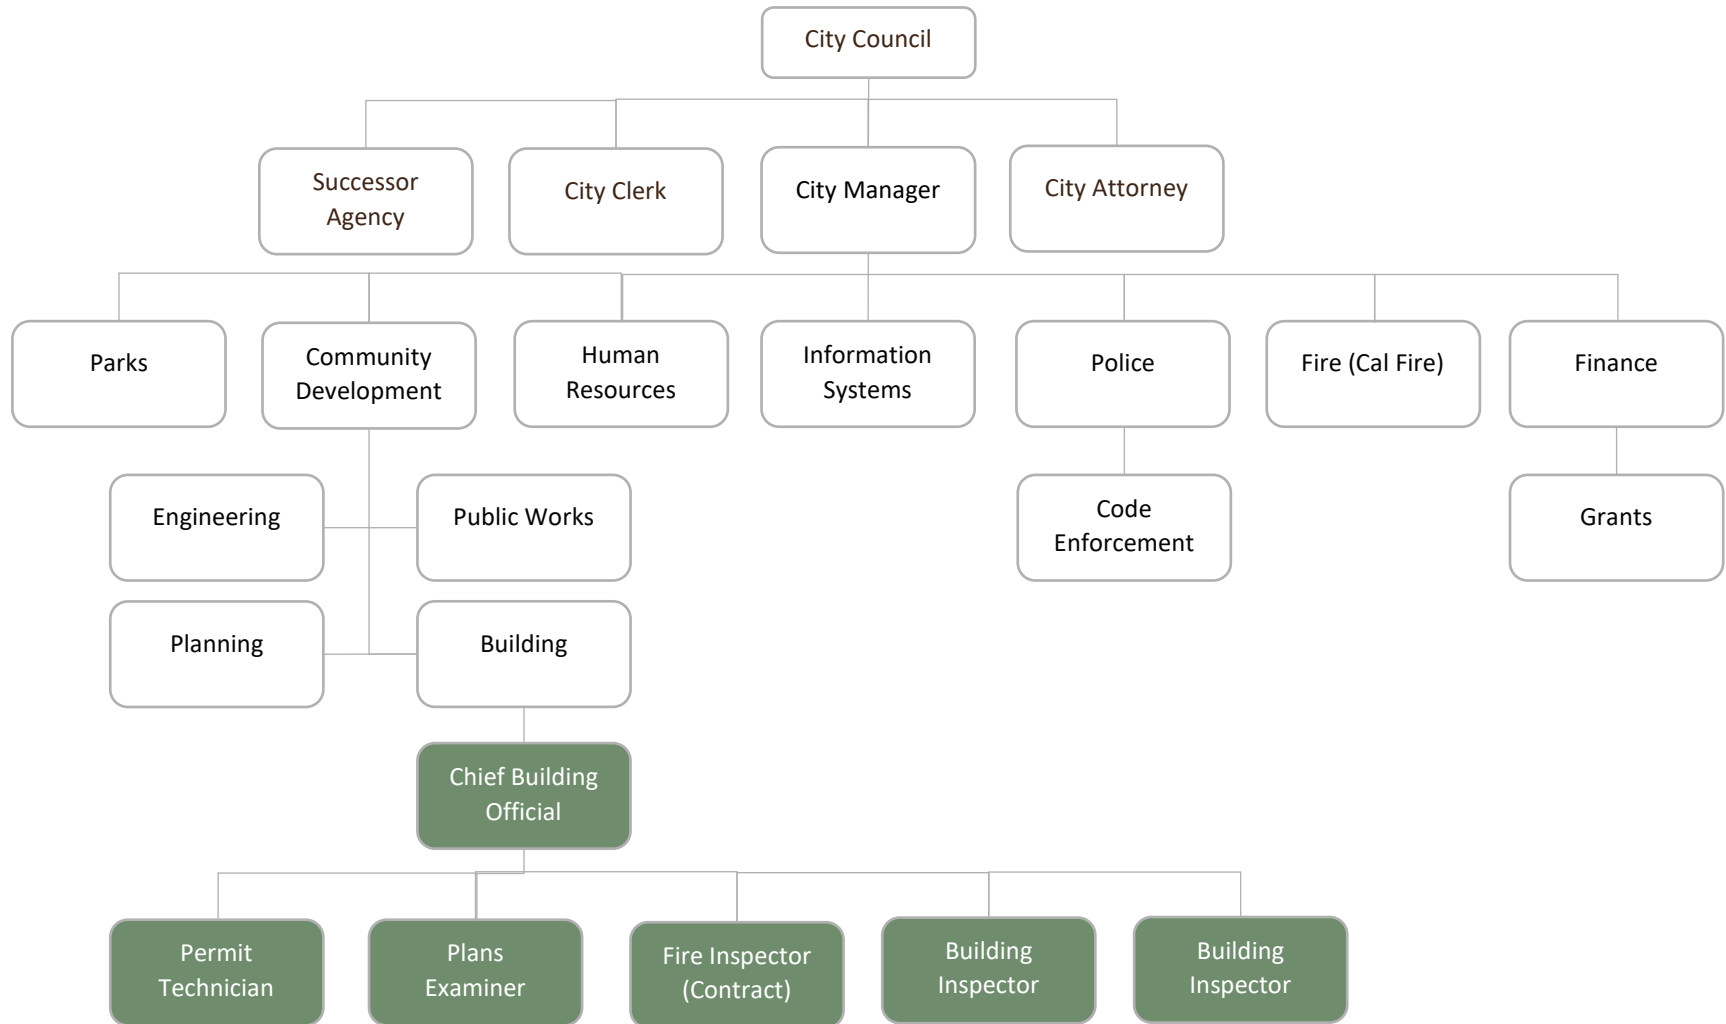

Budget Summary

<i>Building Budget Overview</i>		
	<i>Revised</i> 2018-19	<i>Proposed</i> 2019-20
Salaries & Benefits	612,981	556,748
Other Operating Expenditures	337,181	364,293
Total	950,162	921,041

Department Staffing & Structure

The Building Division has six budgeted positions, five of which are currently filled. One such position, the Fire Consultant, conducts review of plans for compliance with both the California Fire Code and the Building Code.

Department Summary

The Engineering Department is one of the four divisions that cumulatively make up the Community Development Department.

The mission of the Engineering Department is to serve the needs of the citizens of Madera by providing professional engineering services to the community and City government. The department is dedicated to maintaining the highest level of responsiveness which serves to characterize a business-friendly environment to serving our community.

The Engineering Division includes both Inspection and Design. The Inspection team provides construction management and inspection services on private development projects, encroachment permit projects, and Capital Improvement Program projects. The Design team provides engineering and public facility design, plan review, administration, permitting, and construction of public works and development projects, including infrastructure, Capital Improvement Program projects, and replacement projects.

In addition, the Department is responsible for enhancing mobility and safety citywide through ongoing transportation planning, traffic engineering, and signal operations activities.

Responsibility

The Engineering Department, under the direction of City Engineer, is charged with overseeing, planning, designing, and implementation of infrastructure projects.

Some of the Department's functions include:

- Transportation, water, sanitary sewer and storm drain engineering
- Asset management of transportation, drainage and other city infrastructure
- Construction Management & Inspection (CM&I) – manage capital improvement projects and public works contracts for City departments, inspection and oversight of private development grading, storm water and improvements, inspection and oversight of all activity in the public right of way and provides project management and development services for civic projects
- Serve as the construction manager for City projects (i.e. Fire Station No. 58 and Transit Facility)
- Program, plan, design and administer the construction of the annual Capital Improvement Program
- Issue permits for work in the Public-Right-of-Way
- Inspect construction within the Right-of-Way
- Plan check all development plans, parcel maps, subdivision maps including those that impact other department functions
- Manage the NPDES program activities
- Manage traffic engineering and transportation planning activities

- Provide Interagency Coordination with agencies such as Caltrans, County of Madera and Madera Irrigation District
- Implement Council programs and policies to meet the City's current and future Infrastructure needs
- Provide ongoing, informative communications to Council and residents regarding key objectives, challenges and accomplishments
- Provide clear and concise information to the community
- Participation in the Sustainable Groundwater management Act (SGMA) activities that includes preparation of the Groundwater Management Plan (GMP)

Key Accomplishments

The Department accomplishments are most visible in the completion of projects, those that are moving forward at any given time, and assistance provided toward other endeavors of the Council. During the last fiscal year Engineering staff completed the following:

- Provided infrastructure needs for what appears to be a successful AHSC grant award
- Served as project manager for Fire Station 58 (under construction)
- Served as project manager for the Transit Facility (under construction)
- Facilitated 1,275 feet of new sidewalks proximate to John Adams School
- Facilitated 315 feet of sidewalks along Howard Road where ADA accessibility was lacking

- Designed and managed the installation of a new traffic signal at Elm and Yosemite
- Managed construction of Wastewater Treatment Plant Improvements
- Substantial completion of Initial Phases of Sewer & Water Condition Assessments
- Managed various Road Rehabilitation Projects
- Completed or near complete projects during this last fiscal year is \$9,100,000 while the total value of projects under construction is \$12,350,000
- Awarded four consultant contracts; three for preliminary CIP projects and one for the SR 145 (Yosemite Ave) Downtown Main Street Study
- Issued 146 encroachment permits within the public right-of-way

Goals & Performance Measures

- Continue to support the Council and its goals toward a more livable community through, in part, infrastructure that supports the community today and into the future
- Advance Council infrastructure and planning priority projects in a manner that demonstrates the highest ideals of commitment to current and future residents
- Recruit new team members with the goal of reducing project backlog while minimizing impacts to the General Fund through continued allocations of staff time to those projects
- Complete site selection, environmental and preliminary design of new Water Storage Tank project

- Assist Public Works in water well and Lift Station issues (i.e. Well 27 and Cleveland Avenue Lift Station)
- Assist in the preparation of the Village D Master Plan
- Complete a traffic study associated with the planned construction of Almond Avenue between Pine Street and Stadium Road as well as circulation on Stadium Road between Pecan Avenue and Olive Avenue
- Provide ongoing ADA improvements to City sidewalk facilities throughout the City as funding becomes available
- Continue to utilize and update the Citywide Pavement Management System to improve the efficient use of available resources

Department Fund Summary

The Department is responsible for one departmental budget as well as numerous project and program related budgets that are too voluminous to repeat in this summary document. The budget is comprised of multiple funding including:

- Local Transportations Funds
 - Gas Taxes
 - Staff time charges to projects in which staff has been assigned
 - Landscape Maintenance District management fees
 - Drainage System Operations Fund
 - Private Development fees
 - General Fund
-

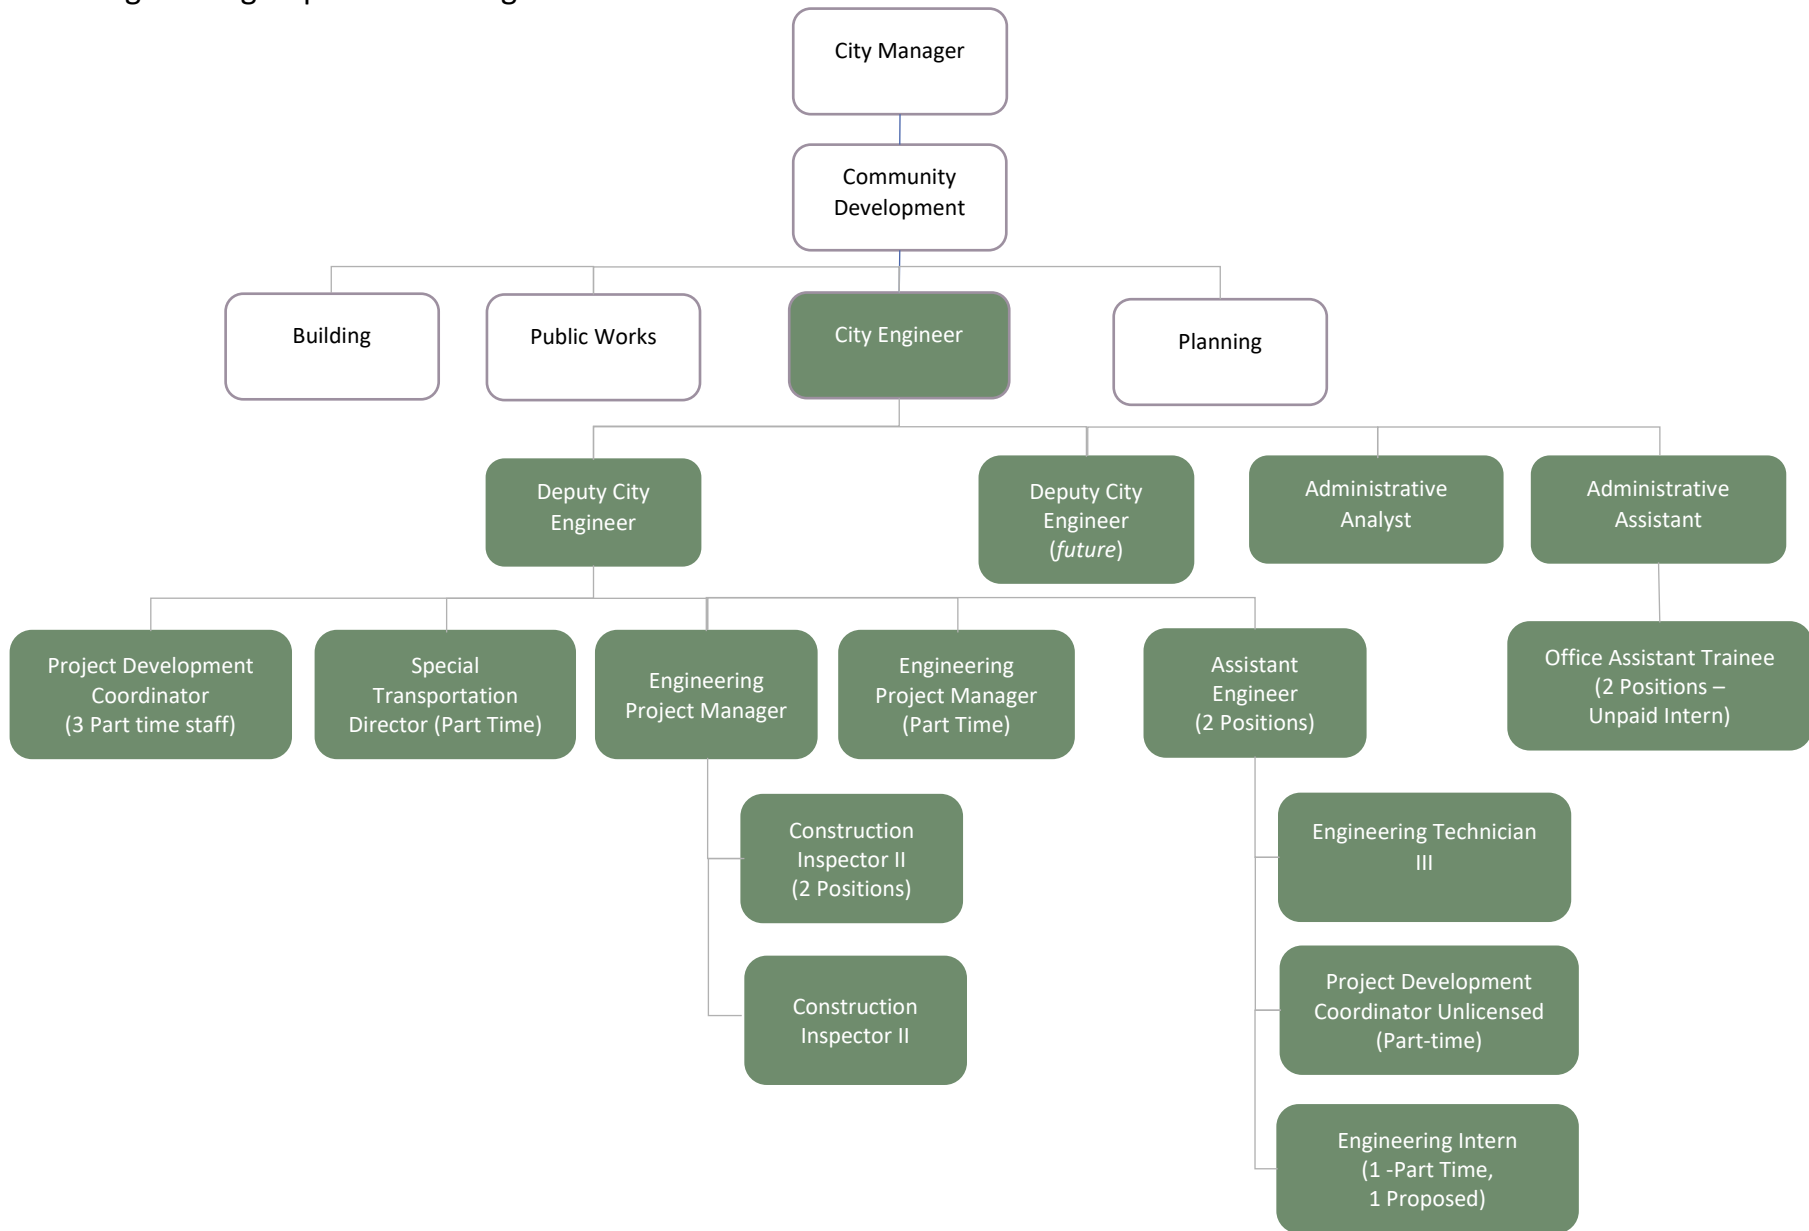

Budget Summary

<i>Engineering Budget Overview</i>		
	<i>Revised</i> 2018-19	<i>Proposed</i> 2019-20
Salaries & Benefits	1,729,580	1,591,010
Other Operating Expenditures	324,355	249,239
Total	2,053,935	1,840,249

Department Staffing & Structure

The department is currently staffed with 11 full-time positions, 7 part-time positions, and 2 part-time trainees provided through a Federally funded program.

Department Summary

The Parks and Community Services (PCS) Department provides a wide range of direct services to the public and is divided into three major operational Divisions:

- Administration
- Recreation & Community Services
- Parks Maintenance

Subdivisions include sports, seniors, aquatics, landscape maintenance districts, median maintenance, and special events.

The three individual Divisions work collectively to provide high quality recreation, therapeutic and leisure services to community members of all ages. The PCS Department also hosts community special events and seeks outside funding to provide programs such as Movies in the Park, the Pomegranate Festival, and community volunteer days.

Responsibility

Administration:

- Development of grant applications and oversight of allocated funds
- Developing departmental policy
- Annual budget creation
- Contract oversight
- Payroll and other human resource management

Recreation & Community Services:

- Oversight and management of recreation facilities, such as community and youth centers, senior centers, an aquatic complex, and a skate park
- Implementation and management of recreation programming for community members of all ages including: educational and leisure classes; youth and adult sports; swimming lessons and other aquatics programming; day camps; after school programs; fitness/wellness programs for all ages; leadership and career preparedness; drop-in recreation programs for youth, including sports, crafts, technology, and audio-engineering
- Nutrition and recreation programs for senior citizens including those with special needs

Park Maintenance:

- Management, oversight, and maintenance of a variety of different sized parks, a cross-City trail system, and other greenbelts and paseos
- Oversee the contractor responsible for the efficient maintenance and operation of the municipal golf course
- Provide oversight of median island landscape maintenance activities Citywide

- Manage and oversee the landscape maintenance activities of the City's 80 Landscape Maintenance Zones (LMZs)
- Oversight, maintenance, and protection of the City's urban forest

Key Accomplishments

The PC&S Department completed a series of key projects and activities that align with the stated goals of the community. Some of these are as follows:

- PCS staff worked in concert with the Public Works Department to begin a pilot grant program with Madera Unified School District for water conservation improvements
- CDBG funding for ADA and lighting upgrades at the John Wells Center have allowed plans and specifications to be developed and construction is set to begin soon
- Partnered with the County Health Department to implement a new smoking ordinance which prohibits smoking in City parks
- For the second year in a row, PCS staff partnered with the Madera District Fair to host the second installment of Fair Camp in June 2019
- Collaborated with City Public Works staff to secure CDBG funding to replace the roof on the Millview Community Center
- Hosted Love Madera and Habitat for Humanity Volunteer days
- Installed soccer field lighting at Sunrise. Rotary Park utilizing CDBG and Chukchansi Grant funds

- Organized and managed approximately 1,200 youth and 800 adults in various sports leagues and tournaments

Goals & Performance Measures

- Continue to seek out new revenue sources to support departmental activities, vision, and goals
 - Develop Memorandum of Understanding specific to user groups and seek Council approval
 - Complete existing capital projects, including the Union Pacific Railroad under crossing and Youth Center lighting and ADA Improvement projects
 - Develop a land banking strategy with the goal of securing land for future park development
 - Analyze participation in recreation leagues and camps with the goal of increasing registration levels
 - Partner with the City Grants Department to develop a Proposition 68 Grant application to fund the build out of Sunrise Rotary Park
 - Reintroduce the 4th of July Golf Tournament
 - Assist in negotiating a successful contract with a third party to manage the Municipal Golf Course
 - Complete a cost for service study to provide measurement data
-

Department Fund Summary

The Parks and Community Services Department is responsible for 11 individual budgets. They include:

- | | |
|------------------|----------------|
| Administration | Aquatics |
| Golf Course | LMD |
| Median Islands | Sports |
| Recreation | Centers |
| Senior Services | Special Events |
| Park Maintenance | |

Administration

The Administration Division is devoted to the management and oversight of the entire PCS Department. Specific functions include management of the department's fiscal, contractual, purchasing, safety, policy and procedure, grant-making, grant management, and marketing.

Aquatics

The Aquatics Program Budget provides for maintenance, operations, and staffing of the City's swimming pool complex. Revenue is received from a variety of sources including swimming lessons, special events, and pool rentals.

Golf Course

The PCS oversees the Golf Course Budget which supports a contract with a private vendor who manages the operations and maintenance of the City's Municipal Golf Course.

LMD's

The Landscape Maintenance District Budget (LMD) is used to support staff efforts to maintain landscaping in the City's 80 distinct

zones. Revenues are made up solely of assessments paid by individual parcel owners with their biannual property tax payment.

Median Islands

The Median Island Budget provides for landscaping maintenance and upkeep of median islands throughout the City. Gas tax is the sole source of revenue for the activities reflected within this cost center for the 2019/2020 Fiscal Year, and this work is contracted out to an outside vendor.

Sports

The Sports Budget reflects revenues and expenditures related to youth and adult sports programming. PCS provides organized, fee-based sport leagues and tournaments for Maderans of all ages. Basketball, softball, T-Ball, flag-football, and soccer are among the Department's many sports offerings.

Recreation

The Recreation Budget reflects revenues and expenses necessary to support staffing, materials, and Maintenance and Operations associated with delivering recreation programs and activities.

Centers

The Centers Budget provides for personnel and maintenance and operations for the Department's community centers. Centers included are: John W. Wells Youth Center, Pan-American Community Center, Bergon Senior Center, Youth Hut, Mexican-American Center, Millview Center, and the Skate Park.

Senior Services

The Senior Services Budget funds the operations of two senior centers and associated programming for senior citizens.

Included in this budget are senior recreation programs, enrichment classes, day trips, and costs associated with providing congregate and homebound meal programs to eligible seniors.

Special Events

The Special Events Budget details revenues and expenditures for community events including Golf Tournaments, Movies in the Park, the Pomegranate Festival, and others.

Park Maintenance

The Parks Maintenance Budget funds full and part-time personnel engaged in the maintenance of all the City's park, trail, and public green space. Day-to-day operations include maintenance of turf, trees, landscape, trails, public restrooms, picnic areas, and pavilions.

Budget Summary

Parks Administration Budget Overview

	<i>Revised 2018-19</i>	<i>Proposed 2019-20</i>
Salaries & Benefits	465,247	379,102
Other Operating Expenditures	68,809	65,323
Total	534,056	444,425

Parks Budget Overview

	<i>Revised 2018-19</i>	<i>Proposed 2019-20</i>
Salaries & Benefits	1,008,210	1,025,029
Other Operating Expenditures	598,703	599,383
Total	1,606,913	1,624,412

Landscape Maint. Dist. Budget Overview

	<i>Revised 2018-19</i>	<i>Proposed 2019-20</i>
Salaries & Benefits	280,505	263,254
Other Operating Expenditures	25,042	24,213
Total	305,547	287,467

Median Landscaping Budget Overview

	<i>Revised 2018-19</i>	<i>Proposed 2019-20</i>
Other Operating Expenditures	119,100	119,100
Total	119,100	119,100

Recreation Budget Overview

	<i>Revised 2018-19</i>	<i>Proposed 2019-20</i>

Department Summary

The Grants Department is part of the Finance Department.

The mission of the Grants Department is to provide exceptional grant administration, resources and development to advance the City's vision and mission.

The Department administers the City's portfolio of grants and pursues additional sources of funding from outside agencies. The Department administers several programs and one division. They include:

- The transit division operates three fixed routes within the City limits and a door-to-door service that extends into specific areas of the County (Madera Metro and Dial-a-Ride)
- The Community Development Block Grant (CDBG) program allocates funding to local agencies to carryout projects and services benefiting city residents
- Housing programs (Down Payment Assistance and Owner-Occupied Rehabilitation)
- Parking District Operations, which ensures that the downtown parking districts have reliable parking during key business hours
- The Madera Downtown Business Improvement Districts (BID), addressing the needs of the downtown businesses

Responsibility

Provides the administration, resources and support necessary to:

- Administer the City's portfolio of grant to ensure Federal, State and local regulation compliance and effective use of grant funds
- Coordinate activities with outside agencies, officials, other departments and commissions to support City's grant funding goals and/or to execute grant funded activities
- Ensure that the transit division's funding and activities align with Council's expectation and direction
- Manage entitlement program processes ensuring compliance and effective use of program funds
- Research new grant opportunities for various City departments and lead or support the grant application and submittal process
- Coordinate and participate in the Block Grant Commission, Transit Advisory Board and Loan Review Committee meetings
- Release relevant program information to the public through press releases, media advisories or by attending television or radio programs
- Provide parking enforcement oversight in the Parking District Operations geographic area
- Serve as the liaison to the Madera Downtown Business Improvement District

¹ For accuracy, calendar year amount reflected, since second half of FY2018/19 grant awards have not been validated.

Key Accomplishments

The Department administers various programs within the department and supports the research, development, submittal, and partial grant administration; such as, reporting, project implementation and grant closeout for other departments. The following is a summary of the accomplishments of the Department:

- Secured \$9.7M in funds for City during last calendar year (2018¹)
- Distributed \$890,189 of CDBG funds to organizations and City departments to carry out 13 projects
- Transit - Provided bus transportation service to 143,788 Individuals on two fixed routes and Dial-a-Ride services²
- Continued operation of Route 3 to MCCC for a second year. Ridership during the first year was 10,321 (FY2017-18)
- Achieved ridership increase of 8.3 percent on fixed route and a decrease of 9.6 percent on Dial-a-Ride yielding a total ridership increase of 3.7 percent for the system (FY16/17-FY17/18)
- Initiated transit system rebranding efforts by adopting a new name for the transit system - Madera Metro
- Secured Federal Transit Administration grant in the amount of \$3.2M to be used for the development of the Transit Center
- Broke ground on the Transit Center for the development of a new transit facility

² Data for ridership is collected for one year prior. These numbers are totals for 2017/18.

estimated construction cost of \$4M slated for completion by end of 2019

- Secured a California Housing and Community Department HOME grant in the amount of \$500K to be used for first time down payment assistance for new homeowners
- Parking Enforcement Downtown District - issued 116 parking citations

Goals & Performance Measures

Grants

- Research new grant opportunities and make applications to expand the grants portfolio by diversifying the type of grants that are submitted, to include a minimum of six competitive applications for other departments; such as Planning, Parks, Engineering, and Public Works departments
- Submit ongoing applications to support the transit system, CDBG, and housing programs

Community Development Block Grant

- Carry out 2020/2024 Consolidated Plan, Analysis of impediments to Fair Housing Choice and 2020/2021 Action Plan input and coordination with consultant
- Work with CDBG-funded program and project applicants for timeliness
- Provide training to CDBG-funded non-profits

Housing

- Apply for HOME and CalHOME grants as notices are released to support residents with housing needs

- Continue to process and use HOME and CalHOME program and recaptured income to issue a minimum of 10 new loans
- Expand marketing efforts to enlist new homebuyer and home rehabilitation prospects as funding for projects allows

Transit

- Continue to monitor and secure Federal and State allocation grants as well as competitive grants as revenue sources to sustain and advance transit services
- Provide contract oversight to ensure the provision of high-quality, cost-effective, and customer-focused transit services
- Improve outreach and communication with the public regarding transit services availability, and opportunities for engagement.
- Aim to increase ridership by four percent system wide

Department Fund Summary

The Grants Department manages the multiple division and program budgets as follows:

General Grants Oversight

This budget will provide the general administration of the City's current grant awards and programs. It will also fund the City's efforts to pursue additional resources and develop new programs.

Transportation Dial-a-Ride

The Dial-a-Ride budget supports a door-to-door transportation system that provides service to all locations in the City and in some locations in the County.

Transportation Fixed Route

The fixed route system provides regular transportation within the City from bus stops along predefined routes. The City operates 2 fixed routes in the City and 1 to Madera Community College Center.

MAX Capital Outlay

The MAX Capital Outlay budget provides for the acquisition of long-term assets such as new buses, development of the transit center, bus stop amenities, etc.

CDBG Administration

This budget provides for the administration of the CDBG grant as well as efforts to promote affordable housing, reduce homelessness and to address impediments to fair housing.

CDBG Public Improvement

This budget provides for the projects that Council has allocated for through subgrantee awards to City departments or agencies to carryout capital projects identified in the 2019/2020 CDBG Action Plan.

CDBG Public Service

This budget provides for the programs and projects that Council has allocated for through subgrantee awards to local agencies to carryout priorities identified in the 2019/2020 CDBG Action Plan.

CalHOME and HOME

These budgets include grants received from the California Department of Housing and

Community Development to carryout housing activities; such as, providing loans for first-time homebuyer down payment assistance or owner-occupied rehabilitation projects.

Parking District Operations

This budget supports the activities carried out by the Parking Enforcement Officer. This non-sworn officer patrols a designated area in downtown and issues citations to motorists who violate vehicle ordinances.

Downtown Business Improvement Districts

This budget accounts for the assessments received from participating businesses which are then used to promote commerce in downtown Madera.

Budget Summary

<i>Grants Oversight Budget Overview</i>		
	<i>Revised 2018-19</i>	<i>Proposed 2019-20</i>
Salaries & Benefits	436,555	474,750
Other Operating Expenditures	47,832	45,022

Department Staffing & Structure

The Grant Department is staffed by a Grants Administrator, two Program Managers, a Grant Specialist, a Parking Enforcement Officer, an Intermodal Custodian (PT), and a Maintenance Worker III (PT). In addition, the department's budgets fund other City personnel costs at full time or a portion of their time, to carryout activities associated with the grants department's projects, which include two Mechanic I in Public Works, Fleet Operations Manager, and an Accountant II.

Department Summary

The Information Services Department operates under the direct leadership of the City Manager. The Information Services Department centrally manages the Information and Technology assets, planning, support and alignment of the City's technology infrastructure with departmental business needs and requirements.

The mission of the Information Services Department (ISD) is to connect employees within the City government and to connect residents to their government. The department strives to promote the effectiveness and efficiency of government and build stronger connections through reliable and secure infrastructure and applications, responsive service delivery, and greater transparency of information.

Responsibility

The ISD provides the organizational support necessary to:

- Maintain the computer, network, and phone systems
- Build a strong, secure internal network
- Provide proactive infrastructure planning, replacement and upgrading
- Provide high level technical problem solving and trouble-shooting
- Provide digital resource management and security
- Ensure that everyone has the technical resources they need to do their job effectively
- Provide clear and concise information to the community, via public applications and customer portals

Hardware maintained by ISD:

- 10 Server Rooms
- 81 Servers/Virtual Servers
- 26 Network Switches
- 12 Phone Switches
- 25 Battery Backups
- 4 Firewalls
- 3 Routers
- 89 Mobile Devices
- 283 Workstations/Tablets
- 4 Large Data Storage Clusters
- 2 Tape Backups
- 247 Desk phones
- 29 Access Points

Software maintained by ISD:

- Munis Enterprise Resource Planning software
- Microsoft users accounts
- Office 365 accounts
- System backups

- Virus protection
- Public safety software support
- Multiple department specific applications.
- Network monitoring

Key Accomplishments

The ISD completed a series of key projects and activities, including:

- Completed the network fiber connection to the Waste Water Treatment Plant at no additional cost to the City
- Upgraded the Munis Enterprise Resource Planning system to the most recent version increasing functionality
- Installed dual monitors for most full-time computer users. This is conventionally thought to increase productivity by 17 percent
- Completed computer upgrade for 2/3 of full-time computer users, with the last 1/3 scheduled to be completed early in this year's budget cycle
- Currently finalizing the upgrade of the entire network to Windows 10 and Office 2016
- Streamlined the Computer Patch Management system to increase productivity and decrease impact on Personnel
- Finalized the lease on the Water Tower for AT&T, with a possible estimated revenue of \$655,000 to the City over 25 years
- Obtained the Madera.Gov domain name and built a consistent brand using the new Madera.Gov website address, email signature lines, and social media

- Created a project plan and estimated the budget necessary for digitizing City documents for three departments

Goals & Performance Measures

The following ISD strategic projects are the main department goals for this year. They either enable better service delivery citywide, mitigate a potential critical failure, or create the potential for significant citywide savings.

- Replace the aging wireless backhaul system with a public safety frequency to better facilitate the communication between buildings and the addition of video policing cameras
- Finalize the desktop computer upgrade of full-time personnel, thereby increasing productivity and security
- Replace two aging core switches at City Hall and the Police Department and upgrade to a model that has built-in redundancy to avoid system failure
- Upgrade the battery backup system at City Hall and the batteries at the Police Department for better power failure protection
- Implement a geographic information system server throughout the city for use with the Munis ERP programs and enable staff to maximize use of the field worker apps that are part of the new ERP software
- Refresh the network monitoring system, critical network tool and help desk software systems to decrease response times for computer, server and network issues

- Research and implement best practices related to information services and innovation in both software and hardware
- Recommend new technology that will help support the City's service delivery and communication with the public
- Continue to support the City departments with the all aspects of their technology needs in a timely and effective manner
- Implement Munis Customer Self Service and Munis Incident Management to allow the public to interact directly with City departments to pay bills, report issues such as animal control complaints or pot holes and many more features
- Launch the Madera Transparency Portal which will provide the public current access to view the City's financial information
- Complete the implementation of the Munis ERP software to allow the final shutdown of the City's 25 year old legacy system and move Utility Billing into the Munis system

Department Fund Summary

The Information Services Manager is responsible for two distinct budgets:

- Computer Operations and Maintenance.
- Computer and Equipment Replacement

The following is a summary of each:

Computer Operations and Maintenance.

The Computer Operations and Maintenance budget provides for servicing and maintaining all the technology equipment owned by the

City. All City departments are supported by minimizing costs, maximizing uptime, the regular refreshing of equipment, updating of software, and the use of support tools.

Computer and Equipment Replacement

The Information Systems Computer and Equipment Replacement budget is a fully funded internal service fund. All current Information Services equipment has been inventoried, assigned a replacement value, and assigned a replacement life-cycle. This will ensure that costs are allocated to departments correctly and that all IS assets will be funded and regularly replaced. A replacement fund is maintained to ensure funds are available when needed. Pro-rated annual contributions are made by the departments to this fund based on capital cost and expected life of the equipment.

Methods of Maximizing City Funds

With the constantly changing nature of technology it is imperative that this Department focuses not only on new technology, but in maximizing the actual return of value for expenditure as that technology is implemented:

- Reusing old servers for non-critical applications. Approximate savings of \$128,500
- Refreshing and repurposing desktops for computer labs and low-use computers. Approximate savings of \$35,800
- In-house installation, repair, and upgrades. Approximate savings of \$10,000-\$25,000

- Self-warranties on serviceable and non-critical equipment. Approximate savings of \$21,600
- Competitive bidding and individualized quotes. Approximate savings of \$40,000
- Preventative maintenance. Savings undeterminable

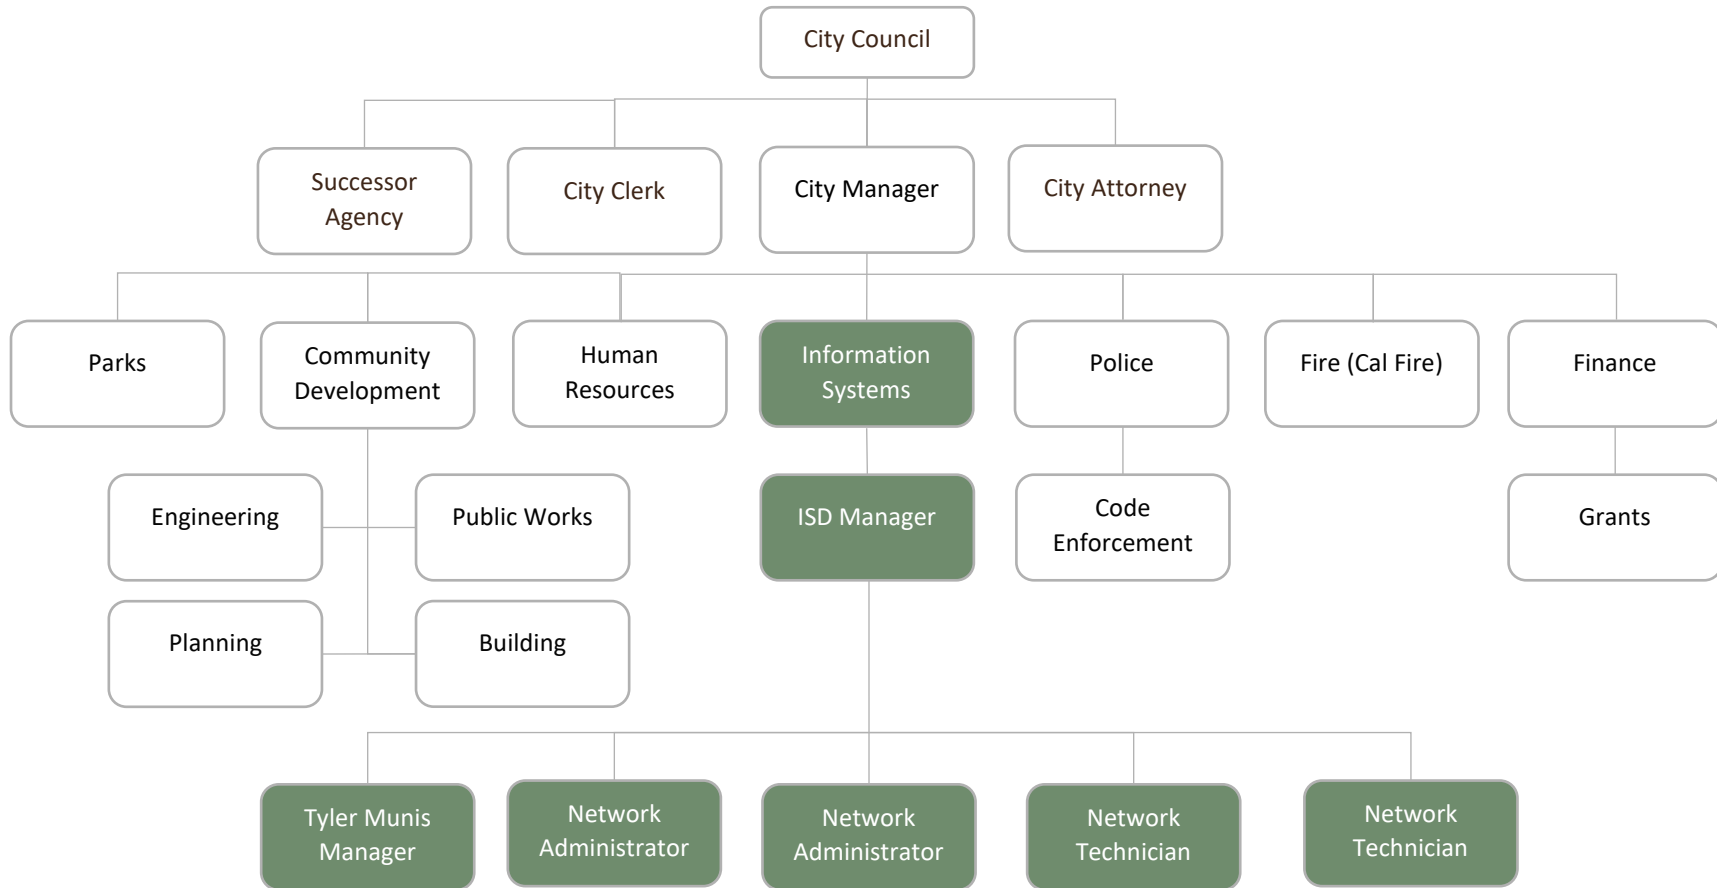

Budget Summary

<i>Information Services Budget Overview</i>		
	<i>Revised</i> 2018-19	<i>Proposed</i> 2019-20
Salaries and Benefits	570,250	580,380
Other Expenditures	736,217	732,530
Total	1,306,467	1,312,910

Department Staffing & Structure

The Information Services Manager is a Department head level position and reports directly to the City Manager. All other members of the Information Services Department report directly to the Information Services Manager. The other positions include the Tyler Munis Project Manager, two Network Administrators, and two Network Technicians.

Project Details.....PDS-1

Capital Improvement Plan Fiscal Years 2019-20 to 2023-24

As part of the City of Madera's budget funding for the Capital Improvement Plan (CIP), the five-year plan is prepared and organized by staff from the Engineering Department and presented to the Planning Commission for conformity.

The following criteria were followed in creating the CIP:

1. Projects represent improvements, studies or tasks that may advance a physical or operational improvement
2. Projects cycle through five-year timeline
3. Projects budget a minimum of \$5,000

The CIP is composed of departmental needs that focus on City objectives and fiscal capacity, a coordination of efforts to increase efficiencies, and as an information source for the public.

Projects included in the CIP involve the Airport, Community Development, Engineering, Fire, Parks and Community services, Police, Water, Sewer and Drainage (Public Works), Successor Agency, and Transit departments within the City.

The CIP is a progressive and continuous plan that is updated annually and presented to City Council for input, direction, and approval. The CIP is a useful planning tool to match projects with programmed funds and ultimately, be included in the annual budget proposals.

The Engineering Division enters the information needed to generate the attached report utilizing the software program, PlanIt.

City of Madera, California

Capital Plan

'19/'20 thru '23/'24

AIP-0028 T-Hangar Development Phase 1	Project Number:	AIP-0028
--	------------------------	-----------------

Project Cost: \$730,000	Project Manager: John Scarborough
Category: Airport	Phase: DESIGN

Description: Construct pavement and infrastructure appurtances to support new Tee hangars.
 Collector Taxiway (35' x 355')
 Tee Hangar Taxiway (25' x 1,015')

Justification: Construction of additional taxiway and apron to facilitate the development of additional Tee hangars to accommodate additional aircraft at the airport.

AIP-0031 Apron & Taxiway Drainage	Project Number:	AIP-0031
--	------------------------	-----------------

Project Cost: \$1,235,000	Project Manager: John Scarborough	
Category: Airport	Phase:	

Description: Engineering Design and construction for apron and taxiway drainage.

Justification: Drainage between the apron and taxiway is insufficient and needs to be upgraded.

Expenditures	'19/'20	'20/'21	'21/'22	'22/'23	'23/'24	Total

AIP-0035 Extend Runway 12-30 & Taxiway P **Project Number: AIP-0035**

Project Cost: \$500,000 **Project Manager:** John Scarborough
Category: Airport **Phase:**

Description: Rehabilitate existing Runway 12-30 pavement, extend the runway and taxiway P.

Justification: Extending the runway will allow the Airport to support larger aircraft and allow the airport to grow.

Expenditures	'19/'20	'20/'21	'21/'22	'22/'23	'23/'24	Total

AIP-0039 Obstruction Removal **Project Number: AIP-0039**

Project Cost: \$320,000 **Project Manager:** Mary Church
Category: Airport **Phase:**

Description: Mitigation and/or removal of orchard on the west side of Runway 12-30.

Justification: FAA and Caltrans Division of Aeronautics have identified a potential obstruction in the existing orchard on leased property located on the west side of Runway 12-30 of numerous trees that are 12 to 25 feet above ground level. They have a potential impact on the 7:1 transitional surface of FAR Part 77.

Community Development

CD-00001 City Hall Relocation & Expansion	Project Number:	CD-00001
--	------------------------	-----------------

Project Cost: \$19,883,000	Project Manager: David Merchen
Category: Buildings	Phase:

Description: Relocation and expansion of City Hall to accommodate medium-to long term projected growth.

5.4 Acres of Land for Buildings and Parking
 53,000 Square Feet of Building Area
 Fixtures, Furniture & Equipment

The relocation and expansion of City Hall will occur in conjunction with community growth as demands for service exceed the capacity of existing facilities.

Justification: Additional City Hall space is required to accommodate medium to long-term projected growth.

R-000067 Pecan Ave Shoulder Paving **Project Number: R-000067**

Project Cost: \$681,900 **Project Manager:** Randy Bell
Category: Street Construction **Phase:** DESIGN

Description: CMAQ project to pave 4' to 8' wide shoulders between Pine Street and Golden State Blvd. where missing. (Does not include segment along north side between Stadium Road and Monterey Street because of utility conflicts).

Justification: Air District Reg VIII requires local agencies to stabilize unpaved road shoulders to prevent PM-10 fugitive dust emissions. Added safety benefit of paved shoulders on roadway serving high school and commercial/industrial areas.

R-000073 Washington School Sidewalks **Project Number: R-000073**

Project Cost: \$470,775 **Project Manager:** Victor Aldama
Category: Street/Sidewalk **Phase:** DESIGN

Description: The project consists of the installation of concrete sidewalks with ADA compliant corner ramps and drive approaches, clearing and grubbing, and relocation of power poles. The project is located on Lincoln Avenue, South Street, and Austin Street adjacent to George Washington Elementary School.

Justification: Heavy pedestrian traffic volumes using the proposed improvement areas. There are currently no sidewalks installed at the proposed locations. The improvements would provide ADA accessibility to pedestrians using this routes to get to George Washington Elementary School.

S-000012 Schnoor Ave Trunk Sewer Rehab	Project Number:	S-000012
---	------------------------	-----------------

Project Cost: \$1,713,000	Project Manager: Ellen Bitter
Category: Sewer	Phase: DESIGN

Description: Rehabilitate the Schnoor Ave. Trunk Sewer System beginning at sewage pump station on Cleveland Avenue and going south, crossing the Fresno River, and ending at 4th Street. Technical memo prepared October 2013 by Akel Engineering in conjunction with Master Plan Update presented as Appendix D contains detailed information and recommendations. NOTE: Segment across river has not been evaluated. 4th Street to Industrial completed in 2016.

Justification: Extend useful life of sewer trunk main.

TS-00029 Stadium Rd/Gary Ln Hawk Pedestrian Signal **Project Number: TS-00029**

Project Cost: \$154,550 **Project Manager:** Victor Aldama
Category: Traffic Signal **Phase:**

Description: Installation of Hawk pedestrian signal at intersection of Stadium Road and Gary Lane.

Justification: Stadium road currently consists of two lane roadway, but is planned for a four lane roadway in the future. The road already includes two lanes southbound south of this location. Four lane roadways are inherently less safe than two lane roadways when it comes to crosswalks. Currently, the crosswalk at Stadium Road and Gary Street is experiencing heavy traffic volumes from multiple schools between Pecan and Olive with similar schedule of protection than what a lesser form of protection such as Rectangular Flashing Beacons might provide because of the factors discussed previously. The proposed Hawk Pedestrian Signal represents the next level of pedestrian control and is believed to be the most appropriate measure for pedestrian safety at this location.

W-000026 Water Tower Demolition **Project Number: W-000026**

Project Cost: \$595,000 **Project Manager:** Victor Aldama
Category: Water **Phase:**

Description: Remove existing water tower located at the Frank Bergon Senior Center (238 S. "D" Street) and perform environmental remediation of the dismantled pieces for proper disposal.

Justification: The expense of restoring the water tower structurally and environmentally has been estimated by the Public Works Department to be in a ballpark area of \$1,000,000 - well over the estimated removal costs. These funds do not presently exist which would leave the current safety concerns in place until such fund could be secured, if ever.

W-PS-001 Ave 17 & Lake Pump Station/Tank	Project Number:	W-PS-001
---	------------------------	-----------------

Project Cost: \$6,732,000	Project Manager: Ellen Bitter
Category: Water	Phase: DESIGN

Description: Construct 4,300 GPM pump station in conjunction with a 6.75 million gallon tank at or near Avenue 17 and Lake Street (Road 27)

Justification: Near Term - . Tank and pump offsets impacts of drought conditions when municipal wells exhibit reduced capacity during peak hours
 Long Term - Provide storage and pumping capacity on east side of city given majority of pumping is proposed to occur on the west side of the City per the Water System Master Plan.

Prior	Expenditures	'19/'20	'20/'21	'21/'22	'22/'23	'23/'24	Total

W-PSW-45 Almond Ave Water Main, Pine-Stadium **Project Number: W-PSW-45**

Project Cost: \$276,000 **Project Manager:** Ellen Bitter
Category: Water **Phase:**

Description: Install 2,600-feet of new 12-inch water line to connect to an existing 12-inch water lines to the east and west

Justification: This segment is designated as missing in the Water System Master Plan. Missing lines typically provide redundancy should one line need to be turned off. They also increase efficiency resulting in higher pressure.

Police Department

PD-00001 Police Station Parking Lot **Project Number: PD-00001**

Project Cost: \$300,000 **Project Manager:**
Category: Public Facility **Phase:**

Description: Police station parking lot reconfiguration at the SW corner of C Street and 7th Street.

Justification: The police department has purchased the vacant lot next door and just north of the PD. The PD has also purchased the Madera Radio Dispatch building behind the PD. We need maximize the use of the land, even if that means moving gates eliminating existing landscaping and paving those areas.

W-000031 Manual Read Water Meter Replacements/AMR **Project Number: W-000031**

Project Cost: \$1,800,000 **Project Manager:** Ellen Bitter
Category: Water **Phase:**

Description: Replacement of over 600 manual read commercial, multi-family and residential meters of various sizes with automatic read meter.

Justification: Current meters are over 20 years old. The average life expectancy of a meter is approximately 20-years depending on amount of water usage. The majority of these meters are commercial and multi-family with some residential in gated communities. Due to the age of the meters, it is probable that the meters do not read accurately, therefore the City is not receiving the full potential of revenues for water consumption. The registers on some of the meters have become worn and damaged making it difficult or impossible to obtain accurate readings.
