SUBJECT:

2019/2020 Community Development Block Grant (CDBG) Consolidated Annual Performance and Evaluation Report (CAPER) and Financial Summary Report

RECOMMENDATION:

Conduct the Public Hearing and adopt the Resolution approving the submission of the 2019/2020 Community Development Block Grant Consolidated Annual Performance and Evaluation Report and Financial Summary Report

SUMMARY:

This report:

- Provides an overview of US Department of Housing and Urban Development (HUD) regulations pertaining to the CAPER, public noticing requirements and requests for public comment.
- Outlines progress made using CDBG funds during Program Year (PY) 2019/2020 (July 1, 2019 to June 30, 2020).
- Reflects City of Madera's (City) performance of its CDBG Action Plan.

Staff recommends submission of the report to HUD, which is a requirement that must be adhered to, to be eligible to continue to receive and use CDBG funding.

DISCUSSION:

The Consolidated Annual Performance and Evaluation Report (CAPER) is required of all jurisdictions that receive CDBG entitlement funds from the U.S. Department of Housing and Urban Development (HUD). The purpose of the CAPER is to highlight the City's success in using CDBG funds to meet the housing and community development goals contained in the City's Five-year Consolidated Plan. The City's grant allocation for the 2019-2020 Program Year (PY) was \$828,253.

Submission of the CAPER is due to HUD within 90 days after program year-end on June 30, 2020; however, due to the COVID-19 pandemic, HUD extended the due date for an additional 90 days; therefore, requiring submittal by December 30, 2020.

As required by HUD regulations and the Citizen Participation Plan (CPP), staff obtained citizen participation for the CAPER by publishing bilingual public hearing notices inviting the public to provide input. Adherence to its approved CPP is required by HUD, for jurisdictions receiving CDBG funds to solicit and obtain input primarily from low- to moderate-income residents. The public hearing notices were published on Saturday, November 14, 2020 in the Madera Tribune. The notices contained details about the date, time, and location for the public hearing. Each notice stated citizens’ comments may be submitted in person and in writing until 5:00 p.m., Tuesday, December 1, 2020. No comments were received as of the writing of this staff report.

The City has a total balance of CDBG funds of nearly \$1.9 million, which is an accumulated balance of grant funds awarded since the 2014/2015 program year, and includes the 2020/2021 allocation. Table 1 provides the specific year balances consist of remaining grant amounts.

Table 1: Accumulated balance	
<i>Program Year</i>	<i>Amount</i>
2014/2015	\$15,464.72
2015/2016	\$9,949.38
2016/2017	\$270,576.29
2018/2019	\$269,021.05
2019/2020	\$420,387.94
2020/2021	\$911,586.00
Total	\$1,896,985.38

During FY 2019/2020, the City spent \$648,599 through June 30, 2020. While not all expenditures were drawn down during that year, agencies are making progress in completing projects under that year’s allocations and the remainder of the allocation balances are anticipated to be drawn before June 30, 2021. This performance demonstrates the City’s commitment to meeting the objectives of the CDBG program.

The following provides a summary of CDBG Public Services and Capital Projects/Public Improvement activities funded during 2019/2020:

- *Community Action Partnership of Madera County Fresno/Madera Continuum of Care, \$18,000:*

This program helped to address community challenges created by homelessness, coordinated case management, intake and referrals with the local and regional collaboration of homeless service providers, entered and accessed data in the Homeless Management Information

System, and promoted through regional collaboration, services for the homeless, community linkages to services and represented Madera in the Fresno/Madera Continuum of Care. The program staff researched future HUD proposals to finance programs to assist homeless persons and families within Madera and coordinated the local Point-in-Time survey and Housing Inventory Count. In 2019, 2,508 homeless persons were counted between Madera and Fresno, and in 2020, 3,641 homeless persons were counted. This represents an increase of 1,133 homeless persons and a 45 percent increase.

▪ *Madera Coalition for Community Justice, \$25,000*

Recruitment drives to enlist City youth participants in the Youth Leadership Program were conducted at junior high and high schools, local food share events, and the Youth Leadership Conference. Majority of participants demonstrated drastic interest in pursuing a higher education in engineering and law. The program taught participants to develop and expand their communication skills, teamwork and individual and professional skills. Through participation in the preparation for events, participants learned how to organize and execute successful events. The program inspired youth to be more involved in the community and after school activities. They also gained a deeper understanding of the importance of education and student involvement. Students learned to understand class participation has a significant impact on their future opportunities when it comes to applying for higher education. A total of 37 youth (each were low/moderate income) were served.

▪ *Parks Senior Services, \$39,238*

The Meals on Wheels program provides a nutritious and balanced meal five days per week throughout the year, excluding holidays, at two meal sites. In PY 2019/2020, 17,909 duplicated (a senior was served more than once) meals were served between the two congregate meal sites. The Meals on Wheels program delivers seven nutritious meals, fresh fruits and vegetables once per week to qualified homebound seniors. In PY 2019/2020, the program delivered 35,981 meals. Fitness and wellness programming take place at all three locations which include Tai-Chi, Zumba, aerobics, walking, chair exercise, water aerobics, yoga and dance instruction. Safety discussions led by local law enforcement, technology related programs, genealogy classes, arts & crafts programs, Karaoke, ceramics classes, educational speakers, games, inter-generational programming, cooking classes, social dances and a variety of local and regional field trips. Overall, the program served 460 unduplicated seniors. According to the seniors involved the programs and services deliver the following outcomes:

- The benefits of the senior programming provide a safe place to come.
- Takes the stress away from everyday living.
- Provides new friendships and fosters existing friendships.
- Provides nutritious meals that otherwise would not be available for some seniors.
- Provides a better quality of life.
- It is a place to socialize but much more.

- For older citizen's, socialization is crucial for depression, loneliness, mental cognitive function.
- It is a safe place to congregate with others for nutrition, arts and crafts, karaoke, dancing, exercise and other positive activities that would not exist for us if not for this program.

- *Madera Rescue Mission, \$30,000*

The objectives of this agency's programs are to meet the basic needs of the homeless, low-income families and children in the community. It promotes its Rehabilitation Program through social media and radio. That program strives to insure graduates can stay sober working members of the community. On a regular basis, the program provides food, shelter and rehabilitation programs. The services are provided every day, approximately 108,000 meals were served, and 36,000 total bed nights were provided during the PY. The CDBG allocation supported their operations in order to support the development of their programs and activities.

- *Doors of Hope, \$10,000*

This program developed a new co-parenting program curriculum for Spanish speaking clients. A bilingual volunteer works two days per week with Hispanic clients referred by Family Court Services, Department of Social Services, Child Protection Services, County Public Health Department, Probation and Parole. The new program promotes communication between divorced/separated parents along with new parenting skills and lowers the conflict between parents. In addition, the program teaches co-parents by utilizing the "Put the Children First" and "One Heart—Two Homes" models used internationally by courts, professionals and family therapy groups. Doors of Hope established a new program, "Clean and Healthy Diaper Program" in partnership with Central California Food Bank. This allows distribution of diapers to any mom or dad within the community. Doors of Hope is working with Google media to reach more of the younger population.

- *Pequeños Empresarios, \$10,000*

This program's objectives are to provide early childhood education in healthy eating, manners, respect for the planet and financial literacy. The program served seven children (six from low to moderate income households). During the year the seven children tested higher on the objectives than when they entered the program.

- *Big Brothers Big Sisters of Central California (BBBSCC), \$10,000*

BBBSCC staff created and supported 36 one-to-one mentoring relationships during the year, igniting the power and promise of youth. They continue to support those matches that are already on the caseload. Their professionally trained match support specialist and program assistant administered the baseline Youth Outcomes Survey (YOS) assessment to youth ages 9 and above. BBBSCC plans and executes bi-weekly modules that stimulate and encourage conversations of growth; module activities include STEM projects, cultural awareness, self-

care, effective communication skills, healthy outlets, greater tolerance and more. The skills that they strive for participants to improve are the same areas assessed in the YOS.

- *Parks American with Disabilities Act (ADA) Improvements and Centennial Park Rehab and Lighting \$186,451.43*

The projects have been completed for American with Disabilities Act (ADA) Improvements at Pan American Community Center, Bergon Community Center and Centennial Park. Parking lot pavement markings and parking stalls are completed at Centennial Park. Remaining portions to be completed are installation of streetlights behind John Wells Center and lighting improvements and installation of a shade structure in the pool area.

- *Washington Elementary School Sidewalk Improvements, \$162,429*

Completed construction of five-foot-wide sidewalks with ADA compliant corner ramps and approaches located on Lincoln Avenue, South Street, and Austin Street, adjacent to George Washington Elementary School.

- *Habitat for Humanity, \$167,480.59*

Habitat addressed home repair needs for 15 unduplicated homes. The completed projects included three roof repairs, one roof replacement, one water heater replacement, and numerous accessibility modifications which reflected a shift to exterior activities.

FINANCIAL IMPACT:

Approval of the CAPER will not have a direct financial impact on the General Fund but will satisfy HUD requirements and maintain the City's eligibility for future cycles of CDBG funding.

Due to COVID-19, several client withdrawals occurred due to concerns of exposure. This delayed rehabilitation of homes. Activities shifted to exterior repair needs. Preparations are underway to re-enter client homes under conditions where the risk of exposure is lessened.

Discuss how these outcomes will impact future annual action plans.

The Community Action Partnership of Madera County obtained an Emergency Solutions Grant. They will help with Outreach, Homeless Prevention, Rapid Rehousing and Emergency Shelter in the form of hotel payments for those who might not be eligible to go to the Madera Rescue Mission. The City is very much committed to working with the County and local non-profits and service providers to access funds available through SB 850: the Homeless Emergency Aid Program (HEAP) and California Emergency Solutions and Housing (CESH). CR-25 - Homeless and Other Special Needs 91.220(d, e); 91.320(d, e); 91.520(c)

Evaluate the jurisdiction's progress in meeting its specific objectives for reducing and ending homelessness through:

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

The City participates on the Madera Homeless Coalition. This coalition consists of representatives from the Department of Social Services, local faith-based organizations, Madera Food Bank, Madera Rescue Mission, the Madera County Sheriff's Department and the Madera Police Department. The Community Action Partnership of Madera County leads the Coalition. Efforts to meet specific objectives for reducing and ending homelessness are evaluated thereby resulting in the direction taken to reach out to homeless persons.

Outreach efforts are conducted through the annual Point-in-Time Count, Homeless Awareness Day and in conjunction with the Code Enforcement Division's scheduled encampment clean up events. Some of the highlights of their outcomes for the period of July 1, 2019 through June 30, 2020 include the following: 804 contacts were made with homeless individuals, 32 entered a substance treatment program, 111 were referred to Madera Behavioral Health, 20 were assisted with applying for jobs, and 15 were gainfully employed.

Addressing the emergency shelter and transitional housing needs of homeless persons

There is a need to establish additional emergency shelters, transitional and permanent supportive housing. The City actively seeks to support and work with local organizations, the Community Action Partnership of Madera County and the Housing Authority of the City of Madera to obtain funds from HEAP and SOAR to meet the need for additional emergency shelters, transitional and permanent supportive housing. Some of the highlights of CAPMC outcomes for the period of July 1, 2019 through June 30, 2020 include the following: 804 contacts were made with homeless individuals, 57 went into shelters or bridge housing, 31 moved into permanent housing and 20 were sheltered in hotels during the shelter-in-place orders.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: likely to become homeless after being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections

EXHIBIT 2

programs and institutions); and, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs

The Fresno/Madera Continuum of Care received funding to establish a SOAR (SSI/SSDI Outreach, Access and Recovery) Cohort. This is a national initiative designed to increase access to Social Security Administration disability benefits, including Supplemental Security Income and Social Security Disability Insurance (SSI/SSDI). Eligible adults include persons experiencing or at risk of homelessness and have a mental illness, medical impairment and/or a co-occurring substance use disorder. Implementation of this program in criminal justice settings and reentry efforts can reduce recidivism. The program benefits provide financial assistance to pay for housing, food and clothing ending homelessness, increasing stability and promoting recovery.

These tasks align with the City's homelessness prevention Consolidated Plan goal to help low-income individuals and families avoid becoming homeless by providing funding for service providers that serve these populations and assist residents in becoming self-sufficient.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

As of March 31, 2020, Shunammite Place staff are currently working with ten homeless individuals to help collect documents that verify eligibility for homeless programs. Because the CDBG contract supports CAPMC's participation on the FMCoC Board, CAPMC is able to maintain its funding of the Shunammite Place Homeless Program. Indirect outcomes to the CDBG contract are as follows: one chronically homeless woman was housed; one chronically homeless family of 3 with a newborn on the was housed. Included in the family was one veteran. The new men's unit housed six chronically homeless men.

CAPMC entered into a contract with Madera Behavioral Health in the amount of \$119,284 to provide Outreach Services for the severely mentally ill. Two outreach homeless workers were hired. Full-time staff dedicated to providing outreach services 100 percent of the time helped develop a realistic Homeless By-Name listing for Madera County. In addition, the outreach workers also helped more homeless people with documentation verifying eligibility for housing programs for homeless persons and help with providing connects to services.

CR-30 - Public Housing 91.220(h); 91.320(j)

Actions taken to address the needs of public housing

The City and the Housing Authority of the City of Madera (HACM) receive Federal funding for the HACM's Section 8, Farm Worker Housing and Pomona Ranch Migrant Housing Center. The two agencies receiving annual allocations of Federal housing funds. The annual allocations for both are insufficient to address the extent of households paying more than half of their income for rent or living in substandard housing and for providing additional public housing. A portion of the HACM's budget is allocated to maintenance thereby addressing health and safety needs of their public housing units.

The Downtown Madera Veterans and Family Housing (DMVFH) project is a 48-unit affordable housing development for extremely-low to low-income households earning between 30 and 60 percent of Area Median Income. DMVFH is located at the intersections of C and 5th Streets, on two publicly owned sites. The project includes seven units as supportive improvements to sidewalks, bicycles routes and connections to transit between the project site and key destinations in Madera. it includes two, three-story buildings with a diverse unit mix of 18 studios, 10 one-bedroom, 12 two-bedroom and 8 three-bedroom apartments.

Actions taken to encourage public housing residents to become more involved in management and participate in homeownership

All Public Housing families are invited to participate in becoming a Resident Advisory Board (RAB) member. The members take on an important role in the policy, procedures and program implementations. RAB members make recommendationis regarding the development of the Agency Plan or any significant amendments or modification to the Agency Annual or Five-Year Plans. All Public Housing participants are invited and encouraged to participate in the Family Self Sufficiency (FSS) program. This program encourages families to become homeowners.

Families in the FSS and Resident Oppportunities and Self-Sufficiency programs are given information on training and employment opportunities and other community resources. At the time that a family moves in to a Public Housing unit, a survey is given to them to see what kinds of supportive services is needed for them.
