

REPORT TO CITY COUNCIL

Approved by:

Council Meeting of: May 5, 2021
Agenda Number: B-4

SUBJECT:

Permit for the Madera Municipal Airport for the 2021-2022 Porsche Club of America Autocross Events

RECOMMENDATION:

Adopt a Resolution approving a Special Activity Permit Certificate for the Use of Designated Areas of the Madera Municipal Airport for the 2021-2022 Porsche Club of America Autocross Events

SUMMARY:

This Special Activity Permit will allow the Porsche Club of America (PCA) to utilize Closed Runway 8-26 at the Madera Municipal Airport for monthly autocross performance driving events from September to November 2021 and March to June 2022. Autocross is a sport driving competition focused on navigating a car through a defined course of pylons. The courses are set up using soft orange traffic pylons and speeds are between 40 to 65 mph. The event organizers place an emphasis on driver skill and car performance. The PCA recognizes safety and uninterrupted airport operations as their top priorities.

DISCUSSION:

The City received a request in December 2017 from the PCA to use areas of the Airport for a monthly autocross event. After reviewing several locations with the PCA and staff, the request was presented to the Airport Advisory Commission and, subsequently, to Council. Council approved the request for use of the Madera Municipal Airport Restricted Runway for autocross events in 2018 and 2019. The PCA has held several events over the past year and has been pleased with the location. The course stays within the given confines of former Runway 8-26 which is now closed and does not impede any Airport traffic. Attendees will access the site from Avenue 16 and, therefore, they will not traverse the main taxiway, apron, or Runway 12-30.

In its advertising and promotional materials for the event, the PCA shall promote the Madera Municipal Airport and the City through publicity that encourages commerce and tourism within the City. The events will take place are listed per Table 1.

September 11, 2021	March 12, 2022	June 11, 2022
October 9, 2021	April 9, 2022	
November 13, 2021	May 14, 2022	

Staff has negotiated an updated rate of \$350 per event fee with the PCA. The proposed Special Activity Permit details the terms of this non-aviation-related event.

It is noted that due to not meeting a quorum, the Airport Advisory Commission was unable to conduct a meeting to vote on the request for use of the Madera Municipal Airport’s closed runway 8-26 for autocross events in 2021 and 2022. However, a sponsor from the Porsche Club of America, Larry Kirlin, was notified his request will be forwarded to Council due to these unforeseen circumstances.

FINANCIAL IMPACT:

This Special Event Permit will allow for seven autocross events over the course of 2021 and 2022. These seven events will generate \$2,450 in revenue for the Airport. There will be no financial impact to the General Fund.

CONSISTENCY WITH THE VISION MADERA 2025 PLAN:

The proposed action is not specifically addressed as part of the Vision Plan, nor is it in conflict with the Plan.

ALTERNATIVES:

Council may choose to not approve the Special Activity Permit for the PCA. The PCA’s current Permit will be valid until June 12, 2021 and terminate thereafter.

MADERA MUNICIPAL AIRPORT CONDITIONAL AIRPORT SPECIAL ACTIVITY PERMIT CERTIFICATE FOR THE USE OF DESIGNATED AREAS OF THE AIRPORT FOR THE 2020-2021 PORSCHE CLUB OF AMERICA AUTOCROSS EVENTS

THIS IS TO CERTIFY THAT, the City Council (“Council”) of the City of Madera (“City”), at a regular meeting held on May 5, 2021, considered and approved this Conditional Airport Special Activity Permit (or “Permit”) for use of areas of the Closed Runway 8-26 (“Ag strip”) at the Madera Municipal Airport for monthly scheduled non-aviation-related events and activities in conjunction therewith, and subject to the following conditions and restrictions and to further certify that by execution thereof Porsche Club of America agrees to all the terms and conditions of this Permit.

REQUEST:

Request by the Porsche Club of America, a corporation of the State of Maryland registered to do business in California (hereinafter referred to as “Permittee”), for permission to use the Airport’s Closed Runway 8-26 (as indicated on **Exhibit A** attached hereto and made a part hereof).

BACKGROUND:

In December 2017, a request was received from the Permittee to utilize areas of the Airport for a monthly event from May 2018 through June 2019, for autocross performance driving activities. This request was approved by Council on April 28, 2018. The Permittee expressed to the City their desire to continue utilization of the area during Fiscal Year 2021/2022.

Due to not meeting a quorum, the Airport Advisory Commission was unable to conduct a meeting to vote on the request for use of the Madera Municipal Airport Restricted Runway for autocross events in 2021 and 2022. However, a sponsor from the Porsche Club of America, Larry Kirlin, was notified his request will be forwarded to Council due to these unforeseen circumstances.

COUNCIL ACTION:

The City Council adopted the following findings in justification of this Permit and grants the Permit as described herein subject to each of its Conditions of Approval and authorized the Mayor to execute same as described herein.

FINDINGS:

In issuing this Permit, the City Council hereby finds that, under strict conditions of approval:

1. Permittee’s automotive, non-aviation-related event and activities and use of the

Closed Runway 8-26 areas and Airport facilities will not be detrimental to the environment or to the health, safety, peace or general welfare of the City, the Airport, the surrounding properties or the community-at-large.

2. Permittee's non-aviation-related activities will not be detrimental or injurious to the efficiency and utility of the Airport or to Airport property and improvements.
3. Permittee's non-aviation-related activities, if conducted in accordance with the Conditions of this Permit will be consistent with the Environmental Guidelines, the General Plan, the Airport Master Plan, the Airport Layout Plan, the Airport Operating Ordinance and the Zoning Ordinance of the City. The long-term use of the property is designated for aviation-related development in the Airport Master Plan and Airport Layout Plan.
4. Permittee's non-aviation-related activities and the use of the Restricted Runway 8-26 areas and Airport facilities will not present or create a safety hazard to the normal operations of aircraft arriving or departing from the Airport.
5. Reasonable time periods can be and are herein designated for Permittee's non-aviation-related activities.
6. Permittee shall pay \$350.00 per event for this proposed use.
7. The form and amount of liability insurance required herein, naming the City and the Airport as additional insured parties to be obtained from the Permittee are reasonably related to the Airport's liability exposure and are not unjustly discriminatory. It is further found that, because those insurance requirements are appropriate under the unique characteristics of the proposed use, this finding shall not be construed to indicate a precedent for insurance requirements for any other use.

CONDITION PRECEDENT:

Approval of this proposed use of the Airport by the Federal Aviation Administration (FAA) shall be a condition precedent to the effectiveness of this Permit. City shall have sole discretion to determine the satisfaction of this condition, which discretion shall be exercised upon a reasonable basis after conferring in good faith with Permittee. The City is responsible for obtaining FAA approval and Permittee shall fully cooperate with the City's efforts related thereto.

EVENT DESCRIPTION:

The Event is a monthly autocross event on the second Saturday of the months of September through November 2021, and March through June of 2022 inclusive, for Porsche Club of America to participate in timed autocross competition. Event participants on the Closed Runway 8-26

would navigate a temporary course marked by traffic cones in a timed competition. The event organizers place an emphasis on driver skill and car performance; and performance is measured by time. All vehicles would be checked by Permittee for safety and adequately prepared for timed racing.

Event participants would race on a course set up on the Closed Runway 8-26. Use of the term “runway” in this Permit refers to macadam, bituminous asphalt surfaces existing at the Airport. The Event will not involve the producing, assembling, or selling of any products onsite.

Use of any other areas of the Airport for activities pursuant to this Permit must be approved in advance and in writing by the City. The City shall have final approval of all site plans as provided herein and Permittee shall implement all safety measures required by the City to ensure public safety and to safeguard users of the Airport and aircraft. The City reserves the right to relocate or to cancel or suspend any event at any time if, in the opinion of the City such relocation or suspension/termination is required for the public safety or the safe operation of the Airport.

2. Pre- and post-event site inspections will be conducted by representatives of Permittee and the City, at a date and time agreed in writing prior to the Event, to determine existing conditions and evaluate in writing potential damages, if any. Each day autocross racing is conducted on Restricted Runway 8-26, representatives of Permittee and the City shall inspect the racing course(s) prior to the racing day and following that inspection and after any remedial actions taken, except for any condition identified in writing by the Permittee or by the City at the time of the inspection, Permittee agrees to accept the condition of the runway and the racing courses "as is" with respect to all conditions which may then exist. The cost to the City to repair or replace any post- event damage, or to effect removal and cleanup of any material or oil or gas spill remaining on the Event site after the end of the usage period (as defined herein) shall be assessed to Permittee. Permittee's use of the Airport must not affect access to, or the use of premises leased to the City's tenants at the Airport.

3. Prior to conducting any activities on the Airport, Permittee will provide a final written schedule of its proposed activities to the City and will keep City staff fully informed on a timely basis by providing prior written notice concerning any and all changes concerning events listed in that schedule. Self-insurance will not be considered to comply with these specifications unless approved by the City's Risk Manager.

Timely Notice of Claims

Permittee shall give the City prompt and timely notice of claims made or suits instituted that arise out of or result from Permittee's performance under this Agreement, and that involve or may involve coverage under any of the required liability policies.
