

REPORT TO CITY COUNCIL

Approved by:

Giachino Chiaramonte
Giachino Chiaramonte, Chief of Police

Arnoldo Rodriguez
Arnoldo Rodriguez, City Manager

Council Meeting of: October 2, 2024

Agenda Number: B-6

SUBJECT:

Motorola Solutions Support and Maintenance Service Agreements

RECOMMENDATION:

Adopt Resolutions:

1. Approving Service Agreement, Cybersecurity Online Terms Acknowledgement, and Cyber Subscription Renewals and Integrations Addendum With Motorola Solutions, Inc. for support and maintenance of the Police Department's Verint Dispatch call logging system in the amount of \$9,399.78 with a 10 percent contingency for applicable taxes
2. Approving Motorola Master Customer Agreement, Cybersecurity Online Terms Acknowledgement, Cyber Subscription Renewals and Integrations Addendum, Mobile Video Addendum, and Subscription Software Addendum for the upgrade, support, and maintenance of Motorola Solutions, Inc. Redactive software in the amount of \$2,700

SUMMARY:

The Police Department (MPD) utilizes Verint systems to capture and store dispatch center communications received via the 911 and non-emergency lines, and dispatch to officer radio transmissions. To continue such services, the City must enter into a service agreement in the amount of \$9,399.78 with Motorola Solutions, Inc. (Motorola), the parent company of Verint.

In addition, the MPD has utilized redaction services of body-worn camera footage through Motorola's Redactive software. The software is used to meet the requirements set forth in the California Public Records Act. The current version of the redaction software is no longer supported and was last upgraded in 2021. The Redactive Service Agreement would be valid for three years for a total cost of \$2,700.

DISCUSSION:

Verint

On June 1, 2023, the City entered into a service agreement with Motorola for the support and maintenance of the Department’s dispatch communication call logging system. This system captures and stores all communication between dispatchers and individuals calling into the Department’s communication center. In addition, Verint captures and stores all radio transmissions between dispatchers and officers.

The service agreement is valid for one year from June 1, 2024, to May 31, 2025. It is important to note there is a lapse in time between the current agreement that sunset May 31, 2024, and the adoption of a new agreement due to administrative processes. Per the City’s purchasing policy, the City Manager is authorized to approve contracts and agreements with a dollar value less than \$60k. The previous agreement was entered into by following this factor of the City’s purchasing policy. However, the City recently entered into an agreement with Motorola for the upgrade, implementation, service, and maintenance of the MPD’s communication infrastructure for approximately \$100k. With an existing agreement with Motorola above the \$60k threshold, Council must approve all subsequent agreements with Motorola.

Redactive Software

The MPD’s records division regularly receives records requests specific to body worn camera footage. The MPD must adhere to the standards set forth in the California Public Records Act and provide the footage within the limitations of the law. To meet these standards, MPD utilizes software provided by Motorola to redact sensitive information from body worn camera footage. A few examples of sensitive information include addresses, date of birth, and phone numbers.

Motorola no longer services the MPD’s current version of the Redactive software. The last upgrade provided to the City was in 2021. To provide staff with the best technology and tools to adhere to California law, staff recommend entering into a service agreement for the upgrade, support, and maintenance of Motorola’s Redactive software. The service agreement would be valid for three years effective September 10, 2024, for a total cost of \$2,700.

FINANCIAL IMPACT:

There are two separate service agreements with different costs associated with the specific services. Table 1 provides a breakdown of these costs.

Table 1: Breakdown of Motorola Service Agreements	
Verint (subject to taxes)	\$9,399.78
Redactive Software	\$2,700.00
Total this fiscal year	\$12,099.78

Verint systems includes potential equipment replacements that are subject to state and local taxes. Staff recommends incorporating a 10 percent contingency to the Verint systems service agreement to cover applicable taxes. The contingency value is not reflected in the table above.

Verint systems is a recurring annual cost and was therefore contemplated in this year's budget. However, the cost of the service increased from prior years due to a change in contract administration. Previously, Motorola allowed third-party affiliates to provide this service at a discounted rate. Motorola is no longer allowing third-party affiliates to execute these agreements which caused the City to under budget this item by \$4,508.67. The increase will be covered by the Department's Supplemental Law Enforcement Fund.

Staff could not have anticipated the version of the MPD's Redactive software becoming obsolete and consequently did not include it in this year's budget. The cost of the service will be covered by the Department's Supplemental Law Enforcement Fund. With a service agreement in place, staff will be able to properly allocate funds for the service in future budget cycles.

ALTERNATIVES:

The Council may refuse to enter into a service agreement with Motorola for Verint systems. Unfortunately, without the service agreement, the City would be in violation of California law pertaining to retention requirements of communication center data.

In addition, the Council may refuse to enter into a service agreement with Motorola for Redactive software. Similarly, the City would be in violation of California law without the ability to provide body worn camera footage under the California Public Records Act.

Alternatively, the Council can direct staff to seek alternative means of data storage and redaction. Furthermore, Council may request staff return with additional information regarding service coverage or any other components of the agreements.

RESOLUTION NO. 24-_____

**RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MADERA
APPROVING SERVICE AGREEMENT, CYBERSECURITY ONLINE TERMS
ACKNOWLEDGEMENT, AND CYBER SUBSCRIPTION RENEWALS AND
INTEGRATIONS ADDENDUM WITH MOTOROLA SOLUTIONS, INC. FOR
SUPPORT AND MAINTENANCE OF THE POLICE DEPARTMENT'S VERINT
DISPATCH CALL LOGGING SYSTEM IN THE AMOUNT OF \$9,399.78 WITH A
10 PERCENT CONTINGENCY FOR APPLICABLE TAXES**

WHEREAS, the Police Department operates critical emergency communication equipment for the health and safety of the community; and

WHEREAS, California law requires communication center data to be captured and stored in a secure environment; and

WHEREAS, the City must enter an agreement with Motorola for maintenance and service of Verint call logging system in the amount of \$9,399.78 with a 10 percent contingency for applicable taxes; and

WHEREAS, the City Manager is authorized to sign the agreement this year and for three additional years, not to exceed a \$25,000 increase over the three years.

NOW, THEREFORE, THE COUNCIL OF THE CITY OF MADERA hereby resolves, finds, determines, and orders as follows:

1. The above recitals are true and correct.
2. The Motorola service provider agreement, inclusive of the Cybersecurity Online Terms Acknowledgement, in the amount of \$9,399.78 with a 10 percent contingency for applicable taxes, attached as Exhibit A and incorporated herein, is approved.
3. The Motorola Cyber Subscription Renewals and Integrations Addendum, a copy of which is attached hereto as Exhibit B and incorporated herein, is approved.
4. The City Manager is authorized to execute the agreement this year and for three additional years, not to exceed a \$25,000 increase over three years, and with the approval of the City Attorney.
5. This resolution is effective immediately upon adoption.

Service Terms and Conditions

Motorola Solutions Inc. ("Motorola") and the customer named in this Agreement ("Customer") hereby agree as follows:

Section 1. APPLICABILITY

These Maintenance Service Terms and Conditions apply to service contracts whereby Motorola will provide to Customer either (1) maintenance, support, or other services under a Motorola Service Agreement, or (2) installation services under a Motorola Installation Agreement.

Section 2. DEFINITIONS AND INTERPRETATION

2.1 "Agreement" means these Maintenance Service Terms and Conditions; the cover page for the Service Agreement or the Installation Agreement, as applicable; and any other attachments, all of which are incorporated herein by this reference. In interpreting this Agreement and resolving any ambiguities, these Maintenance Service Terms and Conditions take precedence over any cover page, and the cover page takes precedence over any attachments, unless the cover page or attachment states otherwise.

2.2 "Equipment" means the equipment that is specified in the attachments or is subsequently added to this Agreement.

2.3 "Services" means those installation, maintenance, support, training, and other services described in this Agreement.

Section 3. ACCEPTANCE

Customer accepts these Maintenance Service Terms and Conditions and agrees to pay the prices set forth in the Agreement. This Agreement becomes binding only when accepted in writing by Motorola. The term of this Agreement begins on the "Start Date" indicated in this Agreement.

Section 4. SCOPE OF SERVICES

4.1 Motorola will provide the Services described in this Agreement or in a more detailed statement of work or other document attached to this Agreement. At Customer's request, Motorola may also provide additional services at Motorola's then-applicable rates for the services.

4.2 If Motorola is providing Services for Equipment, Motorola parts or parts of equal quality will be used; the Equipment will be serviced at levels set forth in the manufacturer's product manuals; and routine service procedures that are prescribed by Motorola will be followed.

4.3 If Customer purchases from Motorola additional equipment that becomes part of the same system as the initial Equipment, the additional equipment may be added to this Agreement and will be billed at the applicable rates after the warranty for that additional equipment expires.

4.4 All Equipment must be in good working order on the Start Date or when additional equipment is added to the Agreement. Upon reasonable request by Motorola, Customer will provide a complete serial and model number list of the Equipment. Customer must promptly notify Motorola in writing when any Equipment is lost, damaged, stolen or taken out of service. Customer's obligation to pay Service fees for this Equipment will terminate at the end of the month in which Motorola receives the written notice.

4.5 Customer must specifically identify any Equipment that is labeled intrinsically safe for use in hazardous environments.

4.6 If Equipment cannot, in Motorola's reasonable opinion, be properly or economically serviced for any reason, Motorola may modify the scope of Services related to that Equipment; remove that Equipment from the Agreement; or increase the price to Service that Equipment.

4.7 Customer must promptly notify Motorola of any Equipment failure. Motorola will respond to Customer's notification in a manner consistent with the level of Service purchased as indicated in this.

Section 5. EXCLUDED SERVICES

5.1 Service excludes the repair or replacement of Equipment that has become defective or damaged from use in other than the normal, customary, intended, and authorized manner; use not in compliance with applicable industry standards; excessive wear and tear; or accident, liquids, power surges, neglect, acts of God or other force majeure events.

5.2 Unless specifically included in this Agreement, Service excludes items that are consumed in the normal operation of the Equipment, such as batteries or magnetic tapes.; upgrading or reprogramming Equipment; accessories, belt clips, battery chargers, custom or special products, modified units, or software; and repair or maintenance of any transmission line, antenna, microwave equipment, tower or tower lighting, duplexer, combiner, or multicoupler. Motorola has no obligations for any transmission medium, such as telephone lines, computer networks, the internet or the worldwide web, or for Equipment malfunction caused by the transmission medium.

Contract Number: USC000799655
Contract Modifier:

Section 6. TIME AND PLACE OF SERVICE

Service will be provided at the location specified in this Agreement. When Motorola performs service at Customer's location, Customer will provide Motorola, at no charge, a non-hazardous work environment with adequate shelter, heat, light, and power and with full and free access to the Equipment. Waivers of liability from Motorola or its subcontractors will not be imposed as a site access requirement. Customer will provide all information pertaining to the hardware and software elements of any system with which the Equipment is interfacing so that Motorola may perform its Services. Unless otherwise stated in this Agreement, the hours of Service will be 8:30 a.m. to 4:30 p.m., local time, excluding weekends and holidays. Unless otherwise stated in this Agreement, the price for the Services exclude any charges or expenses associated with helicopter or other unusual access requirements; if these charges or expenses are reasonably incurred by Motorola in rendering the Services, Customer agrees to reimburse Motorola for those charges and expenses.

Section 7. CUSTOMER CONTACT

Customer will provide Motorola with designated points of contact (list of names and phone numbers) that will be available twenty-four (24) hours per day, seven (7) days per week, and an escalation procedure to enable Customer's personnel to maintain contact, as needed, with Motorola.

Section 8. INVOICING AND PAYMENT

8.1 Customer affirms that a purchase order or notice to proceed is not required for the duration of this service contract and will appropriate funds each year through the contract end date. Unless alternative payment terms are stated in this Agreement, Motorola will invoice Customer in advance for each payment period. All other charges will be billed monthly, and Customer must pay each invoice in U.S. dollars within twenty (20) days of the invoice date.

8.2 Customer will reimburse Motorola for all property taxes, sales and use taxes, excise taxes, and other taxes or assessments that are levied as a result of Services rendered under this Agreement (except income, profit, and franchise taxes of Motorola) by any governmental entity. The Customer will pay all invoices for valid charges as defined in this service agreement or ordering document as received from Motorola. At the time of execution of this Agreement, the Customer will provide all necessary reference information to include on invoices for payment in accordance with this Agreement.

8.3 For multi-year service agreements, at the end of the first year of the Agreement and each year thereafter, a CPI percentage change calculation shall be performed using the U.S. Department of Labor, Consumer Price Index, all Items, Unadjusted Urban Areas (CPI-U). Should the annual inflation rate increase greater than 3% during the previous year, Motorola shall have the right to increase all future maintenance prices by the CPI increase amount exceeding 3%. All items, not seasonally adjusted shall be used as the measure of CPI for this price adjustment. Measurement will take place once the annual average for the new year has been posted by the Bureau of Labor Statistics. For purposes of illustration, if in year 5 the CPI reported an increase of 8%, Motorola may increase the Year 6 price by 5% (8%-3% base).

Section 9. WARRANTY

Motorola warrants that its Services under this Agreement will be free of defects in materials and workmanship for a period of ninety (90) days from the date the performance of the Services are completed. In the event of a breach of this warranty, Customer's sole remedy is to require Motorola to re-perform the non-conforming Service or to refund, on a pro-rata basis, the fees paid for the non-conforming Service. MOTOROLA DISCLAIMS ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

Section 10. DEFAULT/TERMINATION

10.1 If either party defaults in the performance of this Agreement, the other party will give to the non-performing party a written and detailed notice of the default. The non-performing party will have thirty (30) days thereafter to provide a written plan to cure the default that is acceptable to the other party and begin implementing the cure plan immediately after plan approval. If the non-performing party fails to provide or implement the cure plan, then the injured party, in addition to any other rights available to it under law, may immediately terminate this Agreement effective upon giving a written notice of termination to the defaulting party.

10.2 Any termination of this Agreement will not relieve either party of obligations previously incurred pursuant to this Agreement, including payments which may be due and owing at the time of termination. All sums owed by Customer to Motorola will become due and payable immediately upon termination of this Agreement. Upon the effective date of termination, Motorola will have no further obligation to provide Services.

10.3 If the Customer terminates this Agreement before the end of the Term, for any reason other than Motorola default, then the Customer will pay to Motorola an early termination fee equal to the discount applied to the last three (3) years of Service payments for the original Term.

Section 11. LIMITATION OF LIABILITY

Except for personal injury or death, Motorola's total liability, whether for breach of contract, warranty, negligence, strict liability in tort, or otherwise, will be limited to the direct damages recoverable under law, but not to exceed the price of twelve (12) months of Service provided under this Agreement.

(888) 325-9336

Quote Number : QUOTE-2676166
Contract Number: USC000799655
Contract Modifier:

ALTHOUGH THE PARTIES ACKNOWLEDGE THE POSSIBILITY OF SUCH LOSSES OR DAMAGES, THEY AGREE THAT MOTOROLA WILL NOT BE LIABLE FOR ANY COMMERCIAL LOSS; INCONVENIENCE; LOSS OF USE, TIME, DATA, GOOD WILL, REVENUES, PROFITS OR SAVINGS; OR OTHER SPECIAL, INCIDENTAL, INDIRECT, OR CONSEQUENTIAL DAMAGES IN ANY WAY RELATED TO OR ARISING FROM THIS AGREEMENT OR THE PERFORMANCE OF SERVICES BY MOTOROLA PURSUANT TO THIS AGREEMENT. No action for contract breach or otherwise relating to the transactions contemplated by this Agreement may be brought more than one (1) year after the accrual of the cause of action, except for money due upon an open account. This limitation of liability will survive the expiration or termination of this Agreement and applies notwithstanding any contrary provision.

Section 12. EXCLUSIVE TERMS AND CONDITIONS

12.1 This Agreement supersedes all prior and concurrent agreements and understandings between the parties, whether written or oral, related to the Services, and there are no agreements or representations concerning the subject matter of this Agreement except for those expressed herein. The Agreement may not be amended or modified except by a written agreement signed by authorized representatives of both parties.

12.2 Customer agrees to reference this Agreement on any purchase order issued in furtherance of this Agreement, however, an omission of the reference to this Agreement will not affect its applicability. In no event will either party be bound by any terms contained in a Customer purchase order, acknowledgement, or other writings unless: the purchase order, acknowledgement, or other writing specifically refers to this Agreement; clearly indicate the intention of both parties to override and modify this Agreement; and the purchase order, acknowledgement, or other writing is signed by authorized representatives of both parties.

Section 13. PROPRIETARY INFORMATION; CONFIDENTIALITY; INTELLECTUAL PROPERTY RIGHTS

13.1 Any information or data in the form of specifications, drawings, reprints, technical information or otherwise furnished to Customer under this Agreement will remain Motorola's property, will be deemed proprietary, will be kept confidential, and will be promptly returned at Motorola's request. Customer may not disclose, without Motorola's written permission or as required by law, any confidential information or data to any person, or use confidential information or data for any purpose other than performing its obligations under this Agreement. The obligations set forth in this Section survive the expiration or termination of this Agreement.

13.2 Unless otherwise agreed in writing, no commercial or technical information disclosed in any manner or at any time by Customer to Motorola will be deemed secret or confidential. Motorola will have no obligation to provide Customer with access to its confidential and proprietary information, including cost and pricing data.

13.3 This Agreement does not grant directly or by implication, estoppel, or otherwise, any ownership right or license under any Motorola patent, copyright, trade secret, or other intellectual property, including any intellectual property created as a result of or related to the Equipment sold or Services performed under this Agreement.

Section 14. FCC LICENSES AND OTHER AUTHORIZATIONS

Customer is solely responsible for obtaining licenses or other authorizations required by the Federal Communications Commission or any other federal, state, or local government agency and for complying with all rules and regulations required by governmental agencies. Neither Motorola nor any of its employees is an agent or representative of Customer in any governmental matters.

Section 15. COVENANT NOT TO EMPLOY

During the term of this Agreement and continuing for a period of two (2) years thereafter, Customer will not hire, engage on contract, solicit the employment of, or recommend employment to any third party of any employee of Motorola or its subcontractors without the prior written authorization of Motorola. This provision applies only to those employees of Motorola or its subcontractors who are responsible for rendering services under this Agreement. If this provision is found to be overly broad under applicable law, it will be modified as necessary to conform to applicable law.

Section 16. MATERIALS, TOOLS AND EQUIPMENT

All tools, equipment, dies, gauges, models, drawings or other materials paid for or furnished by Motorola for the purpose of this Agreement will be and remain the sole property of Motorola. Customer will safeguard all such property while it is in Customer's custody or control, be liable for any loss or damage to this property, and return it to Motorola upon request. This property will be held by Customer for Motorola's use without charge and may be removed from Customer's premises by Motorola at any time without restriction.

Section 17. GENERAL TERMS

17.1 If any court renders any portion of this Agreement unenforceable, the remaining terms will continue in full force and effect.

17.2 This Agreement and the rights and duties of the parties will be interpreted in accordance with the laws of the State in which the Services are performed.

17.3 Legal actions concerning any dispute, claim or matter arising out of or in relation to this Agreement shall be instituted in the Superior Court of the County of Madera, State of California, or any other appropriate court in such county, and Motorola covenants and agrees to submit to the personal jurisdiction of such court in the event of such action. In the event of litigation in a U.S. District Court, venue shall lie exclusively in the Eastern District of California, in the County of Fresno, State of California.

SERVICE AGREEMENT

500 W Monroe Street
Chicago, IL. 60661
(888) 325-9336

Quote Number : QUOTE-2676166
Contract Number: USC000799655
Contract Modifier:

- 17.4 Failure to exercise any right will not operate as a waiver of that right, power, or privilege.
- 17.5 Neither party is liable for delays or lack of performance resulting from any causes that are beyond that party's reasonable control, such as strikes, material shortages, or acts of God.
- 17.6 Motorola may subcontract any of the work, but subcontracting will not relieve Motorola of its duties under this Agreement.
- 17.7 Except as provided herein, neither Party may assign this Agreement or any of its rights or obligations hereunder without the prior written consent of the other Party, which consent will not be unreasonably withheld. Any attempted assignment, delegation, or transfer without the necessary consent will be void. Notwithstanding the foregoing, Motorola may assign this Agreement to any of its affiliates or its right to receive payment without the prior consent of Customer. In addition, in the event Motorola separates one or more of its businesses (each a "Separated Business"), whether by way of a sale, establishment of a joint venture, spin-off or otherwise (each a "Separation Event"), Motorola may, without the prior written consent of the other Party and at no additional cost to Motorola, assign this Agreement such that it will continue to benefit the Separated Business and its affiliates (and Motorola and its affiliates, to the extent applicable) following the Separation Event.
- 17.8 THIS AGREEMENT MAY BE RENEWED ON ITS ANNIVERSARY DATE UPON APPROVAL BY THE CITY COUNCIL. RENEWAL WILL BE REVIEWED AND APPROVED ON A YEAR-TO-YEAR BASIS. At the anniversary date, Motorola may adjust the price of the Services and provide written notice no less s i x t y (6 0) days prior to said price increase.
- 17.9 If Motorola provides Services after the termination or expiration of this Agreement, the terms and conditions in effect at the time of the termination or expiration will apply to those Services and Customer agrees to pay for those services on a time and materials basis at Motorola's then effective hourly rates.
- 17.10 This Agreement may be executed in one or more counterparts, all of which shall be considered part of the Agreement. The parties may execute this Agreement in writing, or by electronic signature, and any such electronic signature shall have the same legal effect as a handwritten signature for the purposes of validity, enforceability and admissibility. In addition, an electronic signature, a true and correct facsimile copy or computer image of this Agreement shall be treated as and shall have the same effect as an original signed copy of this document.

Cybersecurity Online Terms Acknowledgement

This Cybersecurity Online Terms Acknowledgement (this "Acknowledgement") is entered into between Motorola Solutions, Inc. ("Motorola") and the entity set forth in the signature block below ("Customer").

1. Applicability and Self Deletion. This Cybersecurity Online Terms Acknowledgement applies to the extent cybersecurity products and services, including Remote Security Update Service, Security Update Service, and Managed Detection & Response subscription services, are purchased by or otherwise provided to Customer, including through bundled or integrated offerings or otherwise.

NOTE: This Acknowledgement is self deleting if not applicable under this Section 1.

2. Online Terms Acknowledgement. The Parties acknowledge and agree that the terms of the *Cyber Subscription Renewals and Integrations Addendum* available at <http://www.motorolasolutions.com/cyber-renewals-integrations> are incorporated in and form part of the Parties' agreement as it relates to any cybersecurity products or services sold or provided to Customer. By signing the signature block below, Customer certifies that it has read and agrees to the provisions set forth and linked on-line in this Acknowledgement. To the extent Customer is unable to access the above referenced online terms for any reason, Customer may request a paper copy from Motorola. The signatory to this Acknowledgement represents and warrants that he or she has the requisite authority to bind Customer to this Acknowledgement and referenced online terms.

3. Entire Agreement. This Acknowledgement supplements any and all applicable and existing agreements and supersedes any contrary terms as it relates to Customer's purchase of cybersecurity products and services. This Acknowledgement and referenced terms constitute the entire agreement of the parties regarding the subject matter hereof and as set out in the referenced terms, and supersedes all previous agreements, proposals, and understandings, whether written or oral, relating to this subject matter.

4. Execution and Amendments. This Acknowledgement may be executed in multiple counterparts, and will have the same legal force and effect as if the Parties had executed it as a single document. The Parties may sign in writing or by electronic signature. An electronic signature, facsimile copy, or computer image of a signature, will be treated, and will have the same effect as an original signature, and will have the same effect, as an original signed copy of this document. This Acknowledgement may be amended or modified only by a written instrument signed by authorized representatives of both Parties. The Parties hereby enter into this Acknowledgement as of the last signature date below.

Revised Sept 03, 2022

EXHIBIT B

Cyber Subscription Renewals and Integrations Addendum

Motorola Solutions Inc. ("Motorola") and the customer named in this Agreement ("Customer") hereby agree as follows:

Section 1. APPLICABILITY

1.1 This Addendum sets out additional and superseding terms applicable to Customer's purchase of cyber security services, including Remote Security Update Service, Security Update Service, and Managed Detection & Response subscription services, among other subscription services, (ii) professional services, and/or (iii) retainer services (i.e., professional services when expressly purchased as a block of pre-paid hours for use, subject to expiration, within a specified period across certain offered service categories ("Retainer Services") (all collectively herein, "Services").

Section 2. ADDITIONAL DEFINITIONS AND INTERPRETATION

2.1. "Customer Contact Data" means data Motorola collects from Customer, its Authorized Users, and their end users for business contact purposes, including marketing, advertising, licensing and sales purposes.

2.2 "Customer Data" means Customer data, information, and content, provided by, through, or on behalf of Customer, its Authorized Users, and their end users through the use of the Services. Customer Data does not include Customer Contact Data, Service Use Data, or information from publicly available sources or other Third-Party Data or Motorola Data or anonymized or generalized data. For avoidance of doubt, so long as not specifically identifying the Customer, Customer Data shall not include, and Motorola shall be free to use, share and leverage security threat intelligence and mitigation data generally, including without limitation, third-party threat vectors and IP addresses, file hash information, domain names, malware signatures and information, information obtained from third-party sources, indicators of compromise, and tactics, techniques, and procedures used, learned or developed in the course of providing Services.

2.3 "Feedback" means comments or information, in oral or written form, given to Motorola by Customer or Authorized Users, including their end users, in connection with

or relating to the Services. Any Feedback provided by Customer is entirely voluntary. Motorola may use, reproduce, license, and otherwise distribute and exploit the Feedback without any obligation or payment to Customer or Authorized Users. Customer represents and warrants that it has obtained all necessary rights and consents to grant Motorola the foregoing rights.

2.4 “Motorola Data” means data owned or licensed by Motorola.

2.5 “Process” or “Processing” means any operation or set of operations which is performed on personal information or on sets of personal information, whether or not by automated means, such as collection, recording, copying, analyzing, caching, organization, structuring, storage, adaptation, or alteration, retrieval, consultation, use, disclosure by transmission, dissemination or otherwise making available, alignment or combination, restriction, erasure or destruction.

2.6 “Service Use Data” means data generated by Customer’s use of the Services or by Motorola’s support of the Services, including personal information, threat data, security threat intelligence and mitigation data, vulnerability data, threat scenarios, malicious and third-party IP information, malware, location, monitoring and recording activity, product performance and error information, threat signatures, activity logs and date and time of use.

2.7 “Third-Party Data” means information obtained by Motorola from publicly available sources or its third-party content providers and made available to Customer through the products or Services.

Section 3. LICENSE, DATA AND SERVICE CONDITIONS

3.1 Delivery of Cyber Services

3.1.1 All Professional Services will be performed in accordance with the performance schedule included in a Statement of Work (“SOW”) or ordering document. Delivery of hours purchased as Retainer Services is at the onset of the applicable retainer period. Hours purchased as Retainer Services expire and are forfeited if not used within the Retainer period, subject to terms of use, expiration and extension, if any, as set out in the applicable SOW or ordering document. Professional Services described in a SOW will be deemed complete upon Motorola’s performance of such Services or, if applicable, upon exhaustion or expiration of the Retainer Services hours, whichever occurs first.

3.1.2 Subscription Services. Delivery of subscription services will occur upon Customer's receipt of credentials required for access to the Services or upon Motorola otherwise providing access to the Services platform.

3.1.3 To the extent Customer purchases equipment from Motorola ("Supplied Equipment"), title and risk of loss to the Supplied Equipment will pass to Customer upon installation (if applicable) or shipment by Motorola. Customer will take all necessary actions, reimburse freight or delivery charges, provide or obtain access and other rights needed and take other requested actions necessary for Motorola to efficiently perform its contractual duties. To the extent Supplied Equipment is purchased on an installment basis, any early termination of the installment period will cause the outstanding balance to become immediately due.

3.2 Motorola may use or provide Customer with access to software, tools, enhancements, updates, data, derivative works, and other materials which Motorola has developed or licensed from third parties (collectively, "Motorola Materials"). The Services, Motorola Data, Third-Party Data, and related documentation, are considered Motorola Materials. Notwithstanding the use of such materials in Services or deliverables, the Motorola Materials are the property of Motorola or its licensors, and Motorola or its licensors retain all right, title and interest in and to the Motorola Materials. Motorola grants Customer and Authorized Users a limited, non-transferable, non-sublicenseable, and non-exclusive license to use the Services and associated deliverables solely for Customer's internal business purposes.

3.3 To the extent Customer is permitted to access, use, or integrate Customer or third-party software, services, content, or data that is not provided by Motorola (collectively, "Non-Motorola Content") with or through the Services, or will use equipment or software not provided by Motorola, which may be required for use of the Services ("Customer-Provided Equipment"), Customer will obtain and continuously maintain all rights and licenses necessary for Motorola to efficiently perform all contemplated Services under this Addendum and will assume responsibility for operation and integration of such content and equipment.

3.4 Ownership of Customer Data. Customer retains all right, title and interest, including intellectual property rights, if any, in and to Customer Data. Motorola acquires no rights to Customer Data except those rights granted under this Addendum including the right to Process and use the Customer Data as set forth in Section 3.5 – Processing Customer Data, below. The Parties agree that with regard to the Processing of personal information which may be part of Customer Data, Customer is the controller and Motorola is the processor, and Motorola may engage sub-processors pursuant to Section 3.5.3 – Sub-processors and Third-Party Providers.

3.5 Processing Customer Data.

3.5.1. Motorola Use of Customer Data. To the extent permitted by law, Customer grants Motorola and its subcontractors a right to use Customer Data and a royalty-free, worldwide, non-exclusive license to use Customer Data (including to process, host, cache, store, reproduce, copy, modify, combine, analyze, create derivative works from such Customer Data and to communicate, transmit, and distribute such Customer Data to third parties engaged by Motorola) to (a) perform Services and provide products under the Addendum, (b) analyze the Customer Data to operate, maintain, manage, and improve Motorola products and services, and (c) create new products and services. Customer agrees that this Addendum, along with any related documentation, are Customer's complete and final documented instructions to Motorola for the processing of Customer Data. Any additional or alternate instructions must be agreed to according to the change order process. Customer represents and warrants to Motorola that Customer's instructions, including appointment of Motorola as a processor or sub-processor, have been authorized by the relevant controller.

3.5.2 Collection, Creation, Use of Customer Data. Customer further represents and warrants that the Customer Data, Customer's collection, creation, and use of the Customer Data (including in connection with Motorola's Services), and Motorola's use of such Customer Data in accordance with the Addendum, will comply with all laws and will not violate any applicable privacy notices or infringe any third-party rights (including intellectual property and privacy rights). It is Customer's responsibility to obtain all required consents, provide all necessary notices, and meet any other applicable legal requirements with respect to collection and use (including Motorola's and third-party provider use) of the Customer Data as described in the Addendum or any applicable third-party agreements or EULAs.

3.5.3 Sub-processors and Third-Party Providers. Motorola may use, engage, resell, or otherwise interface with third-party software, hardware or services providers (such as, for example, third-party end point detection and response providers) and other sub-processors, who in turn may engage additional sub-processors to process personal data and other Customer Data. Customer agrees that such third-party software or services providers, sub-processors or their respective sub-processors may process and use personal and other Customer Data in accordance with and subject to their own respective licenses or terms and in accordance with applicable law. Customer authorizes and will provide and obtain all required notices and consents, if any, and comply with other applicable legal requirements, if any, with respect to such collection and use of personal data and other Customer Data by Motorola, and its subcontractors, sub-processors and/or third-party software, hardware or services providers. Notwithstanding any provision to the contrary, to the extent the use or performance of

certain Services is governed by any separate license, data requirement, EULA, privacy statement, or other applicable agreement, including terms governing third-party software, hardware or services, including open source software, Customer will comply, and ensure its Authorized Users comply, with any such agreements or terms, which shall govern any such Services.

3.5.4 Notwithstanding any provision to the contrary in this Addendum or any related agreement, and in addition to other uses and rights set out herein, Customer understands and agrees that Motorola may obtain, use and/or create and use, anonymized, aggregated and/or generalized Customer Data, such as data relating to actual and potential security threats and vulnerabilities, for its lawful business purposes, including improving its services and sharing and leveraging such information for the benefit of Customer, other customers, and other interested parties.

3.6 Service Use Data. Customer understands and agrees that Motorola may collect and use Service Use Data for its own purposes, including the uses described below. Motorola may use Service Use Data to (a) operate, maintain, manage, improve existing and create new products and services, (b) test products and services, (c) to aggregate Service Use Data and combine it with that of other users, and (d) to use anonymized or aggregated data for marketing, research or other business purposes. Service Use Data may be disclosed to third parties. It is Customer's responsibility to notify Authorized Users of Motorola's collection and use of Service Use Data and to obtain any required consents, provide all necessary notices, and meet any other applicable legal requirements with respect to such collection and use, and Customer represents and warrants to Motorola that it has complied and will continue to comply with this Section.

3.7. Data Retention and Deletion. Except as expressly provided otherwise, Motorola will delete all Customer Data following termination or expiration of this Addendum, with such deletion to occur no later than ninety (90) days following the applicable date of termination or expiration, unless otherwise required to comply with applicable law. Any requests for the exportation or download of Customer Data must be made by Customer to Motorola in writing before expiration or termination of this Addendum. Motorola will have no obligation to retain such Customer Data beyond expiration or termination unless the Customer has purchased extended storage from Motorola through a mutually executed agreement.

3.8. Third-Party Data and Motorola Data. Motorola Data and Third-Party Data may be available to Customer through the Services. Customer will not, and will ensure its Authorized Users will not: (a) use the Motorola Data or Third-Party Data for any purpose other than Customer's internal business purposes; (b) disclose the data to third parties; (c) "white label" such data or otherwise misrepresent its source or ownership, or resell,

distribute, sublicense, or commercially exploit the data in any manner; (d) use such data in violation of applicable laws; (e) remove, obscure, alter, or falsify any marks or proprietary rights notices indicating the source, origin, or ownership of the data; or (f) modify such data or combine it with Customer Data or other data or use the data to build databases. Any rights granted to Customer or Authorized Users with respect to Motorola Data or Third-Party Data will immediately terminate upon termination or expiration of this Addendum. Further, Motorola or the applicable Third-Party Data provider may suspend, change, or terminate Customer's or any Authorized User's access to Motorola Data or Third-Party Data if Motorola or such Third-Party Data provider believes Customer's or the Authorized User's use of the data violates the Addendum, applicable law or Motorola's agreement with the applicable Third-Party Data provider. Upon termination of Customer's rights to use any Motorola Data or Third-Party Data, Customer and all Authorized Users will immediately discontinue use of such data, delete all copies of such data, and certify such deletion to Motorola. Notwithstanding any provision of this Addendum and the Primary Agreement to the contrary, Motorola will have no liability for Third-Party Data or Motorola Data available through the Services. Motorola and its Third-Party Data providers reserve all rights in and to Motorola Data and Third-Party Data.

3.9 Customer will ensure its employees and Authorized Users comply with the terms of this Addendum and will be liable for all acts and omissions of its employees and Authorized Users. Customer is responsible for the secure management of Authorized Users' names, passwords and login credentials for access to products and Services. "Authorized Users" are Customer's employees, full-time contractors engaged for the purpose of supporting the products and Services that are not competitors of Motorola or its affiliates, and the entities (if any) specified in a SOW or otherwise approved by Motorola in writing (email from an authorized Motorola signatory accepted), which may include affiliates or other Customer agencies.

3.10 Motorola as a Controller or Joint Controller. In all instances where Motorola acts as a controller of data, it will comply with the applicable provisions of the Motorola Privacy Statement at https://www.motorolasolutions.com/en_us/about/privacy-policy.html#privacystatement, as may be updated from time to time. Motorola holds all Customer Contact Data as a controller and shall Process such Customer Contact Data in accordance with the Motorola Privacy Statement. In instances where Motorola is acting as a joint controller with Customer, the Parties will enter into a separate addendum to allocate the respective roles as joint controllers.

Section 4. WARRANTY

4.1 CUSTOMER ACKNOWLEDGES, UNDERSTANDS AND AGREES THAT MOTOROLA DOES NOT GUARANTEE OR WARRANT THAT IT WILL DISCOVER ALL OF CUSTOMER'S SECURITY EVENTS (SUCH EVENTS INCLUDING THE UNAUTHORIZED ACCESS, ACQUISITION, USE, DISCLOSURE, MODIFICATION OR DESTRUCTION OF CUSTOMER DATA), THREATS, OR SYSTEM VULNERABILITIES. MOTOROLA DISCLAIMS ANY AND ALL RESPONSIBILITY FOR ANY AND ALL LOSS OR COSTS OF ANY KIND ASSOCIATED WITH SECURITY EVENTS, THREATS OR VULNERABILITIES WHETHER OR NOT DISCOVERED BY MOTOROLA. MOTOROLA DISCLAIMS ANY RESPONSIBILITY FOR CUSTOMER'S USE OR IMPLEMENTATION OF ANY RECOMMENDATIONS PROVIDED IN CONNECTION WITH THE SERVICES. IMPLEMENTATION OF RECOMMENDATIONS DOES NOT ENSURE OR GUARANTEE THE SECURITY OF THE SYSTEMS AND OPERATIONS EVALUATED. CUSTOMER SHALL BE RESPONSIBLE TO TAKE SUCH ACTIONS NECESSARY TO MITIGATE RISKS TO ITS OPERATIONS AND PROTECT AND PRESERVE ITS COMPUTER SYSTEMS AND DATA, INCLUDING CREATION OF OPERATIONAL WORKAROUNDS, BACKUPS AND REDUNDANCIES.

4.2 Customer acknowledges, understands and agrees that the Services and products or equipment provided by or used by Motorola to facilitate performance of the Services may impact or disrupt information systems. Motorola disclaims responsibility for costs in connection with any such disruptions of and/or damage to Customer's or a third party's information systems, equipment, voice transmissions, data and Customer Data, including, but not limited to, denial of access to a legitimate system user, automatic shut-down of information systems caused by intrusion detection software or hardware, or failure of the information system resulting from the provision or delivery of the Service.

4.3. Motorola warrants that Supplied Equipment, under normal use and service, will be free from material defects in materials and workmanship for one (1) year from the date of shipment, subject to Customer providing written notice to Motorola within that period. AS IT RELATES TO THE SUPPLIED EQUIPMENT, MOTOROLA DISCLAIMS ALL OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY, NON-INFRINGEMENT, AND FITNESS FOR A PARTICULAR PURPOSE.

4.4 Pass-Through Warranties. Notwithstanding any provision of this Addendum or any related agreement to the contrary, Motorola will have no liability for third-party software, hardware or services resold or otherwise provided by Motorola; provided, however, that to the extent offered by third-party software, hardware or services providers and to the

extent permitted by law, Motorola will pass through express warranties provided by such third parties.

Section 5. LIMITATION OF LIABILITY

5.1. DISCLAIMER OF CONSEQUENTIAL DAMAGES. EXCEPT FOR PERSONAL INJURY OR DEATH, MOTOROLA, ITS AFFILIATES, AND ITS AND THEIR RESPECTIVE OFFICERS, DIRECTORS, EMPLOYEES, SUBCONTRACTORS, AGENTS, SUCCESSORS, AND ASSIGNS (COLLECTIVELY, THE "MOTOROLA PARTIES") WILL NOT BE LIABLE IN CONNECTION WITH THIS ADDENDUM (WHETHER UNDER MOTOROLA'S INDEMNITY OBLIGATIONS, A CAUSE OF ACTION FOR BREACH OF CONTRACT, UNDER TORT THEORY, OR OTHERWISE) FOR ANY INDIRECT, INCIDENTAL, SPECIAL, EXEMPLARY, PUNITIVE, OR CONSEQUENTIAL DAMAGES OR DAMAGES FOR LOST PROFITS OR REVENUES, EVEN IF MOTOROLA HAS BEEN ADVISED BY CUSTOMER OR ANY THIRD PARTY OF THE POSSIBILITY OF SUCH DAMAGES OR LOSSES AND WHETHER OR NOT SUCH DAMAGES OR LOSSES ARE FORESEEABLE.

5.2. DIRECT DAMAGES. EXCEPT FOR PERSONAL INJURY OR DEATH, THE TOTAL AGGREGATE LIABILITY OF THE MOTOROLA PARTIES, WHETHER BASED ON A CLAIM IN CONTRACT OR IN TORT, LAW OR EQUITY, RELATING TO OR ARISING OUT OF THIS ADDENDUM OR ANY RELATED OR UNDERLYING AGREEMENT, WILL NOT EXCEED THE FEES SET FORTH IN THE APPLICABLE SOW OR PRICING FOR THE CYBER SERVICES UNDER WHICH THE CLAIM AROSE. NOTWITHSTANDING THE FOREGOING, FOR ANY SUBSCRIPTION SERVICES OR FOR ANY RECURRING SERVICES, THE MOTOROLA PARTIES' TOTAL LIABILITY FOR ALL CLAIMS RELATED TO SUCH PRODUCT OR SERVICES IN THE AGGREGATE WILL NOT EXCEED THE TOTAL FEES PAID FOR THE CYBER SERVICES TO WHICH THE CLAIM IS RELATED DURING THE CONSECUTIVE TWELVE (12) MONTH PERIOD IMMEDIATELY PRECEDING THE EVENT FROM WHICH THE FIRST CLAIM AROSE. FOR AVOIDANCE OF DOUBT, THE LIMITATIONS IN THIS SECTION 5.2 APPLY IN THE AGGREGATE TO INDEMNIFICATION OBLIGATIONS ARISING OUT OF THIS ADDENDUM OR ANY RELATED AGREEMENTS.

5.3. ADDITIONAL EXCLUSIONS. NOTWITHSTANDING ANY OTHER PROVISION OF THIS ADDENDUM, THE PRIMARY AGREEMENT OR ANY RELATED AGREEMENT, MOTOROLA WILL HAVE NO LIABILITY FOR DAMAGES ARISING OUT OF (A) CUSTOMER DATA, INCLUDING ITS TRANSMISSION TO MOTOROLA, OR ANY OTHER DATA AVAILABLE THROUGH THE PRODUCTS OR SERVICES; (B)

CUSTOMER-PROVIDED EQUIPMENT, NON-MOTOROLA CONTENT, THE SITES, OR THIRD-PARTY EQUIPMENT, HARDWARE, SOFTWARE, SERVICES, DATA, OR OTHER THIRD-PARTY MATERIALS, OR THE COMBINATION OF PRODUCTS AND SERVICES WITH ANY OF THE FOREGOING; (C) LOSS OF DATA OR HACKING, RANSOMWARE, OR OTHER THIRD-PARTY ATTACKS OR DEMANDS; (D) MODIFICATION OF PRODUCTS OR SERVICES BY ANY PERSON OTHER THAN MOTOROLA; (E) RECOMMENDATIONS PROVIDED IN CONNECTION WITH OR BY THE PRODUCTS AND SERVICES; (F) DATA RECOVERY SERVICES OR DATABASE MODIFICATIONS; OR (G) CUSTOMER'S OR ANY AUTHORIZED USER'S BREACH OF THIS ADDENDUM, THE PRIMARY AGREEMENT OR ANY RELATED AGREEMENT OR MISUSE OF THE PRODUCTS AND SERVICES; (H) INTERRUPTION OR FAILURE OF CONNECTIVITY, VULNERABILITIES, OR SECURITY EVENTS; (I) DISRUPTION OF OR DAMAGE TO CUSTOMER'S OR THIRD PARTIES' SYSTEMS, EQUIPMENT, OR DATA, INCLUDING DENIAL OF ACCESS TO USERS, OR SHUTDOWN OF SYSTEMS CAUSED BY INTRUSION DETECTION SOFTWARE OR HARDWARE; (J) AVAILABILITY OR ACCURACY OF ANY DATA AVAILABLE THROUGH THE SERVICES, OR INTERPRETATION, USE, OR MISUSE THEREOF; (K) TRACKING AND LOCATION-BASED SERVICES; OR (L) BETA SERVICES.

5.4. Voluntary Remedies. Motorola is not obligated to remedy, repair, replace, or refund the purchase price for the disclaimed issues in Section 5.3 – Additional Exclusions above, but if Motorola agrees to provide Services to help resolve such issues, Customer will reimburse Motorola for its reasonable time and expenses, including by paying Motorola any fees set forth in this Addendum or separate order for such Services, if applicable.

5.5. Representations and Standards. Except as expressly set out in this Addendum or the applicable Motorola proposal or statement of work relating to the cyber products or services, or applicable portion thereof, Motorola makes no representations as to the compliance of Motorola cyber products and services with any specific standards, specifications or terms. For avoidance of doubt, notwithstanding any related or underlying agreement or terms, conformance with any specific standards, specifications, or requirements, if any, as it relates to cyber products and services is only as expressly set out in the applicable Motorola SOW or proposal describing such cyber products or services or the applicable (i.e., cyber) portion thereof. Customer represents that it is authorized to engage Motorola to perform Services that may involve assessment, evaluation or monitoring of Motorola's or its affiliate's services, systems or products.

5.6. Wind Down of Services. In addition to any other termination rights, Motorola may terminate the Services, any SOW or subscription term, in whole or in part, in the event Motorola plans to cease offering the applicable Services to customers.

5.7. Third-Party Beneficiaries. The Addendum is entered into solely between, and may be enforced only by, the Parties. Each Party intends that the Addendum will not benefit, or create any right or cause of action in or on behalf of, any entity other than the Parties. Notwithstanding the foregoing, a licensor or supplier of third-party software, products or services included in the Services will be a direct and intended third-party beneficiary of this Addendum.

RESOLUTION NO. 24-_____

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MADERA
APPROVING MOTOROLA MASTER CUSTOMER AGREEMENT,
CYBERSECURITY ONLINE TERMS ACKNOWLEDGEMENT, CYBER
SUBSCRIPTION RENEWALS AND INTEGRATIONS ADDENDUM, MOBLIE
VIDEO ADDENDUM, AND SUBSCRIPTION SOFTWARE ADDENDUM FOR
THE UPRAGDE, SUPPORT, AND MAINTENANCE OF MOTOROLA
SOLUTIONS, INC. REDACTIVE SOFTWARE IN THE AMOUNT OF \$2,700**

WHEREAS, Motorola Solutions, Inc. (Motorola) captures and stores the Police Department's body-worn camera footage through a secure software; and

WHEREAS, the City is required to adhere to the California Public Records Request Act; and

WHEREAS, the City utilizes Motorola Redactive Software to redact sensitive information when fulfilling public records requests; and

WHEREAS, the City must enter an agreement with Motorola for the upgrade, support, and maintenance of Motorola Redactive software in the amount of \$2,700; and

NOW, THEREFORE, THE COUNCIL OF THE CITY OF MADERA hereby resolves, finds, determines, and orders as follows:

1. The above recitals are true and correct.
2. The Motorola Master Customer Agreement in the amount of \$2,700 for applicable taxes, attached as Exhibit C and incorporated herein, is approved.
3. The Motorola Cybersecurity Online Terms Acknowledgement, a copy of which is attached hereto as Exhibit D and incorporated herein, is approved.
4. The Motorola Cyber Subscription Renewals and Integrations Addendum, a copy of which is attached hereto as Exhibit E and incorporated herein, is approved.
5. The Motorola Mobile Video Addendum, a copy of which is attached hereto as Exhibit F and incorporated herein, is approved.
6. The Motorola Subscription Software Addendum, a copy of which is attached hereto as Exhibit G and incorporated herein, is approved.
7. The City Manager is authorized to execute the agreement.
8. This resolution is effective immediately upon adoption.

EXHIBIT C

Master Customer Agreement

This Master Customer Agreement (the “**MCA**”) is entered into between Motorola Solutions, Inc., with offices at 500 W. Monroe Street, Suite 4400, Chicago, IL 60661 (“**Motorola**”) and the entity purchasing Products or Services (as defined below) from Motorola (“**Customer**”). Motorola and Customer will each be referred to herein as a “**Party**” and collectively as the “**Parties**”. This Agreement (as defined below) is effective as of the earlier of (a) the first purchase of a Product or Service from Motorola, and (b) the date of the last signature on the first Ordering Document (as defined below) between the Parties (the “**Effective Date**”).

If you are purchasing Products or Services on behalf of your employer or another entity, you warrant that: (a) you have authority to bind your employer or the applicable entity, as “Customer” to this Agreement; (b) you have read and understand this Agreement; and (c) on behalf of the Customer that you represent, you agree to this Agreement. If you do not have the legal authority to bind your employer or the applicable entity as Customer to this Agreement, please do not complete the purchase of Services or Products from Motorola.

1. Agreement.

1.1. Scope; Agreement Documents. This MCA, available at www.motorolasolutions.com/product-terms, governs Customer’s purchase of Products (as defined below) and Services (as defined below) from Motorola. Additional terms and conditions applicable to specific Products and Services are set forth in one or more addenda, also available at www.motorolasolutions.com/product-terms (each an “**Addendum**”, and collectively the “**Addenda**”). In addition, the Parties may agree upon solution descriptions, equipment lists, statements of work, schedules, technical specifications, order forms, and other ordering documents setting forth the Products and Services to be purchased by Customer and provided by Motorola and additional rights and obligations of the Parties (the “**Ordering Documents**”). To the extent required by applicable procurement law, a proposal submitted by Motorola in response to a competitive procurement process will be included within the meaning of the term Ordering Documents. This MCA, the Addenda, and any Ordering Documents collectively form the Parties’ “**Agreement**”.

1.2. Modifications. Motorola may modify this Agreement (including the Addenda) at any time after providing notice thereof to Customer on www.motorolasolutions.com/product-terms. Modifications are effective as of the date of publication, and if Customer does not agree to any such modifications, Customer must cease using the Products and Services.

1.3. Order of Precedence. Each Addendum will control with respect to conflicting terms in the MCA, but only as applicable to the Products and Services described in such Addendum. Each Ordering Document will control with respect to conflicting terms in the MCA or any Addenda, but only as applicable to the Products and Services described on such Ordering Document.

2. Products and Services.

2.1. Products. Motorola will (a) sell hardware provided by Motorola (“**Equipment**”), (b) license software which is either preinstalled on Equipment or installed on Customer-Provided Equipment (as defined below) and licensed to Customer by Motorola for a perpetual or other

defined license term (“**Licensed Software**”), and (c) license cloud-based software as a service products and other software which is either preinstalled on Equipment or installed on Customer-Provided Equipment, but licensed to Customer by Motorola on a subscription basis (“**Subscription Software**”) to Customer, to the extent each is set forth in an Ordering Document, for Customer’s own use in accordance with this Agreement. The Equipment, Licensed Software, and Subscription Software shall collectively be referred to herein as “**Products**”, or individually as a “**Product**”. At any time during the Term (as defined below), Motorola may substitute any Products at no cost to Customer, if the substitute is substantially similar to the Products originally purchased by Customer.

2.2. Services.

2.2.1. Motorola will provide services related to purchased Products (“**Services**”), to the extent set forth in an Ordering Document.

2.2.2. Integration Services; Maintenance and Support Services. If specified in an Ordering Document, Motorola will provide, for the term of such Ordering Document, (a) design, deployment, and integration Services in order to design, install, set up, configure, and/or integrate the applicable Products at the applicable locations (“**Sites**”), agreed upon by the Parties (“**Integration Services**”), or (b) break/fix maintenance, technical support, or other Services (such as software integration Services) (“**Maintenance and Support Services**”), each as further described in the applicable statement of work. Maintenance and Support Services and Integration Services will each be considered “Services”, as defined above.

2.2.3. Service Ordering Documents. The Fees for Services will be set forth in an Ordering Document and any applicable project schedules. A Customer point of contact will be set forth in the applicable statement of work for the Services. For purposes of clarity, each statement of work will be incorporated into, and form an integral part of, the Agreement.

2.2.4. Service Completion. Unless otherwise specified in the applicable Ordering Document, Services described in an Ordering Document will be deemed complete upon Motorola’s performance of all Services listed in such Ordering Document (“**Service Completion Date**”); provided, however, that Maintenance and Support Services may be offered on an ongoing basis during a given Ordering Document term, in which case such Maintenance and Support Services will conclude upon the expiration or termination of such Ordering Document.

2.3. Non-Preclusion. If, in connection with the Products and Services provided under this Agreement, Motorola makes recommendations, including a recommendation to purchase other products or services, nothing in this Agreement precludes Motorola from participating in a future competitive bidding process or otherwise offering or selling the recommended products or other services to Customer. Customer represents that this paragraph does not violate its procurement standards or other laws, regulations, or policies.

2.4. Customer Obligations. Customer will ensure that information Customer provides to Motorola in connection with receipt of Products and Services are accurate and complete in all material respects. Customer will make timely decisions and obtain any required management

approvals that are reasonably necessary for Motorola to provide the Products and Services and perform its other duties under this Agreement. Unless the applicable Ordering Document states otherwise, Motorola may rely upon and is not required to evaluate, confirm, reject, modify, or provide advice concerning any assumptions or Customer information, decisions, or approvals described in this Section. If any assumptions in the Ordering Documents or information provided by Customer prove to be incorrect, or if Customer fails to perform any of its obligations under this Agreement, Motorola's ability to perform its obligations may be impacted and changes to the Agreement, including the scope, Fees, and performance schedule may be required.

2.5. Documentation. Products and Services may be delivered with documentation for the Equipment, software Products, or data that specifies technical and performance features, capabilities, users, or operation, including training manuals, and other deliverables, such as reports, specifications, designs, plans, drawings, analytics, or other information (collectively, "**Documentation**"). Documentation is and will be owned by Motorola, unless otherwise expressly agreed in an Addendum or Ordering Document that certain Documentation will be owned by Customer. Motorola hereby grants Customer a limited, royalty-free, worldwide, non-exclusive license to use the Documentation solely for its internal business purposes in connection with the Products and Services.

2.6. Motorola Tools and Equipment. As part of delivering the Products and Services, Motorola may provide certain tools, equipment, models, and other materials of its own. Such tools and equipment will remain the sole property of Motorola unless they are to be purchased by Customer as Products and are explicitly listed on an Ordering Document. The tools and equipment may be held by Customer for Motorola's use without charge and may be removed from Customer's premises by Motorola at any time without restriction. Customer will safeguard all tools and equipment while in Customer's custody or control, and be liable for any loss or damage. Upon the expiration or earlier termination of this Agreement, Customer, at its expense, will return to Motorola all tools and equipment in its possession or control.

2.7. Authorized Users. Customer will ensure its employees and Authorized Users comply with the terms of this Agreement and will be liable for all acts and omissions of its employees and Authorized Users. Customer is responsible for the secure management of Authorized Users' names, passwords and login credentials for access to Products and Services. "**Authorized Users**" are Customer's employees, full-time contractors engaged for the purpose of supporting the Products and Services that are not competitors of Motorola, and the entities (if any) specified in an Ordering Document or otherwise approved by Motorola in writing (email from an authorized Motorola signatory accepted), which may include affiliates or other Customer agencies.

2.8. Export Control. Customer, its employees, and any other Authorized Users will not access or use the Products and Services in any jurisdiction in which the provision of such Products and Services is prohibited under applicable laws or regulations (a "**Prohibited Jurisdiction**"), and Customer will not provide access to the Products and Services to any government, entity, or individual located in a Prohibited Jurisdiction. Customer represents and warrants that (a) it and its Authorized Users are not named on any U.S. government list of persons prohibited from receiving U.S. exports, or transacting with any U.S. person; (b) it and its Authorized Users are not a national of, or a company registered in, any Prohibited Jurisdiction; (c) Customer will not permit its Authorized Users to access or use the Products or Services in violation of any U.S. or other applicable export embargoes, prohibitions or restrictions; and (d) Customer and its

Authorized Users will comply with all applicable laws regarding the transmission of technical data exported from the U.S. and the country in which Customer, its employees, and the Authorized Users are located.

2.9. Change Orders. Unless a different change control process is agreed upon in writing by the Parties, a Party may request changes to an Addendum or an Ordering Document by submitting a change order to the other Party (each, a “**Change Order**”). If a requested change in a Change Order causes an increase or decrease in the Products or Services, the Parties by means of the Change Order will make appropriate adjustments to the Fees, project schedule, or other matters. Change Orders are effective and binding on the Parties only upon execution of the Change Order by an authorized representative of both Parties.

3. Term and Termination.

3.1. Term. The term of this MCA (“**Term**”) will commence on the Effective Date and continue until six (6) months after the later of (a) the termination, expiration, or discontinuance of services under the last Ordering Document in effect, or (b) the expiration of all applicable warranty periods, unless the MCA is earlier terminated as set forth herein. The applicable Addendum or Ordering Document will set forth the term for the Products and Services governed thereby.

3.2. Termination. Either Party may terminate the Agreement or the applicable Addendum or Ordering Document if the other Party breaches a material obligation under the Agreement and does not cure such breach within thirty (30) days after receipt of notice of the breach or fails to produce a cure plan within such period of time. Each Addendum and Ordering Document may be separately terminable as set forth therein.

3.3. Suspension of Services. Motorola may terminate or suspend any Products or Services under an Ordering Document if Motorola determines: (a) the related Product license has expired or has terminated for any reason; (b) the applicable Product is being used on a hardware platform, operating system, or version not approved by Motorola; (c) Customer fails to make any payments when due; or (d) Customer fails to comply with any of its other obligations or otherwise delays Motorola’s ability to perform.

3.4. Effect of Termination or Expiration. Upon termination for any reason or expiration of this Agreement, an Addendum, or an Ordering Document, Customer and the Authorized Users will return or destroy (at Motorola’s option) all Motorola Materials and Motorola’s Confidential Information in their possession or control and, as applicable, provide proof of such destruction, except that Equipment purchased by Customer should not be returned. If Customer has any outstanding payment obligations under this Agreement, Motorola may accelerate and declare all such obligations of Customer immediately due and payable by Customer. Notwithstanding the reason for termination or expiration, Customer must pay Motorola for Products and Services already delivered. Customer has a duty to mitigate any damages under this Agreement, including in the event of default by Motorola and Customer’s termination of this Agreement.

4. Payment and Invoicing.

4.1. Fees. Fees and charges applicable to the Products and Services (the “**Fees**”) will be as set forth in the applicable Addendum or Ordering Document or otherwise provided by Motorola, and such Fees may be changed by Motorola at any time, except that Motorola will not change the Fees for Products and Services purchased by Customer during the term of an active

Ordering Document or during a Subscription Term (as defined and further described in the applicable Addendum). Changes in the scope of Services described in an Ordering Document may require an adjustment to the Fees due under such Ordering Document. If a specific invoicing or payment schedule is set forth in the applicable Addendum or Ordering Document, such schedule will apply solely with respect to such Addendum or Ordering Document. Unless otherwise specified in the applicable Ordering Document, the Fees for any Services exclude expenses associated with unusual and costly Site access requirements (e.g., if Site access requires a helicopter or other equipment), and Customer will reimburse Motorola for these or other expenses incurred by Motorola in connection with the Services.

4.2. Taxes. The Fees do not include any excise, sales, lease, use, property, or other taxes, assessments, duties, or regulatory charges or contribution requirements (collectively, "**Taxes**"), all of which will be paid by Customer, except as exempt by law, unless otherwise specified in an Ordering Document. If Motorola is required to pay any Taxes, Customer will reimburse Motorola for such Taxes (including any interest and penalties) within thirty (30) days after Customer's receipt of an invoice therefore. Customer will be solely responsible for reporting the Products for personal property tax purposes, and Motorola will be solely responsible for reporting taxes on its income and net worth.

4.3. Invoicing. Motorola will invoice Customer at the frequency set forth in the applicable Addendum or Ordering Document, and Customer will pay all invoices within thirty (30) days of the invoice date or as otherwise specified in the applicable Addendum or Ordering Document. Late payments will be subject to interest charges at the maximum rate permitted by law, commencing upon the due date. Motorola may invoice electronically via email, and Customer agrees to receive invoices via email at the email address set forth in an Ordering Document. Customer acknowledges and agrees that a purchase order or other notice to proceed is not required for payment for Products or Services.

5. Sites; Customer-Provided Equipment; Non-Motorola Content.

5.1. Access to Sites. Customer will be responsible for providing all necessary permits, licenses, and other approvals necessary for the installation and use of the Products and the performance of the Services at each applicable Site, including for Motorola to perform its obligations hereunder, and for facilitating Motorola's access to the Sites. No waivers of liability will be imposed on Motorola or its subcontractors by Customer or others at Customer facilities or other Sites, but if and to the extent any such waivers are imposed, the Parties agree such waivers are void.

5.2. Site Conditions. Customer will ensure that (a) all Sites are safe and secure, (b) Site conditions meet all applicable industry and legal standards (including standards promulgated by OSHA or other governmental or regulatory bodies), (c) to the extent applicable, Sites have adequate physical space, air conditioning, and other environmental conditions, electrical power outlets, distribution, equipment, connections, and telephone or other communication lines (including modem access and interfacing networking capabilities), and (d) Sites are suitable for the installation, use, and maintenance of the Products and Services. This Agreement is predicated upon normal soil conditions as defined by the version of E.I.A. standard RS-222 in effect on the Effective Date.

5.3. Site Issues. Motorola will have the right at any time to inspect the Sites and advise Customer of any deficiencies or non-conformities with the requirements of this **Section 5** –

Sites; Customer-Provided Equipment; Non-Motorola Content. If Motorola or Customer identifies any deficiencies or non-conformities, Customer will promptly remediate such issues or the Parties will select a replacement Site. If a Party determines that a Site identified in an Ordering Document is not acceptable or desired, the Parties will cooperate to investigate the conditions and select a replacement Site or otherwise adjust the installation plans and specifications as necessary. A change in Site or adjustment to the installation plans and specifications may cause a change in the Fees or performance schedule under the applicable Ordering Document.

5.4. Customer-Provided Equipment. Certain components, including equipment and software, not provided by Motorola may be required for use of the Products and Services (“**Customer-Provided Equipment**”). Customer will be responsible, at its sole cost and expense, for providing and maintaining the Customer-Provided Equipment in good working order. Customer represents and warrants that it has all rights in Customer-Provided Equipment to permit Motorola to access and use the applicable Customer-Provided Equipment to provide the Products and Services under this Agreement, and such access and use will not violate any laws or infringe any third-party rights (including intellectual property rights). Customer (and not Motorola) will be fully liable for Customer-Provided Equipment, and Customer will immediately notify Motorola of any Customer-Provided Equipment damage, loss, change, or theft that may impact Motorola’s ability to provide the Products and Services under this Agreement, and Customer acknowledges that any such events may cause a change in the Fees or performance schedule under the applicable Ordering Document.

5.5. Non-Motorola Content. In certain instances, Customer may be permitted to access, use, or integrate Customer or third-party software, services, hardware, content, and data that is not provided by Motorola (collectively, “**Non-Motorola Content**”) with or through the Products and Services. If Customer accesses, uses, or integrates any Non-Motorola Content with the Products or Services, Customer will first obtain all necessary rights and licenses to permit Customer’s and its Authorized Users’ use of the Non-Motorola Content in connection with the Products and Services. Customer will also obtain the necessary rights for Motorola to use such Non-Motorola Content in connection with providing the Products and Services, including the right for Motorola to access, store, and process such Non-Motorola Content (e.g., in connection with Subscription Software), and to otherwise enable interoperation with the Products and Services. Customer represents and warrants that it will obtain the foregoing rights and licenses prior to accessing, using, or integrating the applicable Non-Motorola Content with the Products and Services, and that Customer and its Authorized Users will comply with any terms and conditions applicable to such Non-Motorola Content. If any Non-Motorola Content require access to Customer Data (as defined below), Customer hereby authorizes Motorola to allow the provider of such Non-Motorola Content to access Customer Data, in connection with the interoperation of such Non-Motorola Content with the Products and Services. Customer acknowledges and agrees that Motorola is not responsible for, and makes no representations or warranties with respect to, the Non-Motorola Content (including any disclosure, modification, or deletion of Customer Data resulting from use of Non-Motorola Content or failure to properly interoperate with the Products and Services). If Customer receives notice that any Non-Motorola Content must be removed, modified, or disabled within the Products or Services, Customer will promptly do so. Motorola will have the right to disable or remove Non-Motorola Content if Motorola believes a violation of law, third-party rights, or Motorola’s policies is likely to occur, or if such Non-Motorola Content poses or may pose a security or other risk or adverse impact to the Products or Services, Motorola, Motorola’s systems, or any third party (including other

Motorola customers). Motorola may provide certain Non-Motorola Content as an authorized sales representative of a third party as set out in an Ordering Document. As an authorized sales representative, the third party's terms and conditions, as set forth in the Ordering Document, will apply to any such sales. Any orders for such Non-Motorola Content will be filled by the third party. Nothing in this Section will limit the exclusions set forth in **Section 7.2 – Intellectual Property Infringement**.

5.6. End User Licenses. Notwithstanding any provision to the contrary in the Agreement, certain Non-Motorola Content software are governed by a separate license, EULA, or other agreement, including terms governing third-party equipment or software, such as open source software, included in the Products and Services. Customer will comply, and ensure its Authorized Users comply, with any such additional terms applicable to third-party equipment or software. If provided for in the separate third party license, Customer may have a right to receive source code for such software; a copy of such source code may be obtained free of charge by contacting Motorola.

6. Representations and Warranties.

6.1. Mutual Representations and Warranties. Each Party represents and warrants to the other Party that (a) it has the right to enter into the Agreement and perform its obligations hereunder, and (b) the Agreement will be binding on such Party.

6.2. Motorola Warranties. Subject to the disclaimers and exclusions below, Motorola represents and warrants that (a) Services will be provided in a good and workmanlike manner and will conform in all material respects to the descriptions in the applicable Ordering Document; and (b) for a period of ninety (90) days commencing upon the Service Completion Date for one-time Services, the Services will be free of material defects in materials and workmanship. Other than as set forth in subsection (a) above, recurring Services are not warranted but rather will be subject to the requirements of the applicable Addendum or Ordering Document. Motorola provides other express warranties for Motorola-manufactured Equipment, Motorola-owned software Products, and certain Services. Such express warranties are included in the applicable Addendum or Ordering Document. Such representations and warranties will apply only to the applicable Product or Service that is the subject of such Addendum or Ordering Document.

6.3. Warranty Claims; Remedies. To assert a warranty claim, Customer must notify Motorola in writing of the claim prior to the expiration of any warranty period set forth in this MCA or the applicable Addendum or Ordering Document. Unless a different remedy is otherwise expressly set forth for a particular warranty under an Addendum, upon receipt of such claim, Motorola will investigate the claim and use commercially reasonable efforts to repair or replace any confirmed materially non-conforming Product or re-perform any non-conforming Service, at its option. Such remedies are Customer's sole and exclusive remedies for Motorola's breach of a warranty. Motorola's warranties are extended by Motorola to Customer only, and are not assignable or transferrable.

6.4. Pass-Through Warranties. Notwithstanding any provision of this Agreement to the contrary, Motorola will have no liability for third-party software or hardware provided by Motorola; provided, however, that to the extent offered by third-party providers of software or hardware and to the extent permitted by law, Motorola will pass through express warranties provided by such third parties.

6.5. WARRANTY DISCLAIMER. EXCEPT FOR THE EXPRESS AND PASS THROUGH WARRANTIES IN THIS AGREEMENT, PRODUCTS AND SERVICES PURCHASED HEREUNDER ARE PROVIDED “AS IS” AND WITH ALL FAULTS. WARRANTIES SET FORTH IN THE AGREEMENT ARE THE COMPLETE WARRANTIES FOR THE PRODUCTS AND SERVICES AND MOTOROLA DISCLAIMS ALL OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, AND QUALITY. MOTOROLA DOES NOT REPRESENT OR WARRANT THAT USE OF THE PRODUCTS AND SERVICES WILL BE UNINTERRUPTED, ERROR-FREE, OR FREE OF SECURITY VULNERABILITIES, OR THAT THEY WILL MEET CUSTOMER’S PARTICULAR REQUIREMENTS.

7. Indemnification.

7.1. General Indemnity. Motorola will defend, indemnify, and hold Customer harmless from and against any and all damages, losses, liabilities, and expenses (including reasonable fees and expenses of attorneys) arising from any actual third-party claim, demand, action, or proceeding (“**Claim**”) for personal injury, death, or direct damage to tangible property to the extent caused by Motorola’s negligence, gross negligence or willful misconduct while performing its duties under an Ordering Document or an Addendum, except to the extent the claim arises from Customer’s negligence or willful misconduct. Motorola’s duties under this **Section 7.1 – General Indemnity** are conditioned upon: (a) Customer promptly notifying Motorola in writing of the Claim; (b) Motorola having sole control of the defense of the suit and all negotiations for its settlement or compromise; and (c) Customer cooperating with Motorola and, if requested by Motorola, providing reasonable assistance in the defense of the Claim.

7.2. Intellectual Property Infringement. Motorola will defend Customer against any third-party claim alleging that a Motorola-developed or manufactured Product or Service (the “**Infringing Product**”) directly infringes a United States patent or copyright (“**Infringement Claim**”), and Motorola will pay all damages finally awarded against Customer by a court of competent jurisdiction for an Infringement Claim, or agreed to in writing by Motorola in settlement of an Infringement Claim. Motorola’s duties under this **Section 7.2 – Intellectual Property Infringement** are conditioned upon: (a) Customer promptly notifying Motorola in writing of the Infringement Claim; (b) Motorola having sole control of the defense of the suit and all negotiations for its settlement or compromise; and (c) Customer cooperating with Motorola and, if requested by Motorola, providing reasonable assistance in the defense of the Infringement Claim.

7.2.1. If an Infringement Claim occurs, or in Motorola’s opinion is likely to occur, Motorola may at its option and expense: (a) procure for Customer the right to continue using the Infringing Product; (b) replace or modify the Infringing Product so that it becomes non-infringing; or (c) grant Customer (i) a pro-rated refund of any amounts pre-paid for the Infringing Product (if the Infringing Product is a software Product, i.e., Licensed Software or Subscription Software) or (ii) a credit for the Infringing Product, less a reasonable charge for depreciation (if the Infringing Product is Equipment, including Equipment with embedded software).

7.2.2. In addition to the other damages disclaimed under this Agreement, Motorola will have no duty to defend or indemnify Customer for any Infringement Claim that arises from or is based upon: (a) Customer Data, Customer-Provided Equipment,

Non-Motorola Content, or third-party equipment, hardware, software, data, or other third-party materials; (b) the combination of the Product or Service with any products or materials not provided by Motorola; (c) a Product or Service designed, modified, or manufactured in accordance with Customer's designs, specifications, guidelines or instructions; (d) a modification of the Product or Service by a party other than Motorola; (e) use of the Product or Service in a manner for which the Product or Service was not designed or that is inconsistent with the terms of this Agreement; or (f) the failure by Customer to use or install an update to the Product or Service that is intended to correct the claimed infringement. In no event will Motorola's liability resulting from an Infringement Claim extend in any way to any payments due on a royalty basis, other than a reasonable royalty based upon revenue derived by Motorola from Customer from sales or license of the Infringing Product.

7.2.3. This **Section 7.2 – Intellectual Property Infringement** provides Customer's sole and exclusive remedies and Motorola's entire liability in the event of an Infringement Claim. For clarity, the rights and remedies provided in this Section are subject to, and limited by, the restrictions set forth in **Section 8 – Limitation of Liability** below.

7.3. Customer Indemnity. Customer will defend, indemnify, and hold Motorola and its subcontractors, subsidiaries and other affiliates harmless from and against any and all damages, losses, liabilities, and expenses (including reasonable fees and expenses of attorneys) arising from any actual or threatened third-party claim, demand, action, or proceeding arising from or related to (a) Customer-Provided Equipment, Customer Data, or Non-Motorola Content, including any claim, demand, action, or proceeding alleging that any such equipment, data, or materials (or the integration or use thereof with the Products and Services) infringes or misappropriates a third-party intellectual property or other right, violates applicable law, or breaches the Agreement; (b) Customer-Provided Equipment's failure to meet the minimum requirements set forth in the applicable Documentation or match the applicable specifications provided to Motorola by Customer in connection with the Products or Services; (c) Customer's (or its service providers, agents, employees, or Authorized User's) negligence or willful misconduct; and (d) Customer's or its Authorized User's breach of this Agreement. This indemnity will not apply to the extent any such claim is caused by Motorola's use of Customer-Provided Equipment, Customer Data, or Non-Motorola Content in violation of the Agreement. Motorola will give Customer prompt, written notice of any claim subject to the foregoing indemnity. Motorola will, at its own expense, cooperate with Customer in its defense or settlement of the claim.

8. Limitation of Liability.

8.1. DISCLAIMER OF CONSEQUENTIAL DAMAGES. EXCEPT FOR PERSONAL INJURY OR DEATH, MOTOROLA, ITS AFFILIATES, AND ITS AND THEIR RESPECTIVE OFFICERS, DIRECTORS, EMPLOYEES, SUBCONTRACTORS, AGENTS, SUCCESSORS, AND ASSIGNS (COLLECTIVELY, THE "**MOTOROLA PARTIES**") WILL NOT BE LIABLE IN CONNECTION WITH THIS AGREEMENT (WHETHER UNDER MOTOROLA'S INDEMNITY OBLIGATIONS, A CAUSE OF ACTION FOR BREACH OF CONTRACT, UNDER TORT THEORY, OR OTHERWISE) FOR ANY INDIRECT, INCIDENTAL, SPECIAL, EXEMPLARY, PUNITIVE, OR CONSEQUENTIAL DAMAGES OR DAMAGES FOR LOST PROFITS OR REVENUES, EVEN

IF MOTOROLA HAS BEEN ADVISED BY CUSTOMER OR ANY THIRD PARTY OF THE POSSIBILITY OF SUCH DAMAGES OR LOSSES AND WHETHER OR NOT SUCH DAMAGES OR LOSSES ARE FORESEEABLE.

8.2. DIRECT DAMAGES. EXCEPT FOR PERSONAL INJURY OR DEATH, THE TOTAL AGGREGATE LIABILITY OF THE MOTOROLA PARTIES, WHETHER BASED ON A CLAIM IN CONTRACT OR IN TORT, LAW OR EQUITY, RELATING TO OR ARISING OUT OF THE AGREEMENT WILL NOT EXCEED THE FEES SET FORTH IN THE ORDERING DOCUMENT UNDER WHICH THE CLAIM AROSE. NOTWITHSTANDING THE FOREGOING, FOR ANY SUBSCRIPTION SOFTWARE OR FOR ANY RECURRING SERVICES, THE MOTOROLA PARTIES' TOTAL LIABILITY FOR ALL CLAIMS RELATED TO SUCH PRODUCT OR RECURRING SERVICES IN THE AGGREGATE WILL NOT EXCEED THE TOTAL FEES PAID FOR SUCH SUBSCRIPTION SOFTWARE OR RECURRING SERVICE, AS APPLICABLE, DURING THE CONSECUTIVE TWELVE (12) MONTH PERIOD IMMEDIATELY PRECEDING THE EVENT FROM WHICH THE FIRST CLAIM AROSE.

8.3. ADDITIONAL EXCLUSIONS. NOTWITHSTANDING ANY OTHER PROVISION OF THIS AGREEMENT, MOTOROLA WILL HAVE NO LIABILITY FOR DAMAGES ARISING OUT OF (A) CUSTOMER DATA, INCLUDING ITS TRANSMISSION TO MOTOROLA, OR ANY OTHER DATA AVAILABLE THROUGH THE PRODUCTS OR SERVICES; (B) CUSTOMER-PROVIDED EQUIPMENT, NON-MOTOROLA CONTENT, THE SITES, OR THIRD-PARTY EQUIPMENT, HARDWARE, SOFTWARE, DATA, OR OTHER THIRD-PARTY MATERIALS, OR THE COMBINATION OF PRODUCTS AND SERVICES WITH ANY OF THE FOREGOING; (C) LOSS OF DATA OR HACKING, RANSOMWARE, OR OTHER THIRD-PARTY ATTACKS OR DEMANDS; (D) MODIFICATION OF PRODUCTS OR SERVICES BY ANY PERSON OTHER THAN MOTOROLA; (E) RECOMMENDATIONS PROVIDED IN CONNECTION WITH OR BY THE PRODUCTS AND SERVICES; (F) DATA RECOVERY SERVICES OR DATABASE MODIFICATIONS; OR (G) CUSTOMER'S OR ANY AUTHORIZED USER'S BREACH OF THIS AGREEMENT OR MISUSE OF THE PRODUCTS AND SERVICES.

8.4. Voluntary Remedies. Motorola is not obligated to remedy, repair, replace, or refund the purchase price for the disclaimed issues in **Section 8.3 – Additional Exclusions** above, but if Motorola agrees to provide Services to help resolve such issues, Customer will reimburse Motorola for its reasonable time and expenses, including by paying Motorola any Fees set forth in an Ordering Document for such Services, if applicable.

8.5. Statute of Limitations. Customer may not bring any claims against a Motorola Party in connection with this Agreement or the Products and Services more than one (1) year after the date of accrual of the cause of action.

9. Confidentiality.

9.1. Confidential Information. “**Confidential Information**” means any and all non-public information provided by one Party (“**Discloser**”) to the other (“**Recipient**”) that is disclosed under this Agreement in oral, written, graphic, machine recognizable, or sample form, being clearly designated, labeled or marked as confidential or its equivalent or that a reasonable businessperson would consider non-public and confidential by its nature. With respect to Motorola, Confidential Information will also include Products and Services, and Documentation, as well as any other information relating to the Products and Services. The nature and existence

of this Agreement are considered Confidential Information of the Parties. In order to be considered Confidential Information, information that is disclosed orally must be identified as confidential at the time of disclosure and confirmed by Discloser by submitting a written document to Recipient within thirty (30) days after such disclosure. The written document must contain a summary of the Confidential Information disclosed with enough specificity for identification purpose and must be labeled or marked as confidential or its equivalent.

9.2. Obligations of Confidentiality. During the Term and for a period of three (3) years from the expiration or termination of this Agreement, Recipient will (a) not disclose Confidential Information to any third party, except as expressly permitted in this **Section 9 - Confidentiality**; (b) restrict disclosure of Confidential Information to only those employees (including, employees of any wholly owned subsidiary, a parent company, any other wholly owned subsidiaries of the same parent company), agents or consultants who must access the Confidential Information for the purpose of, and who are bound by confidentiality terms substantially similar to those in, this Agreement; (c) not copy, reproduce, reverse engineer, de-compile or disassemble any Confidential Information; (d) use the same degree of care as for its own information of like importance, but at least use reasonable care, in safeguarding against disclosure of Confidential Information; (e) promptly notify Discloser upon discovery of any unauthorized use or disclosure of the Confidential Information and take reasonable steps to regain possession of the Confidential Information and prevent further unauthorized actions or other breach of this Agreement; and (f) only use the Confidential Information as needed to fulfill its obligations and secure its rights under this Agreement.

9.3. Exceptions. Recipient is not obligated to maintain as confidential any information that Recipient can demonstrate by documentation (a) is publicly available at the time of disclosure or becomes available to the public without breach of this Agreement; (b) is lawfully obtained from a third party without a duty of confidentiality to Discloser; (c) is otherwise lawfully known to Recipient prior to such disclosure without a duty of confidentiality to Discloser; or (d) is independently developed by Recipient without the use of, or reference to, any of Discloser's Confidential Information or any breach of this Agreement. Additionally, Recipient may disclose Confidential Information to the extent required by law, including a judicial or legislative order or proceeding.

9.4. Ownership of Confidential Information. All Confidential Information is and will remain the property of Discloser and will not be copied or reproduced without the express written permission of Discloser (including as permitted herein). Within ten (10) days of receipt of Discloser's written request, Recipient will return or destroy all Confidential Information to Discloser along with all copies and portions thereof, or certify in writing that all such Confidential Information has been destroyed. However, Recipient may retain (a) one (1) archival copy of the Confidential Information for use only in case of a dispute concerning this Agreement and (b) Confidential Information that has been automatically stored in accordance with Recipient's standard backup or recordkeeping procedures, provided, however that Recipient will remain subject to the obligations of this Agreement with respect to any Confidential Information retained subject to clauses (a) or (b). No license, express or implied, in the Confidential Information is granted to the Recipient other than to use the Confidential Information in the manner and to the extent authorized by this Agreement. Discloser represents and warrants that it is authorized to disclose any Confidential Information it discloses pursuant to this Agreement.

10. Proprietary Rights; Data; Feedback.

10.1. Data Definitions. The following terms will have the stated meanings: “**Customer Contact Data**” means data Motorola collects from Customer, its Authorized Users, and their end users for business contact purposes, including marketing, advertising, licensing and sales purposes; “**Service Use Data**” means data generated by Customer’s use of the Products and Services or by Motorola’s support of the Products and Services, including personal information, product performance and error information, activity logs and date and time of use; “**Customer Data**” means data, information, and content, including images, text, videos, documents, audio, telemetry, location and structured data base records, provided by, through, or on behalf of Customer, its Authorized Users, and their end users through the use of the Products and Services. Customer Data does not include Customer Contact Data, Service Use Data, or information from publicly available sources or other Third-Party Data or Motorola Data; “**Third-Party Data**” means information obtained by Motorola from publicly available sources or its third party content providers and made available to Customer through the Products or Services; “**Motorola Data**” means data owned or licensed by Motorola; “**Feedback**” means comments or information, in oral or written form, given to Motorola by Customer or Authorized Users, including their end users, in connection with or relating to the Products or Services; and “**Process**” or “**Processing**” means any operation or set of operations which is performed on personal information or on sets of personal information, whether or not by automated means, such as collection, recording, copying, analyzing, caching, organization, structuring, storage, adaptation, or alteration, retrieval, consultation, use, disclosure by transmission, dissemination or otherwise making available, alignment or combination, restriction, erasure or destruction.

10.2. Motorola Materials. Customer acknowledges that Motorola may use or provide Customer with access to software, tools, data, and other materials, including designs, utilities, models, methodologies, systems, and specifications, which Motorola has developed or licensed from third parties (including any corrections, bug fixes, enhancements, updates, modifications, adaptations, translations, de-compilations, disassemblies, or derivative works of the foregoing, whether made by Motorola or another party) (collectively, “**Motorola Materials**”). The Products and Services, Motorola Data, Third-Party Data, and Documentation, are considered Motorola Materials. Except when Motorola has expressly transferred title or other interest to Customer by way of an Addendum or Ordering Document, the Motorola Materials are the property of Motorola or its licensors, and Motorola or its licensors retain all right, title and interest in and to the Motorola Materials (including, all rights in patents, copyrights, trademarks, trade names, trade secrets, know-how, other intellectual property and proprietary rights, and all associated goodwill and moral rights). For clarity, this Agreement does not grant to Customer any shared development rights in or to any Motorola Materials or other intellectual property, and Customer agrees to execute any documents and take any other actions reasonably requested by Motorola to effectuate the foregoing. Motorola and its licensors reserve all rights not expressly granted to Customer, and no rights, other than those expressly granted herein, are granted to Customer by implication, estoppel or otherwise. Customer will not modify, disassemble, reverse engineer, derive source code or create derivative works from, merge with other software, distribute, sublicense, sell, or export the Products and Services or other Motorola Materials, or permit any third party to do so.

10.3. Ownership of Customer Data. Customer retains all right, title and interest, including intellectual property rights, if any, in and to Customer Data. Motorola acquires no rights to Customer Data except those rights granted under this Agreement including the right to Process and use the Customer Data as set forth in **Section 10.4 – Processing Customer Data** below

and in other applicable Addenda. The Parties agree that with regard to the Processing of personal information which may be part of Customer Data, Customer is the controller and Motorola is the processor, and may engage sub-processors pursuant to **Section 10.4.3 – Sub-processors**.

10.4. Processing Customer Data.

10.4.1. Motorola Use of Customer Data. To the extent permitted by law, Customer grants Motorola and its subcontractors a right to use Customer Data and a royalty-free, worldwide, non-exclusive license to use Customer Data (including to process, host, cache, store, reproduce, copy, modify, combine, analyze, create derivative works from such Customer Data and to communicate, transmit, and distribute such Customer Data to third parties engaged by Motorola) to (a) perform Services and provide Products under the Agreement, (b) analyze the Customer Data to operate, maintain, manage, and improve Motorola Products and Services, and (c) create new products and services. Customer agrees that this Agreement, along with the Documentation, are Customer's complete and final documented instructions to Motorola for the processing of Customer Data. Any additional or alternate instructions must be agreed to according to the Change Order process. Customer represents and warrants to Motorola that Customer's instructions, including appointment of Motorola as a processor or sub-processor, have been authorized by the relevant controller.

10.4.2. Collection, Creation, Use of Customer Data. Customer further represents and warrants that the Customer Data, Customer's collection, creation, and use of the Customer Data (including in connection with Motorola's Products and Services), and Motorola's use of such Customer Data in accordance with the Agreement, will comply with all laws and will not violate any applicable privacy notices or infringe any third-party rights (including intellectual property and privacy rights). It is Customer's responsibility to obtain all required consents, provided all necessary notices, and meet any other applicable legal requirements with respect to collection and use (including Motorola's use) of the Customer Data as described in the Agreement.

10.4.3. Sub-processors. Customer agrees that Motorola may engage sub-processors who in turn may engage additional sub-processors to Process personal data in accordance with this Agreement. When engaging sub-processors, Motorola will enter into agreements with the sub-processors to bind them to data processing obligations to the extent required by law.

10.5. Data Retention and Deletion. Except as expressly provided otherwise under the Agreement, Motorola will delete all Customer Data following termination or expiration of this MCA or the applicable Addendum or Ordering Document, with such deletion to occur no later than ninety (90) days following the applicable date of termination or expiration, unless otherwise required to comply with applicable law. Any requests for the exportation or download of Customer Data must be made by Customer to Motorola in writing before expiration or termination, subject to **Section 13.9 – Notices**. Motorola will have no obligation to retain such Customer Data beyond expiration or termination unless the Customer has purchased extended storage from Motorola through a mutually executed Ordering Document.

10.6. Service Use Data. Customer understands and agrees that Motorola may collect and use Service Use Data for its own purposes, including the uses described below. Motorola may use Service Use Data to (a) operate, maintain, manage, and improve existing and create new products and services, (b) test products and services, (c) to aggregate Service Use Data and combine it with that of other users, and (d) to use anonymized or aggregated data for marketing, research or other business purposes. Service Use Data may be disclosed to third parties. It is Customer's responsibility to notify Authorized Users of Motorola's collection and use of Service Use Data and to obtain any required consents, provide all necessary notices, and meet any other applicable legal requirements with respect to such collection and use, and Customer represents and warrants to Motorola that it has complied and will continue to comply with this Section.

10.7. Third-Party Data and Motorola Data. Motorola Data and Third-Party Data may be available to Customer through the Products and Services. Customer and its Authorized Users may use Motorola Data and Third-Party Data as permitted by Motorola and the applicable Third-Party Data provider, as described in the applicable Addendum. Unless expressly permitted in the applicable Addendum, Customer will not, and will ensure its Authorized Users will not: (a) use the Motorola Data or Third-Party Data for any purpose other than Customer's internal business purposes; (b) disclose the data to third parties; (c) "white label" such data or otherwise misrepresent its source or ownership, or resell, distribute, sublicense, or commercially exploit the data in any manner; (d) use such data in violation of applicable laws; (e) remove, obscure, alter, or falsify any marks or proprietary rights notices indicating the source, origin, or ownership of the data; or (f) modify such data or combine it with Customer Data or other data or use the data to build databases. Additional restrictions may be set forth in the applicable Addendum. Any rights granted to Customer or Authorized Users with respect to Motorola Data or Third-Party Data will immediately terminate upon termination or expiration of the applicable Addendum, Ordering Document, or this MCA. Further, Motorola or the applicable Third-Party Data provider may suspend, change, or terminate Customer's or any Authorized User's access to Motorola Data or Third-Party Data if Motorola or such Third-Party Data provider believes Customer's or the Authorized User's use of the data violates the Agreement, applicable law or Motorola's agreement with the applicable Third-Party Data provider. Upon termination of Customer's rights to use any Motorola Data or Third-Party Data, Customer and all Authorized Users will immediately discontinue use of such data, delete all copies of such data, and certify such deletion to Motorola. Notwithstanding any provision of the Agreement to the contrary, Motorola will have no liability for Third-Party Data or Motorola Data available through the Products and Services. Motorola and its Third-Party Data providers reserve all rights in and to Motorola Data and Third-Party Data not expressly granted in an Addendum or Ordering Document.

10.8. Feedback. Any Feedback provided by Customer is entirely voluntary, and will not create any confidentiality obligation for Motorola, even if designated as confidential by Customer. Motorola may use, reproduce, license, and otherwise distribute and exploit the Feedback without any obligation or payment to Customer or Authorized Users and Customer represents and warrants that it has obtained all necessary rights and consents to grant Motorola the foregoing rights.

10.9. Improvements; Products and Services. The Parties agree that, notwithstanding any provision of this MCA or the Agreement to the contrary, all fixes, modifications and

improvements to the Services or Products conceived of or made by or on behalf of Motorola that are based either in whole or in part on the Feedback, Customer Data, or Service Use Data (or otherwise) are the exclusive property of Motorola and all right, title and interest in and to such fixes, modifications or improvements will vest solely in Motorola. Customer agrees to execute any written documents necessary to assign any intellectual property or other rights it may have in such fixes, modifications or improvements to Motorola.

11. Force Majeure; Delays Caused by Customer.

11.1. Force Majeure. Except for Customer's payment obligations hereunder, neither Party will be responsible for nonperformance or delayed performance due to events outside of its reasonable control. If performance will be significantly delayed, the affected Party will provide notice to the other Party, and the Parties will agree (in writing) upon a reasonable extension to any applicable performance schedule.

11.2. Delays Caused by Customer. Motorola's performance of the Products and Services will be excused for delays caused by Customer or its Authorized Users or subcontractors, or by failure of any assumptions set forth in this Agreement (including in any Addendum or Ordering Document). In the event of a delay under this **Section 11.2 – Delays Caused by Customer**, (a) Customer will continue to pay the Fees as required hereunder, (b) the Parties will agree (in writing) upon a reasonable extension to any applicable performance schedule, and (c) Customer will compensate Motorola for its out-of-pocket costs incurred due to the delay (including those incurred by Motorola's affiliates, vendors, and subcontractors).

12. Disputes. The Parties will use the following procedure to resolve any disputes relating to or arising out of this Agreement (each, a "**Dispute**"):

12.1. Governing Law. All matters relating to or arising out of the Agreement are governed by the laws of the State of Illinois, unless Customer is the United States Government (or an agency thereof), in which case all matters relating to or arising out of the Agreement will be governed by the laws of the State in which the Products and Services are provided. The terms of the U.N. Convention on Contracts for the International Sale of Goods and the Uniform Computer Information Transactions Act will not apply.

12.2. Negotiation; Mediation. Either Party may initiate dispute resolution procedures by sending a notice of Dispute ("**Notice of Dispute**") to the other Party. The Parties will attempt to resolve the Dispute promptly through good faith negotiations, including timely escalation of the Dispute to executives who have authority to settle the Dispute (and who are at a higher level of management than the persons with direct responsibility for the matter). If a Dispute is not resolved through negotiation, either Party may initiate mediation by sending a notice of mediation ("**Notice of Mediation**") to the other Party. The Parties will choose an independent mediator within thirty (30) days of such Notice of Mediation. Neither Party may unreasonably withhold consent to the selection of a mediator, but if the Parties are unable to agree upon a mediator, either Party may request that the American Arbitration Association nominate a mediator. Each Party will bear its own costs of mediation, but the Parties will share the cost of the mediator equally. Each Party will participate in the mediation in good faith and will be represented at the mediation by a business executive with authority to settle the Dispute. All in person meetings under this **Section 12.2 – Negotiation; Mediation** will take place in Chicago, Illinois, and all communication relating to the Dispute resolution will be maintained in strict confidence by the Parties. Notwithstanding the foregoing, any Dispute arising from or relating to

Motorola's intellectual property rights will not be subject to negotiation or mediation in accordance with this Section, but instead will be decided by a court of competent jurisdiction, in accordance with **Section 12.3 – Litigation, Venue, Jurisdiction** below.

12.3. Litigation, Venue, Jurisdiction. If the Dispute has not been resolved by mediation within sixty (60) days from the Notice of Mediation, either Party may submit the Dispute exclusively to a court in Cook County, Illinois. Each Party expressly consents to the exclusive jurisdiction of such courts for resolution of any Dispute and to enforce the outcome of any mediation.

13. General.

13.1. Compliance with Laws. Each Party will comply with applicable laws in connection with the performance of its obligations under this Agreement, including that Customer will ensure its and its Authorized Users' use of the Products and Services complies with law (including privacy laws), and Customer will obtain any FCC and other licenses or authorizations (including licenses or authorizations required by foreign regulatory bodies) required for its and its Authorized Users' use of the Products and Services. Motorola may, at its discretion, cease providing or otherwise modify Products and Services (or any terms related thereto in an Addendum or Ordering Document), in order to comply with any changes in applicable law.

13.2. Audit; Monitoring. Motorola will have the right to monitor and audit use of the Products, which may also include access by Motorola to Customer Data and Service Use Data. Customer will provide notice of such monitoring to its Authorized Users and obtain any required consents, including individual end users, and will cooperate with Motorola in any monitoring or audit. Customer will maintain during the Term, and for two (2) years thereafter, accurate records relating to any software licenses granted under this Agreement to verify compliance with this Agreement. Motorola or a third party ("**Auditor**") may inspect Customer's and, as applicable, Authorized Users' premises, books, and records. Motorola will pay expenses and costs of the Auditor, unless Customer is found to be in violation of the terms of the Agreement, in which case Customer will be responsible for such expenses and costs.

13.3. Assignment and Subcontracting. Neither Party may assign or otherwise transfer this Agreement without the prior written approval of the other Party. Motorola may assign or otherwise transfer this Agreement or any of its rights or obligations under this Agreement without consent (a) for financing purposes, (b) in connection with a merger, acquisition or sale of all or substantially all of its assets, (c) as part of a corporate reorganization, or (d) to a subsidiary corporation. Subject to the foregoing, this Agreement will be binding upon the Parties and their respective successors and assigns.

13.4. Waiver. A delay or omission by either Party to exercise any right under this Agreement will not be construed to be a waiver of such right. A waiver by either Party of any of the obligations to be performed by the other, or any breach thereof, will not be construed to be a waiver of any succeeding breach or of any other obligation. All waivers must be in writing and signed by the Party waiving its rights.

13.5. Severability. If any provision of the Agreement is found by a court of competent jurisdiction to be invalid, illegal, or otherwise unenforceable, such provision will be deemed to be modified to reflect as nearly as possible the original intentions of the Parties in accordance with applicable law. The remaining provisions of this Agreement will not be affected, and each such provision will be valid and enforceable to the full extent permitted by applicable law.

13.6. Independent Contractors. Each Party will perform its duties under this Agreement as an independent contractor. The Parties and their personnel will not be considered to be employees or agents of the other Party. Nothing in this Agreement will be interpreted as granting either Party the right or authority to make commitments of any kind for the other. This Agreement will not constitute, create, or be interpreted as a joint venture, partnership, or formal business organization of any kind.

13.7. Third-Party Beneficiaries. The Agreement is entered into solely between, and may be enforced only by, the Parties. Each Party intends that the Agreement will not benefit, or create any right or cause of action in or on behalf of, any entity other than the Parties. Notwithstanding the foregoing, a licensor or supplier of third-party software included in the software Products will be a direct and intended third-party beneficiary of this Agreement.

13.8. Interpretation. The section headings in this Agreement are included only for convenience. The words “including” and “include” will be deemed to be followed by the phrase “without limitation”. This Agreement will be fairly interpreted in accordance with its terms and conditions and not for or against either Party.

13.9. Notices. Notices required under this Agreement to be given by one Party to the other must be in writing and either personally delivered or sent to the address provided by the other Party by certified mail, return receipt requested and postage prepaid (or by a recognized courier service, such as FedEx, UPS, or DHL), and will be effective upon receipt.

13.10. Cumulative Remedies. Except as specifically stated in this Agreement, all remedies provided for in this Agreement will be cumulative and in addition to, and not in lieu of, any other remedies available to either Party at law, in equity, by contract, or otherwise. Except as specifically stated in this Agreement, the election by a Party of any remedy provided for in this Agreement or otherwise available to such Party will not preclude such Party from pursuing any other remedies available to such Party at law, in equity, by contract, or otherwise.

13.11. Survival. The following provisions will survive the expiration or termination of this Agreement for any reason: **Section 2.4 – Customer Obligations; Section 3.4 – Effect of Termination or Expiration; Section 4 – Payment and Invoicing; Section 6.5 – Warranty Disclaimer; Section 7.3 – Customer Indemnity; Section 8 – Limitation of Liability; Section 9 – Confidentiality; Section 10 – Proprietary Rights; Data; Feedback; Section 11 – Force Majeure; Delays Caused by Customer; Section 12 – Disputes; and Section 13 – General.**

13.12. Entire Agreement. This Agreement, including all Addenda available at www.motorolasolutions.com/product-terms and Ordering Documents, constitutes the entire agreement of the Parties regarding the subject matter hereto, and supersedes all previous agreements, proposals, and understandings, whether written or oral, relating to this subject matter. This Agreement may be executed in multiple counterparts, and will have the same legal force and effect as if the Parties had executed it as a single document. The Parties may sign in writing or by electronic signature. An electronic signature, facsimile copy, or computer image of a signature, will be treated, and will have the same effect as an original signature, and will have the same effect, as an original signed copy of this document. The preprinted terms and conditions found on any Customer purchase order, acknowledgment, or other form will not be considered an amendment or modification or part of this Agreement, even if a representative of each Party signs such document.

Online Terms Acknowledgement

This Online Terms Acknowledgement (this “**Acknowledgement**”) is entered into between Motorola Solutions, Inc. (“**Motorola**”) and the entity set forth in the signature block below (“**Customer**”). Motorola and Customer will each be referred to herein as a “**Party**” and collectively as the “**Parties**”.

- 1. Online Terms Acknowledgement.** The Parties acknowledge and agree that the terms of the Master Customer Agreement (“**MCA**”) and applicable Addenda available at www.motorolasolutions.com/product-terms, including, without limitation, the Mobile Video Addendum, govern each Ordering Document (as defined in the MCA) between the Parties, including all statements of work, schedules, order forms, and other ordering documents, and further agree that the terms of the MCA and Addenda are incorporated therein and form part of the Parties’ Agreement (as defined in the MCA). By signing the signature block below, Customer certifies that it has read and agrees to the provisions set forth in this Acknowledgement and to the terms of the MCA and Addenda posted at www.motorolasolutions.com/product-terms, and the signatory to this Acknowledgement represents and warrants that he or she has the requisite authority to bind Customer to this Acknowledgement, the MCA and the Addenda.
- 2. Entire Agreement.** This Acknowledgement supplements the terms of the MCA and applicable Addenda and forms a part of the Parties’ Agreement. This Acknowledgement, the MCA and applicable Addenda available at www.motorolasolutions.com/product-terms, and any all Ordering Documents between the Parties constitutes the entire agreement of the Parties regarding the subject matter hereof, and supersedes all previous agreements, proposals, and understandings, whether written or oral, relating to this subject matter.
- 3. Disputes; Governing Law. Sections 12 – Disputes** of the MCA is hereby incorporated into this Acknowledgement *mutatis mutandis*.
- 4. Execution and Amendments.** This Acknowledgement may be executed in multiple counterparts, and will have the same legal force and effect as if the Parties had executed it as a single document. The Parties may sign in writing or by electronic signature. An electronic signature, facsimile copy, or computer image of a signature, will be treated, and will have the same effect as an original signature, and will have the same effect, as an original signed copy of this document. This Acknowledgement may be amended or modified only by a written instrument signed by authorized representatives of both Parties.

The Parties hereby enter into this Acknowledgement as of the last signature date below.

Cybersecurity Online Terms Acknowledgement

This Cybersecurity Online Terms Acknowledgement (this "Acknowledgement") is entered into between Motorola Solutions, Inc. ("Motorola") and the entity set forth in the signature block below ("Customer").

1. Applicability and Self Deletion. This Cybersecurity Online Terms Acknowledgement applies to the extent cybersecurity products and services, including Remote Security Update Service, Security Update Service, and Managed Detection & Response subscription services, are purchased by or otherwise provided to Customer, including through bundled or integrated offerings or otherwise.

NOTE: This Acknowledgement is self deleting if not applicable under this Section 1.

2. Online Terms Acknowledgement. The Parties acknowledge and agree that the terms of the *Cyber Subscription Renewals and Integrations Addendum* available at <http://www.motorolasolutions.com/cyber-renewals-integrations> are incorporated in and form part of the Parties' agreement as it relates to any cybersecurity products or services sold or provided to Customer. By signing the signature block below, Customer certifies that it has read and agrees to the provisions set forth and linked on-line in this Acknowledgement. To the extent Customer is unable to access the above referenced online terms for any reason, Customer may request a paper copy from Motorola. The signatory to this Acknowledgement represents and warrants that he or she has the requisite authority to bind Customer to this Acknowledgement and referenced online terms.

3. Entire Agreement. This Acknowledgement supplements any and all applicable and existing agreements and supersedes any contrary terms as it relates to Customer's purchase of cybersecurity products and services. This Acknowledgement and referenced terms constitute the entire agreement of the parties regarding the subject matter hereof and as set out in the referenced terms, and supersedes all previous agreements, proposals, and understandings, whether written or oral, relating to this subject matter.

4. Execution and Amendments. This Acknowledgement may be executed in multiple counterparts, and will have the same legal force and effect as if the Parties had executed it as a single document. The Parties may sign in writing or by electronic signature. An electronic signature, facsimile copy, or computer image of a signature, will be treated, and will have the same effect as an original signature, and will have the same effect, as an original signed copy of this document. This Acknowledgement may be amended or modified only by a written instrument signed by authorized representatives of both Parties.

EXHIBIT E

Cyber Subscription Renewals and Integrations Addendum

Motorola Solutions Inc. ("Motorola") and the customer named in this Agreement ("Customer") hereby agree as follows:

Section 1. APPLICABILITY

1.1 This Addendum sets out additional and superseding terms applicable to Customer's purchase of cyber security services, including Remote Security Update Service, Security Update Service, and Managed Detection & Response subscription services, among other subscription services, (ii) professional services, and/or (iii) retainer services (i.e., professional services when expressly purchased as a block of pre-paid hours for use, subject to expiration, within a specified period across certain offered service categories ("Retainer Services") (all collectively herein, "Services").

Section 2. ADDITIONAL DEFINITIONS AND INTERPRETATION

2.1. "Customer Contact Data" means data Motorola collects from Customer, its Authorized Users, and their end users for business contact purposes, including marketing, advertising, licensing and sales purposes.

2.2 "Customer Data" means Customer data, information, and content, provided by, through, or on behalf of Customer, its Authorized Users, and their end users through the use of the Services. Customer Data does not include Customer Contact Data, Service Use Data, or information from publicly available sources or other Third-Party Data or Motorola Data or anonymized or generalized data. For avoidance of doubt, so long as not specifically identifying the Customer, Customer Data shall not include, and Motorola shall be free to use, share and leverage security threat intelligence and mitigation data generally, including without limitation, third-party threat vectors and IP addresses, file hash information, domain names, malware signatures and information, information obtained from third-party sources, indicators of compromise, and tactics, techniques, and procedures used, learned or developed in the course of providing Services.

2.3 "Feedback" means comments or information, in oral or written form, given to Motorola by Customer or Authorized Users, including their end users, in connection with

or relating to the Services. Any Feedback provided by Customer is entirely voluntary. Motorola may use, reproduce, license, and otherwise distribute and exploit the Feedback without any obligation or payment to Customer or Authorized Users. Customer represents and warrants that it has obtained all necessary rights and consents to grant Motorola the foregoing rights.

2.4 “Motorola Data” means data owned or licensed by Motorola.

2.5 “Process” or “Processing” means any operation or set of operations which is performed on personal information or on sets of personal information, whether or not by automated means, such as collection, recording, copying, analyzing, caching, organization, structuring, storage, adaptation, or alteration, retrieval, consultation, use, disclosure by transmission, dissemination or otherwise making available, alignment or combination, restriction, erasure or destruction.

2.6 “Service Use Data” means data generated by Customer’s use of the Services or by Motorola’s support of the Services, including personal information, threat data, security threat intelligence and mitigation data, vulnerability data, threat scenarios, malicious and third-party IP information, malware, location, monitoring and recording activity, product performance and error information, threat signatures, activity logs and date and time of use.

2.7 “Third-Party Data” means information obtained by Motorola from publicly available sources or its third-party content providers and made available to Customer through the products or Services.

Section 3. LICENSE, DATA AND SERVICE CONDITIONS

3.1 Delivery of Cyber Services

3.1.1 All Professional Services will be performed in accordance with the performance schedule included in a Statement of Work (“SOW”) or ordering document. Delivery of hours purchased as Retainer Services is at the onset of the applicable retainer period. Hours purchased as Retainer Services expire and are forfeited if not used within the Retainer period, subject to terms of use, expiration and extension, if any, as set out in the applicable SOW or ordering document. Professional Services described in a SOW will be deemed complete upon Motorola’s performance of such Services or, if applicable, upon exhaustion or expiration of the Retainer Services hours, whichever occurs first.

3.1.2 Subscription Services. Delivery of subscription services will occur upon Customer's receipt of credentials required for access to the Services or upon Motorola otherwise providing access to the Services platform.

3.1.3 To the extent Customer purchases equipment from Motorola ("Supplied Equipment"), title and risk of loss to the Supplied Equipment will pass to Customer upon installation (if applicable) or shipment by Motorola. Customer will take all necessary actions, reimburse freight or delivery charges, provide or obtain access and other rights needed and take other requested actions necessary for Motorola to efficiently perform its contractual duties. To the extent Supplied Equipment is purchased on an installment basis, any early termination of the installment period will cause the outstanding balance to become immediately due.

3.2 Motorola may use or provide Customer with access to software, tools, enhancements, updates, data, derivative works, and other materials which Motorola has developed or licensed from third parties (collectively, "Motorola Materials"). The Services, Motorola Data, Third-Party Data, and related documentation, are considered Motorola Materials. Notwithstanding the use of such materials in Services or deliverables, the Motorola Materials are the property of Motorola or its licensors, and Motorola or its licensors retain all right, title and interest in and to the Motorola Materials. Motorola grants Customer and Authorized Users a limited, non-transferable, non-sublicenseable, and non-exclusive license to use the Services and associated deliverables solely for Customer's internal business purposes.

3.3 To the extent Customer is permitted to access, use, or integrate Customer or third-party software, services, content, or data that is not provided by Motorola (collectively, "Non-Motorola Content") with or through the Services, or will use equipment or software not provided by Motorola, which may be required for use of the Services ("Customer-Provided Equipment"), Customer will obtain and continuously maintain all rights and licenses necessary for Motorola to efficiently perform all contemplated Services under this Addendum and will assume responsibility for operation and integration of such content and equipment.

3.4 Ownership of Customer Data. Customer retains all right, title and interest, including intellectual property rights, if any, in and to Customer Data. Motorola acquires no rights to Customer Data except those rights granted under this Addendum including the right to Process and use the Customer Data as set forth in Section 3.5 – Processing Customer Data, below. The Parties agree that with regard to the Processing of personal information which may be part of Customer Data, Customer is the controller and Motorola is the processor, and Motorola may engage sub-processors pursuant to Section 3.5.3 – Sub-processors and Third-Party Providers.

3.5 Processing Customer Data.

3.5.1. Motorola Use of Customer Data. To the extent permitted by law, Customer grants Motorola and its subcontractors a right to use Customer Data and a royalty-free, worldwide, non-exclusive license to use Customer Data (including to process, host, cache, store, reproduce, copy, modify, combine, analyze, create derivative works from such Customer Data and to communicate, transmit, and distribute such Customer Data to third parties engaged by Motorola) to (a) perform Services and provide products under the Addendum, (b) analyze the Customer Data to operate, maintain, manage, and improve Motorola products and services, and (c) create new products and services. Customer agrees that this Addendum, along with any related documentation, are Customer's complete and final documented instructions to Motorola for the processing of Customer Data. Any additional or alternate instructions must be agreed to according to the change order process. Customer represents and warrants to Motorola that Customer's instructions, including appointment of Motorola as a processor or sub-processor, have been authorized by the relevant controller.

3.5.2 Collection, Creation, Use of Customer Data. Customer further represents and warrants that the Customer Data, Customer's collection, creation, and use of the Customer Data (including in connection with Motorola's Services), and Motorola's use of such Customer Data in accordance with the Addendum, will comply with all laws and will not violate any applicable privacy notices or infringe any third-party rights (including intellectual property and privacy rights). It is Customer's responsibility to obtain all required consents, provide all necessary notices, and meet any other applicable legal requirements with respect to collection and use (including Motorola's and third-party provider use) of the Customer Data as described in the Addendum or any applicable third-party agreements or EULAs.

3.5.3 Sub-processors and Third-Party Providers. Motorola may use, engage, resell, or otherwise interface with third-party software, hardware or services providers (such as, for example, third-party end point detection and response providers) and other sub-processors, who in turn may engage additional sub-processors to process personal data and other Customer Data. Customer agrees that such third-party software or services providers, sub-processors or their respective sub-processors may process and use personal and other Customer Data in accordance with and subject to their own respective licenses or terms and in accordance with applicable law. Customer authorizes and will provide and obtain all required notices and consents, if any, and comply with other applicable legal requirements, if any, with respect to such collection and use of personal data and other Customer Data by Motorola, and its subcontractors, sub-processors and/or third-party software, hardware or services providers. Notwithstanding any provision to the contrary, to the extent the use or performance of

certain Services is governed by any separate license, data requirement, EULA, privacy statement, or other applicable agreement, including terms governing third-party software, hardware or services, including open source software, Customer will comply, and ensure its Authorized Users comply, with any such agreements or terms, which shall govern any such Services.

3.5.4 Notwithstanding any provision to the contrary in this Addendum or any related agreement, and in addition to other uses and rights set out herein, Customer understands and agrees that Motorola may obtain, use and/or create and use, anonymized, aggregated and/or generalized Customer Data, such as data relating to actual and potential security threats and vulnerabilities, for its lawful business purposes, including improving its services and sharing and leveraging such information for the benefit of Customer, other customers, and other interested parties.

3.6 Service Use Data. Customer understands and agrees that Motorola may collect and use Service Use Data for its own purposes, including the uses described below. Motorola may use Service Use Data to (a) operate, maintain, manage, improve existing and create new products and services, (b) test products and services, (c) to aggregate Service Use Data and combine it with that of other users, and (d) to use anonymized or aggregated data for marketing, research or other business purposes. Service Use Data may be disclosed to third parties. It is Customer's responsibility to notify Authorized Users of Motorola's collection and use of Service Use Data and to obtain any required consents, provide all necessary notices, and meet any other applicable legal requirements with respect to such collection and use, and Customer represents and warrants to Motorola that it has complied and will continue to comply with this Section.

3.7. Data Retention and Deletion. Except as expressly provided otherwise, Motorola will delete all Customer Data following termination or expiration of this Addendum, with such deletion to occur no later than ninety (90) days following the applicable date of termination or expiration, unless otherwise required to comply with applicable law. Any requests for the exportation or download of Customer Data must be made by Customer to Motorola in writing before expiration or termination of this Addendum. Motorola will have no obligation to retain such Customer Data beyond expiration or termination unless the Customer has purchased extended storage from Motorola through a mutually executed agreement.

3.8. Third-Party Data and Motorola Data. Motorola Data and Third-Party Data may be available to Customer through the Services. Customer will not, and will ensure its Authorized Users will not: (a) use the Motorola Data or Third-Party Data for any purpose other than Customer's internal business purposes; (b) disclose the data to third parties; (c) "white label" such data or otherwise misrepresent its source or ownership, or resell,

distribute, sublicense, or commercially exploit the data in any manner; (d) use such data in violation of applicable laws; (e) remove, obscure, alter, or falsify any marks or proprietary rights notices indicating the source, origin, or ownership of the data; or (f) modify such data or combine it with Customer Data or other data or use the data to build databases. Any rights granted to Customer or Authorized Users with respect to Motorola Data or Third-Party Data will immediately terminate upon termination or expiration of this Addendum. Further, Motorola or the applicable Third-Party Data provider may suspend, change, or terminate Customer's or any Authorized User's access to Motorola Data or Third-Party Data if Motorola or such Third-Party Data provider believes Customer's or the Authorized User's use of the data violates the Addendum, applicable law or Motorola's agreement with the applicable Third-Party Data provider. Upon termination of Customer's rights to use any Motorola Data or Third-Party Data, Customer and all Authorized Users will immediately discontinue use of such data, delete all copies of such data, and certify such deletion to Motorola. Notwithstanding any provision of this Addendum and the Primary Agreement to the contrary, Motorola will have no liability for Third-Party Data or Motorola Data available through the Services. Motorola and its Third-Party Data providers reserve all rights in and to Motorola Data and Third-Party Data.

3.9 Customer will ensure its employees and Authorized Users comply with the terms of this Addendum and will be liable for all acts and omissions of its employees and Authorized Users. Customer is responsible for the secure management of Authorized Users' names, passwords and login credentials for access to products and Services. "Authorized Users" are Customer's employees, full-time contractors engaged for the purpose of supporting the products and Services that are not competitors of Motorola or its affiliates, and the entities (if any) specified in a SOW or otherwise approved by Motorola in writing (email from an authorized Motorola signatory accepted), which may include affiliates or other Customer agencies.

3.10 Motorola as a Controller or Joint Controller. In all instances where Motorola acts as a controller of data, it will comply with the applicable provisions of the Motorola Privacy Statement at https://www.motorolasolutions.com/en_us/about/privacy-policy.html#privacystatement, as may be updated from time to time. Motorola holds all Customer Contact Data as a controller and shall Process such Customer Contact Data in accordance with the Motorola Privacy Statement. In instances where Motorola is acting as a joint controller with Customer, the Parties will enter into a separate addendum to allocate the respective roles as joint controllers.

Section 4. WARRANTY

4.1 CUSTOMER ACKNOWLEDGES, UNDERSTANDS AND AGREES THAT MOTOROLA DOES NOT GUARANTEE OR WARRANT THAT IT WILL DISCOVER ALL OF CUSTOMER'S SECURITY EVENTS (SUCH EVENTS INCLUDING THE UNAUTHORIZED ACCESS, ACQUISITION, USE, DISCLOSURE, MODIFICATION OR DESTRUCTION OF CUSTOMER DATA), THREATS, OR SYSTEM VULNERABILITIES. MOTOROLA DISCLAIMS ANY AND ALL RESPONSIBILITY FOR ANY AND ALL LOSS OR COSTS OF ANY KIND ASSOCIATED WITH SECURITY EVENTS, THREATS OR VULNERABILITIES WHETHER OR NOT DISCOVERED BY MOTOROLA. MOTOROLA DISCLAIMS ANY RESPONSIBILITY FOR CUSTOMER'S USE OR IMPLEMENTATION OF ANY RECOMMENDATIONS PROVIDED IN CONNECTION WITH THE SERVICES. IMPLEMENTATION OF RECOMMENDATIONS DOES NOT ENSURE OR GUARANTEE THE SECURITY OF THE SYSTEMS AND OPERATIONS EVALUATED. CUSTOMER SHALL BE RESPONSIBLE TO TAKE SUCH ACTIONS NECESSARY TO MITIGATE RISKS TO ITS OPERATIONS AND PROTECT AND PRESERVE ITS COMPUTER SYSTEMS AND DATA, INCLUDING CREATION OF OPERATIONAL WORKAROUNDS, BACKUPS AND REDUNDANCIES.

4.2 Customer acknowledges, understands and agrees that the Services and products or equipment provided by or used by Motorola to facilitate performance of the Services may impact or disrupt information systems. Motorola disclaims responsibility for costs in connection with any such disruptions of and/or damage to Customer's or a third party's information systems, equipment, voice transmissions, data and Customer Data, including, but not limited to, denial of access to a legitimate system user, automatic shut-down of information systems caused by intrusion detection software or hardware, or failure of the information system resulting from the provision or delivery of the Service.

4.3. Motorola warrants that Supplied Equipment, under normal use and service, will be free from material defects in materials and workmanship for one (1) year from the date of shipment, subject to Customer providing written notice to Motorola within that period. AS IT RELATES TO THE SUPPLIED EQUIPMENT, MOTOROLA DISCLAIMS ALL OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY, NON-INFRINGEMENT, AND FITNESS FOR A PARTICULAR PURPOSE.

4.4 Pass-Through Warranties. Notwithstanding any provision of this Addendum or any related agreement to the contrary, Motorola will have no liability for third-party software, hardware or services resold or otherwise provided by Motorola; provided, however, that to the extent offered by third-party software, hardware or services providers and to the

extent permitted by law, Motorola will pass through express warranties provided by such third parties.

Section 5. LIMITATION OF LIABILITY

5.1. DISCLAIMER OF CONSEQUENTIAL DAMAGES. EXCEPT FOR PERSONAL INJURY OR DEATH, MOTOROLA, ITS AFFILIATES, AND ITS AND THEIR RESPECTIVE OFFICERS, DIRECTORS, EMPLOYEES, SUBCONTRACTORS, AGENTS, SUCCESSORS, AND ASSIGNS (COLLECTIVELY, THE "MOTOROLA PARTIES") WILL NOT BE LIABLE IN CONNECTION WITH THIS ADDENDUM (WHETHER UNDER MOTOROLA'S INDEMNITY OBLIGATIONS, A CAUSE OF ACTION FOR BREACH OF CONTRACT, UNDER TORT THEORY, OR OTHERWISE) FOR ANY INDIRECT, INCIDENTAL, SPECIAL, EXEMPLARY, PUNITIVE, OR CONSEQUENTIAL DAMAGES OR DAMAGES FOR LOST PROFITS OR REVENUES, EVEN IF MOTOROLA HAS BEEN ADVISED BY CUSTOMER OR ANY THIRD PARTY OF THE POSSIBILITY OF SUCH DAMAGES OR LOSSES AND WHETHER OR NOT SUCH DAMAGES OR LOSSES ARE FORESEEABLE.

5.2. DIRECT DAMAGES. EXCEPT FOR PERSONAL INJURY OR DEATH, THE TOTAL AGGREGATE LIABILITY OF THE MOTOROLA PARTIES, WHETHER BASED ON A CLAIM IN CONTRACT OR IN TORT, LAW OR EQUITY, RELATING TO OR ARISING OUT OF THIS ADDENDUM OR ANY RELATED OR UNDERLYING AGREEMENT, WILL NOT EXCEED THE FEES SET FORTH IN THE APPLICABLE SOW OR PRICING FOR THE CYBER SERVICES UNDER WHICH THE CLAIM AROSE. NOTWITHSTANDING THE FOREGOING, FOR ANY SUBSCRIPTION SERVICES OR FOR ANY RECURRING SERVICES, THE MOTOROLA PARTIES' TOTAL LIABILITY FOR ALL CLAIMS RELATED TO SUCH PRODUCT OR SERVICES IN THE AGGREGATE WILL NOT EXCEED THE TOTAL FEES PAID FOR THE CYBER SERVICES TO WHICH THE CLAIM IS RELATED DURING THE CONSECUTIVE TWELVE (12) MONTH PERIOD IMMEDIATELY PRECEDING THE EVENT FROM WHICH THE FIRST CLAIM AROSE. FOR AVOIDANCE OF DOUBT, THE LIMITATIONS IN THIS SECTION 5.2 APPLY IN THE AGGREGATE TO INDEMNIFICATION OBLIGATIONS ARISING OUT OF THIS ADDENDUM OR ANY RELATED AGREEMENTS.

5.3. ADDITIONAL EXCLUSIONS. NOTWITHSTANDING ANY OTHER PROVISION OF THIS ADDENDUM, THE PRIMARY AGREEMENT OR ANY RELATED AGREEMENT, MOTOROLA WILL HAVE NO LIABILITY FOR DAMAGES ARISING OUT OF (A) CUSTOMER DATA, INCLUDING ITS TRANSMISSION TO MOTOROLA, OR ANY OTHER DATA AVAILABLE THROUGH THE PRODUCTS OR SERVICES; (B)

CUSTOMER-PROVIDED EQUIPMENT, NON-MOTOROLA CONTENT, THE SITES, OR THIRD-PARTY EQUIPMENT, HARDWARE, SOFTWARE, SERVICES, DATA, OR OTHER THIRD-PARTY MATERIALS, OR THE COMBINATION OF PRODUCTS AND SERVICES WITH ANY OF THE FOREGOING; (C) LOSS OF DATA OR HACKING, RANSOMWARE, OR OTHER THIRD-PARTY ATTACKS OR DEMANDS; (D) MODIFICATION OF PRODUCTS OR SERVICES BY ANY PERSON OTHER THAN MOTOROLA; (E) RECOMMENDATIONS PROVIDED IN CONNECTION WITH OR BY THE PRODUCTS AND SERVICES; (F) DATA RECOVERY SERVICES OR DATABASE MODIFICATIONS; OR (G) CUSTOMER'S OR ANY AUTHORIZED USER'S BREACH OF THIS ADDENDUM, THE PRIMARY AGREEMENT OR ANY RELATED AGREEMENT OR MISUSE OF THE PRODUCTS AND SERVICES; (H) INTERRUPTION OR FAILURE OF CONNECTIVITY, VULNERABILITIES, OR SECURITY EVENTS; (I) DISRUPTION OF OR DAMAGE TO CUSTOMER'S OR THIRD PARTIES' SYSTEMS, EQUIPMENT, OR DATA, INCLUDING DENIAL OF ACCESS TO USERS, OR SHUTDOWN OF SYSTEMS CAUSED BY INTRUSION DETECTION SOFTWARE OR HARDWARE; (J) AVAILABILITY OR ACCURACY OF ANY DATA AVAILABLE THROUGH THE SERVICES, OR INTERPRETATION, USE, OR MISUSE THEREOF; (K) TRACKING AND LOCATION-BASED SERVICES; OR (L) BETA SERVICES.

5.4. Voluntary Remedies. Motorola is not obligated to remedy, repair, replace, or refund the purchase price for the disclaimed issues in Section 5.3 – Additional Exclusions above, but if Motorola agrees to provide Services to help resolve such issues, Customer will reimburse Motorola for its reasonable time and expenses, including by paying Motorola any fees set forth in this Addendum or separate order for such Services, if applicable.

5.5. Representations and Standards. Except as expressly set out in this Addendum or the applicable Motorola proposal or statement of work relating to the cyber products or services, or applicable portion thereof, Motorola makes no representations as to the compliance of Motorola cyber products and services with any specific standards, specifications or terms. For avoidance of doubt, notwithstanding any related or underlying agreement or terms, conformance with any specific standards, specifications, or requirements, if any, as it relates to cyber products and services is only as expressly set out in the applicable Motorola SOW or proposal describing such cyber products or services or the applicable (i.e., cyber) portion thereof. Customer represents that it is authorized to engage Motorola to perform Services that may involve assessment, evaluation or monitoring of Motorola's or its affiliate's services, systems or products.

5.6. Wind Down of Services. In addition to any other termination rights, Motorola may terminate the Services, any SOW or subscription term, in whole or in part, in the event Motorola plans to cease offering the applicable Services to customers.

5.7. Third-Party Beneficiaries. The Addendum is entered into solely between, and may be enforced only by, the Parties. Each Party intends that the Addendum will not benefit, or create any right or cause of action in or on behalf of, any entity other than the Parties. Notwithstanding the foregoing, a licensor or supplier of third-party software, products or services included in the Services will be a direct and intended third-party beneficiary of this Addendum.

EXHIBIT F

Mobile Video Addendum

This Mobile Video Addendum (this “**MVA**”) is entered into between Motorola Solutions, Inc., with offices at 500 W. Monroe Street, Suite 4400, Chicago, IL 60661 (“**Motorola**”) and Customer (as defined in the MCA), and will be subject to, and governed by, the terms of the Master Customer Agreement, available at www.motorolasolutions.com/product-terms (the “**MCA**”), and the applicable Addenda. Capitalized terms used in this MVA, but not defined herein, will have the meanings set forth in the MCA or the applicable Addenda.

If you are purchasing Maintenance or Support services on behalf of your employer or another entity, you warrant that: (a) you have authority to bind your employer or the applicable entity, as “Customer” to this Agreement; (b) you have read and understand this Agreement; and (c) on behalf of the Customer that you represent, you agree to this Agreement. If you do not have the legal authority to bind your employer or the applicable entity as Customer to this Agreement, please do not complete the purchase of Maintenance or Support services from Motorola.

1. Addendum. This MVA, available at www.motorolasolutions.com/product-terms, governs Customer’s purchase of any Motorola mobile video Products, including participation in Motorola’s Video-as-a-Service Program (“**VaaS Program**”). A “**Mobile Video System**” is a solution that includes at least one mobile video Product and requires Integration Services to deploy such mobile video Product or the associated evidence management Product at a Customer Site. In addition to the MCA, other Addenda may be applicable to Products offered under this MVA, including the Subscription Software Addendum (“**SSA**”), with respect to Subscription Software, and the Equipment Purchase and Software License Addendum (“**EPSLA**”), with respect to Licensed Software and Equipment, as each of those terms are defined therein, and as further described below. This MVA will control with respect to conflicting or ambiguous terms in the MCA or any other applicable Addendum, but only as applicable to the Mobile Video System or other Products purchased under this MVA and not with respect to other Products or Services.

2. Evidence Management Systems; Applicable Terms and Conditions.

2.1. On-Premise Evidence Management. If Customer purchases a Mobile Video System where Equipment and Licensed Software for evidence management is installed at Customer Sites (an “**On-Premises Evidence Management System**”), then, unless the Ordering Document(s) specify that any software is being purchased on a subscription basis (i.e., as Subscription Software), any (i) Equipment and (ii) Licensed Software installed at Customer Sites or on Customer-Provided Equipment, in each case purchased in connection with the On-Premises Evidence Management System, are subject to the EPSLA. On-Premises Evidence Management Systems described in this Section qualify for the System Warranty as described in **Section 4 – On-Premises Evidence Management System Warranty** (the “**System Warranty**”).

2.2. Cloud Hosted Evidence Management. If Customer purchases Mobile Video System where the software for evidence management is hosted in a data center and provided to Customer as a service ("**Cloud Hosted Evidence Management System**"), including, but not limited to CommandCentral Evidence, VideoManager EX, and VideoManager EL Products, then such Cloud Hosted Evidence Management System is subject to the SSA. Any Equipment purchased in connection with Cloud Hosted Evidence Management System is subject to the EPSLA. Cloud Hosted Evidence Management System described in this Section do not qualify for the System Warranty. System completion, however, is determined in accordance with the provisions of **Section 7 –System Completion** below.

2.3. Services. Any Integration Services or Maintenance and Support Services purchased in connection with, or included as a part of, a Mobile Video System are subject to the MCA, and as described in the applicable Ordering Documents.

3. Payment. Customer will pay invoices for the Products and Services covered by this MVA in accordance with the invoice payment terms set forth in the MCA. Fees for Mobile Video Systems will be invoiced as of the System Completion Date, unless another payment process or schedule or milestones are set forth in an Ordering Documents or applicable Addendum. In addition to Equipment, Licensed Software, Subscription Software and Integration Services (as applicable) sold as part of a Mobile Video System, the Ordering Documents for a Mobile Video System may also include post-deployment Integration Services or other Services which are to be provided following the date of functional demonstration ("**Post-Deployment Services**"). Post-Deployment Services will be invoiced upon their completion and paid by Customer in accordance with the terms of the MCA.

4. On-Premises Evidence Management System Warranty. Subject to the disclaimers in the MCA and any other applicable Addenda, Motorola represents and warrants that, on the System Completion Date (as defined below) for an On-Premises Evidence Management System described in **Section 2.1 – On-Premises Evidence Management** (a) such On-Premises Evidence Management System will perform in accordance with the descriptions in the applicable Ordering Documents in all material respects, and (b) if Customer has purchased any Equipment or Motorola Licensed Software (but, for clarity, excluding Subscription Software) as part of such On-Premises Evidence Management System, the warranty period applicable to such Equipment and Motorola Licensed Software will continue for a period of one (1) year commencing upon the System Completion Date for the On-Premises Evidence Management System that includes such Products, or on the applicable Product Completion Date, if earlier, instead of commencing upon delivery of the Products in accordance with the terms and conditions set forth in **Section 6 – Representations and Warranties; Liabilities** of the EPSLA. The warranties set forth in the applicable Addenda are not otherwise modified by this MVA.

5. Additional Software and Video Terms.

5.1. Unlimited Storage. Storage shall be specifically described in the Ordering Documents. In the event Customer purchases a Cloud Hosted Evidence Management System with “Unlimited Storage, as specified in the Ordering Documents, then “Unlimited Storage” means storage of all data captured using Equipment sold under this MVA, provided that (1) video recordings are recorded in an event-based setting where users are not recording an entire shift under one video footage and (2) Customer’s data retention policies and practices do not result in the retention of data beyond the statutory minimums set forth by the State in which the Customer resides. In the event Customer does not comply with the preceding clauses (1) and (2), Motorola shall have the right to charge Customer for such excess data storage at the prevailing rates. Motorola also has the right to place any data that has not been accessed for a consecutive six (6) month period into archival storage, retrieval of which may take up to twenty-four (24) hours from any access request..

5.2. Applicable End User Terms. Additional license terms apply to third-party software included in certain software Products which are available online at: www.motorolasolutions.com/legal-flow-downs. Customer will comply, and ensure its Authorized Users comply, with all such additional license terms.

5.3. WatchGuard Detector Mobile. Any order by Customer of WatchGuard Detector Mobile is on a subscription basis and subject to the SSA.

5.4. Vigilant Access. Customer may opt for subscription to additional Subscription Software, including use of the Law Enforcement Archival Network (“**Vigilant VehicleManager**”), which is subject to the terms and conditions of the SSA and the Vigilant Addendum.. If Customer purchases a subscription to commercial license plate recognition data, then Customer will execute and agree to the terms of Motorola’s standard Data License Addendum.

5.5. License Plate Recognition Data. License plate recognition (“**LPR**”) data collected by Customer is considered Customer Data (as defined in the MCA) and is therefore subject to the Customer’s own retention policy. Customer, at its option, may share its LPR data with other similarly situated Law Enforcement Agencies (“**LEAs**”) which contract with Motorola to access Vigilant VehicleManager by selecting this option within Vigilant VehicleManager. Other similarly situated LEAs may similarly opt to share their LPR data with Customer using Vigilant VehicleManager. Such LPR data generated by other LEAs is considered Third-Party Data (as defined in the MCA), is governed by the retention policy of the respective LEA, and shall be used by Customer only in connection with its use of Vigilant VehicleManager. LPR data that has reached its expiration date will be deleted from Vigilant VehicleManager. Only individuals who are agents and/or sworn officers of Customer and who are authorized by Customer to access Vigilant VehicleManager on behalf of Customer through login credentials provided by Customer (“**User Eligibility Requirements**”) may access Vigilant VehicleManager. Vigilant in its sole discretion may deny access to Vigilant VehicleManager to any individual based on such person’s failure to meet the User Eligibility Requirements. Customer will ensure no user logins are provided to agents or

officers of other local, state, or Federal LEAs without the express written consent of Vigilant. Customer will be responsible for all individuals' access to, and use of, Vigilant VehicleManager through use of Customer login credentials, including ensuring their compliance with this Agreement.

5.6. API Support. Motorola will use commercially reasonable efforts to maintain its Application Programming Interface (“**API**”) sold in connection with any Mobile Video System. APIs will evolve and mature over time, requiring changes and updates. Motorola will use reasonable efforts to continue supporting any version of an API for six (6) months after such version is introduced, but if Motorola determines, in its sole discretion, to discontinue support of an API for any reason, Motorola will provide reasonable advance notification to Customer. If an API presents a security risk, Motorola may discontinue an API without prior notice.

5.7. Support of Downloaded Clients. If Customer purchases any software Product that requires a client installed locally on Customer-Provided Equipment or Equipment in possession of Customer, Customer will be responsible for downloading and installing the current version of such client, as it may be updated from time to time. Motorola will use reasonable efforts to continue supporting any version of a client for forty-five (45) days following its release, but Motorola may update the current version of its client at any time, including for bug fixes, product improvements, and feature updates, and Motorola makes no representations or warranties that any software Product will support prior versions of a client.

5.8. CJIS Security Policy. Motorola agrees to support Customer's obligation to comply with the Federal Bureau of Investigation Criminal Justice Information Services (“**CJIS**”) Security Policy, incorporated herein, and will comply with the terms of the CJIS Security Addendum for the term of the Addendum or Ordering Documents for the applicable Product. Customer hereby consents to Motorola screened personnel serving as the “escort” within the meaning of CJIS Security Policy for unscreened Motorola personnel that require access to unencrypted Criminal Justice Information for purposes of Product support and development.

6. VaaS Program Terms. All hardware provided by Motorola to Customer under the VaaS Program will be considered “Equipment”, as defined in the EPSLA, and constitutes a purchase of such Equipment subject to the terms of the EPSLA. Additionally, the following terms and conditions apply to any Equipment purchased under the VaaS Program:

6.1. Technology Refresh. Body cameras and associated batteries purchased under the VaaS Program (“**Body Cameras**”), may be eligible for a technology refresh at no additional cost to the Customer following the date of delivery of the initial Body Cameras and associated batteries as provided under the VaaS program and described in the Ordering Documents. If included in the Ordering Documents, and in the event the Body Cameras are eligible for replacement, under this **Section 6.1 – Technology Refresh**, Customer must return the existing Body Camera to Motorola in working condition. The

corresponding replacement Body Camera will be the then-current model of the Body Camera at the same tier as the Body Camera that is returned to Motorola. For clarity, any other Equipment received by Customer as part of the VaaS Program, other than Body Cameras, or associated batteries (as identified in the Ordering Documents) will not be eligible for a technology refresh hereunder.

6.2. No-Fault Warranty. If specified in the Ordering Documents, and subject to the disclaimers set forth in the MCA and EPSLA, upon delivery of Equipment purchased as part of the VaaS Program, Motorola will provide a No-fault Warranty to Customer for such Equipment that extends until the end of the Commitment Term (as defined below) applicable to such Equipment; except that the No-fault Warranty will not apply to: (i) any Equipment with intentionally altered or removed serial numbers, (ii) any other damages disclaimed under the MCA or EPSLA, or (iii) any Equipment that Motorola determines was changed, modified, or repaired by Customer or any third party. The “**No-fault Warranty**” means that Motorola will repair or replace any Equipment components or parts that render the applicable Equipment unable to perform its intended purpose. With respect to any batteries in Body Cameras, a battery will be considered faulty and covered under this No-fault Warranty if it falls below sixty percent (60%) of rated capacity.

6.3. Commitment Term. Customer accepts that following the delivery of any Equipment under the VaaS Program, Customer commits to a five (5) year subscription term for such Equipment at the rate provided in the Ordering Documents (the “**Initial Commitment Term**”). If Customer, for any reason, terminates any of its obligations to Motorola prior to expiration of the applicable Commitment Term (as defined below), Customer will be subject to the payments described in **Section 6.7.2 – Termination** hereunder.

6.4. Additional Devices. Any additional Equipment, including any accessory items, ordered by Customer after Customers’ initial purchase of Equipment hereunder may be subject to an incremental increase in Fees. In the event Customer orders additional Equipment under the VaaS Program within the ninety (90) days immediately following its initial purchase, such Equipment will be included in and subject to the Initial Commitment Term. Any additional Equipment purchased under the VaaS Program subsequent to such ninety (90) day period, will commence an additional subscription term commitment for such Equipment of five (5) years (a “**Subsequent Commitment Term**”) with respect to the monthly Fee associated with such additional Equipment. For purposes of this Addendum, the Initial Commitment Term and each Subsequent Commitment Term are each also referred to herein as a “**Commitment Term**”.

6.5. Included Subscription Software.

6.5.1. VideoManager EL. Subject to **Section 6.7.1 – VaaS Term**, if the Equipment purchased under the VaaS Program provides Customer with a subscription to the Cloud Hosted Evidence Management System specified in the Ordering Documents during the VaaS Term (as defined below), the use of which is subject to the SSA. Customer’s

subscription will include unlimited users, Unlimited Storage and unlimited sharing, provided any media or data uploaded to the Cloud Hosted Evidence Management System is done so using Motorola Equipment actively enrolled in the VaaS Program. Following expiration of the applicable Commitment Term, if Customer desires to continue use of expired Equipment with the Cloud Hosted Evidence Management System, Customer must purchase additional access to Cloud Hosted Evidence Management System based on Motorola's prevailing rates, or Motorola may disconnect connectivity of any expired Equipment to the Cloud Hosted Evidence Management System.

6.5.2. CommandCentral. If specified and included in the Ordering Documents, for each applicable Body Camera,, in-car system or integrated system purchased, in those cases, Customer will receive one user license for Motorola CommandCentral, which provides access to CC Community, CC Capture, CC Vault and CC Records. If the Customer requires additional licenses to CommandCentral they must be purchased for an additional fee.

6.5.3. CarDetector Mobile. If Customer's VaaS Program order includes an in-car system, Customer will receive a subscription to WatchGuard CarDetector Mobile during the VaaS Term, the use of which is subject to the SSA.

6.5.4 VideoManager EX: Subject to Section 6.7.1 – VaaS Term, , if specified in the Ordering Documents, Equipment purchased under the VaaS Program provides Customer with a single subscription to Video Manager EX during the VaaS Term (as defined below), the use of which is subject to the SSA. Following expiration of the applicable Commitment Term, if Customer desires to continue use of expired Equipment with the VideoManager EX, Customer must purchase additional access to VideoManager EX based on Motorola's prevailing rates, or Motorola may disconnect connectivity of any expired Equipment to VideoManager EX.If the Customer requires additional licenses to VideoManager EX, they must be purchased for an additional fee.

6.6. VaaS Program Payment. Unless otherwise provided in an Ordering Documents (and notwithstanding the provisions of the MCA), Customer will prepay a subscription Fee quarterly (each a "**Subscription Quarter**"), as set forth in an Ordering Documents. If Customer orders any additional Product(s) under the VaaS Program subsequent to the initial purchase by Customer, Fees for such additional Product will be added to the quarterly subscription Fee, and will be payable on the same Fee payment schedule as the initial Product purchased under the VaaS Program; provided, however, that for the first Subscription Quarter during which such additional Product is purchased, the subscription Fee for the applicable additional Product will be pro-rated based on the applicable number of days remaining in the such initial Subscription Quarter.

6.7. VaaS Program Term and Termination.

6.7.1. VaaS Term. Customer's participation in the VaaS Program will commence upon the System Completion Date under this MVA, and will continue through the end of the

final Commitment Term hereunder (“the **“VaaS Term”**”). Following the end of any Commitment Term, Customer’s access to the Cloud Hosted Evidence Management System with respect to the Equipment purchased relative to that Commitment Term will expire, and Customer must download or transfer all Customer Data associated with the applicable Equipment within thirty (30) days following expiration unless Customer purchases extended access to the Cloud Hosted Evidence Management System from Motorola at the prevailing rates. Motorola has no obligation to retain Customer Data for expired Equipment beyond thirty (30) days following expiration of the applicable Commitment Term. For example, if Customer purchases 100 devices on January 1 of Year 1 of the VaaS Term, and then 100 additional devices on January 1 of Year 3, on December 31 of Year 5 (i.e., the conclusion of the Initial Commitment Term), Customer’s access to the Cloud Hosted Evidence Management System with respect to the first 100 devices will be discontinued, and Customer must purchase extended storage or transfer all Customer Data associated with the first 100 devices within thirty (30) days of expiration of the Initial Commitment Term. In the foregoing example, the Cloud Hosted Evidence Management System access and data storage for the second 100 devices purchase will extend until December 31 of Year 7.

6.7.2. Termination. The termination provisions applicable to the VaaS Program will be those set forth in the MCA, EPSLA and SSA, as applicable. If Customer’s participation in the VaaS Program is terminated for any reason prior to the end of the Initial Commitment Term or any Subsequent Commitment Term, Customer will pay the pro-rated remainder of the aggregate Equipment MSRP price (prevailing as of the time of delivery), calculated by multiplying the MSRP price of all Equipment purchased under the VaaS Program by the percentage resulting from dividing the number of months remaining in the Commitment Term applicable to such Equipment by sixty (60). In the event Customer purchased Equipment on multiple dates, resulting in separate Commitment Terms for certain Equipment, the preceding calculation will be made relative to the applicable Commitment Term for each Equipment order. For example, if Customer purchased \$1,000 worth of Equipment on January 1 of Year 1 of the VaaS Term, and then \$1,000 worth of Equipment on January 1 of Year 2, and then Customer’s VaaS Program terminates on December 31 of Year 3, Customer will be required to repay: $\$1,000 \times (24/60) + \$1,000 \times (36/60)$, which is equal to \$1,000 in the aggregate.

7. System Completion. Any Mobile Video System sold hereunder will be deemed completed upon Customer’s (or the applicable Authorized User’s) Beneficial Use of the applicable Mobile Video System (the **“System Completion Date”**). Customer will not unreasonably delay Beneficial Use, and in any event, the Parties agree that Beneficial Use will be deemed to have occurred thirty (30) days after functional demonstration. As used in this Section, **“Beneficial Use”** means use by Customer or at least one (1) Authorized User of the material features and functionalities of Mobile Video System, in material conformance with Product descriptions in the applicable Ordering Documents. Any additional Equipment sold in connection with the initial Mobile Video System shall be deemed delivered in accordance of the terms of the EPSLA. Any additional Subscription Software purchased under the VaaS Program will be deemed delivered

upon Customer's receipt of credentials required for access to the Cloud Hosted Evidence Management System or upon Motorola otherwise providing access to the Cloud Hosted Evidence Management System. This Section applies to Products purchased under the MVA notwithstanding the delivery provisions of the Addendum applicable to such Products, such as the SSA or EPSLA, and this Section will control over such other delivery provisions to the extent of a conflict.

8. Additional Cloud Terms. The terms set forth in this **Section 8 – Additional Cloud Terms** apply in the event Customer purchases any cloud hosted software Products under this MVA, including a Cloud Hosted Evidence Management System.

8.1. Data Storage. Motorola will determine, in its sole discretion, the location of the stored content for cloud hosted software Products. All data, replications, and backups will be stored at a location in the United States for Customers in the United States.

8.2. Data Retrieval. Cloud hosted software Products will leverage different types of storage to optimize software, as determined in Motorola's sole discretion. For multimedia data, such as videos, pictures, audio files, Motorola will, in its sole discretion, determine the type of storage medium used to store the content. The type of storage and medium selected by Motorola will determine the data retrieval speed. Access to content in archival storage may take up to twenty-four (24) hours to be viewable.

8.3. Availability. Unless otherwise specified in the Ordering Documents, Motorola will make reasonable efforts to provide monthly availability of 99.9% for cloud hosted software Products with the exception of maintenance windows. There are many factors beyond Motorola's control that may impact Motorola's ability to achieve this goal.

8.4. Maintenance. Scheduled maintenance of cloud hosted software Products will be performed periodically. Motorola will make commercially reasonable efforts to notify customers one (1) week in advance of any such maintenance. Unscheduled and emergency maintenance may be required from time to time. Motorola will make commercially reasonable efforts to notify customers of any unscheduled or emergency maintenance twenty-four (24) hours in advance.

9. Survival. The following provisions will survive the expiration or termination of this MVA for any reason: **Section 1 – Addendum; 2 – Evidence Management Systems; Applicable Terms and Conditions; Section 3 – Payment; Section 5.2 – Applicable End User Terms; Section 6.5.1 – VideoManager EL Section 6.7 – VaaS Program Term and Termination; Section 9 – Survival.**

EXHIBIT G

Subscription Software Addendum

This Subscription Software Addendum (this “**SSA**”) is entered into between Motorola Solutions, Inc., with offices at 500 W. Monroe Street, Suite 4400, Chicago, IL 60661 (“**Motorola**”) and the entity set forth in the signature block below or in the MCA (“**Customer**”), and will be subject to, and governed by, the terms of the Master Customer Agreement entered into between the Parties, effective as of the earlier of (a) the first purchase of a Product or Service from Motorola, and (b) the date of the last signature on the first Ordering Document between the Parties (the “**Effective Date**”) (the “**MCA**”). Capitalized terms used in this SSA, but not defined herein, will have the meanings set forth in the MCA.

If you are purchasing Subscription Software on behalf of your employer or another entity, you warrant that: (a) you have authority to bind your employer or the applicable entity, as “Customer” to this Agreement; (b) you have read and understand this Agreement; and (c) on behalf of the Customer that you represent, you agree to this Agreement. If you do not have the legal authority to bind your employer or the applicable entity as Customer to this Agreement, please do not complete the purchase of Services or Products from Motorola.

1. Addendum. This SSA, available at www.motorolasolutions.com/product-terms, governs Customer’s purchase of Subscription Software (and, if set forth in an Ordering Document, related Services) from Motorola, and will form part of the Parties’ Agreement. Additional Subscription Software-specific Addenda or other terms and conditions may apply to certain Subscription Software, where such terms are provided or presented to Customer.

2. Delivery of Subscription Software.

2.1. Delivery. During the applicable Subscription Term (as defined below), Motorola will provide to Customer the Subscription Software set forth in an Ordering Document, in accordance with the terms of the Agreement. Motorola will provide Customer advance notice (which may be provided electronically) of any planned downtime. Delivery will occur upon Customer’s receipt of credentials required for access to the Subscription Software or upon Motorola otherwise providing access to the Subscription Software. If agreed upon in an Ordering Document, Motorola will also provide Services related to such Subscription Software.

2.2. Modifications. In addition to other rights to modify the Products and Services set forth in the MCA, Motorola may modify the Subscription Software, any associated recurring Services and any related systems so long as their functionality (as described in the applicable Ordering Document) is not materially degraded. Documentation for the Subscription Software may be updated to reflect such modifications. For clarity, new features or enhancements that are added to any Subscription Software may be subject to additional Fees.

2.3. User Credentials. If applicable, Motorola will provide Customer with administrative user credentials for the Subscription Software, and Customer will ensure such administrative user credentials are accessed and used only by Customer’s employees with training on their proper use. Customer will protect, and will cause its Authorized Users to protect, the confidentiality and security of all user credentials, including any administrative user credentials, and maintain user credential validity, including by updating passwords. Customer will be liable for any use of the Subscription Software through such user credential (including through any administrative user credentials), including any changes made to the Subscription Software or issues or user impact arising therefrom. To the extent Motorola provides Services to Customer in order to help resolve issues resulting from changes made to the Subscription Software through user credentials, including through any administrative user credentials, or issues otherwise created by Authorized

Users, such Services will be billed to Customer on a time and materials basis, and Customer will pay all invoices in accordance with the payment terms of the MCA.

2.4. Beta Services. If Motorola makes any beta version of a software application (“**Beta Service**”) available to Customer, Customer may choose to use such Beta Service at its own discretion, provided, however, that Customer will use the Beta Service solely for purposes of Customer’s evaluation of such Beta Service, and for no other purpose. Customer acknowledges and agrees that all Beta Services are offered “as-is” and without any representations or warranties or other commitments or protections from Motorola. Motorola will determine the duration of the evaluation period for any Beta Service, in its sole discretion, and Motorola may discontinue any Beta Service at any time. Customer acknowledges that Beta Services, by their nature, have not been fully tested and may contain defects or deficiencies.

3. Subscription Software License and Restrictions.

3.1. Subscription Software License. Subject to Customer’s and its Authorized Users’ compliance with the Agreement, including payment terms, Motorola hereby grants Customer and its Authorized Users a limited, non-transferable, non-sublicenseable, and non-exclusive license to use the Subscription Software identified in an Ordering Document, and the associated Documentation, solely for Customer’s internal business purposes. The foregoing license grant will be limited to use in the territory and to the number of licenses set forth in an Ordering Document (if applicable), and will continue for the applicable Subscription Term. Customer may access, and use the Subscription Software only in Customer’s owned or controlled facilities, including any authorized mobile sites; provided, however, that Authorized Users using authorized mobile or handheld devices may also log into and access the Subscription Software remotely from any location. No custom development work will be performed under this Addendum.

3.2. Customer Restrictions. Customers and Authorized Users will comply with the applicable Documentation and the copyright laws of the United States and all other relevant jurisdictions (including the copyright laws where Customer uses the Subscription Software) in connection with their use of the Subscription Software. Customer will not, and will not allow others including the Authorized Users, to make the Subscription Software available for use by unauthorized third parties, including via a commercial rental or sharing arrangement; reverse engineer, disassemble, or reprogram software used to provide the Subscription Software or any portion thereof to a human-readable form; modify, create derivative works of, or merge the Subscription Software or software used to provide the Subscription Software with other software; copy, reproduce, distribute, lend, or lease the Subscription Software or Documentation for or to any third party; take any action that would cause the Subscription Software, software used to provide the Subscription Software, or Documentation to be placed in the public domain; use the Subscription Software to compete with Motorola; remove, alter, or obscure, any copyright or other notice; share user credentials (including among Authorized Users); use the Subscription Software to store or transmit malicious code; or attempt to gain unauthorized access to the Subscription Software or its related systems or networks.

4. Term.

4.1. Subscription Terms. The duration of Customer’s subscription to the first Subscription Software and any associated recurring Services ordered under this SSA (or the first Subscription Software or recurring Service, if multiple are ordered at once) will commence upon delivery of such Subscription Software (and recurring Services, if applicable) and will continue for a twelve (12) month period or such longer period identified in an Ordering Document (the “**Initial Subscription Period**”). Following the Initial Subscription Period, Customer’s subscription to the Subscription Software and any recurring Services will automatically renew for additional twelve (12) month

periods (each, a “**Renewal Subscription Year**”), unless either Party notifies the other Party of its intent not to renew at least thirty (30) days before the conclusion of the then-current Subscription Term. (The Initial Subscription Period and each Renewal Subscription Year will each be referred to herein as a “**Subscription Term**”.) Motorola may increase Fees prior to any Renewal Subscription Year. In such case, Motorola will notify Customer of such proposed increase no later than thirty (30) days prior to commencement of such Renewal Subscription Year. Unless otherwise specified in the applicable Ordering Document, if Customer orders any additional Subscription Software or recurring Services under this SSA during an in-process Subscription Term, the subscription for each new Subscription Software or recurring Service will (a) commence upon delivery of such Subscription Software or recurring Service, and continue until the conclusion of Customer’s then-current Subscription Term (a “**Partial Subscription Year**”), and (b) automatically renew for Renewal Subscription Years thereafter, unless either Party notifies the other Party of its intent not to renew at least thirty (30) days before the conclusion of the then-current Subscription Term. Thus, unless otherwise specified in the applicable Ordering Document, the Subscription Terms for all Subscription Software and recurring Services hereunder will be synchronized.

4.2. Term. The term of this SSA (the “**SSA Term**”) will commence upon either (a) the Effective Date of the MCA, if this SSA is attached to the MCA as of such Effective Date, or (b) the SSA Date set forth on the signature page below, if this SSA is executed after the MCA Effective Date, and will continue until the expiration or termination of all Subscription Terms under this SSA, unless this SSA or the Agreement is earlier terminated in accordance with the terms of the Agreement.

4.3. Termination. Notwithstanding the termination provisions of the MCA, Motorola may terminate this SSA (or any Addendum or Ordering Documents hereunder), or suspend delivery of Subscription Software or Services, immediately upon notice to Customer if (a) Customer breaches **Section 3 – Subscription Software License and Restrictions** of this SSA, or any other provision related to Subscription Software license scope or restrictions set forth in an Addendum or Ordering Document, or (b) it determines that Customer’s use of the Subscription Software poses, or may pose, a security or other risk or adverse impact to any Subscription Software, Motorola, Motorola’s systems, or any third party (including other Motorola customers). Customer acknowledges that Motorola made a considerable investment of resources in the development, marketing, and distribution of the Subscription Software and Documentation, and that Customer’s breach of the Agreement will result in irreparable harm to Motorola for which monetary damages would be inadequate. If Customer breaches this Agreement, in addition to termination, Motorola will be entitled to all available remedies at law or in equity (including immediate injunctive relief).

4.4. Wind Down of Subscription Software. In addition to the termination rights in the MCA, Motorola may terminate any Ordering Document and Subscription Term, in whole or in part, in the event Motorola plans to cease offering the applicable Subscription Software or Service to customers.

5. Payment.

5.1. Payment. Unless otherwise provided in an Ordering Document (and notwithstanding the provisions of the MCA), Customer will prepay an annual subscription Fee set forth in an Ordering Document for each Subscription Software and associated recurring Service, before the commencement of each Subscription Term. For any Partial Subscription Year, the applicable annual subscription Fee will be prorated based on the number of months in the Partial Subscription Year. The annual subscription Fee for Subscription Software and associated recurring Services may include certain one-time Fees, such as start-up fees, license fees, or other fees set forth in an Ordering Document. Motorola will have the right to suspend the Subscription Software and any recurring Services if Customer fails to make any payments when due.

5.2. License True-Up. Motorola will have the right to conduct an audit of total user licenses credentialed by Customer for any Subscription Software during a Subscription Term, and Customer will cooperate with such audit. If Motorola determines that Customer's usage of the Subscription Software during the applicable Subscription Term exceeded the total number of licenses purchased by Customer, Motorola may invoice Customer for the additional licenses used by Customer, pro-rated for each additional license from the date such license was activated, and Customer will pay such invoice in accordance with the payment terms in the MCA.

6. Liability.

6.1. ADDITIONAL EXCLUSIONS. IN ADDITION TO THE EXCLUSIONS FROM DAMAGES SET FORTH IN THE MCA, AND NOTWITHSTANDING ANY PROVISION OF THE AGREEMENT TO THE CONTRARY, MOTOROLA WILL HAVE NO LIABILITY FOR (A) INTERRUPTION OR FAILURE OF CONNECTIVITY, VULNERABILITIES, OR SECURITY EVENTS; (B) DISRUPTION OF OR DAMAGE TO CUSTOMER'S OR THIRD PARTIES' SYSTEMS, EQUIPMENT, OR DATA, INCLUDING DENIAL OF ACCESS TO USERS, OR SHUTDOWN OF SYSTEMS CAUSED BY INTRUSION DETECTION SOFTWARE OR HARDWARE; (C) AVAILABILITY OR ACCURACY OF ANY DATA AVAILABLE THROUGH THE SUBSCRIPTION SOFTWARE OR SERVICES, OR INTERPRETATION, USE, OR MISUSE THEREOF; (D) TRACKING AND LOCATION-BASED SERVICES; OR (E) BETA SERVICES.

6.2. Voluntary Remedies. Motorola is not obligated to remedy, repair, replace, or refund the purchase price for the disclaimed or excluded issues in the MCA or **Section 6.1 – Additional Exclusions** above, but if Motorola agrees to provide Services to help resolve such issues, Customer will reimburse Motorola for its reasonable time and expenses, including by paying Motorola any Fees set forth in an Ordering Document for such Services, if applicable.

7. Motorola as a Controller or Joint Controller. In all instances where Motorola acts as a controller of data, it will comply with the applicable provisions of the Motorola Privacy Statement at https://www.motorolasolutions.com/en_us/about/privacy-policy.html#privacystatement, as may be updated from time to time. Motorola holds all Customer Contact Data as a controller and shall Process such Customer Contact Data in accordance with the Motorola Privacy Statement. In instances where Motorola is acting as a joint controller with Customer, the Parties will enter into a separate Addendum to the Agreement to allocate the respective roles as joint controllers.

8. Survival. The following provisions will survive the expiration or termination of this SSA for any reason: **Section 4 – Term; Section 5 – Payment; Section 6.1 – Additional Exclusions; Section 8 – Survival.**
