

COMMERCIAL / INDUSTRIAL SUBMITTAL CHECKLIST

Unsigned stamps from the Architect and/or Engineer will be allowed for the **Initial Plan Submittal**. Beginning with the **Resubmittals**, all design professional stamps must be signed. Licensed professional stamps can be wet signatures or digital stamps produced through Annotations or Drawing Markup tools

BUILDING DIVISION

Please take a moment to compare your plan sets with this checklist. This form is to assist building permit applicants in determining the adequacy of their submittal package. As complete plan submittals allow the City to maintain an expedited plan check process, **No deferred submittals will be allowed**. Incomplete submittals cannot be accepted and will be returned to the applicant without the benefit of a full plan check. Check the items that are included.
